Dear Sir,

We wish to inform you that the Ministry of Communications & Information Technology, Government of India, has granted in principle approval to Reliance Telecom Limited (RTL), a wholly owned subsidiary of our Company, for providing CDMA services also under the existing Unified Access Service Licenses (UASL) granted to RTL for Assam and North East Service Areas.

This is in addition to existing GSM services provided by RTL. Accordingly, RTL will, in due course, offer CDMA services also in addition to its existing GSM services in Assam and North East Service Areas.

The Company along with RTL thus has Pan India Licence to provide both CDMA and GSM services.

We request you to kindly inform your members accordingly.

Thanking you.

Yours faithfully,
For Reliance Communications Limited
