NOTES TO THE FINANCIAL STATEMENTS

for the half-year ended 30 June 2008

1_Corporate information

The financial report of Westfield Trust ("WT") and its controlled entities (collectively the "WT Group") for the half-year ended 30 June 2008 was approved on 27 August 2008, in accordance with a resolution of the Board of Directors of Westfield Management Limited as responsible entity of WT ("Responsible Entity").

The nature of the operations and principal activities of WT are described in the Directors' Report.

2_Basis of preparation of the financial report

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the WT Group as the full financial report.

The half-year financial report should be read in conjunction with the annual financial report of WT as at 31 December 2007.

It is also recommended that the half-year financial report be considered together with any public announcements made by the Westfield Group and its controlled entities during the half-year ended 30 June 2008 in accordance with the continuous disclosure obligations arising under the Corporations Act 2001 ("the Act").

(a)_Basis of accounting

The half-year financial report is a general purpose financial report, which has been prepared in accordance with the requirements of the Act, applicable Accounting Standards including AASB 134 "Interim Financial Reporting" and other mandatory professional reporting requirements.

The half-year financial report has also been prepared on a historical cost basis, except for investment properties, derivative financial instruments, other financial liabilities and available for sale financial assets that have been measured at fair value. The carrying values of recognised assets and liabilities that are hedged with fair value hedges and are otherwise carried at cost are adjusted to record changes in the fair values attributable to the risks that are being hedged.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

The half-year financial report has been prepared using the same accounting policies as used in the annual financial report for the year ended 31 December 2007.

This financial report is presented in Australian dollars.

(b)_Comparative information

Where applicable, certain comparative figures are restated in order to comply with the current period's presentation of the financial statements.

(c)_Rounding

In accordance with ASIC Class Order 98/0100, the amounts shown in the half-year financial report have, unless otherwise indicated, been rounded to the nearest tenth of a million dollars. Amounts shown as 0.0 represent amounts less than \$50,000 that have been rounded down.

The directors of Westfield Management Limited, the Responsible Entity of the Trust, during the half-year ended 30 June 2008, were as follows:

Mr Frank Lowy AC, Mr David Lowy AM, Mr Roy Furman, Mr David Gonski AC, Professor Fred Hilmer AO, Mr Stephen Johns, Mr Peter Lowy, Mr Steven Lowy, Mr John McFarlane, Professor Judith Sloan, Dr Gary Weiss, Mr Dean Wills AO and Ms Carla Zampatti AM.

The composition of the Board changed during the half-year with the appointments of Mr John McFarlane and Professor Judith Sloan on 26 February 2008 and the retirement of Mr Dean Wills AO on 23 May 2008. The rest of the Board remain unchanged. No changes have taken place since 30 June 2008.

Review of Operations and State of Affairs

The Trust reported a net profit of A\$924.8 million and a distribution of A\$549.9 million for the Financial Period. The basic earnings per unit is 47.51 cents and the distribution per unit is 28.25 cents for the Financial Period.

As at 30 June 2008, the Trust had a A\$23.4 billion (consolidated properties: A\$21.7 billion and share of equity accounted properties: A\$1.7 billion) interest in 56 shopping centres, comprising 13,432 retailers and approximately 4.0 million square metres of retail space.

The Australian and New Zealand operations contributed net property income of A\$618.8 million for the six months to 30 June 2008 (A\$595.4 million for the six months to 30 June 2007) which reflects comparable mall income growth of approximately 4.8%. This performance reflects the strong retail conditions in Australia which prevailed during the period as well as the quality of the portfolios in both regions offset by the impact of the sale of 50% of Westfield Parramatta and the sale of 50% of Westfield Doncaster in 2007.

At 30 June 2008 occupancy rates continue to be in excess of 99.5% and average specialty store rent per square metre increased by 4.5% over the same time last year.

Retail sales in the Trust's 44 Australian centres totalled \$19.9 billion for the 12 months to 30 June 2008, representing a 4.2% increase over the previous year. On a comparable basis, total tenant sales increased 5.6% with sales of specialty store tenants increasing 6.0%.

Retail sales at the Trust's 12 shopping centres in New Zealand totalled NZ\$2.0 billion for the 12 months to 30 June 2008, representing an 11.1% increase over the prior year. On a comparable basis, total tenant sales for the year increased 0.9% with sales of specialty stores tenants decreasing 1.3%.

Development projects

In Australia, projects at Geelong (A\$210 million) and Plenty Valley (A\$210 million) in Victoria were completed during the half-year and the A\$600 million redevelopment of Westfield Doncaster in Melbourne, is on schedule for completion in October 2008.

Progress on the Trust's landmark project in Sydney CBD continues with predevelopment works underway for the project's commencement in the second half of 2008.

In New Zealand, the Trust completed the NZ\$70 million redevelopment at Manukau. In addition, during the Financial Period the Trust has commenced a NZ\$75 million development at Riccarton in Christchurch which is due for completion in the first half of 2009.

The current target weighted average yield range for the projects under construction in Australia and New Zealand is 7.8% to 8.3%. This reflects the Trust's incremental income yield on the Trust's project cost.

There were no significant changes in the Trust's state of affairs during the Financial Period.

Principal Activities

The principal activities of the Trust during the Financial Period were the ownership and improvement of shopping centres. There were no significant changes in the nature of those activities during the Financial Period.

Subsequent Events

No other matter or circumstance has arisen since the end of the Financial Period that has significantly affected, or may significantly affect:

- (i) the Trust's operations in future financial years;
- (ii) the results of those operation in future financial years; or
- (iii) the Trust's state of affairs in future financial years.

NOTES TO THE FINANCIAL STATEMENTS

for the half-year ended 30 June 2008

1_Corporate information

This financial report of WAT and its controlled entities for the half-year ended 30 June 2008 was approved on 27 August 2008, in accordance with a resolution of the Board of Directors of Westfield America Management Limited, as responsible entity of WAT ("Responsible Entity").

The nature of the operations and principal activities of WAT are described in the Directors' Report.

2_Basis of preparation of the financial report

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of WAT and its controlled entities as the full financial report.

The half-year financial report should be read in conjunction with the annual financial report of WAT as at 31 December 2007.

It is also recommended that the half-year financial report be considered together with any public announcements made by the Westfield Group and its controlled entities during the half-year ended 30 June 2008 in accordance with the continuous disclosure obligations arising under the Corporations Act 2001 ("the Act").

(a)_Basis of accounting

The half-year financial report is a general purpose financial report, which has been prepared in accordance with the requirements of the Act, applicable Accounting Standards including AASB 134 "Interim Financial Reporting" and other mandatory professional reporting requirements.

The half-year financial report has been prepared on a historical cost basis, except for investment properties, investment properties within equity accounted investments, derivative financial instruments, financial assets at fair value through profit or loss and other financial liabilities. The carrying values of recognised assets and liabilities that are hedged with fair value hedges and are otherwise carried at cost are adjusted to record changes in the fair values attributable to the risks that are being hedged.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

The half-year financial report has been prepared using the same accounting policies as used in the annual financial report for the year ended 31 December 2007.

This half-year financial report is presented in Australian dollars.

(b)_Rounding

In accordance with ASIC Class Order 98/0100, the amounts shown in the half-year financial report have, unless otherwise indicated, been rounded to the nearest tenth of a million dollars. Amounts shown as 0.0 represent amounts less than \$50,000 that have been rounded down.

Independent auditor's report to the members of Westfield America Trust

We have audited the accompanying financial report of Westfield America Trust which comprises the balance sheet as at 30 June 2008 and the income statement, statement of changes in equity and cash flow statement for the half-year then ended, other selected explanatory notes and the directors' declaration of the consolidated entity comprising the Trust and the entities it controlled at period end or from time to time during the period.

Directors' Responsibility for the Financial Report

The directors of Westfield America Management Limited, the Responsible Entity of the Trust, are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the half-year financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed procedures to assess whether in all material respects the half-year financial report presents fairly, in accordance with the *Corporations Act 2001*, including compliance with Accounting Standard AASB 134 "Interim Financial Reporting", and the *Corporations Regulations 2001*, a view which is consistent with our understanding of the consolidated entity's financial position, and of its performance as represented by the results of its operations and cash flows. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit we have met the independence requirements of the *Corporations Act 2001*. We have given to the directors of Westfield America Management Limited a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report.

Auditor's Opinion

In our opinion the half-year financial report of Westfield America Trust is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the financial position of Westfield America Trust and the consolidated entity's financial position as at 30 June 2008 and of its performance for the half year then ended; and
- (ii) complying with Accounting Standard AASB 134 "Interim Financial Reporting" and the *Corporations Regulations 2001*.
