INDEPENDENT AUDITOR'S REPORT

Board of Directors
Sethi Financial Investments, Inc.

We have audited the accompanying statement of financial condition of Sethi Financial Investments, Inc. (a development stage corporation), as of March 31, 2008, and the related statements of income (loss), changes in stockholder's equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year ended March 31, 2008, and for the period from inception (April 3, 2003) to March 31, 2008, that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sethi Financial Investments, Inc. as of March 31, 2008 and the results of its operations, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and its cash flows for the year ended March 31, 2008, and for the period from inception (April 3, 2003) to March 31, 2008 in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

A handwritten signature in black ink that reads 'CF & Co., LLP'.

SETHI FINANCIAL INVESTMENTS, INC.
(A Development Stage Corporation)
Notes to the Financial Statements
March 31, 2008

Note 1 - Accounting Policies

Effective May 27, 2004, Sethi Financial Investments, Inc. (the "Company") registered as a broker/dealer in securities with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA). The Company operates under (SEC) Rule 15c3-3(k)(2)(ii), which provides that all the funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of a net operation loss carry forward. Deferred taxes are also recognized for operating losses that are available to offset future taxable income, subject to a valuation allowance.

Note 2 - Development Stage Operations

The Company is a development stage corporation since it has not commenced principal operations as of March 31, 2008. Activities during the development stage have been directed toward obtaining and maintaining its status as a registered broker/dealer in securities. Cumulative losses incurred during the development stage aggregated \$43,070 at March 31, 2008.

Note 3 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At March 31, 2008, the Company had net capital of approximately \$64,923 and net capital requirements of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

SETHI FINANCIAL INVESTMENTS, INC.
(A Development Stage Corporation)
Notes to the Financial Statements
March 31, 2008

Note 4 - Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Note 5 - Commitment and Contingencies

Included in the Company's clearing agreement with its clearing broker-dealer, is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade. As of March 31, 2008 the Company had not conducted any customer business and therefore there were no potential losses relating to this indemnification.

Note 6 - Income Taxes

The Company has a net operating loss carryforward of \$43,070 that expires between 2024 and 2027. An income tax benefit of \$6,461 has not been reported in the financial statements because the Company believes there is at least a 50% chance that the carryforwards will expire unused. Accordingly, the tax benefit has been offset by a valuation allowance of the same amount.

The following table reflects the changes in tax benefit:

	<u>Deferred Tax Asset</u>	<u>Current Period Changes</u>	<u>Deferred Tax Asset March 31, 2008</u>
Federal	\$ 9,066	\$ 2,605	\$ 6,461
Valuation allowance	<u>(9,066)</u>	<u>(2,605)</u>	<u>(6,461)</u>
Amount per balance sheet	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ -0-</u>

SETHI FINANCIAL INVESTMENTS, INC.
(A Development Stage Corporation)
Notes to the Financial Statements
March 31, 2008

Note 6 - Income Taxes, continued

The provision for federal income taxes consists of the following:

Income tax before carryforwards	\$ 2,605
Benefit from utilization of net operating Loss carryforward of \$17,369	<u>(2,605)</u>
Provision for federal income taxes	<u>\$ -0-</u>

Note 7 - Related Party Transaction

The Company and an affiliate are under common control and the existence of that control creates operating results and financial position significantly different than if the companies were autonomous.

EXEMPTIVE PROVISIONS

The Company has claimed an exemption from Rule 15c3-3 under section (k)(2)(ii), in which all customer transactions are cleared through another broker-dealer on a fully disclosed basis.

Company's clearing firm: Emmett A. Larkin Company, Inc.

Independent Auditor's Report

On Internal Control

Required By SEC Rule 17a-5

For the Year Ended
March 31, 2008

CF & Co., L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS
& CONSULTANTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL
CONTROL REQUIRED BY SEC RULE 17a-5

Board of Directors
Sethi Financial Investments, Inc.

In planning and performing our audit of the financial statements and supplemental information of Sethi Financial Investments, Inc. (the "Company"), as of and for the year ended December 31, 2008 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at March 31, 2008, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
