**TOMRA - Order from Denmark**

In connection with the introduction of deposit on non-refillable plastic bottles in Denmark, DRS (Dansk Retur System) has placed an additional order of 150 Compactors, which will be delivered during 2008. At year-end Tomra compactors will be present in more than 1000 stores.

TOMRA has also entered into an agreement with COOP for implementation of donation functionality to 1200 machines in all COOP owned stores in Denmark. As part of a full service agreement, the RVM will be on-line connected to TOMRA.

COOP Denmark will by this be the first national retailer to introduce a nationwide donation possibility on their RVMs.
