## INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders of  
Davis, Mendel & Regenstein, Inc.

We have audited the accompanying statement of financial condition of DAVIS, MENDEL & REGENSTEIN, INC. (an S corporation) as of December 31, 2007, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of DAVIS, MENDEL & REGENSTEIN, INC. as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in pages 11 through 17 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

DAVIS, MENDEL & REGENSTEIN, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2007

**Note A**  
**Summary of Significant Accounting Policies**

General:

DAVIS, MENDEL & REGENSTEIN, INC. (the Company) is a Georgia corporation organized to transact business as a registered broker/dealer and to provide market research services. It is registered with the Securities and Exchange Commission (SEC) and maintains membership status with the Financial Industry Regulatory Authority (FINRA), Inc., the Securities Investor Protection Corporation (SIPC), and the Municipal Securities Rulemaking Board (MSRB).

The Company does not maintain customer accounts or handle securities and relies on other broker/dealers with whom it has clearing agreements for those functions.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Company has cash deposits with financial institutions that fluctuate in excess of federally insured (FDIC) limits. If these financial institutions were not to honor their contractual liability, the Company could incur losses. In addition, the Company has a money market mutual fund consisting of United States government related securities totaling \$1,511,940, which is not insured by the Securities Investors Protection Corporation (SIPC).

Revenue Recognition:

Trading revenues represent the fees charged on a per-transaction basis for trades. Trading revenues are recognized on a trade-date basis.

The Company's customers can receive Ned Davis Research's research products on a fee basis. Fees are recognized as they are collected. The Company has no obligation to refund the fees or to continue to provide any services.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Furniture and Equipment:

Furniture and equipment is carried at cost. Expenditures for maintenance and repairs are expensed currently, while renewals and betterments that materially extend the life of an asset are capitalized. The cost of assets sold, retired, or otherwise disposed of, and the related allowance for depreciation are eliminated from the accounts and any resulting gain or loss is recognized.

Depreciation is provided using accelerated methods over the estimated useful life of equipment, which is three to five years.

DAVIS, MENDEL & REGENSTEIN, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2007

**Note A**  
**Summary of Significant Accounting Policies (Continued)**

**Income Taxes:**

The Company, with the consent of its shareholders, elected to be an S corporation effective October 1, 1990, and changed its year-end to December 31, as required by Internal Revenue Service regulations. No provision has been made for income taxes because all income flows through to the stockholders who pay income tax on their proportionate share of the income.

**Note B**  
**Accounts Receivable**

At December 31, 2007, the Company had accounts receivable totaling \$383,141 due from various financial securities brokerage houses. The Company requires no collateral for these financial instruments subject to credit risk. If the brokerage houses should cease business, the accounting loss would be the entire receivable balance.

**Note C**  
**Related Parties**

The Company is related to Ned Davis Research, Inc. (NDR) through common ownership. Substantially all of the Company's brokerage customers trade with the Company because, by doing so, they may access research products acquired on their behalf from NDR. In addition, the Company's customers can receive these research products on a fee basis.

Under a mutual agreement between the companies, NDR provides the research to the Company on an exclusive basis and the Company pays NDR all revenues it generates, less the amount needed to maintain compliance with the net capital provisions of SEC rule 15c3-1 and other regulatory provisions and less all expenses and other corporate needs. The Company incurred research expense to NDR for the year ended December 31, 2007, of \$23,879,315. The amount owed to NDR at December 31, 2007, was \$1,415,947, and is listed under due to affiliate.

NDR is a guarantor of the lease of the Company's office space.

The Company's revenues are a by-product of services provided by NDR. Should NDR cease its activity or terminate its relationship with the Company, the Company's revenues might be significantly reduced.

**Note D**  
**Net Capital**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to one and shall not be less than \$50,000. At December 31, 2007, the Company had net capital of \$255,128, which was \$130,968 in excess of its required net capital of \$124,160. The Company's net capital ratio was 7.30 to one.

DAVIS, MENDEL & REGENSTEIN, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2007

**Note E**

**Exemption from Rule 15c3-3**

The Company is exempt from rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is not required to maintain a reserve account for the exclusive benefit of customers.

**Note F**

**Clearing Agreements**

The Company has entered into agreements with Bear Stearns & Co. (Bear), Ridge Clearing & Outsourcing Solutions, Inc., UBS Financial Services, Inc., Goldman Sachs & Co., and Piper Jaffray & Co., whereby the Company directs certain agency trades to them, and they, in turn, execute and clear the trades. In addition, they act as the control location to hold and maintain funds or securities of the Company and its customers. The Company pays clearing commissions as defined in the respective clearing agreements.

**Note G**

**Employee Benefits**

Effective January 1, 1997, the Company and NDR adopted an Employee Stock Ownership Plan (ESOP). To participate in the ESOP, employees must meet certain minimum hour and other requirements as defined in the ESOP agreement. Contributions to the ESOP are at the discretion of management and can be in the form of cash, common stock of the Company or its affiliate, or other assets. For 2007, the Company funded a contribution of \$182,095, which is included in general and administrative expenses to the ESOP. Under certain circumstances, the Company may be required to purchase its shares from a participant at their then-fair market value.

The Company and NDR have a performance share plan (Share Plan). Under this plan, certain employees are awarded performance shares by a designated committee as defined in the plan agreement. Contributions to the Share Plan are at the discretion of the designated committee. For 2007, the Company funded a contribution of \$354,451, which is included in general and administrative expenses to the Share Plan.

In addition to the ESOP and the performance share plan, the Company sponsors a 401(k) profit-sharing plan for its eligible employees. The Company made no discretionary 401(k) plan contributions in 2007.

Also, the Company and NDR have a stock option plan and a management stock bonus plan. Under the stock option plan, the Company and NDR may each grant up to 1,000 shares of their respective common stock. The exercise price of each option ranges from 100% to 110% of the fair market value of the common stock at the date of the grant as defined in the stock option plan. Under the management stock bonus plan, the Company and NDR have each reserved 450 shares of their respective common stock to compensate certain employees. As of December 31, 2007, no stock options or shares of common stock have been granted or allocated.

DAVIS, MENDEL & REGENSTEIN, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2007

**Note H**  
**Lease Commitments**

The Company leases office space and certain equipment under operating leases. Rent expense was \$202,043 for the year. The minimum lease commitments are as follows:

2009	\$ 182,958
2010	<u>61,486</u>
	<u>\$ 244,444</u>

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5  
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3**

To the Board of Directors and Stockholders of  
Davis, Mendel & Regenstein, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of DAVIS, MENDEL & REGENSTEIN, INC. (the Company) for the year ended December 31, 2007, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments made by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5  
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
