Independent Auditor's Report

Board of Member's
Waveland Capital Partners, LLC:

We have audited the accompanying statement of financial condition of Waveland Capital Partners, LLC (the "Company") as of December 31, 2007, and the related statements of income, changes in member's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Waveland Capital Partners, LLC as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Waveland Capital Partners, LLC ("the Company") was organized on August 8, 1995 under the name Mercer Global Securities, LLC. In September 2001 the Company was sold to United Equity Holdings, LLC who changed its name to Waveland Securities, LLC. On March 28, 2005, Waveland Securities, LLC changed its name to Waveland Capital Partners, LLC. The Company is a registered broker/dealer in securities under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investors Protection Corporation ("SIPC").

The Company conducts business on a fully disclosed basis whereby the execution and clearance of trades are handled by National Financial Services ("NFS").

The Company is a privately held full-service brokerage firm that specializes in individual portfolio management. The Company is a fully disclosed broker/dealer, whereby all transactions for the accounts of customers are cleared through NFS.

The Company is a wholly-owned subsidiary of Waveland Capital Group (the "Parent") and is affiliated through common ownership to Waveland Management Group.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents include amounts on deposit with financial institutions and investments maturing within 90 days.

Fee revenues, which result from the Company providing investment advisory services for the sale of limited partnership or membership interests under private offerings, are recorded as they are earned.

Marketing costs are expensed as incurred. For the year ended December 31, 2007 the Company charged \$5,572 to selling expense for marketing.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

The Company maintains cash balances with a financial institution. Management performs periodic evaluations of the relative credit standing of the institution. The Company has not sustained any material credit losses from these institutions.

Note 2: INCOME TAXES

Effective May 29, 2001, the Company elected to be taxed as a Limited Liability Company (LLC) in the state of California. Accordingly, revenues and expenses are reported on the Member's individual income tax returns, and no provision for federal income taxes is included in the Company's financial statements.

The state of California imposes a gross receipts tax on limited liabilities companies operating in California and a minimum franchise tax. For the year ended December 31, 2007 these taxes amounted to \$12,790.

Note 3: RELATED PARTY TRANSACTIONS

The Company conducts certain related party transactions with the Parent and Waveland Management Group. During the year ended December 31, 2007, the Company was charged \$610,737 in allocated expenses by Waveland Management Group, which serves as an administrative cost center. These reimbursements are made in accordance with an expense reimbursement agreement. Included in those charges are the services, and related payroll costs, of administrative staff for the Company, which has no employees on its payroll. Also included are rent allocation expenses totaling \$31,200 for the year ended December 31, 2007. As of December 31, 2007, \$113,734 of allocated expenses were owed to Waveland Management Group, and are included in accrued expenses.

For the year ended December 31, 2007, approximately eighty-four (84) percent of fee revenues earned by the Company were related to securities transactions introduced on behalf of the Parent.

Note 4: COMMISSIONS ADVANCED

During the course of the year ended December 31, 2007, the Company advanced commissions earned by certain outside representatives on various private equity placements. The Company expects to clear the remainder of those advances in 2007 through the collection of commissions due from the subject companies benefitting from the private equity funding. At December 31, 2007, the outstanding commissions advanced was \$24,498.

Note 5: DEPOSIT WITH CLEARING ORGANIZATION

The Company has a deposit of \$25,000 with its clearing firm as security for its transactions with them. Interest is earned monthly on the deposit at the average overnight repurchase rate.

Note 6: COMMITMENTS & CONTINGENT LIABILITY

The Company is a cross guarantor with affiliated entities on the following note agreements, dated June 23, 2006, with City National Bank:

<u>Description</u>	<u>Due Date</u>	<u>Interest rate</u>	<u>Amount available</u>	<u>Note balance 12/31/07</u>
Term note	9/21/09	Bank prime rate	\$650,000	\$379,167
Revolving credit	11/1/08	Bank prime rate, plus ½%	\$500,000	\$500,000

The notes are carried on the books of Waveland Capital Group, the Parent.

The Company maintains several bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Corporation (FDIC), up to \$100,000, or the Securities Investor Protection Corporation (SIPC), up to \$500,000. At December 31, 2007 the Company had deposits with financial institutions with uninsured cash and securities balances totaling \$1,101,712. The Company has not experienced any losses in such accounts and management believes it placed its cash on deposit with institutions which are financially stable.

Note 7: RECENTLY ISSUED ACCOUNTING STANDARDS

Accounting for Certain Hybrid Financial Instruments

In February 2006, the FASB issued Statement of Financial Accounting Standards No. 155 ("SFAS 155"), "Accounting for Certain Hybrid Financial Instruments, an amendment of FASB statements No. 133 and 140." The statement allows financial instruments that have embedded derivatives to be accounted for as a whole (eliminating the need to bifurcate the derivative from its host) as long as the entire instrument is valued on a fair value basis. SFAS 155 also resolves and clarifies other specific issues contained in SFAS 133 and 140. The statement is effective for all financial instruments acquired or issued after the beginning of an entity's first fiscal year that begins after December 15, 2006. The adoption of SFAS 155 has not had a material impact upon the Company's financial statements.

Note 7: RECENTLY ISSUED ACCOUNTING STANDARDS
(Continued)

Accounting for Uncertainty in Income Taxes

In June 2006, the FASB issued Financial Interpretation No. 48 ("FIN 48"), "Accounting for Uncertainty in Income Taxes - an Interpretation of FASB Statement No. 109" which prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. FIN 48 requires that the Company recognize in its financial statements the impact of a tax position if it is more likely than not that such position will be sustained on audit based on its technical merits. This interpretation also provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. The effective date of the provisions of FIN 48 for all nonpublic companies has been postponed to fiscal years beginning after December 15, 2007. The Company is currently evaluating the impact of this statement, but does not expect that it will have a material impact upon the Company's financial statements.

Fair Value Measurements

In September 2006, the FASB issued Statement of Financial Accounting Standards No. 157 ("SFAS 157"), "Fair Value Measurements". The statement defines fair value, establishes a framework for measuring fair value in accordance with generally accepted accounting principles, and expands disclosures about fair value measurements. This Statement applies under other accounting pronouncements that require or permit fair value measurements, the Board having previously concluded in those pronouncements that fair value is a relevant measurement attribute. Accordingly, this Statement does not require any new fair value measurements. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007. The Company is currently evaluating the impact of this statement, but does not expect the pronouncement will have a material impact upon the Company's financial statements.

Retirement Plans

In September 2006, the FASB issued SFAS No. 158, "Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans—an amendment of FASB Statements Nos. 87, 106, and 132(R)" ("SFAS 158"). SFAS 158 requires companies to recognize on a prospective basis the funded status of their defined benefit pension and postretirement plans as an asset or liability and to recognize changes in that funded status in the year in which the changes occur as a component of other comprehensive income, net of tax. The effective date of the pronouncement is a function of whether the Company's equity securities are traded publicly. If the entity has publicly traded securities, the effective date is for fiscal years ending after December 15, 2006. Entities without publicly traded securities must adopt the standard for fiscal years ending after June 15, 2007. Adoption of the new standard has not had a material effect on the Company's financial statements.

Fair Value Option

In February 2007, the FASB issued Statement of Financial Accounting Standards No. 159 ("SFAS 159"), "Fair Value Option for Financial Assets and Financial Liabilities-including an amendment of FASB Statement No. 115". SFAS 159 is expected to expand the use of fair value accounting but does not affect existing standards which require certain assets or liabilities to be carried at fair value. The objective of this pronouncement is to improve financial reporting by providing companies with the opportunity to mitigate volatility in reported earnings caused by measuring related assets and liabilities differently without having to apply complex hedge accounting provisions. Under SFAS 159, a company may choose at specified election dates, to measure eligible items at fair value and report unrealized gains and losses on items for which the fair value option has been elected in earnings at each subsequent reporting date. SFAS 159 is effective for financial statements issued for fiscal years beginning after November 15, 2007. The Company is currently evaluating the impact of this statement, but does not expect that it will have a material impact upon the Company's financial statements.

Note 8: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2007, the Company had net capital of \$790,927 which was \$754,303 in excess of its required net capital of \$36,624; and the Company's ratio of aggregate indebtedness (\$549,353) to net capital was 0.69 to 1, which is less than the 15 to 1 maximum ratio allowed for a broker/dealer.

Waveland Capital Partners, LLC
Supplementary Accountant's Report
on Internal Accounting Control
Report Pursuant to 17a-5
For the Year Ended December 31, 2007

BREARD & ASSOCIATES, INC.
Certified Public Accountants

Board of Member's
Waveland Capital Partners, LLC:

In planning and performing our audit of the financial statements of Waveland Capital Partners, LLC (the Company), as of and for the year ended December 31, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

i
We Focus & CareSM

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
