When To File: A notice must be filed no later than 15 days after the first sale of securities in the offering. A notice is deemed filed with the U.S. Securities and Exchange Commission (SEC) on the earlier of the date it is received by the SEC at the address given below or, if received at that address after the date on which it is due, on the date it was mailed by United States registered or certified mail to that address.

Where to File: U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.

Copies Required: Five (5) copies of this notice must be filed with the SEC, one of which must be manually signed. Any copies not manually signed must be photocopies of the manually signed copy or bear typed or printed signatures.

Information Required: A new filing must contain all information requested. Amendments need only report the name of the issuer and offering, any changes thereto, the information requested in Part C, and any material changes from the information previously supplied in Parts A and B. Part E and the Appendix need not be filed with the SEC.

Filing Fee: There is no federal filing fee.

State:

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely, failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

Footnotes**Footnote 1**

Pursuant to an agency agreement ("Members' Agent Agreement"), Argenta Private Capital Limited (the "Members' Agent") represents individual members of Lloyd's and (for those insuring on a limited liability basis) their limited liability vehicles ("Names"), and advises them and manages their affairs with respect to their insurance underwriting business at Lloyd's. The Members' Agent helps each Name to secure the right to participate in insurance underwriting syndicates in the Lloyd's market (through acquisitions by auction of the right to participate, or otherwise), and enters into agency agreements on the Name's behalf with insurance underwriting agents at Lloyd's (the "Managing Agents") who manage the Name's participation on insurance underwriting syndicates at Lloyd's. In the view of Lloyd's, as regulator of the Lloyd's Market, and the filing Members' Agent, such activities and arrangements relate to the direct underwriting of insurance in the Lloyd's Market, and neither their initiation nor their continuation on an ongoing basis involve the offer, sale or issuance of a security. The Members' Agent, on behalf of itself, Lloyd's and other participants in the Lloyd's Market, expressly reserves their right to maintain this position notwithstanding the making of this filing or the use of the words "issuer," "security" and like terms in this filing. However, these activities are reported on this Form D solely for purposes of asserting that, in any case, these activities are exempt from registration under Regulation D.

For administrative convenience and to facilitate a wider spread of insurance risk, some Names' for whom the Members' Agent acts are grouped together in a members' agent pooling arrangement in which all participating members underwrite in the same insurance syndicates with shared premium limits which they agree. Each Name is individually identified on syndicate lists and underwrites directly, with full unlimited liability. While accounting and certain other administrative tasks are handled in the first instance on a group basis, the interests of the participating Names are accounted for individually and no legal entity is created.

Footnote B-2

Since each individual Name in the Lloyd's insurance market who insures on an unlimited liability basis pledges his or her entire personal wealth to satisfy claims on policies he or she underwrites, this amount cannot be determined for such Names. In the case of a Name who underwrites through a limited liability vehicle, only the limited liability vehicle is liable for the insurance business so underwritten. However, in order to underwrite, the Name, or in the case of a Name who underwrites through a limited liability vehicle, the limited liability vehicle, must place monies in the form of cash, letters of credit, or other assets as security for such Name's, or such limited liability vehicle's, underwriting.

The amount of these monies is determined by Lloyd's in accordance with Lloyd's capital requirements and varies from member to member. However, members are subject to a minimum capital requirement of 40% of the Name's, or the limited liability vehicle's, overall premium limit. In cases where 85% or more of the

Name's or the limited liability vehicle's overall premium limit is allocated to syndicates underwriting EU motor business, this minimum requirement is reduced to 25% of the overall premium limit. The "overall premium limit" is the limit prescribed on the amount of insurance business which is to be underwritten on behalf of the Name or limited liability vehicle, such limit being expressed as the maximum permissible amount of the premium income allocable to any year of account.

The Name's deposit, taken together with the Name's qualifying net worth, is determinative of the amount of insurance business he may undertake. Under certain circumstances a Name's losses in excess of a certain amount may be covered by an excess stop loss insurance plan or by other insurance but any such insurance does not release the Name from liability.

Footnote C-1

As indicated in Footnote 1 above, the Members' Agent does not consider the relationships described in footnote 1 to constitute any kind of security, including, without limitation, an investment contract. Because of the nature of participation in the Lloyd's market unlimited liability of some Names as described in Footnote B-2, an aggregate offering price is not calculable.

Footnote C-2

The Number of Investors shown to the left of the slash-mark is the number of Names who, insofar as the Members' Agent is aware, are U.S. Persons (as defined in Regulation S) and have initiated relationships with the filing Members' Agent in respect of the year of account recently commenced. The Number of Investors shown to the right of the slash-mark is the total number of the U.S. Names represented by the filing Members' Agent (including both newly-initiated relationships and relationships that were initiated in prior years of account). The inclusion of this additional information with respect to continuing relationships is without prejudice to the Members' Agent position that, even if a security were involved here, the continuation of a relationship with the Members' Agent from year to year does not constitute the offer, sale or issuance of a security.

Footnote C-4 (a)

Fees incurred by the Members' Agent in connection with the execution of the Members' Agent's Agreement are minor and in any case do not exceed \$5,000.

Footnote C-4 (b)

See Footnote B-2. Although each Name must deposit funds with the Lloyd's market, such funds serve only to satisfy liabilities of the Name under certain conditions. Accordingly, there are no proceeds in the usual sense. Moreover, since each individual Name pledges the Name's entire net worth, the "aggregate" amount cannot be calculated.

Footnote C-5

Any deposit furnished by the Name in connection with his business of insurance underwriting at Lloyd's is placed on deposit and, together with revenues generated by insurance underwriting business and the Name's aggregate net worth, is available to meet the expenses of the insurance underwriting business, including insurance claims.
