## Independent Auditors' Report

February 21, 2008

To the Board of Directors  
Certigroup, Inc.  
Marathon, Florida

We have audited the accompanying balance sheets of Certigroup, Inc. as of December 31, 2007 and 2006. These balance sheets are the responsibility of the Company's management. Our responsibility is to express an opinion on these balance sheets based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for opinion.

In our opinion, the balance sheets referred to above present fairly, in all material respects, the financial position of Certigroup, Inc. as of December 31, 2007 and 2006 in conformity with the accounting principles generally accepted in the United States of America.

**Note A – GENERAL INFORMATION AND SIGNIFICANT ACCOUNTING POLICIES**

Organization

Certigroup, Inc. (the “Company”) is a registered broker and dealer in securities under the Securities Exchange Act of 1934 (the “ACT”). The Company changed names effective January 13, 1998 from Norman Werbner Investments, Inc. The Company is based in Marathon, Florida and operates throughout the United States.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the classified balance sheet and the statements of cash flows, the Company considers all highly liquid investments, with a maturity of three months or less, to be cash equivalents.

Revenues

The Company’s primary source of revenues is from the placement of certificates of deposit and the management of portfolios. Revenues and related expenses are recorded upon completion and submission of all applicable agreements.

Accounts Receivable

The Company records an allowance for uncollectible accounts receivable when management determines that full collection may be doubtful. Company management is not aware of any significant concentrations of credit or market risk related to receivables or other financial instruments reported in these financial statements.

Property, Equipment and Depreciation

Property and equipment are carried at cost. Depreciation is computed using the straight-line method, based on the estimated useful lives of the related assets. Fully depreciated assets are carried on the books until the date of disposal or retirement. Depreciation for the years ending December 31, 2006 and December 31, 2005 amounted to \$957 and \$788, respectively.

**CERTIGROUP, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
For the year ended December 31, 2007

**Note B – ELECTION UNDER SUBCHAPTER S**

The absence of a provision for income taxes at December 31, 2007 and 2006 is due to the election by the Company, and consent by its stockholders, to include their respective shares of taxable income of the Company in their individual tax returns. As a result, no federal income tax is imposed on the Company. This election under Subchapter S of the Internal Revenue Code was effective March 1, 2002.

**Note C – STOCKHOLDER EQUITY**

In accordance with Rule 15c3-1 of the 1934 SEC Act, the Company is required to maintain net capital, as defined, such that the Company's aggregate indebtedness, as defined, shall not exceed fifteen times its net capital. The Company must also maintain net capital, as defined, of at least \$250,000 for 2007 and \$250,000 for 2006. The Company was in compliance with both requirements at December 31, 2007 and 2006, and for the years then ended.

**Note D – SUBORDINATED DEBENTURES**

Norman Werbner, the 100% shareholder, sole director and President of Certigroup, Inc., entered into a subordinated loan agreement for the equity capital with the Company on June 17, 1998, whereby Mr. Werbner loaned the Company \$100,000. The NASD accepted the provisions of the subordinated loan agreement for equity capital effective July 18, 1998. FINRA (the Financial Industry Regulatory Authority) accepted the extension of the maturity date to December 31, 2012 on December 21, 2007. Interest at 18% on the loan is payable monthly.

Mr. Werbner entered into an additional subordinated loan agreement for the equity capital with the Company on November 29, 2004, whereby Mr. Werbner loaned the Company an additional \$250,000. The NASD accepted the provisions of this subordinated loan agreement for equity capital effective December 15, 2004. FINRA (the Financial Industry Regulatory Authority) accepted the extension of the maturity date to December 31, 2012 on December 21, 2007. Interest at 18% on the loan is payable monthly.

**Note E – PREPAID INSURANCE**

The prepaid insurance at December 31, 2007 and 2006 represents the purchase by the Company of a long term health care policy for the shareholder. Each year a portion of this policy is amortized and distributed to the shareholder.

**Note F – OTHER INCOME**

In 2007, the NASD consolidated with the New York Stock Exchange Member Regulation and formed the Financial Industry Regulatory Authority (FINRA). FINRA paid every NASD member firm \$35,000 to reflect the cost savings resulting from the consolidation.
