Press release

Hypo Real Estate Capital Corporation Announces Successful Completion by its Subsidiary of Tender Offer for Common Stock of Quadra Realty Trust

New York, March 13, 2008 - Hypo Real Estate Capital Corporation ("HRECC") today announced the successful completion of the cash tender offer by its wholly-owned subsidiary, HRECC Sub Inc. ("MergerSub"), for any and all of the outstanding shares of common stock of Quadra Realty Trust, Inc. (NYSE: QRR) ("Quadra") not already owned by HRECC and its affiliates at a purchase price of \$10.6506 per share in cash (without interest and less applicable withholding taxes). Quadra did not declare a dividend to the extent of its taxable income for the period beginning January 1, 2008 and ending as of yesterday's close of business, so there will not be any reduction in the \$10.6506 per share in cash to be paid for tendered shares. Quadra's previously declared and announced \$0.3494 per share dividend will be promptly paid to Quadra's stockholders of record as of the close of business on March 12, 2008.

The depository for the offer has advised HRECC and MergerSub that, as of the expiration of the offer on March 12, 2008, stockholders of Quadra had tendered and not withdrawn 15,981,016 shares of Quadra common stock (including 1,448,475 shares delivered pursuant to notices of guaranteed delivery), which represents approximately 95.2% of the outstanding shares of Quadra common stock excluding shares already owned by HRECC and its affiliates and, when combined with the Quadra common stock already owned by HRECC and its affiliates, will result in HRECC and its affiliates owning approximately 96.8% of Quadra's outstanding common stock. MergerSub has accepted for payment all shares of Quadra common stock that were validly tendered and not properly withdrawn and will make payment to the depository for the accepted shares promptly.

As provided in the merger agreement by and among HRECC, MergerSub and Quadra, the parties intend to complete the merger of MergerSub with and into Quadra as soon as practicable under applicable Maryland law without a vote of Quadra's stockholders. In the merger, Quadra's stockholders who did not tender their shares in response to the offer will receive the same \$10.6506 per share in cash to be paid in the offer (without interest and less applicable withholding taxes). Stockholders will receive relevant information in the mail on how to receive payment for their shares.
