It is therefore unlikely to be comparable to similar measures presented by other companies. However, management believes that most unitholders, creditors, other stakeholders and investment analysts prefer to include the use of this performance measure in analyzing CI's results.

CI Financial announces 2008 distribution policy

TORONTO (January 23, 2008) – The Board of Trustees of CI Financial Income Fund (“CI”) today announced a proposed distribution for 2008 of \$1.98 per unit.

Today, the Board approved a monthly distribution of \$0.16 commencing in March (with a payment date of March 15 and a record date of February 29), subsequent to the distributions of \$0.19 per unit paid on January 15, 2008, and \$0.19 to be paid on February 15, 2008.
