### **ABOUT Advanced Explorations Inc.**

AEI, based in Toronto, Canada, has been developing a strategy to leverage its expertise and experience in identifying business opportunities within the Resource sector. The company has recently expanded its capabilities in iron ore exploration and development with the acquisition of strategic management personnel. AEI has the management, technical and exploration expertise and experience to rapidly advance the Roche Bay magnetite project, as well as develop new opportunities in the area and globally. The Roche Bay magnetite project located proximal to a natural port makes it potentially one of the world's premier iron ore opportunities. Shares of the company trade on the TSX Venture Exchange under the symbol AXI. For more information please visit [www.Advanced-Exploration.com](http://www.Advanced-Exploration.com).
