INDEPENDENT AUDITORS' REPORT

Members of
Silver Portal Capital, LLC
San Diego, California

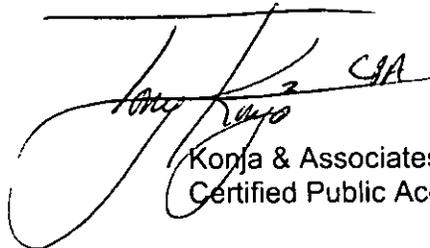

We have audited the accompanying statements of financial condition of Silver Portal Capital, LLC (the "Company"), a California limited liability corporation as of December 31, 2007 and 2006, and the related statements of operations, changes in members' capital, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Silver Portal Capital, LLC as of December 31, 2007 and 2006, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the schedules on pages 10 through 12 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SILVER PORTAL CAPITAL, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2007 and 2006

NOTE 1 - ORGANIZATION

Silver Portal Capital, LLC (the "Company") was incorporated in California in September 2000 as Burland East, LLC. On May 29, 2001, the Company changed its name to Silver Portal Capital, LLC. The Company began doing business on October 18, 2001 as a broker-dealer registered with the Securities and Exchange Commission (SEC). The Company operates as a fully disclosed broker-dealer pursuant to the exemptive provisions of SEC Rule 15c3-3 subparagraph (k)(2)(i). To maintain this exemption, the Company does not hold customer funds and/or securities.

NOTE 2 - ACCOUNTING POLICIES

The financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents include amounts on deposit with financial institutions and investments maturing within 90 days when purchased.

Fee revenue, which results from the Company providing investment advisory services for the sale of limited partnership or membership interests under private offerings in the real estate industry and the structuring of joint ventures, are recorded as they are earned.

Other income consists primarily of reimbursement of operating expenses from clients' reimbursement of direct expenses.

Concentration of Credit Risk

The Company maintains its checking and money market accounts at a financial institution located in California. Accounts at this bank are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000. At December 31, 2007, the Partnership's uninsured cash balance was approximately \$537,000. The Company has not experienced any losses in such accounts. Management believes that the Company is not exposed to any significant credit risk with respect to its cash and cash equivalents.

Deferred Revenue

The Company recognizes revenue on service contracts ratably over applicable contract periods or as services are performed. Amounts billed and collected before the services are performed are included in deferred revenues.

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment are stated at cost. Depreciation is computed over the estimated useful life of the depreciable asset, ranging from three to seven years, using either the straight-line or declining balance methods. The depreciation expense for the years ended December 31, 2007 and 2006 is \$33,568 and \$35,983, respectively. Property and equipment consists of the following at December 31:

	2007	2006
Computer and related equipment	\$ 61,558	\$ 58,774
Furniture and fixtures	121,039	120,581

NOTES TO FINANCIAL STATEMENTS
December 31, 2007 and 2006

NOTE 5 - INVESTMENT IN SUBSIDIARY

During 2007, the Company, in a joint venture, created SPC Laguna Senior, LLC, a special purpose entity, to develop age-qualified housing in the future. The Company had contributed \$150,000 and is the managing member.

Capital	\$ 150,000
Organizational costs	4,950
Net loss	<u>(8,936)</u>
Investment in subsidiary	<u>\$ 146,014</u>

NOTE 6 - COMMITMENTS AND CONTINGENCIES

During the year ended December 31, 2005, the Company signed a new seven-year lease for its office location. The term of the lease include a five-year renewal option. The lease includes a 3% per year increase to the base rent of \$18,194 per month. The Company generally pays taxes, insurances, and maintenance expenses related to the leased facilities. Gross rent expense was \$190,509 and \$188,596 for the years ended December 31, 2007 and 2006, respectively. During 2005, the Company received approximately \$32,000 of sub-lease income from a related party who was on a month to month sublease with the Company (Note 7). Future minimum payments, by year and in the aggregate, under the aforementioned non-cancelable operating leases with initial or remaining terms in excess of one year as of December 31, 2007, are as follows:

2008	\$ 193,672

NOTES TO FINANCIAL STATEMENTS
December 31, 2007 and 2006

NOTE 6 - COMMITMENTS AND CONTINGENCIES (con't)

In February 2005, the Company entered into a contract with one of its clients to locate an investor for a joint venture. In May 2005, an Investor was located by the Company and a joint venture was created between the Investor and the Company's client to purchase real estate together. The Company receives a 2% fee for real estate acquired (up to \$125 million) through the joint venture. The Company has completed its services with respect to the contract and therefore under GAAP and FASB 5 must recognize the associated revenue. The contract is structured as such to allow the investor an opportunity to unwind the contract should they be unsatisfied with the arrangement. In the event the Investor exercises his right to unwind the transaction within 5 years, the Company would be obligated to return a portion of the fees earned plus 8% interest. This contingent liability is calculated as follows: a) to return 100% of the fees earned if joint venture dissolved within year one of the transaction closing date of May 13, 2005. b) to return 80% if dissolved in year two, 60% in year three, 40% in year four, 20% in year five, and zero thereafter. As of December 31, 2007 and 2006, the joint venture has purchased multiple properties approximating \$104 million and \$96 million, respectively, in real estate and the Company has recognized approximately \$2.1 million and \$1.9 million, respectively, in associated revenue. Based on Management's experience and fact that the joint venture is 83% and 77% complete, respectively, they feel the chances are remote that the Investor will unwind the transaction. Based on the real estate purchases thus far, the contingent liability due to the client as of December 31 is as follows:

	Contractual Contingent Liability	Contingent Interest	Total Contingent Liability
2007	\$ 1,453,714	\$ 232,594	\$ 1,686,308
2008	931,639	223,593	1,155,232
2009	543,776	174,008	717,785
2010	155,914	49,893	205,806

NOTE 7 - INCOME TAXES

Effective May 29, 2001, the Company elected to be taxed as a Limited Liability Corporation (LLC). Accordingly, revenues and expenses are reported on the members' individual income tax returns, and no provision for federal income taxes is included in the Company's financial statements. The \$6,800 and \$6,800 income tax provision represents the California LLC and minimum franchise tax paid by the Company in 2007 and 2006.

NOTE 8 - RELATED PARTY TRANSACTIONS

The Company was involved in certain related party transactions with an affiliate, Silver Portal Capital Advisors ("Advisors"), which has subsequently been closed. For the period October 18, 2001 to December 31, 2002, Advisors was charged \$35,235 by the Company for office rent and related expenses, which has not been collected and is fully reserved for in the accompanying financial statements as of December 31, 2007 and 2006 (Note 3).

SILVER PORTAL CAPITAL, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2007 and 2006

NOTE 9 - NET CAPITAL REQUIREMENTS

Under SEC Rule 15c3-1(a)(2), the Company is required to maintain a minimum net capital of \$5,000, and shall not permit its aggregate indebtedness to all other persons to exceed 800% of its net capital. As of December 31, 2007 and 2006, the Company had net capital of \$512,724 and \$1,892,182, respectively. This was \$505,265 in excess of its required net capital for 2007 and \$1,882,651 for 2006. The Company's net capital ratio was 22% as of December 31, 2007 and 8% as of December 31, 2006. (See supplementary information for calculations).

NOTE 10 - EMPLOYEE RETIREMENT PLAN

The Company has a 401(k) defined contribution retirement plan (the "Plan") covering all eligible employees. The Plan provides for voluntary employee contributions up to 15% of annual compensation. The Company made a 3% Safe Harbor Non-Elective Contribution and a 2% Employer Tiered Profit Sharing Contribution in 2007 and 2006 totaling \$66,889 and \$86,429, respectively.

INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL REQUIRED BY RULE 17A-5 OF THE SECURITIES AND EXCHANGE COMMISSION

Members of
Silver Portal Capital, LLC
San Diego, California

In planning and performing our audits of the financial statements of Silver Portal Capital, LLC as of December 31, 2007 and 2006, we considered its internal controls, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal controls.

We also made a study of the practices and procedures followed by the Company in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining internal controls and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of internal controls and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal controls or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

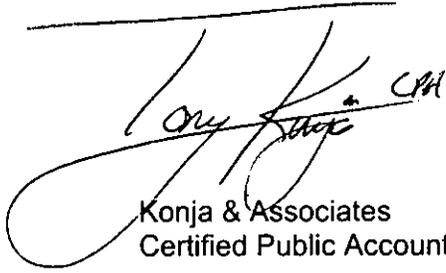

Our consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control elements do not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted the following matter involving the control environment and its operation that we considered to be a material weakness as defined above. This condition was considered in determining the nature, timing and extent of the procedures to be performed in our audit of the financial statements of Silver Portal Capital for the years ended December 31, 2007 and 2006, and this report does not affect our report thereon dated January 30, 2008.

As a result of the Company's small size, the assignment of job responsibilities does not provide an adequate segregation of duties. Effective internal control contemplates a segregation of duties so that no one individual processes a transaction from its inception to its completion. While we recognize that the Company is not large enough to permit an adequate segregation of duties for an effective system of internal accounting control, it is important that you be aware of this condition.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2007 to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the New York Stock Exchange and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.
