**MOL Plc published its strategic co-operation agreement with Oman Oil
Company S.A.O.C**

MOL Hungarian Oil and Gas Public Limited Company (MOL) hereby informs capital market participants that on 8th March 2008 it signed a strategic co-operation agreement with Oman Oil Company S.A.O.C. (OOC). Within the framework of the alliance MOL sells 8,774,040 "A" series of its share, equivalent to 8% of the registered capital of MOL, at a price of USD 145.429 per share to OOC. As part of the strategic co-operation MOL would take over certain international assets and cash from OOC. Final set of cash and assets to be received by MOL can change depending on the necessary consents and waivers on pre-emption rights from the relevant third parties regarding certain assets. In addition, the two partners have agreed in joint development of future business opportunities as strategic partners. Closing of asset transactions will take place not later than 31. December 2008. MOL will immediately announce further details after closing of any asset or share transaction.

Mr. Zsolt Hernádi, Chairman-CEO of MOL commented:

„We welcome our new strategic shareholder, who will contribute with its assets, extensive business relationships and profound business and technological know-how to create further shareholder value in line with our stated independent strategy. This strategic co-operation will provide MOL significant growth potential in upstream and downstream businesses in the Middle-East, Central Asia and in other regions.”

Commenting on this occasion His Excellency Maqbool Ali Sultan said:

“We are proud to announce this latest initiative by OOC, which comes in line with the Company's strategy to grow and diversify its investment portfolio by leveraging on some of its existing assets and at the same time have a significant presence in the Central and Eastern European Region. It will also allow for further business opportunities with MOL in Oman, Hungary, as well as third countries and regions.”

Oman Oil Company S.A.O.C. (OOC) Introduction

OOC is a commercial company 100 percent owned by the Government of the Sultanate of Oman. The company was created in 1992 to give the Government another vehicle for pursuing investment opportunities in the energy sector both inside and outside Oman. Through participation in energy and energy related projects, OOC plays a role in the Sultanate's efforts to diversify the Omani economy and help generates Omani and foreign private sector investment. The strategy of OOC is to seek diversity while expanding its income base and continuing exploring new long-term opportunities. Currently OOC's investments range from exploration and production (upstream), infrastructure and shipping, refining and petrochemical, aluminium and power to trading, marketing and retail investments.
