Section 4(2) Unit Sales

The Company issued four convertible debenture units for \$25,000 each (the "Units") during the first and second quarters in 2006, pursuant to a private placement offering under Section 4(2) of the Act (the "Private Placement Offering"), for an aggregate total of \$100,000 during that period. 2 Units were issued to Kevin Luetje for total of \$50,000 (at \$25,000 each). Mr. Luetje is an "Accredited Investor" as defined in Rule 501(a) of Regulation D promulgated under the Securities Act, and executed a subscription agreement which provided that the securities being issued were "restricted securities" under Rule 144 of the Securities Act. The securities also bore a restrictive legend.

Regulation S Unit Sales

1 Unit was issued to Gary Matthews, a friend of Colin Innes, for \$25,000, and 1 Unit was issued to Curtis Joynt, a friend of Colin Innes, for \$25,000. Mr. Matthews and Mr. Joynt are non-U.S. persons under Reg. §230.902 and §230.903 of Regulation S.

Each Unit has a 12% coupon rate and a warrant to purchase 25,000 shares at \$.001 per share and can be converted into common stock of the Company at the higher of (1) \$0.10 per share or (2) 75% of the average price at the close of the price over the last 10 trading days. Approximately \$10,000 of the proceeds from the issuance of the debentures and warrants were used to pay legal expenses of the Company, with the balance of \$90,000 going to the Company.

SUBSEQUENT EVENTS

In September 2006, the Company engaged Pegasus Advisory Group, Inc. ("Pegasus") as a corporate and financial advisor to the Company (the "Pegasus Agreement"). Under the Pegasus Agreement, Pegasus agreed to 1) assist the Company in properly structuring its capitalization in preparation for a listing on the Pink Sheets; ii) advise the Company on proper asset transfer in regards to intellectual property; iii) work with the Company's attorneys; (iv) collaborate with the Company's accountants; (v) advise on the proper shareholding structure; and (vi) identify a sponsoring brokerage firm and managing the process of the 15(c)-211 filing.

As consideration for providing its services, the Company issued a Convertible Note (the "Note") for services to Pegasus in the principal amount of \$200,000.00, bearing an interest rate of 2% per annum. A copy of this note is included in the Part III as Exhibit 3(b). The Note matures on September 28, 2008. In the event that the Company offers shares of common stock pursuant to a Form 1-A that is deemed qualified, Pegasus ("Regulation A Offering"), at its election, may convert the Note at any time on or prior to the Maturity Date, in whole or in part, into the Regulation A Offering, on the same terms offered to the investors of the Regulation A Offering. Therefore, the Note has a conversion price equal to the price of securities sold or offered for sale in this or any qualified Regulation A Offering of the Company. During the period the conversion right exists, the Company will reserve from its authorized and unissued common stock a sufficient number of shares, free from preemptive rights, to provide for the issuance of common stock upon the full conversion of the Note. Any portion of the principal and interest on the Note which is not converted shall become due and payable on September 28, 2008. There are no agreements or arrangements in place for Pegasus making an election to convert the Note into common stock of the Company.

The Company is required at all times to have authorized and reserved two times the number of shares that is actually issuable upon full conversion of the Note. In addition, if the Company issues any securities or makes any changes to its capital structure which would change the number of shares of common stock into which the Note shall be convertible at the ten current conversion price, the Company shall at the same time make proper provisions so that thereafter there shall be a sufficient number of shares of common stock authorized and reserved, free from preemptive rights, for conversion of any outstanding Note. The Company, in the event of a qualified Regulation A Offering, also has the option to cause Pegasus to convert, in whole or in part, into the stock offered in the Regulation A Offering on the terms offered to the investors of such a qualified Regulation A Offering. It will be the responsibility of the Company to effectuate or cause its transfer agent to effectuate the issuance of common stock upon conversion of all or part of the Note.

On November 13, 2006, the Company's Board of Directors authorized the Company to issue 1,000,000 shares of Series B Preferred Stock (the "Preferred Stock") to Colin Innes, the Company's Chairman, President and Chief Executive Officer. Consideration paid by Mr. Innes for 1,000,000 shares of Series B Preferred Stock was

\$0.001 each, for an aggregate value of \$1,000.00. This stock was issued to Mr. Innes in exchange for his prior, current and future management contributions to the Company as its primary founder. At present there is no employment agreement in place with Mr. Innes. Mr. Innes will continue to serve as the Company's Chairman, President and Chief Executive Officer, and the Company anticipates that it will enter into an employment agreement with Mr. Innes shortly after the consummation of this Offering.

On November 14, 2006, the Company issued a fifth Unit pursuant to the Private Placement Offering to Brent Ludwig for \$25,000.00, under the same terms as the previous Unit sales. As of January 1, 2007, none of the Units had been converted into common stock of the Company and no warrants had been exercised. Subsequently, in November 2006, the Company terminated the Private Placement Offering.

During the months of February through May 2007, the Company received \$68,537.25 through the issuance of eight (8) convertible promissory notes (the "Notes") to the following individuals in the amounts set forth below:

<u>Name</u>	<u>Relationship to Company</u>	<u>Date of Note</u>	<u>Amount</u>

PK Naidoo	Friend	Mar 22, 2007	\$10,000.00
Fred Kerr	Friend	April 30, 2007	\$5,000.00
Pat Arneri	Friend	May 7, 2007	\$5,000.00

Ilie Onulov	Friend	Mar 13, 2007	\$5,000.00
			\$68,537.25

Each of the Notes carries a ten percent (10%) interest per annum. The form of the Note is included in Part III as Exhibit 3(c). All outstanding principal together with interest on the Notes shall convert into Common Stock of the Company upon the Company's Form 1-A being declared effective by the Securities and Exchange Commission ("SEC"), for which the Common Stock shall be registered on Form 1-A. If the Company's Form 1-A is not declared effective by the SEC, at any time prior to the Maturity Date, which is defined as one year from the date each of the Notes is issued, the

holder has the option to convert the Note into Common Stock at a conversion rate of \$.05 per share. Provided, however, that in the event the Holder elects not to convert this Note, this Note shall remain a legally valid promissory note and all principal and interest shall be due no later than the Maturity Date.

(4) the names and identities of the persons to whom the securities were issued.

Please refer to the table in Question (3), above, as well as the transactions described in the "Subsequent Events" subsection of Question (3).

(b) As to any unregistered securities of the issuer or any of its predecessors or affiliated issuers which were sold within one year prior to the filing of this Form 1-A by or for the account of any person who at the time was a director, officer, promoter or principal security holder of the issuer of such securities, or was an underwriter of any securities of such issuer, furnish the information specified in subsections (1) through (4) of paragraph (a).

The sale made under 4(2) was made to an "accredited investor" who executed a subscription agreement providing that the securities being issued were "restricted securities" under Rule 144 of the Securities Act. The securities also bore a restrictive legend. All securities sold under Regulation S were securities issued only to foreigners, who were Canadian citizens residing in Canada.

RISK FACTORS

2. List in the order of importance the factors which the Company considers to be the most substantial risks to an investor in this offering in view of all facts and circumstances or which otherwise make the offering one of high risk or speculative (i. e., those factors which constitute the greatest threat that the investment will be lost in whole or in part, or not provide an adequate return).

(1) Best Efforts: No Assurance That Shares Will Be Purchased; No Minimum Offering; Escrow Account; Need for Additional Capital: This Offering is being made on a "best efforts basis," and there is no minimum number of Shares which must be sold in this Offering. Therefore, the Company can give no assurance that all or any of the Shares will be sold. All subscription funds will be wired or sent to the "Otto Law Group, PLLC/Skillstorm Online Learning, Inc. Escrow Account", 601 Union Street, Suite 4500, Seattle, Washington 98101, which the Otto Law Group will hold in escrow pending review of the subscription documents and adequacy of consideration, prior release of the escrow funds to the Company. Once the Company accepts the subscriptions they will be deemed irrevocable.

(2) The Company Plans An Ambitious Development Program That May Require The Net Proceeds From This Offering: If less than all of the Shares offered are sold, the Company may have to delay or modify its marketing plans and proceed on a much slower or smaller scale. There can be no assurance that any delay or modification of the Company's marketing plans would not adversely affect the Company's business, financial condition and results of operations. Some of our training programs which are currently in post-production are critical to your success, and the financial required for this post-production activity, particularly including the U-17 and U-19 trading programs, is projected to be \$200,000. If additional funds are needed to produce and market its products and services, the Company may be

required to seek additional financing. The Company may not be able to obtain such additional financing or, if obtained, such financing may not be on terms favorable to the Company or to the purchasers of the Shares.

(3) As a Development-Stage Company, Funds Received From This Offering May Not be Sufficient to Sustain the Operations Expectations Described In This Offering Circular:

There is no certainty that the Company will be successful in developing the business of the Company described herein, or that its facilities and employees will be capable of satisfactorily carrying out such business. Prospective investors are being furnished with limited historical financial information about the Company upon which to base an evaluation of its performance and an investment in the Common Stock offered hereby. The Company has limited resources and is dependent upon this Offering to allow it to continue its operations. The Company currently has insignificant sales through its web site traffic. The proceeds of the Offering, however, and the Company's other resources may not be sufficient for the Company to implement its current business plan, and the Company may have inadequate funds to finance its operations for the twelve months following the Offering and, therefore, may need to seek additional financing. As a new enterprise, it is likely to be subject to risks that management has not anticipated. The Company has entered into a consulting services agreement with Pegasus Advisory Group, Inc. ("Pegasus"), for which Pegasus received a \$200,000 promissory note. Even if the maximum subscriptions in this Offering are sold, the Company expects that it will owe \$100,000 of the principal, plus interest, on the promissory note to Pegasus, which Company intends to pay out of future Company earnings. (See "Use of Proceeds").

(4) There is the Possibility That a Very Nominal Number of Shares Will be Sold In This Offering:

In that case, the Company still intends to proceed with its plans but will obviously have to proceed on a much smaller scale and with a lower likelihood of success. The Company anticipates that it will incur substantial expenses prior, and subsequent to its becoming profitable. The Company expects these initial expenses to result in significant operating losses as the costs of the acquisition of subscribers, web site content and licensing rights of content are expected to be substantial. All content production and technology development costs must be borne by the Company until the Company is able to generate adequate revenues from sales of subscriptions to its web content service, such revenues of which there can be no assurance.

(5) We Have Not Been Profitable to Date, We May Never Be Profitable and We Anticipate Continued Losses for the Foreseeable Future:

To date, we have not been profitable. We cannot assure you that we will ever achieve or sustain profitability. We reported operating losses of 731,871 for 2006 and \$509,340 for 2005. We expect to incur operating losses for the foreseeable future. In particular, we intend to invest heavily in research and development (R&D) and sales and marketing. No actual R&D funds were spent in fiscal years 2006 or 2005, but funds were spent to acquire initial technology. Even if revenues meet levels we anticipate, or if our costs and expenses exceed our expectations, we could continue to sustain losses, and our business and the price of our common stock may be harmed. See notes accompanying financial statements for information on our history of losses and anticipation of continued losses.

(6) Potential Need for Additional Financing:

There can be no assurance that the Company will not require additional funds to support its working capital requirements or for other purposes, in which case the Company may seek to raise such additional funds through public or private equity financing or from other sources. There can be no assurance that such additional financing will be available or that, if available, such financing will be obtained on terms favorable to the Company and would not result in additional dilution to the Company's stockholders.

(7) As a Non-Reporting Issuer, There May Be a Limited Trading Market for The Company's Securities Due, In Part, to Brokers Not Having Current Information On The Company: Following the Offering, the Company may be considered a "non-reporting" issuer whose securities are not listed or subject to regulation under the Securities Exchange Act of 1934, depending on how many securities are sold and to how many investors. The vast majority of broker-dealers generally do not engage in the sale or trading of securities of a "non-reporting" issuer. Further limitations upon the development of a trading market are likely by virtue of regulations under Rule 15c2-11 of the 1934 Act which require that before broker-dealers can make a market in the Company's securities and thereafter as they continue making the market, the Company must provide these broker-dealers with current information about the Company. The Company presently has formulated limited specific plans to distribute current information to broker-dealers and will only do so if there appears otherwise to be adequate interest in making a market in the Company's securities. The Company intends to provide updated information on the Company, including quarterly financials and an updated management discussion and analysis on material Company events. Furthermore, in view of the absence of an underwriter, the relatively small size of the Offering and the duration of the Offering and the nature of the Company as a "non-reporting" issuer, it is possible that a regular trading market will not develop in the near term, if at all, or that if developed it will be sustained. Accordingly, an investment in the Company's Common Stock should be considered highly illiquid.

(8) The Company has Issued 1,000,000 Shares of Preferred Stock to its Chief Executive Officer, with 250 votes per share. In November 2006, the Company issued 1,000,000 shares of Series B Preferred Stock (the "Preferred Stock") to the Company's Chief Executive Officer ("CEO"). The Preferred Stock has 250 votes per share on any matter properly before the shareholders for a vote and therefore can supersede the majority vote of the common stock of the Company. No cash dividends shall be paid with respect to the shares of Series B Preferred Stock.

(9) The Preferred Stock has Preferential Rights to the Holders of Common Stock In the event of the liquidation or winding up of the Company, the holders of the Series B Preferred Stock will be entitled to receive, prior and in preference to the holders of common stock of the Company (the "Common Stock"), an amount up to but not greater than the original purchase price per share of the Preferred Stock. The holders may choose by majority vote to treat a merger of the Company in which the Company is not the surviving entity, or a sale of all or substantially all of the Company's assets, as a liquidation or winding up for purposes of this liquidation preference if (i) the amount of consideration received would be less than the amount of the holder's liquidation preference or (ii) the consideration consists solely or in part of securities that are not readily marketable.

(10) Voting Control By the Company's Chief Executive Officer: In addition to the 1,000,000 shares of Preferred Stock which gives the Company's CEO 250 votes per share on any matter properly before the shareholders for a vote and therefore can supersede the majority vote of the common stock of the Company, the CEO also owns 6,542,670 shares of common stock of the Company (approximately 21.0% of the total issued and outstanding), through his personal holdings and equity interest in 1441966 Ontario. Immediately after the closing of this Offering, assuming that the maximum of securities offered hereby are sold, 13% of the outstanding Common Stock will be held by the directors and executive officers of the Company.

(11) No State Registration: The Company has not as yet registered for sale in any state. The

Company can undertake no assurance that state laws are not violated through the further sale of its securities. The issuer intends to register its shares for sale in California, New York, Connecticut, Florida, Minnesota, Nevada, Washington, Texas, Washington, D.C. and New Jersey. So far, no shares have been offered in any of those jurisdictions. The Company intends to determine interest only through a combination of (i) issuing news releases regarding material Company events and factual information about the Company, but which releases will not reference any offering of the Company's securities, and (ii) through broker-dealers who will undertake one-on-one communications to residents in such states as California, New York, Connecticut, Florida, Minnesota, Nevada, Washington, Texas, Washington, D.C. and New Jersey, in compliance with each state's "Blue Sky" laws. The Company does not intend to seek indications of interest through any other methods. While the "Blue Sky" laws vary from state to state, the Company intends to fully comply with the "Blue Sky" laws of each state. To definitively determine in which of the aforementioned states the securities are registered subsequent to the SEC deeming this offer qualified, interested investors may contact the Company and/or the state agency responsible for securities regulation in such state

(12) Our Software is Not Patented and Potential Third Party Infringement of Our Intellectual Property May Cause Harm to Our Business and Competitive Ability: All of our software web applications are proprietary, but none are patented. We rely on confidentiality agreements and other contractual arrangements with our employees, affiliates, strategic partners, and others. Currently, forty-four agreements have been executed. Otherwise, we have no other protection of the software. In the future, the Company plans to obtain a patent if it has the necessary funds available to do so. We cannot assure you that any steps we take to protect our proprietary property rights will be sufficient or effective. Failure to protect our intellectual property adequately could harm our brand, devalue our proprietary content, and affect our ability to compete effectively. Defending our intellectual property rights could result in the expenditure of significant financial and managerial resources. The only other proprietary property rights of the Company include our film footage of the FC Bayern Munich youth teams. These rights described in the Right to Use and Royalty Agreement between FC Bayern Munich AG and Skillstorm Online Learning, Inc., which is listed as Exhibit 6(a) in Part III of this Form 1-A. At present no royalties have been paid or are owed.

(13) Uncertainty of Future Operating Results: The Company does not expect to achieve profitability for the next several quarters, and there can be no assurance that it will be profitable thereafter, or that the Company will sustain any such profitability if achieved.

(14) Many of the Company's Current and Potential Competitors may have Longer Operating Histories and may have Significantly Greater Financial, Distribution, Sales, Marketing and other Resources, as well as Greater Name Recognition and a Larger Distribution Base, than the Company: As a result, they may be able to devote greater resources to the development, promotion, sale and support of their productions than the Company. There can be no assurance that the Company will be able to compete successfully against current or future competitors or that competitive pressures faced by the Company will not materially adversely affect its business, operating results or financial condition.

(15) Dependence on Key Personnel: Colin Innes, Chairman, Chief Executive Officer and President of the Company, could fall victim to some kind of accident which would render him incapable of serving the Company. The Company's success is substantially dependent upon one key person. The loss of the services of Mr. Innes would have a material adverse effect on the Company's business, financial condition or results of operations. The Company does not have an employment contract with and does not hold key-man life insurance and accident insurance policies on Mr. Innes. Even if it did, there is no assurance that Mr. Innes could be

replaced by qualified personnel.

(16) Arbitrary Offering Price of the Company's Securities: The initial offering price of the Shares has been determined by arbitrarily, with no consideration being given to the current status of the Company's business, the value of its properties, its financial condition, its present and prospective operations, the general status of the securities market and the market conditions for new offerings of securities. The initial offering price bears no relationship to the assets, net worth, book value, recent sales, price of shares issued to principal shareholders or any other ordinary criteria of value.

(17) No Prior Market for Common Stock: Prior to this offering, there has been no public market for the Company's securities, and there can be no assurance that an active trading market will develop after this Offering or, if developed, that it will be sustained. The SEC has adopted regulations which generally define "penny stock" to be an equity security that has a market price of less than \$5.00 per share or an exercise price of less than \$5.00 per share, subject to specific exemptions. Until the market price of our common stock increase to a price greater than \$5.00 per share, if ever, it may be designated as a "penny stock" according to SEC rules. This designation requires any broker or dealer selling these securities to disclose certain information concerning the transaction, obtain a written agreement from the purchaser and determine that the purchaser is reasonably suitable to purchase the securities. These rules may restrict the ability of brokers or dealers to sell our common stock and may affect the ability of investors to sell their shares. In addition, since our common stock is currently traded on the NASD's OTC Bulletin Board, investors may find it difficult to obtain accurate quotations of our common stock and may experience a lack of buyers to purchase such stock or a lack of market makers to support the stock price.

(18) Dilution: Purchasers of the common shares offered hereby will incur an immediate substantial dilution, in terms of book value, from the public offering price of approximately \$0.05 per share of common stock, assuming that all offered shares are sold. After giving effect to the sale and the application of net proceeds of 18,000,000 common stock shares by our Company under this Offering, there will be an immediate dilution of \$.036 per share to purchasers of common shares under our Offering.

(19) Shares Eligible for Future Sale: The availability for sale of certain shares of Common Stock held by existing shareholders of the Company after this offering could adversely affect the market price of the Common Stock. Of the maximum of 49,093,760 shares of Common Stock to be outstanding following this Offering, 31,093,760 shares were issued to the Company's existing shareholders in private transactions in reliance upon exemptions from registration under the Act and are, therefore, "restricted securities" under the Act, which may not be sold publicly unless the shares are registered under the Act or are sold under Rules 144 or 144A of the Act after expiration of applicable holding periods. Currently, there are approximately 14,240,000 shares of Common Stock eligible for sale under Rule 144. Sales of substantial amounts of the Company's currently outstanding Shares could adversely affect prevailing market prices of the Company's securities and the Company's ability to raise additional capital by occurring at a time when it would be advantageous for the Company to sell securities.

(20) Underwriters' Influence on the Market: The Company does not at present have an underwriter and no underwriters have advised the Company that they intend to make a market in the Common Stock after the offering or otherwise to effect transactions in the Common Stock. Market-making activity may terminate at any time. If they participate in the market, underwriters may exert a dominating influence on the market for the Common Stock. The

price and liquidity of the common stock may be significantly affected by the degree, if any, of underwriters' participation in such market.

(21) No Dividends: No dividends have been paid on the Common Stock of the Company. The Company does not intend to pay cash dividends on its Common Stock in the foreseeable future, and anticipates that profits, if any, received from operations will be devoted to the Company's future operations. Any decision to pay dividends will depend upon the Company's profitability at the time, cash available therefore and other relevant factors.

(22) Our common stock is currently considered "a penny stock" and may be difficult for you to sell: The Securities and Exchange Commission has adopted regulations which generally define "penny stock" to be any equity security that has a market price (as defined) of less than \$5.00 per share or an exercise price of less than \$5.00 per share. The securities may become subject to rules that impose additional sales practice requirements on broker-dealers who sell such securities. For transactions covered by these rules, the broker-dealer must make a special suitability determination for the purchaser of such securities and have received the purchaser's written consent to the transaction prior to the purchase. Additionally, for any transaction involving a penny stock, unless exempt, the rules require the delivery, prior to the transaction, of a disclosure schedule prepared by the Securities and Exchange Commission relating to the penny stock market. The broker-dealer also must disclose the commissions payable to both the broker-dealer and the registered representative, current quotations for the securities and, if the broker-dealer is the sole market-maker, the broker-dealer must disclose this fact and the broker-dealer's presumed control over the market. Finally, among other requirements, monthly statements must be sent disclosing recent price information for the penny stock held in the account and information on the limited market in penny stocks. Consequently, the "penny stock" rules may restrict the ability of purchasers in this offering to sell the Common Stock offered hereby in the secondary market.

(23) General Economic and Market Conditions: The Company's operations may in the future experience substantial fluctuations from period to period as a consequence of general economic conditions affecting consumer spending in the United States, Germany, and any other countries in which the significant subscriber bases are developed. Therefore, any economic downturns in general in any country in which these subscribers reside would have a material adverse effect on the Company's business, operating results and financial condition.

(24) We May Not Be Able To Effectively Manage Growth: Our anticipated growth in the twelve months subsequent to the Offering will place significant demands on our management. If we are successful in implementing our growth strategy, we may have difficulty responding to demand for our products and services in a timely manner and in accordance with our customers' expectations. We expect these demands to require the addition of new management, sales, technical and other personnel and the purchase and installation of additional hardware, software and telecommunications systems.

(25) We Cannot be Certain that Our Products Do Not, or Will Not, Infringe Upon Patents, Trademarks, Copyrights or Other Intellectual Property Rights Held By Third Parties: Since we rely on third parties to help us develop, market and support our product and service offerings, we cannot assure you that litigation will not arise from disputes involving those third parties. We do not owe any licensing royalties to any third parties. We may incur substantial expenses in defending against prospective claims, regardless of their merit. Successful claims against us may result in substantial monetary liability, significantly impact our results of operations in one or more quarters or materially disrupt the conduct of our business.

Note: In addition to the above risks, businesses are often subject to risks not foreseen or fully appreciated by management. In reviewing this Offering Circular potential investors should keep in mind other possible risks that could be important.

BUSINESS AND PROPERTIES

3. With respect to the business of the Company and its properties:

- (a) Describe in detail *what* business the Company does and proposes to do, including what product or goods are or will be produced or services that are or will be rendered.

Skillstorm Online Learning Inc. ("Skillstorm" or the "Company"), incorporated in the State of Washington, is a multiple language online training program for soccer players, coaches, leagues, parents and teachers. Its web site is www.skillstorm.de. The Company is not affiliated with Skillstorm Inc., a technical and professional services firm. Skillstorm is endorsed by FC Bayern Munich ("Bayern"), a top member of the German Bundes League, and also with Bayern Munich's internationally recognized president, coach and player, Franz Beckenbauer. Skillstorm's on-line website provides youth players and their coaches direct static and video access to proven soccer training programs. Skillstorm believes on-line availability will allow many players and coaches without the funds or regional access to top soccer training programs the ability to recognize, understand and implement proven training techniques with top internationally recognized coaches and teams. The Company's content may be purchased or subscribed to via the Company's website.

The Company is currently conducting operations, but its operations do not provide sufficient revenue to either sustain or expand operations. The Company plans to expand its operations with the proceeds raised from this Offering. The substance of the Company's operations is described throughout this section. The Company is not currently fully operational, and cannot be fully operational, such that operations would be capable of supporting a substantial portion, or all, of current operations cost (such costs determined as of any such time that management seeks to determine or declare whether the Company is "fully operational"), until it raises additional investment capital and completes the videos for the U-17 and U19 age groups. Please see the chart provided in question 4(a), which outlines the milestones the Company believes it needs to achieve in order to become fully operational.

- (b) Describe *how* these products or services are to be produced or rendered and how and when the Company intends to carry out its activities. If the Company plans to offer a new product(s), state the present stage of development, including whether or not a working prototype(s) is in existence. Indicate if completion of development of the product would require a material amount of the resources of the Company, and the estimated amount. If the Company is or is expected to be dependent upon one or a limited number of suppliers for essential raw materials, energy or other items, describe. Describe any major existing supply contracts.

Skillstorm develops learning and training software products and database technologies to aggregate and provide access to the sports training content found on their website. The Company has developed what it calls a "learning engine", which consists of software developed independent of the content and Skillstorm's underlying database products, through which its training products are strategically arranged in a seamless database that includes: (i) static files, (ii) animated files, and (iii) also features professionally produced and edited video clips based on the practice drills and strategies developed by its coaches and experts. This technology system arrangement delivers the Company's training programs via dial-up or high speed connections to personal computers

using Windows 95/98, 2000/XP, NT, or Mac operating systems, and will work with all browsers. This learning engine enables the Company to distribute its licensed and proprietary content over the internet.

Skillstorm's learning tool is a software web application developed using PHP, XML, Flash, among other coding scripts to build a platform where variable static and streaming content can be combined and displayed on demand. The software can only be accessed via the Company's website. The content choices are navigated by various pic-lists in expandable menus.

While all of the software web application is proprietary to the Company, we have not yet sought patent protection for the software. The content is separate from the software web application so we can efficiently change languages when required. Furthermore, as demands change for different mediums, having the content separate from the software web application allows Skillstorm to be more flexible. As codecs improve, Skillstorm can quickly adapt to them and improving the user experience immediately without any recoding.

This database, when used in connection with the website's software, can deliver streaming video, voice-over and structured practice sessions. Skillstorm's technology also allows content to be delivered to iPods, PDA's and cell phones making the user experience truly portable.

Skillstorm's learning tool is independent of the content of its current database and the platform may be adapted to other languages and in the near term, to other sports. English and German are the two languages currently being used. Skillstorm has built its products to easily translate into other languages. Other languages will be available when there is a sound economic benefit. This could come in the form of a sponsorship or a large sale. These languages may include Spanish, French, Japanese and Mandarin. The Company plans to produce basketball and baseball training websites using their existing learning engine in the near future.

The initial learning engine is focused on soccer, the world's most popular participation team sport. However, the software-learning engine was developed to be independent of the content and its underlying database, and is therefore adaptable to other sports and languages by organizing new video, audio, animation and text content in the database. Unlike most of its competitors, it will give users access to content 7 days a week, 52 weeks a year. Skillstorm has a Right to Use and Royalty Agreement with FC Bayern Munich Soccer Club (the "Bayern Munich Agreement"), one of the most successful clubs in soccer history, to produce content aimed at youth development for all age categories. With 2 Intercontinental Cups, 4 European Champions League titles, 1 UEFA Cup title, 1 Cup Winners' Cup title, 20 national championships, and 13 German Cups, Bayern Munich is Germany's foremost soccer club. Bayern Munich is a membership based club and with more than 120,000 members, the third largest in the world after SL Benfica (the largest, according to the official Guinness Book of World Records) and FC Barcelona. This approach allows users to learn from well recognized, proven players and coaches.

Under the Bayern Munich Agreement, the Company has the right to film footage of the coaching of, and demonstration of exercises, skills, drills and scrimmages by, student players and teams of the age groups U10, U12, U14, U16 and U18 at Bayern Munich's soccer youth academy in Munich, Germany. Skillstorm intends to use the program also online as an on-line video soccer coaching and training program on Skillstorm's website.

Under the Bayern Munich Agreement dated April 27, 1998, Bayern Munich received 100,000 Deutschmarks (D.M.) (\$70,421 U.S. Dollars) from Intersports and was to receive a royalty, due on a quarterly basis, equal to 50% of the subscription fees, minus all costs of sales, collected by Skillstorm from subscribers of the Online Soccer Program. No restrictions were placed on where

Skillstorm could sell its products, and therefore, Skillstorm has the ability to sell its products throughout the world. To date, no royalties have been paid or accrued, as quarterly sales have not exceeded quarterly costs of sales. The Bayern Munich Agreement could be terminated by: a) written agreement between Bayern Munich and Skillstorm; b) the bankruptcy, receivership or dissolution of Skillstorm; or c) either party giving 60 days written notice to the other party of such termination. The Bayern Munich Agreement called for a 10.00 DM royalty payment to be made to Bayern Munich for every CD-ROM title sold. Skillstorm does not sell its products on CD-ROM. Skillstorm only sells its product online, as described in the document. The 1998 Intersports agreement was replaced by FC Bayern Munich in November 2005 (see Exhibit 6(a)). Therefore, the 1998 royalty fee is no longer valid. Only the royalty fee outlined in the November 2005 is valid. The Agreement requires continuing payment of the 50% royalty and the Agreement has no termination date.

Every one of the finished videos files contains streaming video content, voice-over, animation, special effects, and text content. Skillstorm provides a sample session on the website for prospective users to sample a structured practice session contained within each of the age groups. Users can see how each video file is combined with all of these elements.

Below is chart which summarizes the development stage of each product, as well as the planned number of videos which are available now.

Product Name	Development Stage	Planned Number of Videos	Videos Available Now

All of Skillstorm's online learning products feature high-quality interactive video clips, scripted and edited by recognized sports experts who are associated with world recognized teams and clubs. To date, Skillstorm has produced and made available on-line the training programs developed by FC Bayern Munich. This set of drills, exercises and programs has been produced and made into video for on-line viewing, each offering 3 different camera angles. When Skillstorm completes the U-19 program, it will have over 1,000 videos to view online. FC Bayern Munich has a professional coaching staff of over 20 that manage the Academy training. The programs they run were filmed by professionals. Skillstorm has contracted professional soccer coaches to work with video editors to handle the post production activities, which involves three primary responsibilities:

1. Ensuring that every viable minute of training footage is utilized and incorporated into finished projects within a quality training program for all age groups;
2. Work in partnership with post production video editors to:
 - a. use special effects to maximize exercise intensity, content retention and

user repetitiveness; and

- b. run all projects through various compression sequences for each of the mediums supporting Skillstorm products.

3. Write effective scripts for projects.

Thomas Niendorf, Henry Hauser, Peter Ranke, Peter Malakoane and Supindeer Cheema are all professional coaches who have worked on the post production side. Mssrs. Niendorf and Hauser are both from the professional team of Berlin Dynamos. Mr. Malakoane was a professional player and is now a certified A License coach. Mr. Cheema is also a certified A License coach and has been the technical director for some of the largest youth soccer associations in North America.

Surpinder Cheema	Yes		Yes	Yes	N/A
Henry Hauser	Yes	Yes		Possible	Yes

Mr. Hauser and Mr. Ranke live in Germany and are available to Skillstorm on an 'as needed' basis. They have previously come to the Company's post-production office for a couple months to work on training videos for various age groups, for which they sign a consultant agreement and a non-disclosure agreement. Skillstorm may use Peter Ranke and Henry Hauser for German translation verification only and is why we still consider them as possible resources to Skillstorm. Similarly, the Company consults Mr. Cheema during the final editing phase of the videos. Mr. Niendorf is a founding shareholder of the Company and works full-time for Vancouver White Caps, a professional soccer club in North America. Mr. Niendorf is primarily involved with late-stage post-production activities. Mr. Malakoane is Skillstorm's full-time employed professional coach, working under an employment contract that calls for him to be paid by the Company when funding becomes available. His official title is Product Development Manager.

The services the professional coaches render are their expertise in putting training programs together on the field. They use this expertise and work with the video footage captured at Bayern Munich to develop training programs that are usable by players, coaches, teachers, parents and associations. Additionally, These coaches are entrusted with several production and post-production activities, including shooting footage, completing the curriculum, voice-overs and script editing. As consideration, these coaches will be paid on a monthly basis once funding becomes available. At present, there are no accrued payments due to any of the coaches.

It is the opinion of Skillstorm's management that there is no other similar product to the Company's online learning platform available on the market today. A single DVD would only cover part of one age group in our product group not to mention the inconvenience of using a

DVD player versus internet. The online component makes this product far more user friendly. Coupled with the work of the above-named professionals, our management believes its learning platform enables new products to be brought to market in a faster time frame, which, in the opinion of our management, will provide the opportunity to become a leading innovator in the on-line training market.

Skillstorm intends to generate global revenue from multiple sources, including sponsored subscriptions, product sales, e-commerce, recurring license royalties, channel partnering, and advertising revenues. Skillstorm has recently formed a strategic alliance with the Calgary Minor Soccer Association ("CMSA") which, when implemented, will provide the opportunity for the 18,000 current members of the CMSA to become subscribers at the discount rate of \$18.00 per player annually. Based upon this alliance, Skillstorm may potentially earn over \$1.4 million in revenue over the next five years.

(c) Describe the industry in which the Company is selling or expects to sell its products or services and, where applicable, any recognized trends within that industry. Describe that part of the industry and the geographic area in which the business competes or will compete.

Indicate whether competition is or is expected to be by price, service, or other basis. Indicate (by attached table if appropriate) the current or anticipated prices or price ranges for the Company's products or services, or the formula for determining prices, and how these prices compare with those of competitors' products or services, including a description of any variations in product or service features. Name the principal competitors that the Company has or expects to have in its area of competition. Indicate the relative size and financial and market strengths of the Company's competitors in the area of competition in which the Company is or will be operating. State why the Company believes it can effectively compete with these and other companies in its area of competition.

The largest sport in the world is the game of Soccer. It is the largest participation sport among youth too. In the United States alone, there are over 23 million players under the age of 18. Their training comes typically from volunteer parents who serve as coaches. However, these parents need help delivering quality training. As a result there are a lot of products available for sale. Skillstorm competes in the video training space.

There are over 4,000 video titles on the market. The vast majority of them are on VHS and DVD formats. Almost all existing training programs are sold on VHS or DVD and limited to one VHS tape or DVD because of price point. There are over 4,000 titles on the market. Many are typically available at the local soccer shop and our also available online. A VHS or DVD cannot contain enough content to deliver a complete and comprehensive training program for even a single age group. Skillstorm solves this problem of cost and content volume by delivering video online. Skillstorm delivers the equivalent of 6 DVD's of content per age group. This is the amount of content necessary to deliver a complete and comprehensive training program for an age group. There is enough content for players and coaches to last the entire time they are in a particular age group.

Skillstorm charges \$25.00 per person for an annual subscription for each respective set of age group videos. Presently, Skillstorm is selling subscriptions for U11, U13 and U15 age groups in both English and German. In the future we will add the U17 and U19 age groups. If Skillstorm were to deliver this content on VHS or DVD, the Company would have to charge \$150.00 per age group or \$750.00 for all 5 groups. Subscribers may choose

from 3 available age groups for their \$25.00 subscription. The age groups are U-11, U-13 and U-15. Currently in post-production is the remaining age groups of U-17 and U-19. Each age group has over 200 videos to learn from, with each video ranging in length from 30 seconds to 3½ minutes.

Recently, some competitors have entered the soccer training market by putting up online training using animation. The volume of drills and exercises can be increased with this online medium. However, animation falls short of video. While animation is used to replace real people due to extra production costs and the lack of quality talented athletes available to film, the Company believes animated characters are less convincing. For example, it is extremely difficult with animation to demonstrate believable biomechanics that players and coaches can physically imitate. Skillstorm, therefore, insists on filming real video of participants at locations such as FC Bayern Munich's Training Academy.

The e-learning sports market is shared by many companies and six of them are detailed in the Competitive Analysis Table below. The competitors listed have one or more of the attributes Skillstorm believes it brings to the e-learning sports market. Skillstorm intends to compete with them on price and total content and production values.

Flashdrills.com offers free animated drills online together with 150 video clips that are purchased under a subscription.

Soccer Made Easy offers products for all age groups using adult players to demonstrate drills and techniques.

Soccervideos.com offers a catalogue approach to reselling various soccer videos on CD-ROM and DVD. Skillstorm considers this a previous generation approach to sports e-learning.

Brazilian Soccer was produced for the Japanese market and is merely videotape footage on CD-ROM to allow for easier access to different topics. Neither text nor printing capabilities are available in this product.

Kisscout Software offers an expensive football product with editing capabilities. Kisscout's product can be used for any other sport and has the ability to create tapes.

Note: Because this Offering Circular focuses primarily on details concerning the Company rather than the industry in which the Company operates or will operate, potential investors may wish to conduct their own separate investigation of the Company's industry to obtain broader insight in assessing the Company's prospects.

(d) Describe specifically the marketing strategies the Company is employing or will employ in penetrating its market or in developing a new market. Set forth in response to Question 4 below the timing and size of the results of this effort which will be necessary in order for the Company to be profitable. Indicate how and by whom its products or services are or will be marketed (such as by advertising, personal contact by sales representatives, etc.), how its marketing structure operates or will operate and the basis of its marketing approach, including any market studies. Name any customers that account for, or based upon existing orders will account for a major portion (20% or more) of the Company's sales. Describe any major existing sales contracts.

Skillstorm believes its product and marketing plan creates barriers to entry for its current and future competitors, either due to cost, access to expertise, or access to strategic relationships.

Currently, Skillstorm conducts its retail marketing on Google, Yahoo and MSN. At present, using these search engines is the only way consumers can find Skillstorm's website. Rather than trying to sell each specific company's standard services, we will engage in the advertising opportunities available i.e. display, text, phrase, visual search, etc. Skillstorm sets a daily budget with each of the search engines to display our ads. We have added a web trending application from iWebTrack to the website and we can track results. Each of the search engine companies provide analytics that allows for the fine tuning of your advertising budget against selected search terms. The search terms are managed through the Company's 'click-through' advertisements. Each search engine company offers advertisers the opportunity to purchase space on the right hand side of every page that will display when a user is looking for information matching the search terms the user has keyed into the search engine. This means Skillstorm ads will be seen by users seeking information for search terms we are advertising against.

With the funds received from this Offering, Skillstorm intends to expand its marketing efforts in North America through sales initiatives, enhanced search engine management, word-of-mouth, speaking engagements, advertisements in sports specific publications, out-

sourced call centers, and tradeshow attendance, We have identified lists of regional and national publications for placing advertisements, as well as tradeshows, order to enhance our opportunities to reach the coaching market.

Skillstorm will also deploy both push and pull marketing techniques to insure quick market penetration:

Push Marketing

Pushing the Company products out through various soccer associations, sponsors and professional soccer organizations will produce uptake efficiently and quickly. This will be accomplished primarily through direct sales. Compensation programs for soccer associations have been developed to encourage uptake and provide another value proposition for sales teams. For example, associations who deliver a sponsor will be entitled to a 5% commission on the respective sponsorship amount.

Pull Marketing

Skillstorm's "pull" marketing strategy is to focus on advertising and consumer promotion as a way to build up consumer demand for our products. If the strategy is successful, the Company feels consumers/players will recommend the videos to their coaches, who in turn will ask the clubs, and the clubs will ask the associations. Users of Skillstorm's products will provide the Company with demographic and contact information. Skillstorm will utilize this information for both direct mail and email campaigns to encourage subscription renewals.

Viral Marketing

Internet marketing techniques such as viral marketing and search engine management will be undertaken as part of Skillstorm's Phase I strategy. Viral marketing describes any strategy that encourages individuals to pass on a marketing message to others, creating the potential for exponential growth in the message's exposure and influence.

Production

Phase I Production and Development

Skillstorm currently offers FC Bayern Munich training for U-11 (under 11 years of age), U-13 and U-15 age groups. Training programs for these age groups are available directly to large associations or may be purchased online through Skillstorm's website. Skillstorm is also in post-production with U-17 and U-19 FC Bayern Munich teams. These age groups are critical to our success, as they complete the training for the entire requirements for youth development in soccer. The financing required for this post production activity is projected to be \$200,000 in order to complete the training programs for these two age groups.

Skillstorm's software web application was developed using coding scripts to build a platform where variable static and streaming content can be combined and displayed on demand. The software can only be accessed via the Company's website. The various content choices are navigated by various pic-lists in expandable menus. Content is separate from the software web application so the Company can easily change languages when required. Furthermore, as demand changes for different mediums, having the

content separate from the software web application allows Skillstorm to be more flexible.

To date, Skillstorm has produced and made available on-line the training programs developed by FC Bayern Munich. This set of drills, exercises and programs, has been produced and made into video for on-line viewing each offering 3 different camera angles. When Skillstorm completes the U-19 program, it will have over 1,000 videos to view online.

Phase II Production and Development

Once the initial training programs are established, Skillstorm will begin developing its Phase II back-end infrastructure. This will allow Skillstorm to expand its revenue model in two key areas: the first area is expected to push its training content to portable mediums like PDAs, iPods and cell phones; the second key area allows Skillstorm to regionalize the sponsor capabilities of its web space initially dedicated for regional advertisers, and then for regional teams. The implementation of this phase of development is crucial to the Company's ability to generate larger sales and meet its fiscal requirements and expectations. The Company may not be able to obtain proper financing required to implement their Phase II development.

Phase III Production and Development

Future product development areas Skillstorm intends to enter after completing its Phase I and Phase II Production and Development Strategies include:

- Upon completion of FC Bayern Munich Training programs, Skillstorm will begin Project 2, 'Game Situation Training'. Project 2 has already been shot and is ready for post-production work. The first series of products that Skillstorm is developing, Project 1, deals primarily with skills development and tactical play. These are the essential building blocks for learning any sport. Project 2 concentrates on many different small-sided games that put techniques and tactics under game-like conditions, which differ for each of the various age groups that are the targets of specific training videos. It will take approximately 15 months to complete and has the potential to double the Company's online content.
- The original FC Bayern Munich Training Programs will be translated into Japanese, Spanish, Mandarin and French. Each language will take approximately 4 months in post-production in order for it to be released.
- Basketball is the world's second largest participation sport. Applying our product development and business process to this sport will be initiated following future additional financing. To date, Skillstorm has engaged in numerous meetings with Basketball Canada, the country's association governing basketball, about developing products for basketball. The cost to get through to post-production activities is estimated to be over \$2 million. Product development, endorsements, marketing and sales would add approximately \$4 million to the cost. The time required to complete a comparable product to Skillstorm Soccer would be approximately 2 ½ years (6 months per age group). Skillstorm will not be developing the basketball training program until we have successfully launched soccer.

- Skillstorm intends to develop products for other sports, including baseball, rugby and skiing.

Product Strategy

Product Strategy includes the introduction of more sports, products and languages. Now that Skillstorm has developed the sports learning engine utilized to bring the first product to market, the same sports learning engine can be used to bring other products to market quickly and less expensively. Skillstorm has worked on its product development process for the past 8 years. Its 3-phase approach described above provides for flexibility for new sports and delivery mediums. Skillstorm intends to offer additional sports, including basketball, hockey, rugby, skiing, baseball and football. Additionally, Skillstorm's products are developed to port easily into other mediums like cell phones, video game boxes, iPods and PDAs. Skillstorm's video files have been edited in a post production environment using professional grade Apple software and hardware. Final Cut Pro Suite is the main software used to edit with. The Company's technology stack allows it to compress video files into different formats that then may be displayed on different mediums. Skillstorm has put its products on iPod and it works perfectly. It is the same approach for cell phones, PDA's, game boxes etc. Each medium asks for a certain format configuration which our post production environment can produce. Skillstorm intends to make its products available to subscribers using other mediums, based on sales activities in the future.

Skillstorm will also maintain its commitment to content quality by working with the best in each of the sports. We have already received serious interest from both basketball and rugby.

Strategic Relationship Strategy

Skillstorm believes it will bring soccer consumers together through its business model. It begins with working with the content with high production values from top quality, proven sources available like FC Bayern Munich and having a strategic vision these quality clubs share in order to obtain endorsements from other sport professionals.

The services the professional coaches render are their expertise in putting training programs together on the field. Each one performs the identical tasks in post production work. They take their expertise and work with the video footage captured at FC Bayern Munich and develop training programs that are usable by players, coaches, teachers, parents and associations online. As fully described in the agreements contained in Exhibits 6(a)-(g), term, services rendered by these coaches are shown by way of the chart and by the attachments of the various agreements.

Lausitzer Sportschule ("Lausitzer") is a soccer sports school in Cottbus, Germany. As with Bayern Munich, Intersports signed a Letter of Agreement to film this school's training programs. The Letter of Agreement has not been updated and no post production work has been completed to date. Under the Letter of Agreement, Lausitzer is to receive a royalty of 5 Deutschmarks for every training program sold using the Lausitzer footage acquired. Furthermore, Skillstorm will negotiate a more favorable royalty arrangement because Lausitzer does not have the brand power that FC Bayern Munich has. Skillstorm will only move forward with this Cottbus footage once FC Bayern Munich products are completed post financing and when Skillstorm has refreshed the agreement to a similar

standard done with FC Bayern Munich. At this time, Skillstorm has not established terms and conditions for a new agreement.

Skillstorm plans to leverage its relationships with soccer associations, clubs and schools who want access to this caliber of training. Sponsors will be brought in to help lower the cost for these groups so youth players have access to the best at a free or reduced rate.

Skillstorm has established the following endorsements to launch the soccer product:

- FC Bayern Munich, a top club in the world that has sponsors such as Adidas and Telekom. Skillstorm has an agreement with FC Bayern Munich providing their endorsement of Skillstorm's products and worldwide distribution rights of their Academy. (Please refer to the agreement executed between FC Bayern Munich and Skillstorm included in Part III under Material Contracts. This agreement is our endorsement agreement).
- The following players are under contract with FC Bayern Munich. Skillstorm's contract is with FC Bayern Munich. While some of the players have been sold to other professional clubs, because they were all past graduates of FCB Academy, all players filmed at their academy are included in FC Bayern Munich's endorsement. As a result, FC Bayern Munich owns the commercial likeness rights to all of their players. These players include:
 - Owen Hargreaves (FC Bayern Munich)
 - Thomas Hitzlsberger (Aston Villa, VfB Stuttgart)
 - Lars-Eric Johansson (Blackburn Rovers)
 - Markus Feulner (FC Bayern Munich, 1.FC Cologne)
 - Daniel Bierofka (Bayern 04 Leverkusen, VfB Stuttgart)
- Franz Beckenbauer, a World Cup winner as a player, German National Team Coach and the Chairman and President of FC Bayern Munich.

In order to drive sponsor involvement, Company management plans to travel to Germany during their various breaks in the soccer season to meet with sponsors. The Company also needs to talk to the U.S. counterpart for their sponsors in order to engage them in our main market. The Company believes it has an opportunity to leverage the FC Bayern Munich sponsorship for its products to be displayed to sponsors' customers. FC Bayern Munich has expressed interest in conferring with Skillstorm concerning creating a relationship with some of FC Bayern Munich's sponsors, and therefore, is confident in its opportunities develop channel-partnerships through FC Bayern Munich's introductions.

To make these relationships work well, Skillstorm has organized a compensation model to encourage soccer associations to maintain involvement. The Company will attempt to negotiate a royalty arrangement with each of its prospective content providers. Associations, clubs and schools who assist Skillstorm in developing sponsors will be paid a negotiated commission on any sponsorship funds raised for their respective users.

The user interface has been developed with the sponsor in mind. The interface exposes the user to their sponsor whenever they are using the product. The following chart outlines the value to a sponsor by the amount of time a user is exposed to the sponsor. With the average training session lasting between 12 and 18 minutes, sponsors enjoy a high level of

brand exposure. The following chart demonstrates the level brand exposure.

Athlete Visits				
Frequency	Sport Catalog	Retail Store	Practice	E-Learning
Week	--	--	2 to 3	3 to 5
Month	--	--	10 to 12	10 to 25
Year	1	3 to 6	120 to 144	144 to 300

Skillstorm actively targets a number of potential strategic alliances and continues to approach them using the Company's business plan. Skillstorm continues to focus on establishing partnerships with highly visible sports experts in order to maintain its product positioning strategy. The Company continues to follow up with the contacts and potential sponsors identified through its ties with FC Bayern Munich.

Target Market Strategy

Skillstorm will concentrate its efforts on establishing subscription revenue through associations, clubs and schools. This approach will keep user acquisition costs lower than by simply trying to establish subscription revenue directly with users. Skillstorm has developed this marketing strategy by meeting with many high profile professional teams and national associations comprising roughly 6.5 million players and local, national and international sponsors, including Calgary Minor Soccer Association ("CMSA"), a local 18,000-player association. Skillstorm has received from CMSA a Confirmation of Order, included as Exhibit 6(b) in Part III, which is a purchase order for subscriptions that has been signed by the CMSA, placing its order with Skillstorm. As part of the Confirmation of Order, the Company emails CMSA users a special hyperlink to the Company's registration page that allows users to access the video content. Once the Company completes product development, it will be able to provide the content for these subscriptions.

Skillstorm has already entered into a strategic alliance with CMSA, which has given the Company an opportunity for Skillstorm to sell to Alberta Soccer Association ("ASA"), which has 89,000 players. Skillstorm is currently working to deliver its product to every coach in Alberta next season so that every coach in the province of Alberta, through ASA, will have a subscription to Skillstorm. The Company hopes this will set the stage to close similar sales with other associates of similar magnitude in other provinces in Canada and the United States. Skillstorm has no formal agreement with CMSA. The strategic alliance comes through the relationship that Colin Innes, the Company's CEO, holds because of his relationships with the soccer communities in Calgary, Alberta and the Canadian Soccer Association. The terms of the agreement with CMSA are provided in Exhibit 6(b), which states that the Company will provide subscriptions to 2,898 users for 90 days for a total cost of \$10,700 (CDN).

Skillstorm's U-11, U-13 and U-15 products are commercially available now. Skillstorm sells its products by individual age groups. An age group sells for \$25.00 each. Therefore a user seeking to purchase products for multiple age groups must purchase a subscription per age group. U-17 and U-19 products are still under development and require the financing in order to complete our product line offering. Skillstorm has negotiated with ASA to provide all its coaches with the commercially available U-11, U-13 and U-15 products. The ASA Technical Committee and the Board of Directors has approved Skillstorm as a training product. ASA wants the product to be made available to all coaches for the 2007-08 indoor season and for all the coaches for the 2008 outdoor season.

The total number of coaches in the province of Alberta is approximately 11,000, which includes all assistant coaches. At present, Skillstorm does not have an agreement to deliver its product to all 89,000 Alberta players, but discussions on delivery will commence once the Company's product line is completed. Once this occurs, the Company will negotiate with ASA for subscriptions for all its youth players, as well as the 11,000 coaches.

Internet Strategy

Skillstorm has developed and implemented an initial website strategy phase. The initial phase includes integrating the learning engine with the website while insuring the hosting capacity will support user demands. This phase will incorporate a content management tool to allow for dynamic content development. An e-commerce engine is available for non-sponsored users to gain access. Robust online reporting tools will be incorporated for Skillstorm, sponsors and association staff to evaluate users for their respective needs.

Future phases will evolve personalized portal interfaces to allow the user to customize the solutions he or she needs. Adapting portal technology will also open opportunities to work with other companies to deliver solutions through Skillstorm. Demographic information on users will be greatly enhanced as well, making our database of users quite valuable to the sports industry.

Skillstorm has also engaged EZRankings.com, an Irvine, California company specializing in search engine management. EZRankings.com provides search engine optimization services, paid inclusions, pay-per-click management and competitive business analysis.

Strategic Alliance Partners

Skillstorm has formed an alliance with FC Bayern Munich to provide content and endorsements. Please refer to Paragraph 4(b) of the agreement. Skillstorm is also engaged in strategic alliance discussions with other soccer organizations worldwide that are potentially interested in offering the Company's products to their client base. Through personal connections, Skillstorm has had several meetings with Arsenal in London, England about an English product, in connection with which Skillstorm hopes to form a strategic alliance. To date, Skillstorm has not reached an agreement with Arsenal. However, this is a potentially high growth area for Skillstorm and the Company will continue to seek out these types of organizations to act as channels for its products. To date no revenues have been derived from these alliances.

Publication Advertising

Skillstorm has researched this medium and has developed a strategy to drive awareness in key markets in support of sales activities. This effort will begin following the completion of product development activities on U-17 and U-19 training products. The first 3 years will concentrate on the United States market since it has the largest population of youth players at 23 million.

Trade Shows

Skillstorm will commence its trade show appearances following completion of post production activities on U-17 and U-19 FC Bayern Munich Training Programs. The Company plans to attend trade show venues quarterly or until attendance produces sales

revenue projections. As financing allows, Skillstorm plans to attend 6 trade shows per year and eventually, more as warranted. Skillstorm will concentrate its efforts in the USA for the first 24 months and look to international trade shows once our trade show approach is perfected.

Direct Mail

Skillstorm has a direct mail strategy that scales as revenue grows. Existing customers will receive regular emails to encourage renewal and referral offers. Direct mail pieces will be sent to existing customers with various promotions encouraging renewal too. Skillstorm will engage global brands in joint offers with this medium. FC Bayern Munich will help us with agreements with their key sponsors like Adidas and T-Com. Lists will be purchased to send out promotions too. There are many soccer specific qualified lists we will purchase for direct mail purposes. Some of these lists will be used in direct sales activities as well.

- (e) State the backlog of written firm orders for products and/or services as of a recent date (within the last 90 days) and compare it with the backlog of a year ago from that date.

As of ____ / ____ / ____ \$ _____
(a recent date)

As of ____ / ____ / ____ \$ _____
(one year earlier)

The Company currently has no written firm orders. Our product development is incomplete and therefore sales are only retail based right now. Once all age groups are completed then we have a program that we could begin selling directly to associations and school boards.

Explain the reason for significant variations between the two figures, if any. Indicate what types and amounts of orders are included in the backlog figures. State the size of typical orders. If the Company's sales are seasonal or cyclical, explain.

- (f) State the number of the Company's present employees and the number of employees it anticipates it will have within the next 12 months. Also, indicate the number by type of employee (i.e., clerical, operations, administrative, etc.) the Company will use, whether or not any of them are subject to collective bargaining agreements and the expiration date of any collective bargaining agreement(s). If the Company's employees are on strike, or have been in the past three years, or are threatening to strike, describe the dispute. Indicate any supplemental benefits or incentive arrangements the Company has or will have with its employees.

Skillstorm currently has seven people working as contractors. Post-financing and during the next 12 months Skillstorm has forecasted to add 17 more positions, with the expected staffing to be as follows:

Skillstorm has no real estate holdings. Our current business and executive offices are located in Seattle, Washington and Calgary, Alberta, Canada. We currently lease our office in Calgary. We have a five year operating lease with our Calgary office that commenced in March 2006 on 2400 square feet. We are paying \$10.90 a square foot plus common area costs. Monthly lease payments are \$4,655 until October 31, 2007. The past due amount owed to the landlord is \$57,100, which will be paid from proceeds of the financing. On November 1 2007, the Company will move to new space of 500 square feet provided by the landlord at a cost of \$465 per month on a month-to-month basis.

We currently have a small space in Seattle primarily to serve administrative functions. Lease negotiations for an expanded Seattle office will commence post- financing. Our Seattle office will house our sales, marketing and web development staff.

Summarize the principal terms and expiration dates of any significant license agreements. Indicate the amounts expended by the Company for research and development during the last fiscal year, the amount expected to be spent this year and what percentage of revenues research and development expenditures were for the last fiscal year.

As stated in Risk Factor #12, our software web application is proprietary, but not patented. The Company plans to patent current and future intellectual property that is deemed to be of value to the Company. We rely on confidentiality agreements and other contractual arrangements with our employees, affiliates, strategic partners, and others. Otherwise, we have no other protection of the software. Currently, forty-four (44) of these agreements have been executed. At the present time, the Company has a technology stack configuration which its attorneys have recommended be patented. This will be reviewed in detail subsequent to the closing of financing. Skillstorm intends to seek copyright protection for all player images and software programs when management deems that the necessary funds become available. The Company has approximately 175 player images throughout its training products. However, the Company has not submitted any applications for copyright protection. The only other proprietary property rights of the Company include our film footage of the FC Bayern Munich youth teams. These rights

described in the Right to Use and Royalty Agreement between FC Bayern Munich AG and Skillstorm Online Learning, Inc., which is listed as Exhibit 6(a) in Part III of this Form 1-A.

- (i) If the Company's business, products, or properties are subject to material regulation (including environmental regulation) by federal, state, or local governmental agencies, indicate the nature and extent of regulation and its effects or potential effects upon the Company.

Not Applicable.

- (j) State the names of any subsidiaries of the Company, their business purposes and ownership, and indicate which are included in the Financial Statements attached hereto. If not included, or if included but not consolidated, please explain.

The Company has one wholly-owned subsidiary, Skillstorm Online Learning, Inc., an Alberta, Canada corporation. The subsidiary's business purpose is as an operating company for development activities for the Company. The financial results are fully consolidated in the Company's (parent) financial statements.

4. (a) If the Company was not profitable during its last fiscal year, list below in chronological order the events which in management's opinion must or should occur or the milestones which in management's opinion the Company must or should reach in order for the Company to become profitable, and indicate the expected manner of occurrence or the expected method by which the Company will achieve the milestones.

The Company is currently conducting operations, but its operations do not provide sufficient revenue to either sustain or expand operations. The Company plans to expand its operations with the proceeds raised from this Offering. The substance of the Company's operations is described throughout this section. The Company is not currently fully operational, and cannot be fully operational, such that operations would be capable of supporting a substantial portion, or all, of current operations cost (such costs determined as of any such time that management seeks to determine or declare whether the Company is "fully operational"), until it raises additional investment capital and completes the videos for the U-17 and U19 age groups. Please see the chart provided below, which lists the milestones the Company believes it needs to achieve in order to become fully operational and also profitable. The Company may in fact be fully operational without being profitable in some areas.

Event or Milestone	Expected manner of occurrence or method of achievement	Timeframe	Consequences of a delay

- (b) State the probable consequences to the Company of delays in achieving each of the events or milestones within the above time schedule, and particularly the effect of any delays upon the Company's liquidity in view of the Company's then anticipated level of operating costs. (See Question Nos. 11 and 12)

Please see 5(a) above.

Note: After reviewing the nature and timing of each event or milestone, potential investors should reflect upon whether achievement of each within the estimated time frame is realistic and should assess the consequences of delays or failure of achievement in making an investment decision.

OFFERING PRICE FACTORS

If the securities offered are common stock, or are exercisable for or convertible into common stock, the following factors may be relevant to the price at which the securities are being offered.

5. What were net, after-tax earnings for the last fiscal year?*(If losses, show in parenthesis.) (\$731,871)

Total \$ (\$ per share): (\$0.02)

6. If the Company had profits, show offering price as a multiple of earnings. Adjust to reflect for any stock splits or recapitalizations, and use conversion or exercise price in lieu of offering price, if applicable.

$$\frac{\text{Offering Price Per Share}}{\text{Net After-Tax Earnings Last Year Per Share}} = \frac{(2.5)}{\text{(price/earnings multiple)}}$$

7. (a) What is the net tangible book value of the Company? (If deficit, show in parenthesis.) For this purpose, net tangible book value means total assets (exclusive of copyrights, patents, goodwill, research and development costs and similar intangible items) minus total liabilities.

\$(619,059) (\$0.019) per share) at June 30, 2007

The following table illustrates the per share dilution:

Consolidated Financial Data Selected Statements of Income (Loss) Data:

The following financial data has been derived from the financial statements of the Company as of June 30, 2007. The financial data should be read in connection with the financial statements of the Company and the related notes thereto.

Inception through June 30, 2007

Revenue: \$30,801
Net Income (loss): (\$1,666,186)
Net (loss) per share: (\$0.054)

Total Assets: \$315,623
Total Liabilities: (\$934,682)
Stockholders Equity (\$619,059)

If the net tangible book value per share is substantially less than this offering (or exercise or conversion) price per share, explain the reasons for the variation:

The Company has been running a deficit throughout its operating history, and the offering price is not enough to offset the deficit, which is \$1,665,186 at June 30, 2007.

- (b) State the dates on which the Company sold or otherwise issued securities during the last 12 months, the amount of such securities sold, the number of persons to whom they were sold, and relationship of such persons to the Company at the time of sale, the price at which they were sold and, if not sold for cash, a concise description of the consideration. (Exclude bank debt.)

In November 2006, the Company issued a Note for services to Pegasus Advisory Group, Inc. ("Pegasus"). The Note is in the principal amount of \$200,000 and bears interest at 2% per annum. The Note matures on October 10, 2008. In the event that the Company files a Form 1-A which is deemed qualified, Pegasus (a "Regulation A Offering"), at its election, may convert the Note on or prior to the Maturity Date, in whole or in part, into the Regulation A Offering on the terms specified therein. In the event of a qualified Regulation A Offering, the Borrower may, at its option, cause Pegasus to convert, in whole or in part, into the Regulation A Offering on the terms specified therein.

On November 13, 2006, the Company's Board of Directors authorized the Company to issue 1,000,000 shares of Series B Preferred Stock (the "Preferred Stock"). The Company's Board of Directors authorized the Company to issue the Preferred Stock to Colin Innes, the Company's Chairman, President and Chief Executive Officer. Consideration paid by Colin Innes for 1,000,000 shares of Series B Preferred Stock was services rendered. The par value per share of the Preferred Stock is \$0.001 per share.

On November 14, 2006, the Company issued a fifth Unit pursuant to the Private Placement Offering to Brent Ludwig for \$25,000, under the same terms as the previous Unit sales. As of January 1, 2007, none of the Units had been converted into common stock of the Company and no warrants had been exercised. Subsequently, the Company also terminated the Private Placement Offering.

During the months of February through May 2007, the Company received \$68,537.25 through the issuance of a total of eight (8) convertible promissory notes (the "Notes") to 7 friends of Mr. Innes and Mr. Williams and to one of the Company's consultants, as listed below.

<u>Name</u>	<u>Relationship to Company</u>	<u>Date of Note</u>	<u>Amount</u>
Peter Malakoane	Company consultant	Feb 20, 2007	\$8,537.25
PK Naidoo	Friend	Mar 22, 2007	\$10,000.00
Fred Kerr	Friend	April 30, 2007	\$5,000.00
Pat Arneri	Friend	May 7, 2007	\$5,000.00
Al Cook	Friend	May 9, 2007	\$25,000.00
Peter Weichler	Friend	May 7, 2007	\$5,000.00

Ilie Onulov	Friend	Mar 13, 2007	\$5,000.00
			\$68,537.25

Each of the Notes carries a ten percent (10%) interest per annum. The form of the Note is included in Part III as Exhibit 3(c). All outstanding principal together with interest on the Notes shall convert into Common Stock of the Company upon the Company's Form 1-A being declared effective by the Securities and Exchange Commission ("SEC"), for which the Common Stock shall be registered on Form 1-A. If the Company's Form 1-A is not declared effective by the SEC, at any time prior to the Maturity Date, which is defined as one year from the date each of the Notes is issued, the holder has the option to convert the Note into Common Stock at a conversion rate of \$.05 per share. Provided, however, that in the event the Holder elects not to convert this Note, this Note shall remain a legally valid promissory note and all principal and interest shall be due no later than the Maturity Date.

8. (a) What percentage of the outstanding shares of the Company will the investors in this offering have? Assume exercise of outstanding options, warrants or rights and conversion of convertible securities, if the respective exercise or conversion prices are at or less than the offering price. Also assume exercise of any options, warrants or rights and conversions of any convertible securities offered in this offering.)

If the maximum is sold: 36.33 %

If the minimum is sold: N/A %

- (b) What post-offering value is management implicitly attributing to the entire Company by establishing the price per security set forth on the cover page (or exercise or conversion price if common stock is not offered)? (Total outstanding shares after offering times offering price, or exercise or conversion price if common stock is not offered.)

If the maximum is sold: \$2,476,938 *

If the minimum is sold: N/A *

* These values assume that the Company's capital structure would be changed to reflect any conversions of outstanding convertible securities and any use of outstanding securities as payment in the exercise of outstanding options, warrants or rights included in the calculation. The type and amount of convertible or other securities thus eliminated would be: None. These values also assume an increase in cash in the Company by the amount of any cash payments that would be made upon cash exercise of options, warrants or rights included in the calculations. The amount of such cash would be: \$None.

(For above purposes, assume outstanding options are exercised in determining "shares" if the exercise prices are at or less than the offering price. All convertible securities, including outstanding convertible securities, shall be assumed converted and any options, warrants or rights in this offering shall be assumed exercised.)

Note: After reviewing the above, potential investors should consider whether or not the offering price (or exercise or conversion price, if applicable) for the securities is appropriate at the present stage of the Company's development.

USE OF PROCEEDS

9. (a) It sets forth the Use of Proceeds in this Offering.

Operations	\$10,000	\$20,000	\$57,500	\$80,000
	25%	50%	75%	100%

*The 'Use of Proceeds' assumes that the maximum amount of the Offering will be raised prior to December 1, 2008, at which time the \$200,000 promissory note (the "Note") to Pegasus is due. Pegasus can convert the note into common shares at any time prior to the Maturity Date of the Note. Payment to Pegasus will not commence until the full amount of \$900,000 is obtained. In the event that the Company receives subscriptions for less than the maximum amount of the Offering, the Company will not pro rate amounts identified above to pay Pegasus. The Company intends to pay the balance of the Note to Pegasus out of future Company earnings.

**\$20,900 will be paid to Ted Williams for reimbursement for equipment expenses and company operating expenses. \$25,000 will be paid for Colin Innes for partial reimbursement for Company expenses, including web hosting and equipment. If subscriptions for less than \$200,000 are received, disbursement for all categories making up the 'Use of Proceeds', including 'Payables', would be reduced pro rata. Back payments on the lease to the Company's Calgary office would take priority.

Because there is no minimum to this Offering, the possibility exists that almost no shares will be sold and almost no proceeds will be received by the Company. If that occurs, the Company will continue its development of its business plans, but the implementation of these plans will likely be substantially delayed due to a lack of funds. In the event that subscriptions totaling less than 25% of the Offering are received, the Company will apply the majority of the proceeds on product and web development areas. Other areas, including commissions, marketing, sales, regulatory and professional services, office, payables and operations, would be reduced to levels commensurate to the amount of funding received.

The allocation of the proceeds shown in the table in this Question 9(a) is based on the Company's present operating plan and its estimates of many factors, including general economic and industry conditions, as well as the Company's future revenues and expenditures. If these factors change or actual circumstances differ from those estimated or expected, the Company may reallocate use portions of the proceeds for other purposes, in its sole discretion. The Company may reserve the right to change the use of proceeds provided that such reservation is due to certain contingencies which are adequately disclosed.

- (b) If there is no minimum amount of proceeds that must be raised before the Company may use the proceeds of the offering, describe the order of priority in which the proceeds set forth above in the column "If Maximum Sold" will be used.

Please see the chart above in 9(a).

Note: After reviewing the portion of the offering allocated to the payment of offering expenses, and to the immediate payment to management and promoters of any fees, reimbursements, past salaries or similar payments, a potential investor should consider whether the remaining portion of his investment, which would be that part available for future development of the Company's business and operations, would be adequate.

10. (a) If material amounts of funds from sources other than this offering are to be used in conjunction with the proceeds from this offering, state the amounts and sources of such other funds, and whether funds are firm or contingent. If contingent, explain.

Not Applicable.

- (b) If any material part of the proceeds is to be used to discharge indebtedness, describe the terms of such indebtedness, including interest rates. If the indebtedness to be discharged was incurred within the current or previous fiscal year, describe the use of proceeds of such indebtedness.

In April of 2005, Mr. Innes received a promissory note secured by a General Security Agreement from the Company for \$47,800 at a rate of Prime plus 3%. To date, Mr. Innes is still owed approximately \$45,800. The purpose of this loan was to provide the company with working capital and equipment funding. This loan will only be discharged when the maximum proceeds have been collected.

In June of 2006, Mr. Williams provided a loan to the Company of \$20,900 to purchase equipment. At the time of the loan the rate was 4% for 6 months. The interest rate is now 13.9% in accordance with the terms of his credit card issuer. To date, Mr. Williams is owed \$20,900. This loan will be discharged as soon as proceeds are collected.

- (c) If any material amount of proceeds is to be used to acquire assets, other than in the ordinary course of business, briefly describe and state the cost of the assets and other material terms of the acquisitions. If the assets are to be acquired from officers, directors, employees or principal stockholders of the Company or their associates, give the names of the persons from whom the assets are to be acquired and set forth the cost to the Company, the method followed in determining the cost, and any profit to such persons.

No other assets will be acquired other than in the ordinary course of business. Management expects that the assets which the Company intends to acquire will reflect the 'Use of Proceeds' chart (see Question 9(a)). Certain assets previously purchased by management in their individual capacities, including web hosting and equipment, for which these individuals will be reimbursed, are disclosed above in Questions 9(a) and 10(b), above.

- (d) If any amount of the proceeds is to be used to reimburse any officer, director, employee or stockholder for services already rendered, assets previously transferred, or monies loaned or advanced, or otherwise, explain:

In addition to the loans described in 10(b), Mr. Williams and Mr. Innes will be reimbursed a total of \$77,818 for previous services rendered to the Company once funds in excess of at least \$600,000 are raised.

11. Indicate whether the Company is having or anticipates having within the next 12 months any cash flow or liquidity problems and whether or not it is in default or in breach of any note, loan, lease or other indebtedness or financing arrangement requiring the Company to make payments. Indicate if a significant amount of the Company's trade payables have not been paid within the stated trade term. State whether the Company is subject to any unsatisfied judgments, liens or settlement obligations and the amounts thereof. Indicate the Company's plans to resolve any such problems.

As of December 31, 2006 the Company was delinquent in payments to the landlord of four months rent at \$4,050 per month. The Company is also delinquent in rent for the additional seven months since. The Company has had ongoing discussions with the landlord, who will accept payment from the proceeds of this Offering.

The Company is also delinquent in three demand notes issued in 2005 and held by our CEO, Colin Innes, for a total amount of approximately \$45,800, and one demand note issued in 2006 and held by Ted Williams for approximately \$20,900.

As per "Use of Proceeds" in this document, it is intended that a portion of the proceeds will be used to repay Mr. Innes \$25,000 and Mr. Williams the \$20,900. The balance to Mr. Innes will be repaid at a later date from cash flow or from a future financing.

12. Indicate whether proceeds from this offering will satisfy the Company's cash requirements for the next 12 months, and whether it will be necessary to raise additional funds. State the source of additional funds, if known.

Assuming maximum proceeds from this offering are raised, the Company will still need to raise additional proceeds to satisfy its cash requirements for the next 12 months.

CAPITALIZATION

13. Indicate the capitalization of the Company as of the most recent balance sheet date (adjusted to reflect any subsequent stock splits, stock dividends, recapitalizations or refinancings) and as adjusted to reflect the sale of the minimum and maximum amount of securities in this offering and the use of the net proceeds therefrom:

DESCRIPTION OF SECURITIES

PLEASE NOTE: In November 2006, the Company issued 1,000,000 shares of Series B Preferred Stock (the "Preferred Stock") to the Company's Chief Executive Officer. The Preferred Stock has 250 votes per share on any matter properly before the shareholders for a vote and therefore can supersede the majority vote of the common stock of the Company. No cash dividends shall be paid with respect to the shares of Series B Preferred Stock. In the event of the liquidation or winding up of the Company, the holders of the Series B Preferred Stock will be entitled to receive, prior and in preference to the holders of common stock of the Company (the "Common Stock"), an amount up to but not greater than the original purchase price per share of Series B Preferred Stock, notwithstanding the par value of the Series B Preferred Stock. The holders may choose by majority vote to treat a merger of the Company in which the Company is not the surviving entity, or a sale of all or substantially all of the Company's assets, as a liquidation or winding up for purposes of this liquidation preference if (i) the amount of consideration received would be less than the amount of the holder's liquidation preference or (ii) the consideration consists solely or in part of securities that are not readily marketable.

In the event of the liquidation, dissolution or winding up of the Company, the holders of Common Stock are entitled to share ratably in all assets remaining after payment of liabilities, if any, then outstanding. The Common Stock has no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to the Common Stock. All outstanding shares of Common Stock are fully paid and non-assessable, and the shares of Common Stock to be issued upon completion of this Offering will be fully paid and non-assessable.

(b) If notes or other types of debt securities are being offered and the Company had earnings during its last fiscal year, show the ratio of earnings to fixed charges on an actual and pro forma basis for that fiscal year. "Earnings" means pretax income from continuing operations plus fixed charges and capitalized interest. "Fixed charges" means interest (including capitalized interest), amortization of debt discount, premium and expense, preferred stock dividend requirements of majority owned subsidiary, and such portion of rental expense as can be demonstrated to be representative of the interest factor in the particular case. The pro forma ratio of earnings to fixed charges should include incremental interest expense as a result of the offering of the notes or other debt securities.

<u>"Earnings"</u>			
- "Fixed Charges"	= _____	_____	_____
If no earnings show "Fixed Charges" only		_____	_____

Note: Care should be exercised in interpreting the significance of the ratio of earnings to fixed charges as a measure of the "coverage" of debt service, as the existence of earnings does not necessarily mean that the Company's liquidity at any given time will permit payment of debt service requirements to be timely made. See Question Nos. 11 and 12.

The Company and its directors and officers, Colin Innes, Greg Heuss and Ted Williams, will attempt to place the shares offered herein at a price of \$0.05 per share. In that event, no commissions will be paid.

This Offering is being made on a "best efforts basis," and there is no minimum number of Shares which must be sold in this Offering. Accepted subscriptions are irrevocable.

The Offering will begin on the effective date of this Offering Circular and continue until the Company has sold all of the Shares offered hereby or such earlier date as the Company may close or terminate the Offering. There is no designated termination date for the Offering, but in no event

shall the Offering remain open for more than one year from the date hereof.

This Offering is not contingent on a minimum number of shares to be sold and it is on a first come, first served basis. If subscriptions exceed 18,000,000 shares, all excess subscriptions will be promptly returned to subscribers (without interest) and without deduction for commissions or expenses.

The issuer intends to register its shares for sale in California, New York, Connecticut, Florida, Minnesota, Nevada, Washington, Texas, New Jersey and Washington, D.C. after consulting the blue sky laws. 1. THE COMPANY

The Company was organized in the jurisdiction of the state of Nevada on September 30, 1999 as Cherry Creek Gold Corporation and re-domiciled to the state of Washington on August 30, 2005. On January 6, 2006 the Company changed its name to Skillstorm Online Learning, Inc.

The Company was incorporated with authorized share capital of 100,000,000 shares of common stock at a par value of \$0.001 and 10,000,000 shares of preferred stock at a par value of \$0.001. At June 30, 2007 the Company has 31,083,760 shares of common stock issued and outstanding and 2 shares of preferred stock issued and outstanding. The terms of the shares of preferred stock are to be determined by the board of directors as the preferred shares are issued.

The Company entered into the business of the development of sport learning software products combining methodology and technology in a manner for players, coaches, parents, associations and teachers to utilize. The technology is market ready. The Issuer is in discussions with several customers regarding the sale and installation of their solution.

These unaudited consolidated interim financial statements have been prepared by management in accordance with accounting principles generally accepted in the United States for interim financial information, are condensed and do not include all disclosures required for annual financial statements. The organization and business of the Company, accounting policies followed by the Company and other information are contained in the notes to the Company's consolidated financial statements.

In the opinion of the Company's management, this consolidated interim financial information reflects all adjustments necessary to present fairly the Company's consolidated financial position at June 30, 2007 and the consolidated results of operations and the consolidated cash flows for the three and nine months then ended.

Acquisition of Skillstorm Assets

Effective December 20, 2005, pursuant to an acquisition agreement, the Company acquired 100% of the issued capital stock of Skillstorm Online Learning, Inc., an Alberta corporation (the 'Alberta corporation'). As consideration, the Company issued 16,833,760 shares of common stock to acquire the Alberta corporation. As a result, the former shareholders of the Alberta corporation acquired 54% of the voting shares of the Company.

This transaction is, therefore, treated as a reverse takeover and, for accounting purposes, the Alberta corporation is deemed to have acquired the Company. Accounting for the business combination as a reverse takeover results in the following:

- i) The financial statements of the combined entities are issued under the legal parent, Skillstorm Online Learning, Inc. (formerly Cherry Creek Gold Corporation) but are considered a continuation of the financial statements of the Alberta corporation.
- ii) Accordingly for accounting purposes, the acquired assets, liabilities and business of the Alberta corporation are included in the financial statements at their historical carrying value.
- iii) The accounting for the business combination on this basis is summarized in Note 5.
- iv) All inter-company transactions have been eliminated on consolidation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Methods

The summary of significant accounting policies of the Company is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management and management is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of these financial statements.

Equipment

Equipment is recorded at cost and is being amortized over the estimated useful lives of the equipment, or term of lease, whichever is shorter, using the following rates:

Computer equipment	30% Declining balance
Computer software	100% Straight line
Furniture and equipment	20% Declining balance
Video content	30% Declining balance
Website	30% Straight-line

Website development costs

The Company capitalized its original website development costs and amortizes the resulting asset at 30% of the original cost per year. Costs of subsequent website upgrades are expensed as incurred.

Long-lived Assets

SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets" establishes a single accounting model for long-lived assets to be disposed of by sale including discontinued operations. SFAS 144 requires that these long-lived assets be measured at the lower of carrying amount or fair value less cost to sell, whether reported in continuing operations or discontinued operations.

As such, these long-lived assets of the Company are reviewed when changes in circumstances require as to whether their carrying value has become impaired, pursuant to SFAS 144. Management considers assets to be impaired if the carrying value exceeds the future projected cash flows from related operations (without interest charges and undiscounted). If impairment is deemed to exist, the assets will be written down to fair value less cost to sell.

Stock Based Compensation

In 1995, the Financial Accounting Standards Board issued SFAS No. 123, Accounting for Stock-Based Compensation which permitted the measurement of compensation cost using the intrinsic value-based method of accounting prescribed by the Accounting Principles Board (APB) Opinion No. 25, Accounting for Stock Issued to Employees. In 2004 FASB issued a revision of FASB Statement No. 123. This Statement supersedes APB Opinion No. 25 and its related implementation guidance. This revised pronouncement requires that all stock options and warrants be accounted for using the Fair Value Method. The Company will follow the Fair Value Method in accounting for stock issued to employees and to non-employees.

Basic and diluted Net Income (Loss) Per Share

Basic loss per share is computed by dividing losses available to common stockholders by the weighted-average number of common shares during the period. Diluted loss per share reflect the per share amount that would have resulted if dilutive common stock equivalents had been converted to common stock. No stock options were available or granted during the periods presented.

Dividend Policy

The Company has not yet adopted any policy regarding payment of dividends. No dividends have been paid since inception and it is unlikely that dividends will be paid in the foreseeable future.

Income Taxes

At December 31, 2006 the Company had combined net losses from operations available for carry forward of \$1,342,000. The income tax benefit of approximately \$335,000 from the loss carry forward has been fully offset by a valuation reserve because the use of the future tax benefit is indeterminable since the Company has limited operations. Losses for tax purposes begin to expire in 2011.

Financial Instruments

The carrying amounts of financial instruments, consisting of cash, accounts payable and accrued liabilities, are considered by management to be their estimated fair value.

Estimates and Assumptions

Management used estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of the assets and liabilities, disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were assumed in preparing these financial statements.

Comprehensive Income

The Company, since inception, implemented Statement of Financial Accounting Standards No. 130. The adoption of the standard had no impact on the total stockholder's equity.

Revenue Recognition

The Company's sales are cash only and sales are recorded as incurred. Sales transactions are conducted over the internet and deposits are made directly to the Company through WorldPay and PayPal.

Recent Accounting Pronouncements

The Company does not expect that the adoption of other recent accounting pronouncements will have a material impact on its financial statements.

Accounting Methods

The summary of significant accounting policies of the Company is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management and management is responsible for the integrity and objectivity of the financial statements.

These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of these financial statements.

Equipment

Equipment is recorded at cost and is being amortized over the estimated useful lives of the equipment, or term of lease, whichever is shorter, using the following rates:

Computer equipment	30% Declining balance
Computer software	100% Straight line
Furniture and equipment	20% Declining balance
Video content	30% Declining balance
Website	30% Straight-line

Website development costs

The Company capitalized its original website development costs and amortizes the resulting asset at 30% of the original cost per year. Costs of subsequent website upgrades are expensed as incurred.

Long-lived Assets

SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets" establishes a single accounting model for long-lived assets to be disposed of by sale including discontinued operations. SFAS 144 requires that these long-lived assets be measured at the lower of carrying amount or fair value less cost to sell, whether reported in continuing operations or discontinued operations.

As such, these long-lived assets of the Company are reviewed when changes in circumstances require as to whether their carrying value has become impaired, pursuant to SFAS 144. Management considers assets to be impaired if the carrying value exceeds the future projected cash flows from related operations (without interest charges and undiscounted). If impairment is deemed to exist, the assets will be written down to fair value less cost to sell.

Stock Based Compensation

In 1995, the Financial Accounting Standards Board issued SFAS No. 123, Accounting for Stock-Based Compensation which permitted the measurement of compensation cost using the intrinsic value-based method of accounting prescribed by the Accounting Principles Board (APB) Opinion No. 25, Accounting for Stock Issued to Employees. In 2004 FASB issued a revision of FASB Statement No. 123. This Statement supersedes APB Opinion No. 25 and its related implementation guidance. This revised pronouncement requires that all stock options and warrants be accounted for using the Fair Value Method. The Company will follow the Fair Value Method in accounting for stock issued to employees and to non-employees.

Basic and diluted Net Income (Loss) Per Share

Basic loss per share is computed by dividing losses available to common stockholders by the weighted-average number of common shares during the period. Diluted loss per share reflect the per share amount that would have resulted if dilutive common stock equivalents had been converted to common stock. No stock options were available or granted during the periods presented.

Dividend Policy

The Company has not yet adopted any policy regarding payment of dividends. No dividends have been paid since inception and it is unlikely that dividends will be paid in the foreseeable future.

Income Taxes

At December 31, 2006 the Company had combined net losses from operations available for carry forward of \$1,342,000. The income tax benefit of approximately \$335,000 from the loss carry forward has been fully offset by a valuation reserve because the use of the future tax benefit is indeterminable since the Company has limited operations. Losses for tax purposes begin to expire in 2011.

Financial Instruments

The carrying amounts of financial instruments, consisting of cash, accounts payable and accrued liabilities, are considered by management to be their estimated fair value.

Estimates and Assumptions

Management used estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of the assets and liabilities, disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were assumed in preparing these financial statements.

Comprehensive Income

The Company, since inception, implemented Statement of Financial Accounting Standards No. 130. The adoption of the standard had no impact on the total stockholder's equity.

Non Cash Issuance of Stock

- On October 1, 1999 the Company issued 10,100 shares of common stock nominally valued at \$101 were issued for services provided by an officer and director of the Company.

Revenue Recognition

The Company's sales are cash only and sales are recorded as incurred. Sales transactions are conducted over the internet and deposits are made directly to the Company through WorldPay and PayPal.

Recent Accounting Pronouncements

The Company does not expect that the adoption of other recent accounting pronouncements will have a material impact on its financial statements.

5. COMMON STOCK

In 1999 the Company issued 10,100 shares of common stock for organizational expenses of the Company, issued 477,900 shares of common stock for services all valued at \$0.01 per share and issued 2,000 shares for office services valued at \$0.10 per share. A further 13,750,000 shares of common stock were issued during 2000 at \$0.001 per share for options to acquire mineral properties. The options subsequently expired unexercised. 7. PREFERRED SHARES

The preferred shares are convertible on a one for one basis to Common Stock. They do not have any voting rights or dividends.

8. ENDORSEMENT AND ROYALTY AGREEMENTS

The Company is party to several agreements relating to the rights to the use of FC Bayern Munich AG's youth soccer academy training exercises. The initial agreement, dated April 27, 1998, was executed by a predecessor company and updated by Skillstorm on November 25, 2005. This Right to Use and Royalty Agreement has no end date and has a Royalty amount associated with it. The Royalty is calculated as 50% of net incomes after defined Cost of Sales amounts, including amortization, are deducted.

The Company also has a signed endorsement from the president of FC Bayern Munich AG, Franz Beckenbauer.

9. CONTINGENT LIABILITY

In September 2006, the Company issued a Convertible Note (the "Note") for services to Pegasus Advisory Group, Inc. ("Pegasus") in the principal amount of \$200,000.00, bearing an interest rate of 2% per annum.). The Note matures on September 28, 2008. In the event that the Company offers shares of common stock pursuant to a Form 1-A that is deemed qualified, Pegasus ("Regulation A Offering"), at its election, may convert the Note at any time on or prior to the Maturity Date, in whole or in part, into the Regulation A Offering, on the same terms offered to the investors of the Regulation A Offering. Therefore, the Note has a conversion price equal to the price of securities sold or offered for sale in this or any qualified Regulation A Offering of the Company. Any portion of the principal and interest on the Note which is not converted shall become due and payable on September 28, 2008. There are no agreements or arrangements in place for Pegasus making an election to convert the Note into common stock of the Company.

10. GOING CONCERN

The Company intends to further develop its business interests as outlined in Note 1, however, the Company does not have the working capital necessary to be successful in this effort to expand its operations and continuation of the Company as a going concern is dependent upon the Company obtaining additional working capital. There is no assurance that the Company will be able to obtain any financing or to continue as a going concern.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF CERTAIN RELEVANT FACTORS

47. If the Company's financial statements show losses from operations, explain the causes underlying these losses and what steps the Company has taken or is taking to address these causes.

The Company's losses are the result of the Company being in a pre-commercialization phase. As a result, the Company has incurred non-operating charges, including set-up costs, professional fees, design expenses, and amortization costs of the Company's video library. The Company has been able to use limited marketing funds to obtain a small "footprint" on web search engines. To date, the Company has yet to be able to sustain a concerted sales campaign. Additional funds from financing activities will allow for completion of the U-17 and U-19 age group products and for a comprehensive marketing and sales effort. Additional funds raised will allow for product completeness and the ability to extend the marketing reach of the Company.

48. Describe any trends in the Company's historical operating results. Indicate any changes now occurring in the underlying economics of the industry or the Company's business which, in the opinion of Management, will have a significant impact (either favorable or adverse) upon the Company's results of operations within the next 12 months, and give a rough estimate of the probable extent of the impact, if possible.

Since inception, the Company has incurred quarterly operating losses. The losses have accumulated due to the increased level of operational activities undertaken by the Company as it prepares to be fully operation. As the Company receives funding it will move from the pre-commercialization phase to a fully operating phase.

The Soccer industry in North America continues to expand. Events in the past two years evidencing this expansion include the television viewer ship of the World Cup, David Beckham announcing that he will play soccer in the United States, the purchases of England Premiership teams by Americans, and the upcoming U-20 World Cup in Canada. These events are creating an awareness and demand for the type of advanced professional instruction which Skillstorm provides.

The underlying economics continue to be strong for online learning products for mass participation activity worldwide. This is evidenced by the number of educational courses available online. In addition, there has been a proliferation of online pay-as-you-go interactive games sites. The average consumer is now more conversant with using online mobile technology for learning and entertainment activities.

49. If the Company sells a product or products and has had significant sales during its last fiscal year, state the existing gross margin (net sales less cost of such sales as presented in accordance with generally accepted accounting principles) as a percentage of sales for the last fiscal year:

N/A %. Prior sales were negligible.

What is the anticipated gross margin for next year of operations?

Approximately 70.0%.

If this is expected to change, explain. Also, if reasonably current gross margin figures are available for the industry, indicate these figures and the source or sources from which they are obtained.

The Company has not had significant sales during the last fiscal year. Quarterly gross margins to date have been negative as a result of the limited sales and associated fixed hosting costs. The anticipated gross margin, before sales and marketing, administration and non-cash charges, as defined under GAAP, is estimated to be approximately 70%. While the Company will incur additional operating costs once fully operational, it is anticipated that the biggest costs will lie in the general administrative and marketing areas, as well as costs related to internet hosting and changes to the content of the Company's website. The anticipated operating margin after taking into account costs in these areas is expected to be approximately 15-20%. There are no inventory, direct labor, manufacturing or transportation costs to cover, now or in the future. The Company's current low level of sales activity is not sufficient to cover the minimal existing direct costs and sales and administrative costs. The Company currently has a negative margin. As sales activity increases, the Company will see an increase in its margin

50. Foreign sales as a percent of total sales for last fiscal year: 50%. Domestic government sales as a percent of total domestic sales for last fiscal year: 0%. Explain the nature of these sales, including any anticipated changes:

All retail sales are over the internet and accessible worldwide.

(c) The first meeting of each newly elected Board of Directors shall be held immediately following the annual meeting of the stockholders for the election of officers and the transaction of such other business as may come before it. If such meeting is held at the place of the stockholders' meeting, no notice thereof shall be required.

(e) The Secretary shall give notice to each director of any special meeting of the Board of Directors by emailing, mailing, faxing or delivering the same at least forty-eight (48) hours before the meeting.

Unless required by law, such notice need not include a statement of the business to be transacted at, or the purpose of, any such meeting. Any and all business may be transacted at any meeting of the Board of Directors. No notice of any adjourned meeting need be given. No notice to or waiver by any director shall be required with respect to any meeting at which the director is present.

3.5 Quorum and Action: Unless provided otherwise by law or by the Articles of Incorporation or these Bylaws, a majority of the Directors shall constitute a quorum for the transaction of business; but if there shall be less than a quorum at any meeting of the Board, a majority of those present may adjourn the meeting from time to time. The vote of a majority of the Directors present at any meeting at which a quorum is present shall be necessary to constitute the act of the Board of Directors.

If shares are issued for other than cash, the Board of Directors shall determine the value of the consideration.

5.2 Issuance, Form and Execution of Certificates: Each certificate representing shares may state upon the face of the certificate the par value of each share or may state that the shares are without par value.

No shares of the corporation shall be issued unless authorized by the Board of Directors. Such authorization shall include the maximum number of shares to be issued and the consideration to be received for each share. Certificates for shares of the corporation shall be in a form consistent with the provisions of the Washington Business Corporation Act and shall state: (a) the name of the issuing corporation and that the corporation is organized under the laws of this state; (b) the name of the person designee or entity to whom issued; (c) the number and class of shares and the designation of the series, if any, which the certificate represents; and (d) if the corporation is authorized to issue shares of more than one class, that upon request and without charge, the corporation will furnish any shareholder with a full statement of the designations, preferences, limitations and relative rights of the shares of each class or series, and the authority of the Board of Directors to determine variations for future series.

Certificates of stock shall be issued in numerical order. Each certificate issued shall be signed by the Chairman and President, or President and Secretary, and may be sealed with the seal of the corporation or a facsimile of the seal of the corporation. The signatures of such officers may be facsimiles if a transfer agent countersigns the certificate, or registered by a registrar, other than the corporation it or an employee of the corporation. If the officer that signed, either manually or in facsimile, a share certificate does not hold office when the certificate is issued, the certificate is nevertheless valid.

5.3. Fractional Shares or Scrip: The corporation may, but shall not be obliged to, issue a certificate for a fractional share, which shall entitle the holder to exercise voting rights, to receive dividends, and to participate in any of the assets of the corporation in the event of liquidation. In lieu of fractional shares, the Board of Directors may: (a) dispose of a fractional interest by paying in cash the fair value of the fractional interest as of the time when those entitled to receive such shares are determined, or (b) issue scrip in registered or bearer form which shall entitle the holder to receive a certificate for a full share upon the surrender of scrip aggregating a full share.

5.1 Transfers: Transfers of stock shall be made only upon the stock transfer books of the corporation, kept at the registered office of the corporation or at its principal place of business, or at the office of its transfer agent or registrar. Shares may be transferred by delivery of the certificate, accompanied either by an assignment in writing on the back of the certificate, or by a written power of attorney to sell, assign and transfer the same, signed by the record holder of the certificate. Before a new certificate is issued, the old certificate shall be surrendered for cancellation. Restrictions on the transfer of shares that the Board of Directors may from time to time adopt are valid and enforceable to the extent permitted by Washington law. The Board of Directors may, by resolution, open a share register in any state of the United States, and may employ an agent or agents to keep such register and record transfers of shares.

5.5 Record Ownership: A record of the name and address of the holder of such certificate, the number of shares represented thereby and the date of issue thereof shall be made on the corporation's books. The corporation shall be entitled to treat the holder of any share of stock as the holder in fact thereof, and accordingly shall not be bound to recognize any equitable or other claim to or interest in any share on the part of any other person, whether or not it shall have express or other notice thereof, except as required by law

5.6 Mutilated, Lost or Destroyed Certificates. If any stock certificate is mutilated, lost or destroyed, it may be replaced upon proof of such mutilation, loss, or destruction. 5.7 Transfer Agent; Registrar; Rules Respecting Certificates: The Corporation may maintain one or more transfer offices or agencies where stock of the corporation shall be transferable. The corporation may also maintain one or more registry offices where such stock shall be registered. The Board of Directors may make such rules and regulations, as it may deem expedient concerning the issue, transfer and registration of stock certificates.

5.8 Fixing Record Date for Determination of Stockholders of Record:
The Board of Directors may fix, in advance, a date as the record date for the purpose of determining stockholders entitled to notice of, or to vote at, any meeting of the stockholders or any adjournment thereof, or the stockholders entitled to receive payment of any dividend or other distribution or the allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock, or to express consent to corporate action in writing without a meeting, or in order to make a determination of the stockholders for the purpose of any other lawful action. Such record date in any case shall be not more than sixty (60) days nor less

than ten (10) days before the date of a meeting of the stockholders, nor more than sixty days prior to any other action requiring such determination of the stockholders. A determination of stockholders of record entitled to notice or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

5.9 Dividends: Subject to the provisions of the Certificate of Incorporation, the Board of Directors may, out of funds legally available therefor at any regular or special meeting, declare dividends upon the capital stock of the corporation as and when they deem expedient. Before declaring any dividend there may be set apart out of any funds of the corporation available for dividends, such sum or sums as the Board of Directors from time to time in their discretion deem proper for working capital or as a reserve fund to meet contingencies or for equalizing dividends or for such other purposes as the Board of Directors shall deem conducive to the interests of the corporation.

5.10 Closing Stock Transfer Books and Fixing Record Date: For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or entitled to receive payment of any dividend, or in order to make a determination of shareholders for the payment of any distribution, the allotment of rights, the conversion or exchange of any securities by their terms or any other proper purpose, the Board of Directors may provide that the stock transfer books shall be closed for a stated period not to exceed sixty (60) days. If the stock transfer books shall be closed for the purpose of determining shareholders entitled to notice of or to vote at a meeting of shareholders, such books shall be closed for at least ten (10) days immediately preceding such meeting.

In lieu of closing the stock transfer books, the Board of Directors may fix in advance a date as the record date for any such determination of shareholders, the date in any case to be not more than seventy (70) days and, in case of a meeting of shareholders, not less than ten (10) (or in the case of a merger, dissolution, amendment of the Articles of Incorporation, or sale of assets, twenty (20) days prior to the date on which the particular action requiring the determination of shareholders is to be taken. If the stock transfer books are not closed and no record date is fixed for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders, the date on which notice of the meeting is mailed shall be the record date for such determination of shareholders. If the stock transfer books are not closed and no record date is fixed for determination of shareholders entitled to a distribution, the date on which the Board adopted the resolution declaring the dividend shall be the record date. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section, that determination should be the record date unless Washington law requires fixing a new record date.

(b) In a criminal proceeding, the director had no reasonable cause to believe his or her conduct was unlawful.

The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not be determinative of itself that the director did not meet the requisite standard of conduct set forth in this Section.

8.3 Director Indemnities; Proceeding by or in Right of Corporation: The corporation may indemnify any director made a party to any proceeding by or in the right of the corporation against all expenses actually incurred by the director in connection with such proceeding if the director conducted himself or herself in good faith; and

8.4 No Indemnity When Director Receives Benefit: A Director shall not be indemnified under Section 8.2 or 8.3 of this Article in any proceeding, whether or not the director acted in his or her official capacity, if the director was adjudged liable because the director personally received a benefit in money, property, or services to which the director was not legally entitled, except that the action which could cause the proceeding against the Director was disclosed to and accepted by majority vote by the Board of Directors and publicly disclosed to the shareholders prior to any official proceeding was undertaken against the Director seeking indemnification.

8.5 Director Indemnity by Corporation or Court Order: Unless otherwise limited by the Articles of Incorporation:

(a) A director who is subject to Section 8.4 and has been wholly successful, on the merits or otherwise, in the defense of any proceeding referred to in Section 8.2 or 8.3 of this Article shall be indemnified for all residual expenses incurred by the director in connection with the proceeding; expenses incurred by the indemnified party in defending a civil or criminal action, suit or proceeding shall be paid by the corporation during and in advance of the final disposition of such action as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or in behalf of any party defined in Article VIII Section 8.1, "Director"; or

(ii) If the court determines that the director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director met the standards of conduct set forth in Section 8.2, 8.3 or 8.4 of this Article or was adjudged liable under Section 8.4 of this Article, the court may order such indemnification as the court shall deem proper, except that such indemnification shall be limited to expenses for any proceeding referred to in Section 8.3 of this Article and any proceeding referred to in Section 8.4 in which the director was adjudged liable of this Article.

8.6 Determination of Propriety of Director Indemnification:

The corporation shall not indemnify the director pursuant to Section 8.2 or 8.3 of this Article unless it has been determined that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in the applicable Section. Such determination shall be made:

(a) By the Board of Directors by a majority vote of a quorum consisting of directors that are not parties to such proceeding; or

(b) If such a quorum cannot be obtained, then by a majority vote of a committee to the Board of Directors, duly designated to act in the matter by a majority vote of the full Board of Directors (in which designation directors who are parties may participate), consisting solely of two or more directors that are not parties to such proceeding; or

(c) By written opinion by legal counsel selected by the Board of Directors or a committee to the Board of Directors by vote as set forth in Paragraph (a) or (b) of this Section, or if the requisite quorum of the full Board of Directors cannot be obtained and such committee cannot be established, then by a majority vote of the full Board of Directors (in which selection directors who are parties may participate), provided that, an attorney, or a firm having associated with it an attorney, retained by or that has performed services within the past two (2) years for the corporation or any party to be indemnified may not serve as such legal counsel; or

After determining that indemnification of the director is permissible, the Board of Directors, or the committee to the Board of Directors, may authorize the indemnification of the director and may determine the reasonableness of the expenses incurred by the director in the manner described in Paragraphs (a) and (b). If determination is not authorized by Section 8.6 (a) or (b) that indemnification of the Director is permissible under paragraph (c), upon the written opinion by legal counsel. The authorization of indemnification and the determination of the reasonableness of the expenses incurred by the Director shall be made, as well, in the manner

specified in paragraph (c) of this Section for the selection of such counsel. If the determination that indemnification of the director is permissible under (a) and (b) or was made by legal counsel as described in Paragraph (c), then the authorization of indemnification and the determination of the reasonableness of the expenses incurred by the director shall be made in the manner specified in Paragraph (c) of this Section for the selection of such counsel. Shares held directly by Directors with the absolute power to vote those shares who are parties to the proceeding shall not be voted on the subject matter under this Section.

8.7 Payment of Expenses Before Final Disposition of Proceeding: All expenses incurred by a director who is a party to a proceeding must be paid or reimbursed by the corporation during and in advance of the final disposition of such proceeding on the following conditions:

(a) Upon receipt by the corporation of a written promise by or on behalf of the director to repay such amount if it is ultimately determined that the director has not met the standard of conduct necessary for indemnification by the corporation as authorized by this Article; and

(b) Either:

(i) Upon a determination as described in Section 6 of this Article that the information then known (i.e., without undertaking further investigation) to those making the determination does not establish that indemnification would not be permissible under Section 2 3AND 8.4 of this Article; or

(ii) Upon receipt by the corporation of a written affirmation by the director of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation as authorized in this Article.

The agreement required by Paragraph (a) of this Section shall be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make the repayment. Payments under this Section may be authorized in the manner specified in Section 8.6 of this Article.

8.8 Additional Indemnification: The corporation shall have the power to make or agree to any further indemnity, including the advance of expenses, to any director (as defined in Section 8.1) that is authorized by the Articles of Incorporation, any Bylaw adopted or ratified by the shareholders, or any resolution adopted or ratified, before or after the event, by the shareholders, provided that no such indemnity shall indemnify any director for acts of commission of such director finally adjudged to be intentional misconduct or a knowing violation of law, or for conduct of such director finally adjudged to be in violation of RCW 23B.08.310 (or any successor statute), or for any transaction with respect to which it was finally adjudged that such director personally received benefit in money, property, or services to which the director was not legally entitled. Unless the Articles of Incorporation, a Bylaw, or a resolution provide otherwise, any determination as to any further indemnity shall be made in accordance with Sections 8.4, 8.5 and 8.6 of this Article. Each such indemnity may continue as to a person who has ceased to be a director and may inure to the benefit of the heirs, executors, and administrators of such a person.

8.9 Indemnification of Non-Directors: Unless otherwise limited by the Articles of Incorporation the corporation will also indemnify an officer, employee, or agent as defined in Section 8.1 (a) that is not a director to such extent, consistent with law, as provided by the Articles of Incorporation, the Bylaws, a general or specific resolution of the Board of Directors, or a contract.

8.10 Liability Insurance: The corporation may purchase and maintain insurance on behalf of any person who is, or was a director, officer, employee, or agent of the corporation or is or was serving at the request of the corporation as an officer, employee or agent of another corporation, partnership, joint venture, trust, other enterprise, or employee benefit plan against any liability asserted against the person and incurred by the person in any such capacity or arising out of the person's status as such, whether or not the corporation would have the power to indemnify the person against such liability under the provisions of this Article.

8.11 Notice to Shareholders of Indemnification: The shareholders shall be notified of the indemnification of any person in accordance with this Article, including any payment or reimbursement of expenses, by a written report sent prior to the notice of the next annual shareholders' meeting or sent with such notice. The written report shall contain a brief description of the proceedings involving the person indemnified and the nature and extent of such indemnification.

ARTICLE IX

However, any such Bylaws, or any alteration, amendment or repeal of the Bylaws, may be changed or repealed by a vote of the holders of a majority of the shares entitled to vote at any shareholders' meeting.

9.2 Emergency Bylaws. The Board of Directors may adopt emergency Bylaws, subject to repeal or change by action of the shareholders, which shall be operative during any emergency in the conduct of the business of the corporation resulting from some catastrophic event, an attack, a terrorist attack, any nuclear, atomic, or natural disaster and including all acts of God.

1.2 Conversion Price. The Conversion Price shall mean the price of those certain securities sold or offered for sale in the Regulation A Offering.

1.3 Authorized Shares. The Borrower covenants that during the period the conversion right exists, the Borrower will reserve from its authorized and unissued Common Stock a sufficient number of shares, free from preemptive rights, to provide for the issuance of Common Stock upon the full conversion of this Debenture and the other Debentures issued pursuant to the Purchase Agreement. Such Borrower is required at all times to have authorized and reserved two times the number of shares that is actually issuable upon full conversion of the Debenture (based on the Conversion Price of the Debentures in effect from time to time) (the "Reserved Amount"). The Borrower represents that upon issuance, such shares will be duly and validly issued, fully paid and non-assessable. In addition, if the Borrower shall issue any securities or make any change to its capital structure which would change the number of shares of Common Stock into which the Debentures shall be convertible at the then current Conversion Price, the Borrower shall at the same time make proper provision so that thereafter there shall be a sufficient number of shares of Common Stock authorized and reserved, free from preemptive rights, for conversion of the outstanding Debentures. The Borrower (i) acknowledges that it has irrevocably instructed its transfer agent to issue certificates for the Common Stock issuable upon conversion of this Debenture, and (ii) agrees that its issuance of this Debenture shall constitute full authority to its officers and agents who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for shares of Common Stock in accordance with the terms and conditions of this Debenture.

ARTICLE II. CERTAIN COVENANTS

2.1 Distributions on Capital Stock. So long as the Borrower shall have any obligation under this Debenture, the Borrower shall not without the Holder's written consent (a) pay, declare or set apart for such payment, any dividend or other distribution (whether in cash, property or other securities) on shares of capital stock other than dividends on shares of Common Stock solely in the form of additional shares of Common Stock or (b) directly or indirectly or through any subsidiary make any other payment or distribution in respect of its capital stock except for distributions pursuant to any shareholders' rights plan which is approved by a majority of the Borrower's disinterested directors.

2.2 Restriction on Stock Repurchases. So long as the Borrower shall have any obligation under this Debenture, the Borrower shall not without the Holder's written consent redeem,

repurchase or otherwise acquire (whether for cash or in exchange for property or other securities or otherwise) in any one transaction or series of related transactions any shares of capital stock of the Borrower or any warrants, rights or options to purchase or acquire any such shares.

2.3 Sale of Assets. So long as the Borrower shall have any obligation under this Debenture, the Borrower shall not, without the Holder's written consent, sell, lease or otherwise dispose of any significant portion of its assets outside the ordinary course of business. Any consent to the disposition of any assets may be conditioned on a specified use of the proceeds of disposition.

ARTICLE III. EVENTS OF DEFAULT

If any of the following events of default (each, an "Event of Default") shall occur, Holder may demand immediate payment of all Principal and unpaid Interest:

3.1 Failure to Pay Principal or Interest. The Borrower fails to pay the principal hereof or interest thereon when due on this Debenture, whether at maturity, upon acceleration or otherwise.

3.2 Conversion and the Shares. The Borrower fails to issue shares of Common Stock to the Holder (or announces or threatens that it will not honor its obligation to do so) upon exercise by the Holder of the conversion rights of the Holder in accordance with the terms of this Debenture (for a period of at least sixty (60) days, if such failure is solely as a result of the circumstances governed by Section 1.3 and the Borrower is using its best efforts to authorize a sufficient number of shares of Common Stock as soon as practicable), fails to transfer or cause its transfer agent to transfer (electronically or in certificated form) any certificate for shares of Common Stock issued to the Holder upon conversion of or otherwise pursuant to this Debenture as and when required by this Debenture, or fails to remove any restrictive legend (or to withdraw any stop transfer instructions in respect thereof) on any certificate for any shares of Common Stock issued to the Holder upon conversion of or otherwise pursuant to this Debenture as and when required by this Debenture (or makes any announcement, statement or threat that it does not intend to honor the obligations described in this paragraph) and any such failure shall continue uncured (or any announcement, statement or threat not to honor its obligations shall not be rescinded in writing) for ten (10) days after the Borrower shall have been notified thereof in writing by the Holder.

3.3 Breach of Covenants. The Borrower breaches any material covenant or other material term or condition contained in this Debenture and such breach continues for a period of ten (10) days after written notice thereof to the Borrower from the Holder.

3.4 Breach of Representations and Warranties. Any representation or warranty of the Borrower made herein or in any agreement, statement or certificate given in writing pursuant hereto or in connection herewith, shall be false or misleading in any material respect when made and the breach of which has (or with the passage of time will have) a material adverse effect on the rights of the Holder with respect to this Debenture.

3.5 Receiver or Trustee. The Borrower or any subsidiary of the Borrower shall make an

assignment for the benefit of creditors, or apply for or consent to the appointment of a receiver or trustee for it or for a substantial part of its property or business, or such a receiver or trustee shall otherwise be appointed.

3.6 Judgments. Any money judgment, writ or similar process shall be entered or filed against the Borrower or any subsidiary of the Borrower or any of its property or other assets for more than \$250,000, and shall remain unvacated, unbonded or unstayed for a period of twenty (20) days unless otherwise consented to by the Holder, which consent will not be unreasonably withheld.

3.7 Bankruptcy. Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against the Borrower or any subsidiary of the Borrower.

ARTICLE IV. MISCELLANEOUS

4.1 Failure or Indulgence Not Waiver. No failure or delay on the part of the Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privileges. All rights and remedies existing hereunder are cumulative to, and not exclusive of, any rights or remedies otherwise available.

4.2 Notices. Any notice herein required or permitted to be given shall be in writing and may be personally served or delivered by courier or sent by United States mail and shall be deemed to have been given upon receipt if personally served (which shall include telephone line facsimile transmission) or sent by courier or three (3) days after being deposited in the United States mail, certified, with postage pre-paid and properly addressed, if sent by mail. For the purposes hereof, the address of the Borrower shall be as shown on the records of the Borrower; and the address of the Holder shall be 300 Mercer Street, Suite 29K, New York, NY 10003. Both the Holder and the Borrower may change the address for service by service of written notice to the other as herein provided.

4.3 Amendments. This Debenture and any provision hereof may only be amended by an instrument in writing signed by the Borrower and the Holder. The term "Debenture" and all reference thereto, as used throughout this instrument, shall mean this instrument (and the other Debentures issued pursuant to the Purchase Agreement) as originally executed, or if later amended or supplemented, then as so amended or supplemented.

4.4 Assignability. This Debenture shall be binding upon the Borrower and its successors and assigns, and shall inure to be the benefit of the Holder and its successors and assigns. Each transferee of this Debenture must be an "accredited investor" (as defined in Rule 501(a) of the 1933 Act). Notwithstanding anything in this Debenture to the contrary, this Debenture may be pledged as collateral in connection with a bona fide margin account or other lending arrangement.

4.5 Cost of Collection. If default is made in the payment of this Debenture, the Borrower shall pay the Holder hereof costs of collection, including reasonable attorneys' fees.

4.6 Governing Law. THIS DEBENTURE SHALL BE ENFORCED, GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW

YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE, WITHOUT REGARD TO THE PRINCIPLES OF CONFLICT OF LAWS. THE BORROWER HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE UNITED STATES FEDERAL COURTS LOCATED IN NEW YORK, NEW YORK WITH RESPECT TO ANY DISPUTE ARISING UNDER THIS DEBENTURE, THE AGREEMENTS ENTERED INTO IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. BOTH PARTIES IRREVOCABLY WAIVE THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH SUIT OR PROCEEDING. BOTH PARTIES FURTHER AGREE THAT SERVICE OF PROCESS UPON A PARTY MAILED BY FIRST CLASS MAIL SHALL BE DEEMED IN EVERY RESPECT EFFECTIVE SERVICE OF PROCESS UPON THE PARTY IN ANY SUCH SUIT OR PROCEEDING. NOTHING HEREIN SHALL AFFECT EITHER PARTY'S RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW. BOTH PARTIES AGREE THAT A FINAL NON-APPEALABLE JUDGMENT IN ANY SUCH SUIT OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON SUCH JUDGMENT OR IN ANY OTHER LAWFUL MANNER. THE PARTY WHICH DOES NOT PREVAIL IN ANY DISPUTE ARISING UNDER THIS DEBENTURE SHALL BE RESPONSIBLE FOR ALL FEES AND EXPENSES, INCLUDING ATTORNEYS' FEES, INCURRED BY THE PREVAILING PARTY IN CONNECTION WITH SUCH DISPUTE. ANY CONTROVERSY OR CLAIM BETWEEN THE PARTIES ARISING FROM OR RELATING TO THIS AGREEMENT, OR THE BREACH OF THIS AGREEMENT, WILL BE SETTLED BY ARBITRATION TO TAKE PLACE IN NEW YORK, NEW YORK OR ANOTHER MUTUALLY AGREED UPON SITE, IN ACCORDANCE WITH THE COMMERCIAL ARBITRATION RULES OF THE AMERICAN ARBITRATION ASSOCIATION BY A PANEL OF THREE ARBITRATORS SELECTED IN ACCORDANCE WITH THOSE RULES. JUDGMENT UPON THE AWARD RENDERED BY THE ARBITRATOR OR ARBITRATORS MAY BE ENTERED IN ANY COURT HAVING JURISDICTION AND WILL BE DEEMED CONFIDENTIAL INFORMATION. THE PREVAILING PARTY IN ANY ARBITRATION PROCEEDING SHALL BE AWARDED COSTS AND FEES, INCLUDING ATTORNEY'S FEES.

4.7 Certain Amounts. Whenever pursuant to this Debenture the Borrower is required to pay an amount in excess of the outstanding principal amount (or the portion thereof required to be paid at that time) plus accrued and unpaid interest plus Default Interest on such interest, the Borrower and the Holder agree that the actual damages to the Holder from the receipt of cash payment on this Debenture may be difficult to determine and the amount to be so paid by the Borrower represents stipulated damages and not a penalty and is intended to compensate the Holder in part for loss of the opportunity to convert this Debenture and to earn a return from the sale of shares of Common Stock acquired upon conversion of this Debenture at a price in excess of the price paid for such shares pursuant to this Debenture. The Borrower and the Holder hereby agree that such amount of stipulated damages is not plainly disproportionate to the possible loss to the Holder from the receipt of a cash payment without the opportunity to convert this Debenture into shares of Common Stock.

4.8 Denominations. At the request of the Holder, upon surrender of this Debenture, the Borrower shall promptly issue new Debentures in the aggregate outstanding principal amount hereof, in the form hereof, in such denominations of at least \$10,000, as the Holder shall request.

4.9 Remedies. The Borrower acknowledges that a breach by it of its obligations hereunder

will cause irreparable harm to the Holder, by vitiating the intent and purpose of the transaction contemplated hereby. Accordingly, the Borrower acknowledges that the remedy at law for a breach of its obligations under this Debenture will be inadequate and agrees, in the event of a breach or threatened breach by the Borrower of the provisions of this Debenture, that the Holder shall be entitled, in addition to all other available remedies at law or in equity, and in addition to the penalties assessable herein, to an injunction or injunctions restraining, preventing or curing any breach of this Debenture and to enforce specifically the terms and provisions thereof, without the necessity of showing economic loss and without any bond or other security being required.

IN WITNESS WHEREOF, Borrower has caused this Debenture to be signed in its name by its duly authorized officer this ____ day of September, 2006.

10% Convertible Promissory Note
[date], 2007

Skillstorm Online Learning, Inc., a Washington corporation (the "Company"), for value received, promises to pay to Holder _____, or his registered assigns ("Holder") the sum of \$ _____, together with interest thereon at the rate of ten (10%) per annum on the unpaid balance pursuant to this Convertible Promissory Note ("Note").

All outstanding principal together with interest on this Note shall convert into Common Stock of the Company (the "Common Stock") upon the Company's Form 1-A being declared effective by the Securities and Exchange Commission ("SEC"), for which the Common Stock shall be registered on Form 1-A. If the Company's Form 1-A is not declared effective by the SEC, at any time prior to the Maturity Date (as defined below), the Holder has the option to convert the Note into Common Stock at a conversion rate of \$.05 per share. Provided, however, that in the event the Holder elects not to convert this Note, this Note shall remain a legally valid promissory note and all principal and interest shall be due no later than [date], 2008 (the "Maturity Date").

1. *Conversion Option.* As promptly after the date of conversion as reasonably practicable, and subject to the surrender of this Note to the Company, the Company shall issue and deliver to the Holder at the address appearing on the books of the Company a certificate evidencing the conversion of this Note to shares of the Company. The Company shall cause the shares upon the conversion to be fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof.

2. *Restrictions on Transfer.* The Holder of this Note, by acceptance of this Note, agrees and acknowledges that this Note has not been registered under the 1933 Act and further agrees that the Note and any security issuable upon conversion of this Note may not be mortgaged, pledged, hypothecated, or otherwise transferred without an effective registration statement for such Note or shares as the case may be under the 1933 Act or an opinion of counsel reasonably acceptable to the Company to the effect that registration is not required under such 1933 Act. The Holder of this Note further agrees and acknowledges that this Note has not been registered or qualified

under United States' securities laws. This Note and any securities issuable upon conversion of this Note as the case may be, may not be transferred in the absence of an effective qualification or registration under the applicable state securities laws or an opinion of counsel reasonably acceptable to the Company that such registration or qualification is now required.

3. *Registered Owner.* The Company may treat the person or persons whose name or names appear on this Note as the absolute owner or owners hereof for the purpose of receiving payment of, or on account of, the principal and interest due on this Note and for all other purposes.

4. *Representations and Warranties of the Company.*

(a) *Due Incorporation, Qualification, etc.* The Company (i) is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation; and (ii) has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) *Authority.* The execution, delivery and performance by the Company of this Note and the performance of the obligations contemplated hereby and thereby (i) are within the power of the Company and (ii) have been duly authorized by all necessary actions on the part of the Company.

(c) *Enforceability.* This Note has been duly executed and delivered by the Company and constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(d) *Non-Contravention.* The execution and delivery by the Company of this Note and the performance of the obligations contemplated hereby does not and will not (i) violate any law, statute, rule or regulation applicable to the Company; (ii) violate any provision of, or result in the breach or the acceleration of, or entitle any other person to accelerate (whether after the giving of notice or lapse of time or both), the Certificate of Incorporation or Bylaws of the Company or any contract, agreement or instrument to which the Company is a party or by which any of its properties may be bound, or any order, decree or judgment binding upon the Company or any of its properties; or (iii) result in the creation or imposition of any lien or encumbrance upon any property or asset of the Company.

(e) *Approvals.* No consent, approval, order or authorization of, or registration, declaration, qualification or filing with, any governmental authority or other person is required in connection with the execution and delivery of the Note and the performance of the obligations contemplated hereby.

5. *Representations and Warranties of the Holder.*

(a) *No Public Sale or Distribution.* The Holder of this Note, by acceptance of this Note, agrees and acknowledges that such Holder is (i) acquiring the Note; and (ii) upon conversion of the Note, will acquire the Common Stock, for her own account and not with a

view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered or exempted under the 1933 Act. Such Holder is acquiring the Note hereunder in the ordinary course of its business. Such Holder presently does not have any agreement or understanding, directly or indirectly, with any person to distribute the Note or the Common Stock.

(b) *Accredited Investor Status.* The Holder of this Note, by acceptance of this Note, agrees and acknowledges that such Holder is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D.

"THE SECURITIES EVIDENCED HEREBY HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933 (THE "ACT") OR APPLICABLE STATE SECURITIES LAWS, AND THE TRANSFER THEREOF IS PROHIBITED EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF REGULATION S UNDER THE ACT, PURSUANT TO REGISTRATION UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS, OR PURSUANT TO AN AVAILABLE EXEMPTION FROM SUCH REGISTRATION. HEDGING TRANSACTIONS INVOLVING THESE SECURITIES MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE ACT";

(d) *Reliance on Exemptions.* The Holder of this Note, by acceptance of this Note, agrees and acknowledges that such Holder understands that the Note is being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Holder's compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Holder set forth herein in order to determine the availability of such exemptions and the eligibility of such Holder to acquire the Securities.

(e) *Information.* The Holder of this Note, by acceptance of this Note, agrees and acknowledges that such Holder and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Note which have been requested by such Holder. Such Holder and its advisors, if any, have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by such Holder or its advisors, if any, or its representatives shall modify, amend or affect such Holder's right to rely on the Company's representations and warranties contained herein.

6. *Waivers and Acceleration.* The Company hereby waives diligence, presentment, protest, demand of payment, notice of protest, dishonor and nonpayment, and waives the legal effect of

Holder's failure to give all notices not expressly provided for herein. All sums due under this Note shall, at the election of Holder, be immediately due and payable upon the happening of any one or more of the following events of default: (a) the Company defaults in the performance of or compliance with any term of this Note; (b) the Company admits in writing an inability to pay debts generally as they become due; (c) the Company makes a general assignment for the benefit of creditors; (d) the Company applies for or consents to the appointment of a receiver of the whole or any substantial part of the Company's assets; (e) the Company files a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or to take advantage of any insolvency law or an answer admitting material allegations of a petition filed against the Company in any bankruptcy, reorganization or insolvency proceedings; or (f) an order, judgment, or decree is entered, without the application approval, or a consent of Company by any court of competent jurisdiction adjudging Company to be a bankrupt or approving a petition appointing a receiver, trustee, or liquidator of the whole or any substantial part of the assets of Company, and such order, judgment, or decree is not vacated or set aside or stayed within thirty (30) days from the date of its entry.

7. *Usury.* Notwithstanding any other provision of this Note to the contrary, all agreements between the Company and the Holder of this Note are expressly limited so that in no event or contingency shall the amount paid or agreed to be paid to the Holder of this Note for the use, forbearance or detention of the money to be advanced under this Note exceed the highest lawful rate permissible under applicable laws.

8. *Attorneys' Fees.* If any action at law or in equity is necessary to enforce or interpret the terms of this Note or the rights and duties of the parties in relation hereto, the prevailing party will be entitled, in addition to any other relief granted, to all costs and expenses incurred by any prevailing party, including, without limitation, all reasonable attorneys' fees. This note shall take effect as a sealed instrument and shall be construed, governed and enforced in accordance with the laws of the State of Washington.

9. *Transfer of Note.* This Note may be transferred only upon surrender of the original Note for registration of transfer, duly endorsed, or accompanied by a duly executed written instrument of transfer in form satisfactory to the Company. Holder shall provide the Company with prompt notice of any transfer of this Note; provided, however, that failure to provide such notice shall not void the transfer. Thereupon, a new Note for like principal amount will be issued to, and registered in the name of, the transferee.

enforceability is considered in a proceeding in equity or at law) and subject to the effect of applicable securities laws as to rights of indemnification.

b. Purchase Entirely for Own Account. The Units, Conversion Shares, Warrants and shares of Common Stock underlying the Warrants (the "Warrant Shares") to be purchased by Investor hereunder will be acquired for investment for Investor's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof. Investor has no present intention of selling, granting any participation in, or otherwise distributing the Units, Conversion Shares, Warrants or the Warrant Shares. Investor does not have any contract, undertaking, agreement or arrangement with any person to sell, transfer or grant participations to any person with respect to the Units, Conversion Shares, Warrants or the Warrant Shares. The Investor has not construed the contents of this Agreement, or any additional agreement with respect to the proposed investment in the Units or any prior or subsequent communications from the Company, or any of its officers, employees or representatives, as investment, tax or legal advice or as information necessarily applicable to such Investor's particular financial situation. The Investor has consulted its own financial advisor, tax advisor, legal counsel and accountant, as necessary or desirable, as to matters concerning his investment in the Units, Conversion Shares, Warrants and Warrant Shares.

c. Disclosure. Investor has received or reviewed all the information which such Investor has requested for the purposes of determining the merits of the Units as an investment. Investor has read and understands the Risk Factors and other information presented in the Memorandum.

Investor has had an opportunity to ask questions and receive answers from the Company regarding the Company and its respective business, operations and financial condition and the terms and conditions of this Offering of Units, and answers have been provided to Investor's full satisfaction. Investor has fully reviewed all corporate and governance documents of the Company and such other documents, which Investor feels is necessary or appropriate prior to purchase of the Units, understands all relevant terms and has asked all questions and received answers thereto to Investor's full satisfaction. If deemed necessary by Investor, Investor has consulted with a professional advisor who has provided Investor with advice concerning terms. INVESTOR ACKNOWLEDGES AND AGREES THAT THE PURCHASE OF THE UNITS INVOLVES A HIGH DEGREE OF RISK, INCLUDING, WITHOUT LIMITATION, THOSE SET FORTH IN THE MEMORANDUM, AND MAY RESULT IN A LOSS OF THE ENTIRE AMOUNT INVESTED. EACH INVESTOR FURTHER ACKNOWLEDGES AND AGREES THAT THERE IS NO ASSURANCE THAT THE COMPANY'S OPERATIONS WILL RESULT IN REVENUES OR BE PROFITABLE.

d. Accredited Investor. Investor is an "accredited investor" as defined in Rule 501(a) of Regulation D promulgated under the 1933 Act. The information provided by Investor on the Statement of Accredited Investor, attached to the Memorandum as Appendix C, is true, correct and complete in all respects. Investor is capable of bearing the economic risk of an investment in the Units, including the possible loss of Investor's entire investment. Investor has

such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of an investment in the Units offered hereby. If other than an individual, Investor has not been organized solely for the purpose of acquiring the Units.

e. Restricted Securities. Investor understands that the Units being purchased hereunder, as well as the Conversion Shares, Warrants and Warrant Shares, are "restricted securities" as defined in the Securities Act, and that under federal and state securities laws the Units, Conversion Shares, Warrants or Warrant Shares may be resold without registration under the Securities Act only in certain limited circumstances. Investor is familiar with Rule 144 promulgated by the SEC under the Securities Act, and understands the resale limitations imposed thereby and by the Securities Act generally. Investor also acknowledges that the Units, Conversion Shares, Warrants and Warrant Shares are subject to significant restrictions on transfer, pledge or hypothecation.

f. Legends. It is understood that certificates or other evidence of the Units, Conversion Shares, Warrants and Warrant Shares may bear the following legend, as well as any legend required by the laws of any state:

"THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933. THEY MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF A REGISTRATION STATEMENT IN EFFECT WITH RESPECT TO THE SECURITIES UNDER SUCH ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED PURSUANT TO A VALID EXEMPTION THEREFROM UNDER THE SECURITIES ACT OF 1933."

g. Consents and Approvals; No Conflict. (i) The execution and delivery of this Agreement by the Investor does not, and the performance of this Agreement by the Investor will not, require any consent, approval, authorization or other action by, or filing with or notification to, any governmental or regulatory authority.

(i) The execution, delivery and performance of this Agreement by the Investor does not (A) in the case of any Investor that is not an individual, conflict with or violate the charter or by-laws, partnership or other governing documents of such Investor, or (B) conflict with or violate any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award applicable to the Investor.

4. Covenant of Investors. Each Investor hereby covenants with the Company that, without in any way limiting the representations set forth in Section 3 above, Investor shall not make any disposition of all or any portion of the Units, Conversion Shares, Warrants or Warrant Shares unless and until:

- (i) there is then in effect a registration statement under the Securities Act covering such proposed disposition, and such disposition is made in accordance with such registration statement; or
- (ii) such Investor shall have notified the Company of the proposed disposition and shall have furnished the Company with a detailed statement of the circumstances surrounding the proposed disposition, and, if requested by the Company, such Investor shall have furnished the Company with an opinion of counsel, in form and substance satisfactory to the Company, that such disposition will not require registration of the Units, Conversion Shares, Warrants or Warrant Shares, as the case may be, under the Securities Act.

5. Conditions of Investor's Obligations at Closing. The obligations of each Investor hereunder are subject to, and contingent upon, the fulfillment, on or before each Closing, of each of the following conditions, the waiver of which shall not be effective against any Investor who does not consent in writing thereto:

a. Representations and Warranties. The representations and warranties of the Company contained in Section 2 hereof shall be true and correct on and as of the Closing with the same effect as though such representations and warranties had been made on and as of the date of such Closing.

b. Performance. The Company shall have performed and complied with all agreements, obligations and covenants contained in this Agreement that are required to be performed or complied with by it on or before the Closing, provided, however, that the obligations of the Investors shall not be subject to or contingent upon the issuance by the Company of the Units to the persons or entities set forth on Schedule A attached hereto who have not performed or tendered the performance of their obligations required to be performed under this Agreement on or prior to the Closing.

6. Conditions of the Company's Obligations at Closing. The obligations of the Company to each Investor hereunder are subject to and contingent upon the fulfillment by such Investor, on or before the Closing, of each of the following conditions:

a. Representations and Warranties. The representations and warranties of each Investor contained herein shall be true and correct on and as of the Closing with the same effect as though such representations and warranties had been made on and as of the date of such Closing.

b. Payment of Purchase Price by Investors. Each Investor shall have delivered to the Company the Purchase Price specified in Schedule A attached hereto, in the manner specified in this Agreement and, in the event Investor pays by check, the Purchase Price shall have been credited to the Escrow Account.

c. Statement of Accredited Investor. Each Investor shall have delivered to the Company a Statement of Accredited Investor in the form set forth in Appendix C attached to the Memorandum, and the information provided therein shall be true, correct and complete on and as of the Closing with the same effect as though such information had been provided as of the date of such Closing.

7. Miscellaneous.

a. Survival of Warranties. The representations, warranties and covenants of the Investors contained in this Agreement shall survive the execution and delivery of this Agreement and the Closing.

Skillstorm and Bayern Munich each acknowledge that the purpose of obtaining this consent is to avoid conflicts with any of Bayern Munich's sponsors. Bayern Munich will not unreasonably withhold its consent should no such conflict be identified with a third party advertiser or sponsor.

6. Assignment and Enurement

This Agreement may only be assigned or transferred by a party with the prior written consent of the other party, such consent not to be unreasonably withheld. This Agreement may not be assigned or transferred by Bayern Munich.

This Agreement is entered into as of the 1st day of March 2006, between Skillstorm Online learning Inc. ("the Company") and Henry Häusler ("the Contractor").

1. Independent Contractor. Subject to the terms and conditions of this Agreement, the Company hereby engages the Contractor as an independent contractor to perform the services set forth herein, and the Contractor hereby accepts such engagement.
2. Duties, Term, and Compensation. The Contractor's duties, term of engagement, compensation and provisions for payment thereof shall be as set forth in the estimate previously provided to the Company by the Contractor and which is attached as Exhibit A, which may be amended in writing from time to time, or supplemented with subsequent estimates for services to be rendered by the Contractor and agreed to by the Company, and which collectively are hereby incorporated by reference.
3. Expenses. During the term of this Agreement, the Contractor shall bill and the Company shall reimburse him for all reasonable and approved out-of-pocket expenses which are incurred in connection with the performance of the duties hereunder. Notwithstanding the foregoing, expenses for the time spend by Consultant in travelling to and from Company facilities shall not be reimbursable.
4. Written Reports. The Company may request that project plans, progress reports and a final results report be provided by Consultant on a monthly basis. A final results report shall be due at the conclusion of the project and shall be submitted to the Company in a confidential written report at such time. The results report shall be in such form and setting forth such information and data as is reasonably requested by the Company.
5. Inventions. Any and all inventions, discoveries, developments and innovations conceived by the Contractor during this engagement relative to the duties under this Agreement shall be the exclusive property of the Company; and the Contractor hereby assigns all right, title, and interest in the same to the Company. Any and all inventions, discoveries, developments and innovations conceived by the Contractor prior to the term of this Agreement and utilized by him in rendering duties to the Company are hereby licensed to the Company for use in its operations and for an infinite duration. This license is non-exclusive, and may be assigned without the Contractor's prior written approval by the Company to a wholly-owned subsidiary of the Company.
6. Confidentiality. The Contractor acknowledges that during the engagement he will have access to and become acquainted with various trade secrets, inventions, innovations, processes, information, records and specifications owned or licensed by the Company and/or used by the Company in connection with the operation of its business including, without limitation, the Company's business and product processes, methods, customer lists, accounts and procedures. The Contractor agrees that he will not disclose any of the aforesaid, directly or indirectly, or use any of them in any manner, either during the term of this Agreement or at any time thereafter, except as required in the course of this engagement with the Company. All files, records, documents, blueprints, specifications, information, letters, notes, media lists, original artwork/creative, notebooks, and similar items

relating to the business of the Company, whether prepared by the Contractor or otherwise coming into his possession, shall remain the exclusive property of the Company. The Contractor shall not retain any copies of the foregoing without the Company's prior written permission. Upon the expiration or earlier termination of this Agreement, or whenever requested by the Company, the Contractor shall immediately deliver to the Company all such files, records, documents, specifications, information, and other items in [his or her] possession or under [his or her] control. The Contractor further agrees that [he or she] will not disclose [his or her] retention as an independent contractor or the terms of this Agreement to any person without the prior written consent of the Company and shall at all times preserve the confidential nature of [his or her] relationship to the Company and of the services hereunder.

7. **Conflicts of Interest; Non-hire Provision.** The Contractor represents that he is free to enter into this Agreement, and that this engagement does not violate the terms of any agreement between the Contractor and any third party. Further, the Contractor, in rendering [his or her] duties shall not utilize any invention, discovery, development, improvement, innovation, or trade secret in which [he or she] does not have a proprietary interest. During the term of this agreement, the Contractor shall devote as much of [his or her] productive time, energy and abilities to the performance of [his or her] duties hereunder as is necessary to perform the required duties in a timely and productive manner. The Contractor is expressly free to perform services for other parties while performing services for the Company. For a period of six months following any termination, the Contractor shall not, directly or indirectly hire, solicit, or encourage to leave the Company's employment, any employee, consultant, or contractor of the Company or hire any such employee, consultant, or contractor who has left the Company's employment or contractual engagement within one year of such employment or engagement.
8. **Right to Injunction.** The parties hereto acknowledge that the services to be rendered by the Contractor under this Agreement and the rights and privileges granted to the Company under the Agreement are of a special, unique, unusual, and extraordinary character which gives them a peculiar value, the loss of which cannot be reasonably or adequately compensated by damages in any action at law, and the breach by the Contractor of any of the provisions of this Agreement will cause the Company irreparable injury and damage. The Contractor expressly agrees that the Company shall be entitled to injunctive and other equitable relief in the event of, or to prevent, a breach of any provision of this Agreement by the Contractor. Resort to such equitable relief, however, shall not be construed to be a waiver of any other rights or remedies that the Company may have for damages or otherwise. The various rights and remedies of the Company under this Agreement or otherwise shall be construed to be cumulative, and no one of the them shall be exclusive of any other or of any right or remedy allowed by law.
9. **Merger.** This Agreement shall not be terminated by the merger or consolidation of the Company into or with any other entity.
10. **Termination.** The Company may terminate this Agreement at any time by 20 working days' written notice to the Contractor. In addition, if the Contractor is convicted of any crime or offense, fails or refuses to comply with the written policies or reasonable directive of the Company, is guilty of serious misconduct in connection with performance hereunder, or materially breaches provisions of this Agreement, the Company at any time may terminate the engagement of the Contractor immediately and without prior written notice to the Contractor.

11. Independent Contractor. This Agreement shall not render the Contractor an employee, partner, agent of, or joint venturer with the Company for any purpose. The Contractor is and will remain an independent contractor in his relationship to the Company. The Company shall not be responsible for withholding taxes with respect to the Contractor's compensation hereunder. The Contractor shall have no claim against the Company hereunder or otherwise for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind.
12. Insurance. The Company will carry commercial general liability insurance.
13. Successors and Assigns. All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

15. Arbitration. Any controversies arising out of the terms of this Agreement or its interpretation shall be settled in Alberta in accordance with the rules of the American Arbitration Association, and the judgment upon award may be entered in any court having jurisdiction thereof.
16. Headings. Section headings are not to be considered a part of this Agreement and are not intended to be a full and accurate description of the contents hereof.
17. Waiver. Waiver by one party hereto of breach of any provision of this Agreement by the other shall not operate or be construed as a continuing waiver.
18. Assignment. The Contractor shall not assign any of his rights under this Agreement, or delegate the performance of any of his duties hereunder, without the prior written consent of the Company.
19. Notices. Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the United States mail, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. NOW, THEREFORE, in consideration of the covenants, promises and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE I THE MERGER

1.1 The Merger. At the Effective Time (as defined in Section 1.2) and subject to and upon the terms and conditions of this Agreement and the applicable provisions of

WASHINGTON LAW, SAS shall be merged with and into SKILLSTORM (the "Merger"), the separate corporate existence of SAS shall cease and SKILLSTORM shall continue as the surviving corporation. SKILLSTORM as the surviving corporation after the Merger is hereinafter sometimes referred to as the "SURVIVING CORPORATION."

1.2 Effective Time Closing. Subject to the provisions of this Agreement, the parties hereto shall cause the Merger to be consummated by filing a Certificate of Merger (the "CERTIFICATE OF MERGER"), with the Secretary of State of the State of Washington in accordance with the relevant provisions of WASHINGTON LAW (the time of such filing (or such later time as may be agreed in writing by the parties and specified in the Certificate of Merger) being the "EFFECTIVE TIME") as soon as practicable on or after the Closing Date (as defined herein). Unless the context otherwise requires, the term "AGREEMENT" as used herein refers collectively to this Agreement and Plan of Reorganization and the Certificate of Merger. The closing of the Merger (the "CLOSING") shall take place at the offices of The Otto Law Group, PLLC at a time and date to be specified by the parties, which shall be no later than the second business day after the satisfaction or waiver of the conditions set forth in Article VII, or at such other time, date and location as the parties hereto agree in writing (the "CLOSING DATE").

1.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement and the applicable provisions of WASHINGTON LAW. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time all the property, rights, privileges, powers and franchises of SAS shall vest in the Surviving Corporation, and all debts, liabilities and duties of SAS shall become the debts, liabilities and duties of the Surviving Corporation.

1.4 Articles of Incorporation: Bylaws.

(a) At the Effective Time, the Articles of Incorporation of SKILLSTORM, as in effect immediately prior to the Effective Time, shall be the Articles of Incorporation of the Surviving Corporation until thereafter amended as provided by law and such Articles of Incorporation of the Surviving Corporation.

(b) The Bylaws of SKILLSTORM, as in effect immediately prior to the Effective Time, shall be, at the Effective Time, the Bylaws of the Surviving Corporation until thereafter amended.

1.5 Directors and Officers. Upon the Effective Time, the Board of Directors of SKILLSTORM shall consist of Colin Innes (who shall act as Chairman and sole Director) and the officers of the SKILLSTORM shall include Colin Innes (who shall act as Chief Executive Officer and President), Thomas Niendorf (who shall act as Executive VP, Soccer) and Ted Williams (who shall act as Chief Financial Officer), each such director and officer to serve until his respective successor is duly elected or appointed and qualified.

1.6 Effect on Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of SAS, SKILLSTORM or the holders of any of the following securities:

(a) Conversion of SAS Common Stock. Each share of Common Stock, no par value per share, of SAS (the "SAS Common Stock") issued and outstanding immediately prior to the Effective Time, (other than any shares of the SAS Common Stock to be canceled pursuant to Section 1.6(b)) will be canceled and extinguished and automatically exchanged for an equal number (a one for one exchange) of shares of common stock of SKILLSTORM (the "Exchange Ratio"), no par value per share ("SKILLSTORM Common Stock"), upon surrender of the certificate representing such share of the SAS Common Stock in the manner provided in Section 1.7 (or in the case of a lost, stolen or destroyed certificate, upon delivery of an affidavit (and bond, if required) in the manner provided in Section 1.). If any shares of the SAS Common Stock outstanding immediately prior to the Effective Time are unvested or are subject to a repurchase option, risk of forfeiture or other condition under any applicable restricted stock purchase agreement or other agreement with SAS, then the shares of SKILLSTORM Common Stock issued in exchange for such shares of SAS Common Stock will also be unvested and subject to the same repurchase option, risk of forfeiture or other condition, and the certificates representing such shares of SKILLSTORM Common Stock may accordingly be marked with appropriate legends. SAS shall take all action that may be necessary to ensure that, from and after the Effective Time, SKILLSTORM is entitled to exercise any such repurchase option or other right set forth in any such restricted stock purchase agreement or other agreement.

(b) Cancellation of SKILLSTORM-Owned Stock. Each share of SAS Common Stock held by SAS, SKILLSTORM or any direct or indirect wholly-owned subsidiary of SAS or of SKILLSTORM immediately prior to the Effective Time shall be canceled and extinguished without any conversion thereof.

(c) Capital Stock of SAS. Each share of Common Stock, no par value, of SAS issued and outstanding immediately prior to the Effective Time shall be converted into one validly issued, fully paid and nonassessable share of Common Stock, no par value, of the Surviving Corporation. Each certificate evidencing ownership of shares of SAS Common Stock shall continue to evidence ownership of such shares of capital stock of the Surviving Corporation.

(d) Adjustments to Exchange Ratio. The Exchange Ratio shall be adjusted (such adjustment to be subject to the consent of SAS, which shall not be unreasonably withheld) to reflect appropriately the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into SKILLSTORM Common Stock or SAS Common Stock), reorganization, recapitalization or other like change with respect to SKILLSTORM Common Stock or SAS Common Stock occurring on or after the date hereof and prior to the Effective Time.

(e) Fractional Shares. No fraction of a share of SKILLSTORM Common Stock will be issued by virtue of the Merger, but in lieu thereof each holder of shares of SAS Common Stock who would otherwise be entitled to a fraction of a share of SKILLSTORM Common Stock (after aggregating all fractional shares of SKILLSTORM Common Stock to be received by such holder) shall receive from SKILLSTORM, in the sole discretion of SKILLSTORM, either the nearest whole share of Common Stock greater than any fraction of a share of Common Stock that

any stockholder would otherwise receive, or an amount of cash to be determined by SKILLSTORM.

1.7 Surrender of Certificates.

(a) Exchange Agent. SKILLSTORM shall select an institution reasonably satisfactory to SAS to act as the exchange agent (the "EXCHANGE AGENT") in the Merger.

(b) Exchange Procedures. Promptly after the Effective Time, SKILLSTORM shall cause the Exchange Agent to mail to each holder of record (as of the Effective Time) a certificate or certificates (the "CERTIFICATES") which immediately prior to the Effective Time represented outstanding shares of SAS Common Stock whose shares were converted into the right to receive shares of SKILLSTORM Common Stock pursuant to Section 1.6, (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other provisions as SKILLSTORM may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for certificates representing shares of SKILLSTORM Common Stock. Upon surrender of Certificates for cancellation to the Exchange Agent or to such other agent or agents as may be appointed by SKILLSTORM, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, the holders of such Certificates shall be entitled to receive in exchange therefor certificates representing the number of whole shares of SKILLSTORM Common Stock and the Certificates so surrendered shall forthwith be canceled. Until so surrendered, outstanding Certificates will be deemed from and after the Effective Time, for all corporate purposes to evidence only the ownership of the number of full shares of SKILLSTORM Common Stock into which such shares of SAS Common Stock shall have been so converted.

~~(c) Distributions With Respect to Unexchanged Shares. No dividends or other distributions declared or made after the date of this Agreement with respect to SKILLSTORM Common Stock with a record date after the Effective Time will be paid to the holders of any unsurrendered Certificates with respect to the shares of SKILLSTORM Common Stock represented thereby until the holders of record of such Certificates shall surrender such Certificates. Following surrender of any such Certificates, the Exchange Agent shall deliver to the record holders thereof, without interest, certificates representing whole shares of SKILLSTORM Common Stock issued in exchange therefor, subject to applicable law, the amount of any such dividends or other distributions with a record date after the Effective Time payable with respect to such whole shares of SKILLSTORM Common Stock.~~

(d) Transfers of Ownership. If certificates for shares of SKILLSTORM Common Stock are to be issued in a name other than that in which the Certificates surrendered in exchange therefor are registered, it will be a condition of the issuance thereof that the Certificates so surrendered will be properly endorsed and otherwise in proper form for transfer and that the persons requesting such exchange will have paid to SKILLSTORM or any agent designated by it any transfer or other taxes required by reason of the issuance of certificates for shares of SKILLSTORM Common Stock in any name other than that of the registered holder of the

Certificates surrendered, or established to the satisfaction of SKILLSTORM or any agent designated by it that such tax has been paid or is not payable.

(c) **No Liability.** Notwithstanding anything to the contrary in this Section 1.7, neither the Exchange Agent, SKILLSTORM, the Surviving Corporation nor any party hereto shall be liable to a holder of shares of SKILLSTORM Common Stock or SAS Common Stock for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

1.8 No Further Ownership Rights in SAS Common Stock. All shares of SKILLSTORM Common Stock issued upon the surrender for exchange of shares of SAS Common Stock in accordance with the terms hereof (together with any cash paid in respect thereof pursuant to Section 1.6(f) and 1.7(d)) shall be deemed to have been issued in full satisfaction of all rights pertaining to such shares of SAS Common Stock, and there shall be no further registration of transfers on the records of the Surviving Corporation of shares of SAS Common Stock which were outstanding immediately prior to the Effective Time. If after the Effective Time Certificates are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article I.

1.9 Appraisal Rights.

(a) Notwithstanding any provision of this Agreement to the contrary, any shares of capital stock of SAS held by a holder who has exercised and perfected appraisal rights for such shares in accordance with WASHINGTON LAW and who, as of the Effective Time, has not effectively withdrawn or lost such appraisal rights ("DISSENTING SHARES"), shall not be converted into or represent a right to receive that number of shares of SKILLSTORM Common Stock (including any cash in lieu of fractional shares) that such holder is entitled to receive in the Merger, but the holder thereof shall only be entitled to such rights as are granted by WASHINGTON LAW.

(b) Notwithstanding the provisions of subsection (a), if any holder of Dissenting Shares shall effectively withdraw or lose (through failure to perfect or otherwise) such holder's appraisal rights, then, as of the later of the Effective Time and the occurrence of such event, such holder's shares shall automatically be converted into and represent only the right to receive that number of shares of SKILLSTORM Common Stock, plus any cash in lieu of fractional shares, upon surrender of the certificate representing such shares.

(c) SAS shall give SKILLSTORM (i) prompt notice of any written demand for appraisal received by SAS pursuant to the applicable provisions of WASHINGTON LAW and (ii) the opportunity to participate in all negotiations and proceedings with respect to such demands. SAS shall not, except with the prior written consent of SKILLSTORM, voluntarily make any payment or offer to make any payment with respect to any such demands or offer to settle or settle any such demands. Any payments relating to Dissenting Shares shall be made solely by the Surviving Corporation, and no funds or other property will be provided by SAS.

1.10 Lost, Stolen or Destroyed Certificates. In the event any Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof, such shares of SKILLSTORM Common Stock, cash for fractional shares, if any, as may be required pursuant to Section 1.6(g) and any dividends or distributions payable pursuant to Section 1.7(d); provided, however, that SKILLSTORM may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed Certificates to deliver a bond in such sum as it may reasonably direct as indemnity against any claim that may be made against SKILLSTORM, the Surviving Corporation or the Exchange Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

1.11 Tax and Accounting Consequences.

(a) It is intended by the parties hereto that the Merger shall constitute a reorganization within the meaning of Section 368 of the Code. The parties hereto adopt this Agreement as a "plan of reorganization" within the meaning of Sections 1.368-2(g) and 1.368-3(a) of the United States Treasury Regulations.

(b) It is intended by the parties hereto that the Merger shall qualify for accounting treatment as a pooling of interests.

1.12 Taking of Necessary Action, Further Action. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of SAS, the officers and directors of SAS will take all such lawful and necessary action, so long as such action is consistent with this Agreement.

**ARTICLE III
REPRESENTATIONS AND WARRANTIES OF SAS**

SAS represents and warrants to SKILLSTORM as follows:

3.1 Organization of SAS.

(a) SAS and each of its subsidiaries is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation; has the corporate power and authority to own, lease and operate its assets and property and to carry on its business as now being conducted and as proposed to be conducted; and is duly qualified or licensed to do business and is in good standing in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except where the failure to be so qualified would not have a Material Adverse Effect (as defined herein) on SAS.

(b) SAS has delivered to SKILLSTORM a true and complete list of all of SAS's subsidiaries, indicating the jurisdiction of incorporation of each subsidiary and listing the shareholders of each such subsidiary and the number of shares held by each such shareholder.

(c) SAS has delivered or made available to SKILLSTORM a true and correct copy of the Certificate of Incorporation and Bylaws of SAS and similar governing instruments of each of its subsidiaries, each as amended to date, and each such instrument is in full force and effect. Neither SAS nor any of its subsidiaries is in violation of any of the provisions of its Certificate of Incorporation or Bylaws or equivalent governing instruments.

(d) When used in connection with SAS, the term "MATERIAL ADVERSE EFFECT" means, for purposes of this Agreement, any change, event or effect that is materially adverse to the business, assets (including intangible assets), financial condition or results of operations of SAS and its subsidiaries taken as a whole except for those changes, events and effects that are directly caused by (i) conditions affecting the United States economy as a whole, or (ii) conditions affecting the internet industry as a whole, which conditions (in the case of clause (i) or (ii)) do not affect SAS in a disproportionate manner) or (iii) conditions that in the good faith judgment of SAS's Board of Directors result principally from the execution or delivery of this Agreement or the announcement of the pendency of the Merger.

3.2 SAS Capital Structure

(a) The authorized capital stock of SAS consists of 50,000,000 shares of Common Stock, no par value per share, of which 16,843,760 shares of common stock are issued and outstanding as of the date of this Agreement. All outstanding shares of SAS Common Stock are duly authorized, validly issued, fully paid and nonassessable and are not subject to preemptive rights created by statute, the Articles of Incorporation or Bylaws of SAS or any agreement or document to which SAS is a party or by which it is bound. SAS was formed on December 8, 2005, for the purpose of consummating the Merger, has no material assets or liabilities except as necessary for such purpose and has not, and prior to the Effective Time will

not have, conducted any business except as necessary for such purpose. SAS has provided options (the "SAS Options") to certain employees and shareholders which if exercised would result in an additional 3,200,000 shares.

3.3 Obligations With Respect to Capital Stock. Except as set forth in Article 3.2(a) herein, there are no equity securities, partnership interests or similar ownership interests of any class of SAS, or any securities exchangeable or convertible into or exercisable for such equity securities, partnership interests or similar ownership interests, issued, reserved for issuance or outstanding. Except for securities SAS owns, directly or indirectly through one or more subsidiaries, there are no equity securities, partnership interests or similar ownership interests of any class of any subsidiary of SAS, or any security exchangeable or convertible into or exercisable for such equity securities, partnership interests or similar ownership interests, issued, reserved for issuance or outstanding. Except as set forth in Section 3.2(a), there are no options, warrants, equity securities, partnership interests or similar ownership interests, calls, rights (including preemptive rights), commitments or agreements of any character to which SAS or any of its subsidiaries is a party or by which it is bound obligating SAS or any of its subsidiaries to issue, deliver or sell, or cause to be issued, delivered or sold, or repurchase, redeem or otherwise acquire, or cause the repurchase, redemption or acquisition, of any shares of capital stock, partnership interests or similar ownership interests of SAS or any of its subsidiaries or obligating SAS or any of its subsidiaries to grant, extend, accelerate the vesting of or enter into any such option, warrant, equity security, call, right, commitment or agreement. There are no registration rights and, to the knowledge of SAS, as of the date of this Agreement, there are no voting trusts, proxies or other agreements or understandings with respect to any equity security of any class of SAS or with respect to any equity security, partnership interest or similar ownership interest of any class of any of its subsidiaries.

(a) SAS has all requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of SAS, subject only to the approval and adoption of this Agreement and the approval of the Merger by SAS's stockholders and the filing of the Certificate of Merger pursuant to WASHINGTON LAW. A vote of the holders of a majority of the outstanding shares of SAS Common Stock is required for SAS's stockholders to approve and adopt this Agreement and approve the Merger. This Agreement has been duly executed and delivered by SAS and, assuming the due authorization, execution and delivery by SKILLSTORM and, if applicable, SAS, constitutes a valid and binding obligation of SAS, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy and other similar laws and general principles of equity. The execution and delivery of this Agreement by SAS does not, and the performance of this Agreement by SAS will not, (i) conflict with or violate the Certificate of Incorporation or Bylaws of SAS or the equivalent organizational documents of any of its subsidiaries, (ii) subject to obtaining the approval and adoption of this Agreement and the approval of the Merger by SAS's stockholders and compliance with the requirements set forth in Section 2.4(b) below, conflict with or violate any law, rule, regulation, order, judgment or decree applicable to SAS or any of its subsidiaries or by

which its or any of their respective properties is bound or affected, or (ii) assuming the receipt of all material consents, waivers and approvals referred to in the last sentence of this Section 2.4(a), result in any breach of or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or impair SAS's rights or alter the rights or obligations of any third party under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a lien or encumbrance on any of the properties or assets of SAS or any of its subsidiaries pursuant to, any material note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which SAS or any of its subsidiaries is a party or by which SAS or any of its subsidiaries or its or any of their respective properties are bound or affected. SAS Schedules list all material consents, waivers and approvals under any of SAS's or any of its subsidiaries' agreements, contracts, licenses or leases required to be obtained in connection with the consummation of the transactions contemplated hereby.

(b) No consent, approval, order or authorization of, or registration, declaration or filing with any court, administrative agency or commission or other governmental authority or instrumentality, foreign or domestic ("GOVERNMENTAL ENTITY"), is required by or with respect to SAS in connection with the execution and delivery of this Agreement or the consummation of the Merger, except for (i) the filing of the Certificate of Merger with the Secretary of State of the State of Washington, (ii) such consents, approvals, orders, authorizations, registrations, declarations and filings (if any) as may be required under applicable federal and state securities laws and the securities or antitrust laws of any foreign country, and (iii) such other consents, authorizations, filings, approvals and registrations (if any) which if not obtained or made would not be material to SAS or SKILLSTORM or have a material adverse effect on the ability of the parties to consummate the Merger.

The balance sheet of SAS as of November 30, 2005, is hereinafter referred to as the "SAS BALANCE SHEET." Except as disclosed in SAS Financials, since the date of SAS Balance Sheet SAS has no liabilities (absolute, accrued, contingent or otherwise) of a nature required to be disclosed on a balance sheet or in the related notes to the consolidated financial statements prepared in accordance with GAAP which are, individually or in the aggregate, material to the business, results of operations or financial condition of SAS taken as a whole, except liabilities (i) provided for in SAS Balance Sheet, or (ii) incurred since the date of SAS Balance Sheet in the ordinary course of business consistent with past practices.

3.7 Intellectual Property.

(a) To the knowledge of SAS, SAS and its subsidiaries own, or have the right to use, sell or license all intellectual property necessary or required for the conduct of their respective businesses as presently conducted (such intellectual property and the rights thereto are collectively referred to herein as the "SAS IP RIGHTS").

(b) The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not constitute a breach of any instrument or agreement governing any of SAS IP Rights to which SAS or any subsidiary of SAS is a party or by which, to its knowledge, it is bound or affected, will not cause the forfeiture or termination or give rise to a right of forfeiture or termination of any SAS IP Rights or materially impair the right of SAS, the Surviving Corporation or SKILLSTORM to use, sell or license any SAS IP Rights or portion thereof.

(c) To the knowledge of SAS, the manufacture, marketing, license, sale or intended use of any product or technology currently licensed or sold or under development by SAS or any of its subsidiaries does not violate any license or agreement between SAS or any of its subsidiaries and any third party nor infringe any intellectual property right of any other party.

SKILLSTORM will immediately cease any and all existing activities, discussions or negotiations with any parties conducted heretofore with respect to any of the foregoing. SKILLSTORM will (i) notify SAS as promptly as practicable if any inquiry or proposal is made or any information or access is requested in connection with an Acquisition Proposal or potential Acquisition Proposal and (ii) as promptly as practicable notify SAS of the significant terms and conditions of any such Acquisition Proposal. In addition, subject to the other provisions of this Section 5.3(a), from and after the date of this Agreement until the earlier of the Effective Time and termination of this Agreement pursuant to its terms, SKILLSTORM and its subsidiaries will not, and will instruct their respective directors, officers, employees, representatives, investment bankers, agents and affiliates not to, directly or indirectly, make or authorize any public statement, recommendation or solicitation in support of any Acquisition Proposal made by any person, entity or group (other than SAS); provided, however, that nothing herein shall prohibit SKILLSTORM's Board of Directors from talking and disclosing to SKILLSTORM's shareholders a position with respect to a tender offer pursuant to Rules 14d-9 and 14e-2 promulgated under the Exchange Act.

(ii) Notwithstanding the provisions of paragraph (a)(i) above, prior to the Effective Time, SKILLSTORM may, to the extent the Board of Directors of SKILLSTORM determines, in good faith, after consultation with outside legal counsel, that the Board's fiduciary duties under applicable law require it to do so, participate in discussions or negotiations with, and, subject to the requirements of paragraph (a)(iii), below, furnish information to any person, entity or group after such person, entity or group has delivered to SKILLSTORM in writing, an unsolicited bona fide Acquisition Proposal which the Board of Directors of SKILLSTORM in its good faith reasonable judgment determines, after consultation with its independent financial advisors, would result in a transaction more favorable than the Merger to the stockholders of SKILLSTORM (a "SKILLSTORM SUPERIOR PROPOSAL"). In addition, notwithstanding the provisions of paragraph (a)(i) above, in connection with a possible Acquisition Proposal,

SKILLSTORM may refer any third party to this Section 5.3(a) or make a copy of this Section 5.3(a) available to a third party.

(b) Restrictions on SAS.

From and after the date of this Agreement until the earlier of the Effective Time or termination of this Agreement pursuant to its terms, SAS and its subsidiaries will not, and will instruct their respective directors, officers, employees, representatives, investment bankers, agents and affiliates not to, directly or indirectly, (i) solicit or knowingly encourage submission of, any proposals or offers by any person, entity or group (other than SKILLSTORM and its affiliates, agents and representatives), or (ii) participate in any discussions or negotiations with, or disclose any non-public information concerning SAS or any of its subsidiaries to, or afford any access to the properties, books or records of SAS or any of its subsidiaries to, or otherwise assist or facilitate, or enter into any agreement or understanding with, any person, entity or group (other than SKILLSTORM and its affiliates, agents and representatives), in connection with any Acquisition Proposal with respect to SAS. SAS will immediately cease any and all existing activities, discussions or negotiations with any parties conducted heretofore with respect to any of the foregoing. SAS will (i) notify SKILLSTORM as promptly as practicable if any inquiry or proposal is made or any information or access is requested in connection with an Acquisition Proposal or potential Acquisition Proposal and (ii) as promptly as practicable notify SKILLSTORM of the significant terms and conditions of any such Acquisition Proposal. In addition, subject to the other provisions of this Section 5.3(b), from and after the date of this Agreement until the earlier of the Effective Time and termination of this Agreement pursuant to its terms, SAS and its subsidiaries will not, and will instruct their respective directors, officers, employees, representatives, investment bankers, agents and affiliates not to, directly or indirectly, make or authorize any public statement, recommendation or solicitation in support of any Acquisition Proposal made by any person, entity or group (other than SKILLSTORM); provided, however, that nothing herein shall prohibit SAS's Board of Directors from taking and disclosing to SAS's stockholders a position with respect to a tender offer pursuant to Rules 14d-9 and 14e-2 promulgated under the Exchange Act.

5.3 Public Disclosure. SKILLSTORM and SAS will consult with each other before issuing any press release or otherwise making any public statement with respect to the Merger, this Agreement or an Acquisition Proposal and will not issue any such press release or make any such public statement prior to such consultation, except as may be required by law or any listing agreement with a national securities exchange or Nasdaq.

5.4 Legal Requirements. SKILLSTORM and SAS will use their respective reasonable commercial efforts to take all actions necessary or desirable to comply promptly with all legal requirements which may be imposed on them with respect to the consummation of the transactions contemplated by this Agreement (including furnishing all information required in connection with approvals by or filings with any Governmental Entity, and prompt resolution of any litigation prompted hereby) and will promptly cooperate with and furnish information to any party hereto necessary in connection with any such filings with or investigations by any Governmental Entity, and any other such requirements imposed upon any of them or their respective subsidiaries in connection with the consummation of the transactions contemplated by

this Agreement. SKILLSTORM will use its commercially reasonable efforts to take such steps as may be necessary to comply with the securities and blue sky laws of all jurisdictions which are applicable to the issuance of SKILLSTORM Common Stock pursuant hereto. SAS will use its commercially reasonable efforts to assist SKILLSTORM as may be necessary to comply with the securities and blue sky laws of all jurisdictions which are applicable in connection with the issuance of SKILLSTORM Common Stock pursuant hereto.

5.5 Third Party Consents. As soon as practicable following the date hereof, SKILLSTORM and SAS will each use its commercially reasonable efforts to obtain all material consents, waivers and approvals under any of its or its subsidiaries' agreements, contracts, licenses or leases required to be obtained in connection with the consummation of the transactions contemplated hereby.

5.6 Notification of Certain Matters. SKILLSTORM will give prompt notice to SAS, and SAS will give prompt notice to SKILLSTORM, of the occurrence, or failure to occur, of any event, which occurrence or failure to occur would be reasonably likely to cause (a) any representation or warranty contained in this Agreement and made by it to be untrue or inaccurate in any material respect at any time from the date of this Agreement to the Effective Time such that the conditions set forth in Section 6.2(a) or 6.3(a), as the case may be, would not be satisfied as a result thereof or (b) any material failure of SKILLSTORM or SAS, as the case may be, or of any officer, director, employee or agent thereof, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it under this Agreement. Notwithstanding the above, the delivery of any notice pursuant to this section will not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

5.7 Reasonably Commercial Efforts and Further Assurances. Subject to the respective rights and obligations of SKILLSTORM and SAS under this Agreement, each of the parties to this Agreement will use its reasonably commercial efforts to effectuate the Merger and the other transactions contemplated hereby and to fulfill and cause to be fulfilled the conditions to closing under this Agreement; provided that neither SKILLSTORM nor SAS nor any subsidiary or affiliate thereof will be required to agree to any divestiture by itself or any of its affiliates of shares of capital stock or of any business, assets or property, or the imposition of any material limitation on the ability of any of them to conduct their businesses or to own or exercise control of such assets, properties and stock. Subject to the foregoing, each party hereto, at the reasonable request of another party hereto, will execute and deliver such other instruments and do and perform such other acts and things as may be necessary or desirable for effecting completely the consummation of the transactions contemplated hereby.

5.8 Board of Directors and Certain Officers of the Combined SAS.

(a) The Board of Directors of SKILLSTORM will take all actions necessary to cause the Board of Directors of SKILLSTORM and the Surviving Corporation, immediately after the Effective Time, to consist of the one (1) person named in Section 1.5 hereof (the "SAS DESIGNEES"). If, prior to the Effective Time, any of SAS Designees or the SKILLSTORM's designees shall decline or be unable to serve as a director of SKILLSTORM or the Surviving

Corporation, SAS (if such person was designated by SAS) shall designate another person to serve in such person's stead, which person shall be reasonably acceptable to the other party.

(b) The Board of Directors of SKILLSTORM will take all actions necessary to cause the officers of SKILLSTORM and the Surviving Corporation, immediately after the Effective Time, to include the persons named in Section 1.5 hereof.

SAS shall have received a certificate with respect to the foregoing signed on behalf of SKILLSTORM by the Chairman of the Board of Directors of SKILLSTORM. Such certificate shall also certify the amount of liabilities incurred by SKILLSTORM from December 31, 2005 until the Closing Date, which amount of liabilities shall be acceptable to SAS, in its sole discretion.

TERMINATION, AMENDMENT AND WAIVER**

7.1 Termination. This Agreement may be terminated at any time prior to the Effective Time of the Merger, whether before or after approval of the Merger by the stockholders of SAS or the approval of the issuance of SKILLSTORM Common Stock in connection with the Merger by the shareholders of SKILLSTORM:

(a) by mutual written consent duly authorized by the Boards of Directors of SKILLSTORM and SAS;

(b) by either SAS or SKILLSTORM if the Merger shall not have been consummated by December 31, 2005, provided, however, that the right to terminate this Agreement under this Section 8.1(b) shall not be available to any party whose action or failure to act has been a principal cause of or resulted in the failure of the Merger to occur on or before such date and such action or failure to act constitutes a breach of this Agreement;

(c) by either SAS or SKILLSTORM if a Governmental Entity shall have issued an order, decree or ruling or taken any other action (an "ORDER"), in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the Merger, which order, decree or ruling is final and nonappealable;

(d) by either SAS or SKILLSTORM if the required approvals of the stockholders of SAS or the shareholders of SKILLSTORM contemplated by this Agreement shall not have been obtained by reason of the failure to obtain the required vote upon a vote taken at a meeting of stockholders or shareholders, as the case may be, duly convened therefor or at any adjournment thereof (provided that the right to terminate this Agreement under this Section 7.1(d) shall not be available to any party where the failure to obtain shareholder or stockholder approval of such party shall have been caused by the action or failure to act of such party in breach of this Agreement);

(e) by SKILLSTORM, if the Board of Directors of SAS recommends another proposal to the stockholders of SAS, or if the Board of Directors of SAS shall have withheld, withdrawn or modified in a manner adverse to SKILLSTORM its recommendation in favor of adoption and approval of this Agreement and approval of the Merger;

(f) by SAS, if the Board of Directors of SKILLSTORM recommends a SKILLSTORM Superior Proposal to the shareholders of SKILLSTORM, or if the Board of Directors of SKILLSTORM shall have withheld, withdrawn or modified in a manner adverse to SAS its recommendation in favor of approving the issuance of the shares of SKILLSTORM Common Stock by virtue of the Merger;

(g) by SAS, upon a breach of any representation, warranty, covenant or agreement on the part of SKILLSTORM set forth in this Agreement, or if any representation or warranty of SKILLSTORM shall have become untrue, in either case such that the conditions set forth in Section 6.2(a) or Section 6.2(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided that if such inaccuracy in SKILLSTORM's representations and warranties or breach by SKILLSTORM is curable prior to December 31, 2005 by SKILLSTORM through the exercise of its commercially reasonable efforts, then SAS may not terminate this Agreement under this Section 8.1(g) provided SKILLSTORM continues to exercise such commercially reasonable efforts to cure such breach; or

(h) by SKILLSTORM, upon a breach of any representation, warranty, covenant or agreement on the part of SAS set forth in this Agreement, or if any representation or warranty of SAS shall have become untrue, in either case such that the conditions set forth in Section 7.3(a) or Section 7.3(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided that if such inaccuracy in SAS's representations and warranties or breach by SAS is curable prior to December 31, 2005 by SAS through the exercise of its commercially reasonable efforts, then SKILLSTORM may not terminate this Agreement under this Section 7.1(h) provided SAS continues to exercise such commercially reasonable efforts to cure such breach. 7.2 Notice of Termination; Effect of Termination.

(i) by SAS if at any time prior to the Effective Time (including any extension of the Effective Time) if SKILLSTORM loses the quotation of its Common Stock on the OTCBB.

7.2 Notice of Termination; Effect of Termination: Any termination of this Agreement under Section 7.1 above will be effective immediately upon the delivery of written notice of the terminating party to the other parties hereto. In the event of the termination of this Agreement as provided in Section 7.1, this Agreement shall be of no further force or effect, except (i) as set forth in this Section 7.2, Section 7.3 and Article 8, each of which shall survive the termination of this Agreement, and (ii) nothing herein shall relieve any party from liability for any breach of this Agreement. No termination of this Agreement shall affect the obligations of the parties contained in the Confidentiality Agreement, all of which obligations shall survive termination of this Agreement in accordance with their terms.

7.3 Fees and Expenses: All fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses whether or not the Merger is consummated; provided, however, that SKILLSTORM and SAS shall share equally all fees and expenses.

ARTICLE VIII GENERAL PROVISIONS

Dear Mr. Innes:

This is to advise you that as securities counsel we have reviewed the corporate disclosures and proceedings in connection with the proposed offer and issuance of up to eighteen million (18,000,000) shares of common stock (the "Shares") of the Company to be registered on a Form 1-A, dated November 16, 2006 ("Regulation A Offering Statement"), as amended, filed with the Securities and Exchange Commission (the "SEC"). We have examined copies of such corporate records of the Company, certificates of authorized officers of the Company, and other documents, and have considered such matters of law as we deemed necessary as a basis for the opinions hereinafter expressed.

As to the various questions of fact material to these opinions, we have, when relevant facts were not independently established, relied upon certifications of responsible officers of the Company. Based upon the foregoing, we are of the opinion that the proposed issuance of the Shares has been properly authorized and approved by the Board of Directors of the Company and that when the Shares are sold as contemplated by the Regulation A Offering Statement and the exhibits thereto, the Shares will be validly issued, fully paid and nonassessable.

We hereby consent to being named in the Regulation A Offering Statement and in the accompanying circular constituting a part thereof, as amended from time to time, as issuer's counsel and the attorneys who will pass upon legal matters in connection with the issuance or registration of the Shares, and to the filing of this opinion as an exhibit to the Regulation A Offering Statement.

As counsel to the Company, we are authorized to practice law, collectively, in the States of Washington, California and New York and are permitted to practice before the Securities and Exchange Commission (the "SEC"). We opine herein in reliance on the laws of the United States of America, and the Rules and Regulations promulgated thereunder, and in reliance on the laws of the State of Washington, the Company's state of incorporation, including all statutory provisions, all applicable provisions of the Washington Constitution and reported judicial decisions interpreting those laws.
