INTERIM MANAGEMENT STATEMENT

Strong Christmas trading

Debenhams plc, the leading department stores group, today releases its interim management statement for the year-to-date ended 5 January 2008.

For the four weeks of Christmas ended 5 January 2008, total sales were 4.4% higher than last year. Like-for-like sales for the Christmas period increased by 2.2%.

For the 18 weeks ended 5 January 2008, total sales were 2.0% above the comparative period last year. Like-for-like sales for the 18 weeks were flat, reflecting the poor general market conditions experienced across the sector earlier in this period.

The performance of the exclusive Designers at Debenhams brands has been particularly pleasing and contributed to the overall market share gains achieved in the last few months.

Debenhams Direct, the online business, continued to grow strongly with visitor numbers and sales up 57% and 85% respectively. The international business also performed well.

Since the start of the year three new and two resited department stores and one Desire store have been opened, increasing trading space by some 197,000 square feet. The total number of stores within the UK and Ireland now stands at 146 compared to 139 at this time last year. Refurbishment programmes have been completed at 18 stores this year and refurbished stores continue to achieve the expected returns.

Angela Spindler has been appointed Managing Director, reporting to Chief Executive Rob Templeman, and will join the board and the company on 4 February 2008.

Rob Templeman, Chief Executive, said:

"Our sales during Christmas and early January were strong with like-for-like sales up by 2.2%. This offset the weak market experienced in November and resulted in flat like-for-like sales growth for the first 18 weeks of the year.

"The Roches acquisition in the Republic of Ireland is now fully operational in the Debenhams trading format and these stores performed well over the Christmas period.

"The fragile state of consumer confidence leads us to view the future with caution and we are running the business on the basis that market conditions will remain difficult. To this end, we are focusing more on our designer credentials, which we believe will be more resilient in this environment, as well as managing our cost base, the speed of our refit and capital expenditure programmes and our inventory levels tightly."

Debenhams will announce its first half sales numbers on 18 March 2008 and its interim results on 15 April 2008.

A conference call will be held today at 8:30am on 0845 2455000 (UK) or +44 (0) 1452 562716 (overseas), conference ID 30679359. A replay of the call will be available for seven days on 0845 2455205 (UK) or +44 (0) 1452 550000 (overseas), PIN 30679359#.
