Independent Auditors' Report

Activa Asset Management, LLC
Grand Rapids, Michigan

We have audited the accompanying statement of financial condition of Activa Asset Management, LLC, a wholly-owned subsidiary of Activa Management Services, LLC, as of December 31, 2007 that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Activa Asset Management, LLC at December 31, 2007 in conformity with accounting principles generally accepted in the United States of America.

Activa Asset Management, LLC

Notes to Statement of Financial Condition

- 1. Nature of Operations and Significant Accounting Policies** Activa Asset Management, LLC (AAM) conducts business as a registered broker and dealer in securities and transfer agent under the provisions of the Securities Exchange Act of 1934, a distributor of mutual funds, and is a member of the National Association of Securities Dealers, Inc. AAM is also a Registered Investment Advisor with the Securities and Exchange Commission. AAM commenced operations on May 26, 1999, and is wholly owned by Activa Management Services, LLC (Parent).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash in banks. The AMS Ready Money Account held by AAM amounted to \$698,524 at December 31, 2007.

Due to Customers

Amounts payable to customers represent amounts due for cash transactions.

12b-1 Fees, Advisory Fees, Transfer Agent Fees and Service Fees Income

12b-1 fees, advisory fees, transfer agent fees and service fees income are received quarterly, but are recognized as earned on a pro rata basis over the term of the contract. Cash management fees are received monthly.

Activa Asset Management, LLC

Notes to Statement of Financial Condition

Income Taxes

No provision for federal, state or local income taxes has been made since AAM is a limited liability company and is, therefore, not subject to income taxes. Income or loss is reported by the members of the Parent on the members' individual tax returns.

On July 12, 2007, Michigan enacted a new business tax (Michigan Business Tax), which is a combined income tax and modified gross receipts tax. This tax replaces the Single Business Tax, which is similar to a value-added tax and thus is not included in income taxes by AAM. The new Michigan Business Tax, which is effective January 1, 2008 and applies to all business activity after December 31, 2007, is largely based on income and thus will be treated as an income tax by AAM. In accordance with Statement of Accounting Standards No. 109, *Accounting for Income Taxes*, deferred income tax assets and liabilities are required to be adjusted for the effect of a change in tax laws or rates with the effect included in income for the period that includes the enactment date. AAM has determined that no deferred income taxes related to the Michigan Business Tax were required to be recorded at December 31, 2007.

New Accounting Standards

In July 2006, the Financial Accounting Standards Board (FASB) issued Interpretation No. 48, *Accounting for Uncertainty in Income Taxes* (FIN 48), an interpretation of Statement of Financial Accounting Standards (SFAS) No. 109, *Accounting for Income Taxes*. FIN 48 seeks to reduce the significant diversity in practice associated with financial statement recognition and measurement in accounting for income taxes and prescribes a recognition threshold and measurement attribute for disclosure of tax positions taken or expected to be taken on an income tax return. This interpretation was initially effective for AAM as of January 1, 2008. Although the final FASB position has not yet been issued, the FASB elected to defer the effective date of FIN 48 until January 1, 2009. AAM does not expect the adoption of FIN 48 will have a significant impact on its results of operations, financial position or cash flows.

In September 2006, the FASB also issued SFAS No. 157, *Fair Value Measurements* (SFAS 157). This standard establishes a single

Activa Asset Management, LLC

Notes to Statement of Financial Condition

authoritative definition of fair value, sets out a framework for measuring fair value and requires additional disclosures about fair value measurements. This Statement applies to fair value measurements already required or permitted by existing standards and was initially effective for AAM as of January 1, 2008. In February 2008, the FASB deferred the effective date of SFAS 157 until January 1, 2009. AAM does not expect the adoption of SFAS 157 will have a significant impact on its results of operations, financial position or cash flows.

2. Cash Segregated Under Federal and Other Regulations

Cash of \$51,469 has been segregated in a special reserve bank account for the benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission. Based upon the computation under SEC Rule 15c3-3, a deposit in the amount of \$6,107 was required to be made as of December 31, 2007 into the special reserve bank account. This deposit was made on January 2, 2008.

3. Special Contracts and Agreements

AAM has entered into investment advisory agreements with Activa Mutual Fund Trust (Trust) (comprising the Intermediate Bond, Value, Growth and International Funds [Funds]), its sole advisory customer. The Trust employs AAM to provide investment advice and manage on a regular basis the investment portfolios for the Funds. Except when otherwise specifically directed by the Funds, AAM or the Sub-Advisers make investment decisions on behalf of the Funds and places all orders for the purchase and sale of portfolio securities for the Funds' accounts. In return for these services, the Funds pay AAM an annual rate as follows:

<u>Fund</u>	<u>% of Average Net Assets</u>
Intermediate Bond	.40% on first \$50 million; .32% on next \$100 million; .24% on assets in excess of \$150 million
Value	.60% on first \$100 million; .50% on assets in excess of \$100 million; the minimum annual fee shall be \$350,000 plus .20%
Growth	.70% on first \$25 million; .65% on next \$25 million; .60% on assets in excess of \$50 million
International	.85% on first \$50 million; .75% on assets in excess of \$50 million

Activa Asset Management, LLC

Notes to Statement of Financial Condition

As permitted by the above agreements, AAM has retained a Sub-Advisor for each fund. The Sub-Advisors and the related fees paid by AAM are as follows:

Fund	Sub-Advisor	Fee
Intermediate Bond	McDonnell Investment Management, LLC	\$ 123,384
Value	Wellington Management Company, LLP	\$ 496,494
Growth	BlackRock Capital Management, Inc.	\$ 134,242
International	Tradewinds Global Investors, LLC	\$ 296,461

Pursuant to Rule 12b-1 under the Investment Company Act of 1940, the Value Fund, Intermediate Bond Fund, Growth Fund and International Fund have entered into a Plan and Agreement of Distribution with AAM. Under the terms of the agreement, AAM provides services in connection with distributing the Funds' shares (except Value Fund Class R). For these services rendered, the Funds compensate AAM quarterly at a maximum annual rate of .25 of 1% of the average net assets of the Fund. For the year ended December 31, 2007, the Board of Trustees approved an annual rate of .10 of 1% of average net assets for each fund.

The Funds have a transfer agency and dividend disbursing agency agreement with AAM. Under these agreements, AAM is the agent for transfer of the Funds' shares and disbursement of the Funds' distributions. For these services, the Intermediate Bond, Value (Class A), Growth and International Funds pay a monthly fee based upon \$2.00 per account in existence during the month. AAM is compensated by the Value Fund (Class R) at a monthly rate of 1/12 of .20% (.20% annually) of average net assets.

On June 11, 1999, as amended on June 3, 2004, AAM entered into an administrative agreement with the Trust. Under the terms of the agreement, AAM will act as administrator for the Funds. As administrator of the Funds, AAM will furnish office space and office

Activa Asset Management, LLC

Notes to Statement of Financial Condition

facilities, equipment and personnel, as well as providing services relating to compliance, tax and financial service requirements. For these services AAM will be compensated quarterly by each fund at an annual rate of .15% of 1% of average daily net assets.

AAM has entered into an agreement with Reserve Management Corporation (RMC) whereby AAM customers can establish an AMS Ready Money Account. AAM forwards the deposited funds to RMC, who as agent for the customers, deposits the funds in money market deposit accounts at participating FDIC-insured financial institutions. The deposits are held in RMC's name. RMC provides systems and back office infrastructure for account recordkeeping and administration.

- 4. Accounts Payable to Affiliate**

At December 31, 2007, \$607,486 was payable to an affiliate for compensation expenses related to AAM personnel and various services (including accounting, human resource and information system support) provided by the Parent.
- 5. Net Capital Requirements**

AAM is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed 15.0 to 1.0. At December 31, 2007 AAM had net capital of \$999,895 which was \$749,895 in excess of its required net capital of \$250,000. AAM's ratio of aggregate indebtedness to net capital is .97 to 1.0.

Independent Auditors' Report

Activa Asset Management, LLC
Grand Rapids, Michigan

In planning and performing our audit of the financial statements of Activa Asset Management, LLC (Activa) for the year ended December 31, 2007, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by Activa, including tests of compliance with such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), in the following:

1. Making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and the reserve required by rule 15c3-3(e).
2. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.
4. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by rule 15c3-3.

The management of Activa is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which Activa has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that Activa's practices and procedures were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Trustees, management of Activa Asset Management, LLC, the Securities and Exchange Commission and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
