Subject: Report on dispute between the Company's subsidiary in Australia and ETT Limited

To: The President
Stock Exchange of Thailand

Thaicom Public Company Limited (the "Company") would like to inform the Stock Exchange of Thailand (the "SET") that on May 30th, 2008, IPSTAR Australia Pty. Ltd. ("IPA"), the Company's subsidiary in Australia, sent the notice of termination of the Agreement to ETT Limited ("ETT"), the National Service Operator of the iPSTAR Service in Australia, effective on June 7th, 2008. ETT argued that the notice of termination may not be appropriate and filed an application for interlocutory relief with the Supreme Court of New South Wales and reported the matter to the Australian Stock Exchange ("ASX") on June 5th, 2008. IPA is of the opinion that the notice of termination is a proper exercise of its right under the Agreement. The Court will commence the hearing of ETT's application on June 6th, 2008. However, the other Service Providers of the iPSTAR Service in Australia will continue to provide the iPSTAR Services to the customers the total number of which is approximately 35,000 without any interruption. The iPSTAR Service in Australia will not be affected in anyway by this matter.

The Company will report any progress of the matter to the SET.
