INDEPENDENT AUDITOR'S REPORT

The Stockholder and Board of Directors
Quantum Research, Inc. DBA Quantum Securities

We have audited the accompanying statement of financial condition of Quantum Research, Inc. DBA Quantum Securities, as of December 31st, 2007, and the related statement of operations, changes in stockholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, except as we explained in Note 6 – Going Concern of the Notes to Financial Statements, the financial position of Quantum Research, Inc. DBA Quantum Securities, at December 31st, 2007 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying reconciliation of net capital is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly represented in all material respects in relation to the basic financial statements taken as a whole.

DBA QUANTUM SECURITIES

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31st, 2007

NOTE 1 – BUSINESS

Quantum Research, Inc. DBA Quantum Securities (the “Company”), incorporated in Florida on April 17th, 2003 and began operation on May 1st, 2004. The Company is a securities broker dealer registered with the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. All securities transactions are cleared through clearing broker dealers on a fully disclosed basis.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Company are prepared under the accrual method of accounting.

Cash and cash equivalents

The Company considers all unrestricted deposits and highly liquid investments, readily convertible to known amounts, with an original maturity of three months or less, to be cash equivalent.

Property and equipment

Property and equipment are recorded at cost. Repair and maintenance costs are charged to operations as incurred. When assets are retired or disposed of, the cost and accumulated depreciation are removed from the accounts, and any gains or losses are included in operations. Depreciation of property and equipment are provided utilizing the straight-line method over the estimated useful lives of the related assets.

Securities transactions

Securities transactions are expenses as incurred.

Income Taxes

The Company and its stockholder elected to be subject to the S corporation provisions of the Internal Revenue Code. Accordingly, all income or losses and applicable tax credits are reported on the stockholder’s individual income tax return.

QUANTUM RESEARCH, INC.
DBA QUANTUM SECURITIES

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31st, 2007

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of revenues and expenses during the reporting period. Actual results can differ from those estimates.

Fair value of financial instruments

The financial instruments of the Company are reported in the accompanying consolidated statement of financial condition at their carrying values, which approximate their fair value due to their short-term nature.

NOTE 3 – PROPERTY AND EQUIPMENT

The Company does not have any property or equipment as of December 31st, 2007.

NOTE 5 – SUBSEQUENT EVENTS

The Company has been a non-active broker dealer since its formation, March 17th, 2003. However, its license is still current.

NOTE 6 – LAW SUIT DISMISSAL

The Company entered into an agreement for the development of land projects. There was a \$255,000 deposit. The Company was a co-defendant in a lawsuit in regard to these projects. This case was dismissed on September 2nd, 2008.

DBA QUANTUM SECURITIES
INFORMATION RELATING TO THE POSSESSION OR
CONTROL REQUIREMENT UNDER SECURITIES AND EXCHANGE COMMISSION
RULE 15c-3-3

AS OF DECEMBER 31st, 2007

Quantum Research, Inc. is not required to file the above schedules as it claims exemption from Rule 15c3-3 under Paragraph (k)(2)(ii) of the Rule as all customer transactions are cleared through other broker-dealers on a fully disclosed basis.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS
ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

To the Board of Directors
Quantum Research, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of Quantum Research, Inc. for the year ended December 31st, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered Quantum Research, Inc.'s internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Quantum Research, Inc DBA Quantum Securities' internal control. Accordingly, we do not express an opinion on the effectiveness of Quantum Research, Inc.'s internal control

Also, as required by Rule 17a-5(g)(I) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by the Company, including tests of compliance of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g)(I) in the following:

1. Making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(I1);
2. Determining compliance with the exemptive provisions of rule 15c3-3; and
3. Making the quarterly securities examinations, counts, verifications, and comparisons and the recordation of differences required by Rule 17a-13

Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Complying with the requirements for prompt payment for securities under Section 8 of the Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System; and
2. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Securities and Exchange Commission's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility

Page 2

are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of internal control to future periods is subject to the risk that controls may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the specific internal control structure components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted not matters involving internal control, including procedures for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Securities and Exchange Commission to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish the objectives in all material respects, indicate a material inadequacy for such purposes, Based on this understanding and on our study, we believe that the Company's Practices and procedures were adequate at September 30th, to meet the Securities and Exchange Commission's objectives.

This report is intended solely for the information and use of management, the Securities and Exchange Commission, and other regulatory agencies which rely on rule 17a-5(g) under the Securities and Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be or should not be used by anyone other than these specified parties.
