DEBENHAMS PLC – INTERIM MANAGEMENT STATEMENT

Debenhams plc, the leading department stores group, today releases its interim management statement for the 42 weeks ended 21 June 2008.

Gross transaction value for the 42 weeks to 21 June 2008 was 1.3% higher than the same period last year. Although like-for-like sales were down by 0.6% for the 42 week period, over the ten weeks since the last trading update at the interim results, like-for-like sales have grown by 1.0%.

Debenhams has continued to gain market share across key product categories as customers find favour with our strategy of increasing the quality and value of our products at the same time as improving the in-store environment. Own bought and in particular designer ranges continue to perform well and, as a consequence, gross margin guidance for the year as a whole of flat to plus 20 basis points is unchanged.

The company remains highly cash generative and net debt at year end is expected to be in line with market consensus. No changes have been made to supplier terms outside the ordinary course of business. Progress has been made on de-leveraging the balance sheet as set out at the presentation of our interim results in April 2008. The cost saving target of £20 million has already been achieved and will take full effect in 2009. Plans to improve the customer experience through brand consolidation and SKU rationalisation are on target and will be achieved by the start of the new financial year.

Debenhams' new 130,000 square feet flagship store opened in Liverpool at the end of May and is trading ahead of expectations. A further two department stores in Dunfermline and Blackpool are due to open before the end of the financial year and five department stores, including White City in October, and two Desire stores in 2008/09.

A resolution to approve the scrip dividend scheme was approved at an EGM held on 3 June 2008. Shareholders representing some 45% of the issued share capital have elected to take the scrip dividend.

Rob Templeman, Chief Executive of Debenhams, said:

"In light of the tough trading environment across the whole UK retail sector, we are pleased with customer response to our new ranges and, as a result, our improving sales performance for the period. The strength of Designers at Debenhams is particularly pleasing. We continue to take market share across our key product categories."

OPENING OF FLAGSHIP LIVERPOOL STORE

Debenhams plc, the leading department stores group, is pleased to announce the opening its new 130,000 square feet flagship store in Liverpool today.

The new store, which is one of Debenhams' largest, spans four levels and is located in the brand new Liverpool ONE development in the heart of the city.

The opening of Debenhams' first Liverpool store also marks the launch of a new concept for the Home department. This has been developed to build on the existing homeware offering and will provide higher fashion and design content, feature more product ranges from Designers at Debenhams and an easier shopping experience for customers through its layout. The new store also includes the largest Menswear department outside London and one of the largest Childrenswear departments.

Debenhams Liverpool has created some 500 jobs in the city, including 300 in the store which could increase to as many as 700 at peak times such as Christmas. Debenhams worked in partnership with Shop for Jobs to ensure as many people as possible had the chance of applying for and gaining jobs in Liverpool's booming retail sector.

Rob Templeman, Chief Executive said:

"We are delighted to be opening a flagship store in Liverpool, the 2008 European Capital of Culture. The Liverpool ONE development is in itself a statement of the city's thriving retail environment and we look forward to being part of this exciting stage in Liverpool's development. We are also pleased to launch our new concept Home department today, which we believe will offer our customers even better choice and quality homeware products."

Kevin O'Donovan, Liverpool Store Manager said:

"The new store offers a great choice for customers across all of our divisions. We look forward to working with the new team in establishing this flagship store as a leading retail destination in Liverpool and creating an enjoyable shopping experience for our customers."
