CI Financial Income Fund (TSX: CIX.UN) is an independent, Canadian-owned wealth management company. CI offers a broad range of investment products and services, including an industry-leading selection of investment funds, and is on the Web at www.ci.com/cix.

EBITDA (earnings before interest, taxes, depreciation and amortization) is a non-GAAP (generally accepted accounting principles) earnings measure; however, CI management believes that most unitholders, creditors, other stakeholders and investment analysts prefer to include the use of this performance measure in analyzing CI's results. EBITDA is a measure of operating performance, a facilitator for valuation and a proxy for cash flow.

This press release contains forward-looking statements with respect to CI and its products and services, including its business operations and strategy and financial performance and condition. Although management believes that the expectations reflected in such forward-looking statements are reasonable, such statements involve risks and uncertainties. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from expectations include, among other things, general economic and market factors, including interest rates, business competition, changes in government regulations or in tax laws, and other factors discussed in materials filed with applicable securities regulatory authorities from time to time.

FOR IMMEDIATE RELEASE

United Financial launches Evolution Private Managed Accounts, an innovative program for sophisticated investors

TORONTO (September 23, 2008) – United Financial Corporation today announced the launch of Evolution Private Managed Accounts, an innovative program designed to meet the complex investment needs of sophisticated investors.

Evolution offers customized portfolios based on actively managed strategic asset allocation, a broad selection of leading portfolio managers, a tax-efficient structure, as well as the choice of geographic emphasis, investment style, currency-neutral pools and newly created Alpha pools.

“Evolution goes beyond the ordinary in investment management, with its unprecedented combination of advanced features,” said Joseph C. Canavan, Chairman and Chief Executive Officer, United Financial. “Evolution offers an exceptional degree of choice and flexibility, allowing sophisticated investors to work with their advisors to create an investment solution that’s tailored to their unique needs and is an integral part of their overall financial plan.”

The Evolution portfolios are developed by United Financial Investment Consulting, an in-house team of experts, based on the principles of strategic asset allocation. The Investment Consulting team monitors and actively manages the portfolios to ensure they remain efficient and are positioned to take advantage of developing opportunities in the marketplace.

The Evolution program provides access to a wide selection of industry-leading Canadian and global portfolio managers available through United Financial and CI Investments Inc., including AllianceBernstein, Cambridge Advisors, Connor, Clark and Lunn Investment Management, Cohen and Steers, Epoch Investment Partners, Harbour Advisors, Picton Mahoney Asset Management, Signature Global Advisors, Tetrem Capital Management and Wellington Management.

“Evolution represents the combined resources of United Financial and CI Investments and their expertise in portfolio management and in developing and managing innovative investment solutions,” said Mr. Canavan.

Investors may select United Financial’s new Alpha mandates, which are concentrated equity portfolios that invest in select portfolio managers’ best ideas, with a focus on absolute returns. The Alpha mandates and their portfolio managers are Canadian Equity Alpha Corporate Class (QV Investors Inc.), US Equity Alpha Corporate Class (Tetrem Capital Management Ltd.) and International Equity Alpha Corporate Class (Picton Mahoney Asset Management).

The Evolution program provides a high level of tax efficiency, a key concern for high net worth investors. The Evolution portfolios are based on a corporate class structure, and United Financial also manages investors' registered and non-registered and family accounts as a single portfolio, in order to achieve the maximum level of tax efficiency.

Evolution Private Managed Accounts recognizes the needs of sophisticated investors by offering a pricing process similar to those offered to institutional investors.

The Evolution Private Managed Accounts program requires a minimum investment of \$250,000 and is available exclusively through advisors affiliated with Assante Wealth Management.

United Financial Corporation is a Canadian investment management and wealth planning firm with approximately \$8 billion in assets under management. It provides customized managed portfolio solutions for individuals, families and businesses, distributed through advisors with Assante Wealth Management and Stonegate Private Counsel LP. United Financial is on the Web at www.unitedfinancial.ca. United Financial is controlled by CI Financial Income Fund (TSX: CIX.UN), an independent, Canadian-owned wealth management firm with approximately \$100.6 billion in fee-earning assets as of August 31, 2008.

Communiqué

POUR DIFFUSION IMMÉDIATE

Financière Unie lance le programme de Gestion de comptes privée Évolution, un programme innovateur pour les investisseurs sophistiqués

TORONTO (23 septembre 2008) – Corporation Financière Unie a annoncé aujourd'hui le lancement de Gestion de comptes privée Évolution, un programme innovateur conçu pour répondre aux besoins complexes en matière de placement des investisseurs sophistiqués.

Évolution offre des portefeuilles personnalisés basés sur une répartition stratégique de l'actif activement gérée, une large sélection de gestionnaires de portefeuille de premier ordre, une structure fiscalement avantageuse, ainsi que le choix de l'emplacement géographique, du style de placement, des fonds neutres aux fluctuations des devises et des fonds Alpha nouvellement créés.

« Évolution va au-delà de l'ordinaire en matière de gestion de placement, grâce à sa combinaison de caractéristiques avancées sans précédent », a déclaré Joseph C. Canavan, président et chef de la direction de Financière Unie. « Évolution offre un niveau exceptionnel de choix et de flexibilité, permettant aux investisseurs sophistiqués de travailler avec leur conseiller pour créer une solution de placement qui répond à leurs besoins uniques et qui est une partie intégrale de leur planification financière globale ».

Les portefeuilles Évolution sont développés par United Financial Investment Consulting, une équipe d'experts interne qui se base sur les principes de la répartition stratégique de l'actif. L'équipe consultative en placements surveille et gère activement les portefeuilles afin de s'assurer qu'ils restent efficaces et qu'ils soient positionnés pour profiter des occasions qui surviennent dans le marché.

Le programme Évolution fournit un accès à une large gamme de gestionnaires de portefeuille canadiens et mondiaux qui sont disponibles par l'entremise de Financière Unie et Placements CI, y compris AllianceBernstein, Cambridge Advisors, Connor, Clark and Lunn Investment Management, Cohen and Steers, Epoch Investment Partners, Harbour Advisors, Picton Mahoney Asset Management, Signature Global Advisors, Tetrem Capital Management et Wellington Management.

« Évolution représente les ressources combinées de Financière Unie et Placements CI et leur expertise dans la gestion de portefeuille et dans le développement et la gestion de solutions de placement innovatrices », a déclaré M. Canavan.

Les investisseurs peuvent sélectionner les nouveaux mandats Alpha de Financière Unie, qui sont des portefeuilles d'actions concentrés qui investissent dans les meilleures idées de certains gestionnaires de portefeuilles, et qui mettent l'accent sur les rendements absolus. Les mandats Alpha et leurs portefeuilles sont la Catégorie de société alpha d'actions canadiennes (QV Investors Inc.), la Catégorie

de société alpha d'actions américaines (Tetrem Capital Management Ltd.) et la Catégorie de société alpha d'actions internationales (Picton Mahoney Asset Management).

Le programme Évolution procure un niveau élevé d'efficacité fiscale, une importante préoccupation pour les investisseurs à valeur nette élevée. Les portefeuilles Évolution sont basés sur une structure de catégorie de société, et Financière Unie gère également les comptes enregistrés, non enregistrés et familiaux des investisseurs comme un seul portefeuille, dans le but d'obtenir le niveau maximum d'efficacité fiscale.

Le programme de Gestion de comptes privée Évolution reconnaît les besoins des investisseurs sophistiqués en offrant un processus de cotation des prix semblable à celui offert aux investisseurs institutionnels.

Le programme de Gestion de comptes privée Évolution exige un placement minimum de 250 000 \$ et est disponible exclusivement par le biais des conseillers qui sont affiliés à Gestion de patrimoine Assante.

Corporation Financière Unie est une société canadienne de gestion de placement et de planification de la richesse qui possède un actif sous gestion d'environ 8 milliards de dollars. Elle procure des solutions de portefeuilles gérés pour les individus, les familles et les entreprises, distribuées par l'entremise de conseillers de Gestion de patrimoine Assante et de Stonegate Conseil Privé S.E.C. Financière Unie est sur le Web au www.unitedfinancial.ca. Financière Unie est une société contrôlée par CI Financial Income Fund (TSX: CIX.UN), une firme de gestion d'actifs indépendante sous contrôle canadien qui gère des actifs rapportant des commissions d'environ 100,6 milliards de dollars le 31 août 2008.
