## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and Administrator of the  
Avanzar Interior Technologies, Ltd. Savings and Investment 401(k) Plan:

We have audited the accompanying statements of net assets available for benefits of the Avanzar Interior Technologies, Ltd. Savings and Investment 401(k) Plan (the "Plan") as of December 31, 2006 and 2005 and the related statement of changes in net assets available for benefits for December 31, 2006. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Avanzar Interior Technologies, Ltd. Savings and Investment 401(k) Plan as of December 31, 2006 and 2005, and the changes in net assets for December 31, 2006, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule, as listed in the accompanying table of contents, is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SAVINGS AND INVESTMENT 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
YEARS ENDED DECEMBER 31, 2006 AND 2005**

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of Avanzar Interior Technologies, Ltd. Savings and Investment 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document provided to all participants for a more complete description of the Plan’s provisions.

**GENERAL**

The Plan is a defined contribution plan adopted effective September 1, 2005 for participation by eligible employees of Avanzar Interior Technologies, Ltd., a production facility of Johnson Controls, Inc. (the “Company” or “employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is administered by the Employee Benefits Policy Committee appointed by the Company.

**CONTRIBUTIONS**

Participants can designate an amount up to twenty-five percent (25%) of their gross annual compensation as contributions, as defined by the Plan, of which the first six percent (6%) is eligible for the employer’s matching contribution. The Company also makes a non-elective annual contribution to the Plan representing three percent (3%) of participant’s compensation for employees. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participant contributions are deposited in the investment programs of their choice. Participant contribution balances may be reallocated by participants among the investment programs at any time in increments of one percent. However, participants can reallocate deposits out of the Fixed Income Fund no more than once each calendar quarter in order to maximize the rate of return for that fund.

Participants are immediately vested in their contributions plus actual earnings / (losses) thereon. Vesting in the Company’s discretionary contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is fully vested after five years of credited service.

If employment terminates other than by reason of retirement, death or total and permanent disability and the participant is not reemployed by the Company or its affiliates within 72 months of that date, the participant’s interest in the non-vested portion of the employer contributions may be applied to reduce future employer contributions under the Plan.

**PARTICIPANT ACCOUNTS**

Participant recordkeeping is performed by Fidelity Investments Institutional Retirement Services Company (“Fidelity”).

**NOTE 1 – DESCRIPTION OF THE PLAN (continued)**

**PARTICIPANT LOANS**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their account balance, whichever is less. Loans are subject to certain limitations based on the plan document. Only two loans may be outstanding at any time. Each loan may be for a term up to 5 years. Regular payroll deductions are required to repay a loan. The loan will bear interest at a reasonable rate on the basis of rates charged by commercial lenders at the loan's inception. Loans must be repaid in full at the time of retirement or termination.

**ADMINISTRATIVE EXPENSES**

Administrative expenses are paid by the Plan, as allowed by plan provisions with all remaining expenses paid by the Company.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF PRESENTATION**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**SAVINGS AND INVESTMENT MASTER TRUST**

All investments and participant loans of the Plan are included under a master trust arrangement, the Johnson Controls, Inc. Savings and Investment Master Trust ("Master Trust"), trustee by Fidelity. All investments of the Master Trust, except the investments in the Johnson Controls Common Stock Fund, U.S. Equity Index Commingled Pool and the Fixed Income Fund, are stated at market value, based on quoted market prices. The investments in the Johnson Controls Common Stock Fund and the U.S. Equity Index Commingled Pool are stated at an estimated fair value accounted for on a unit value method. The unit value of the fund is computed daily based on share price and the value of the fund's short-term investments. The guaranteed investment contracts within the Fixed Income Fund are stated at contract value, which approximates fair value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals.

At December 31, 2006, the Plan held 404 units of the Johnson Controls Common Stock Fund at a unit value of \$179.04. At December 31, 2006 and 2005, the Plan held 339 units and 25 units respectively, of the U.S. Equity Index Commingled Pool at unit values of \$45.41 and \$39.24, respectively.

Investment income of the Master Trust is allocated among the participating plans daily based on the plans' relative equity interests in each of the Master Trust's investment programs as of the beginning of the applicable day. Interest income and share price appreciation or depreciation is recorded daily by each of the applicable investment programs. Dividend income is recorded either quarterly or semi-annually, depending on the investment program.

**SAVINGS AND INVESTMENT MASTER TRUST (continued)**

The Statements of Financial Position as of December 31, 2006 and 2005 and the Statement of Operations and Changes in Participating Plans' Equity for the year ended December 31, 2006 for the Master Trust are presented in Note 8.

There were no forfeitures related to the Plan in the Master Trust at December 31, 2006 and 2005.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
