NOTES TO STATEMENT OF FINANCIAL CONDITION

DECEMBER 31, 2007

1. NOTES ON SIGNIFICANT BUSINESS ACTIVITIES

Whitaker Securities, LLC (the "Company") was organized under the Limited Liability Company Act of the State of Delaware on May 14, 2002. The Company is a registered broker-dealer with the Securities and Exchange Commission and the Financial Industry Regulatory Authority (FINRA). In this capacity, it executes both principal and agency transactions for itself and its customers that are forwarded to Penson Financial Services, Inc. ("Penson") the Company's clearing agent, on a fully disclosed basis.

In the normal course of its business, the Company enters into financial transactions where the risk of potential loss due to changes in market (market risk) or failure of the other party to the transaction to perform (counterparty risk) exceeds the amounts recorded for the transaction.

The Company's policy is to continuously monitor its exposure to market and counterparty risk through the use of a variety of financial, position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the credit standing of each broker-dealer, clearing organization, member and/or other counterparty with which it conducts business.

As of December 31, 2007, primarily all of the securities owned and the amount due from clearing brokers reflected in the statement of financial condition are positions with and amounts receivable from Penson.

The Company introduces its customer transactions to the clearing broker with whom it has a correspondent relationship for execution and clearance in accordance with the terms of a clearance agreements. In connection therewith, the Company has agreed to indemnify Penson for losses that they may sustain related to the Company's customers. As of December 31, 2007, amounts were owed by these customers, which were in connection with normal, delivery-against-payment, and cash-account transactions. After December 31, 2007, all amounts related to such transactions were received from customers. Securities purchased by customers in connection with those transactions are held by the clearing broker as collateral for the amounts owed.

2. SIGNIFICANT ACCOUNTING POLICIES

The Company records securities transactions and related revenues and expenses on a trade date basis.

NOTES TO STATEMENT OF FINANCIAL CONDITION (continued)

DECEMBER 31, 2007

Securities owned are stated at quoted market values with unrealized gains or losses reflected in income. Subsequent market fluctuations may require selling, or purchasing, the securities at prices which may differ from the market value reflected on the statement of financial condition.

Security transactions and financing with the clearing broker are classified as operating activities on the statement of cash flows since this is the Company's principal business.

The Company maintains its books and records on an accrual basis in accordance with generally accepted accounting principles.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates by management. Actual results could differ from these estimates.

Depreciation of furniture and equipment is provided for using straight-line and accelerated methods over the estimated useful lives of the related property.

In September 2006, Statement of Financial Accounting Standards ("SFAS") No. 157, "Fair Value Measurements", was issued and is effective for fiscal years beginning after November 15, 2007. SFAS No. 157 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair values measurements. Effective January 1, 2008, management has implemented SFAS 157 and has determined that it bears no material effect on the financial statements as presented.

3. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include \$817,374 deposited in a money market fund.

4. RELATED PARTY TRANSACTIONS

The Company has an administrative services agreement with an entity controlled by the Company's members. Under this agreement, the affiliate provides office space, furniture, communication equipment, and other administrative services to the Company. The Company pays for these services on a monthly basis. Fees related to this agreement are reassessed by the affiliate on a quarterly basis. Included in the statement of operations, in the respective accounts, is \$450,000 of expenses related to this agreement.

The Company is however, subject to the New York City Unincorporated Business Tax. No provision for taxes is included in the financial statements due to a qualifying credit.

6. EMPLOYEE BENEFIT PLAN

The Company has a defined contribution plan, with a December 31st year-end, under Section 401(k) of the Code covering all qualified employees. Contributions to the plan by employees are determined based on an elected percentage of annual compensation, subject to annual limits prescribed by the Code. The Company has elected not to match employee contributions. State Street serves as trustee of the plan.

Additionally, the Company has a profit-sharing plan, with a December 31st year-end, covering all qualified employees. Contributions to the plan are discretionary and are determined annually by the Company. There were no contributions to the plan for the year ended December 31, 2007.
