### **INDEPENDENT AUDITORS' REPORT**

We have audited the accompanying statement of financial condition of Rockland Partners, LP (a Texas Limited Partnership), as of December 31, 2006 and the related statements of income, changes in partners' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rockland Partners, LP, as of December 31, 2006, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**ROCKLAND PARTNERS, LP**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2006**

**Note A** – *Organization and nature of business:*

The partnership is operating under the Limited Liability Partnership laws of the State of Texas. The Partnership is a non-public broker-dealer in securities registered with the Securities and Exchange Commission under (SEC) Rule 15c3-3(K)(2)(ii) which provides that all the funds and securities belonging to the company's customers would be handled by a correspondent broker-dealer. The Partnership's office is located in Summit, New Jersey.

**Note B** – *Clearing:*

The Partnership is currently inactive in securities trading. No clearing agreement is in effect.

**Note C** – *Contingencies and Commitments/Related Party Transactions* – The Partnership currently pays no rent for office facilities.

*Contingencies* – the Partnership is a potential party to various claims and complaints arising in the ordinary course of operations. In the opinion of management, all such claims would be without merit, and an unfavorable disposition would not have a material on the financial position of the Partnership. Further, the Partnership anticipates no losses due to environmental issues or hazardous employee working conditions.

**Note D** – *Significant accounting policies:*

Income is recorded when services are completed and expenses are recorded when they are incurred. The Partnership uses the accrual method of accounting.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Federal Income Taxes* – Federal income taxes are paid at the individual partner level. These statements do not include any accrual for federal or state income taxed.

*Cash Flows Presentation* – for the purposes of the statement of cash flows, the Partnership considers all highly liquid debt instruments purchased with a maturity date of three months or less to be cash equivalents. The statement of cash flows is prepared using the indirect method.

**Note E – *Partners' Equity:***

The Partnership is comprised of The Rockland Group, LLC as General Partner, and one individual as a limited partner.

**Note F – *Net Capital Requirements:***

The Partnership is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c-3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1), at December 31, 2006 the Partnership had net capital of \$11,283, which was \$6,283 in excess of its required net capital of \$5,000.

**ROCKLAND PARTNERS, LP**  
**Independent Auditor's Report on Internal Control Required by SEC Rule 17a-5 for the Broker-  
Dealer Claiming an Exemption from SEC Rule 15c3-3**  
**For the fiscal year ended December 31, 2006**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC  
RULE 17A-5 FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE  
15C3-3**

**To the Partners  
Rockland Partnership, LP**

**In planning and performing our audit of the financial statements of Rockland Partnership, LP, for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.**

**Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11), and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any way for the following:**

- 1. Making quarterly securities examinations, counts, verifications, and comparisons.**
- 2. Recordation of differences required by rule 17a-13**
- 3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.**

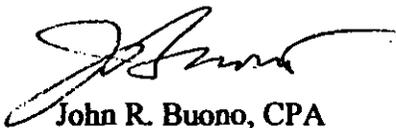

**The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of an internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph. Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future period is subject to the risk that they may become inadequate, because of changes in conditions or that the effectiveness of their design and operation may deteriorate.**

**Our consideration of the internal control would not necessarily disclose all matters in internal control that might be material weakness under standards established by the American Institute of**

**Certified Public Accountants. A material weakness is a condition in which the design of operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control including control activities for safeguarding securities that we consider to be material weaknesses as defined above.**

**We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures were adequate at December 31, 2006, to meet the SEC's objectives.**

**This report is intended solely for the use of the Board of Directors, management, the SEC, and other regulatory agencies which rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.**
