Dear Sirs:

Re: Theralase Technologies Inc. (formerly known as Inter Star Mining Group Inc.) ("Theralase")

Thank you very much for taking the time to speak to me today and on December 20, 2007 regarding Theralase's status with the United States Securities and Exchange Commission ("SEC").

I confirm that you informed me that Theralase used to have the benefit of the SEC Exemption Rule 12g 3-2 (b). However such exemption was not renewed over the previous years nor does Theralase wish to renew the exemption at this time. I, therefore, further confirm that Theralase is not required to file any forms with respect to the lapse of the above-mentioned exemption nor is Theralase required to file any of its financial statements, material changes or press releases etc. with the SEC.

Thank you very much for your help in this matter.

Yours truly,

MINDEN GROSS LLP
