THE PARAGON GROUP OF COMPANIES PLC**Interim Management Statement****Trading**

The Group has continued to operate profitably in line with management's expectations during the third quarter of its financial year, the period from 1 April to 30 June 2008. Third quarter profit before taxation was similar to the average quarterly underlying profit for the first half of the year, reported to shareholders in the half yearly Financial Report at 31 March 2008.

Income is in line with our expectations, the third quarter performance having been consistent with the first half of the financial year. Despite continuing disruption in the money markets, with 3 month LIBOR over the period having been significantly higher than base rate, margins in the third quarter improved slightly compared to the first half of the year.

Across the Group's portfolio, the number of accounts in arrears has reduced since 31 March 2008, with the percentage of accounts in arrears remaining at similar levels. The charge for impairment remains consistent with that for the first six months and is in line with expectations. The performance of the buy-to-let book continues to be exemplary and landlords are benefiting from increased rents and yields in the current environment as house purchases have slowed.

Control over operating costs remains a focus and, following the cost reductions effected during the first half of the year, the underlying cost: income ratio has continued to reduce. Exceptional costs remain as detailed in the half yearly Financial Report.

Lending activity

Credit market conditions continue to constrain new lending activity. Since the half year, first mortgage activity has, in the main, been limited to further advances to existing landlords. However, secured personal finance lending during the first nine months of the financial year has been at a level marginally higher than for the same period last year, notwithstanding a significant tightening of lending criteria.

The redemption rate within the buy-to-let portfolio during the three months ended 30 June 2008 was similar to the first six months of the year. Total loans to customers, at £10.4 billion, are at a similar level to a year previously.

Funding and free cash

The existing, match-funded portfolio continues to be cash generative, with the result that free cash balances at 30 June 2008 were higher than at 31 March 2008. The Group continues to finance secured consumer finance originations and buy-to-let further advances through its current securitisation arrangements. The Group is well positioned to increase lending activity when satisfactory funding arrangements for new business originations can be put in place.

Outlook

The Group remains financially strong and well positioned to manage its portfolio and business activities in the deteriorating economic environment. At the same time the Group is working on a range of income generating initiatives, including the provision of third party services and is exploring options for portfolio purchases where, in current market conditions, pricing is attractive. Further information on the progress of these initiatives will be provided when the results for the year ending 30 September 2008 are announced.

Response to press speculation

In view of the recent press speculation, the Board of Paragon confirms that it has received approaches from parties who have expressed interest in evaluating potential offers for the Company. In order to determine whether any of these approaches may form the basis for an acceptable offer or offers, the Board has entered exploratory discussions with, and is providing certain due diligence access to, the parties concerned. There can be no certainty that these discussions will lead to any offer being forthcoming. Further announcements will be made in due course as appropriate.

In accordance with Rule 2.10 of the City Code on Takeovers and Mergers, Paragon confirms that it has 298,490,705 ordinary shares of £1 each in issue as at the close of business on 21 July 2008. The ISIN reference for these securities is GB00B2NGPM57.

Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the Takeover Code (the "Code"), if any person is, or becomes, "interested" (directly or indirectly) in 1% or more of any class of "relevant securities" of Paragon, all "dealings" in any "relevant securities" of that company (including by means of an option in respect of, or a derivative referenced to, any such "relevant securities") must be publicly disclosed by no later than 3.30 pm (London time) on the London business day following the date of the relevant transaction. This requirement will continue until the date on which the offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the "offer period" otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an "interest" in "relevant securities" of Paragon, they will be deemed to be a single person for the purpose of Rule 8.3.

Under the provisions of Rule 8.1 of the Code, all "dealings" in "relevant securities" of Paragon by the a potential offeror or by Paragon, or by any of their respective "associates", must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose "relevant securities" "dealings" should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel's website at www.thetakeoverpanel.org.uk.

"Interests in securities" arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an "interest" by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Panel's website. If you are in any doubt as to whether or not you are required to disclose a "dealing" under Rule 8, you should consult the Panel."
