Honolulu, Hawaii

We have audited the accompanying Statement of Financial Condition of Sun's Brothers Securities, Inc. as of September 30, 2007 and the related Statement of Operations, Changes in Stockholder's Equity, Changes in Liabilities Subordinated to Claims of Creditors, and Cash flows for the twelve months ended September 30, 2007. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted the audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sun's Brothers Securities, Inc. as of September 30, 2007, and the results of its operations and its cash flows for the twelve months ended September 30, 2007, in conformity with generally accepted accounting principles.
