Independent Auditor's Report

Stockholders

Thomas P. Reynolds Securities, Ltd.

I have audited the accompanying statement of financial condition of Thomas P. Reynolds Securities, Ltd. as of March 31, 2008, and the related statement of operations and retained earnings, changes in liabilities subordinated to claims of creditors, changes in stockholders' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Thomas P. Reynolds Securities, Ltd. as of March 31, 2008 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

THOMAS P. REYNOLDS SECURITIES LTD
NOTES TO FINANCIAL STATEMENTS
Year Ended March 31, 2008

NOTE 1. NATURE OF BUSINESS

Thomas P. Reynolds Securities Ltd., was organized in October 1980 under the laws of the State of New York. The Company engages in the business of trading securities for major investment firms, and is a member of the National Association of Securities Dealers Inc. (NASD).

NOTE 2. Summary of SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

Securities transactions (and related commission revenue and expense, if applicable) are recorded on a settlement date basis, generally the fifth business day following the transaction date. All other accounts of the Company are maintained on the accrual basis of accounting.

Property and Equipment

Property and equipment is recorded at cost. Depreciation is computed principally by the straight line method, based on the estimated useful life of the related asset. Expenditures for maintenance, repairs, renewals and betterments that do not materially prolong the useful lives of the assets are expensed.

Income Taxes

The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements, utilizing currently enacted tax laws and rates. Deferred tax expenses or benefits are recognized in the financial statements for the changes in deferred tax liabilities or assets between years.

Cash

For purposes of the statement of cash flows, the Company considers all investments with a term to maturity of three months or less at the time of acquisition to be cash equivalents. The company has adopted the indirect method of presenting the statement of cash flows in accordance with current authoritative pronouncements. There were no cash equivalents at March 31, 2008.

Accounts Receivable

Management has elected to record bad debts using the direct write-off method. Generally accepted accounting principles require that the allowance method be used to reflect bad debts. However, the effect of the use of the direct write-off method is not materially different from the results that would have been obtained had the allowance method been followed. Accounts receivable are not collateralized.

THOMAS P. REYNOLDS SECURITIES LTD
NOTES TO FINANCIAL STATEMENTS
Year Ended March 31, 2008

Revenue Recognition

The Company recognizes revenue from commission income when earned, that is when the trade has been completed.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Comprehensive Income:

In June 1997, the FASB issued Statement of Financial Accounting Standards No. 130, "*Reporting Comprehensive Income*" ("SFAS 130"), that establishes standards for reporting and display of comprehensive income and its components. SFAS 130 requires unrealized gains or losses on available-for-sale securities, foreign currency translation adjustments, minimum pension liability adjustments and changes in the market value of certain futures contracts that qualify as a hedge to be included in other comprehensive income. The adoption of this statement effective April 1, 1998 had no impact on the companies results of operations or financial position since the statement requires only additional financial information disclosure. As of the date of these financial statements the company had no components of comprehensive income.

Note 3.

LEASES

The Company conducts its operations from facilities that are leased under a five year and three month non-cancelable operating lease dated December 11, 2002 and expiring on April 30, 2008. There is no option to renew the lease beyond this term. In addition the Company has entered into a sublease agreement with Reynolds Consulting Services LLC whereby Reynolds Consulting Services will assume 75% of all rent , taxes and other charges by the Landlord. The following is a schedule of estimated future minimum rental payments (25 per cent) required under the above operating lease as of March 31, 2008. Year ending March 31, 2009; \$1,850..

Rental expense for the year ended March 31, 2008 was \$23,179..

THOMAS P. REYNOLDS SECURITIES LTD
NOTES TO FINANCIAL STATEMENTS
Year Ended March 31, 2008

**Independent Auditors Report on
Internal Accounting Control**

Stockholders

Thomas P. Reynolds Securities, Ltd.

I have audited the financial statements of Thomas P. Reynolds Securities, Ltd. As of March 31, 2008 and have issued my report thereon dated May 27, 2008. As part of my audit, I reviewed and tested the system of internal accounting control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards and by Rule 17a-5 under the Securities Exchange Act of 1934. Rule 17a-5 contemplates that the scope of the review and tests should be sufficient to provide reasonable assurance that any material weakness existing at the date of my examination would be disclosed. Under these standards and that Rule the purposes of such evaluation are to establish a basis for reliance thereon in determining the nature, timing and expression of an opinion on the financial statements and to provide a basis for reporting material weakness in internal accounting control.

The objective of internal accounting control is to provide reasonable, but not absolute assurance as to the safeguarding of assets against unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgements by management. However, for the purposes of this report under Rule 17a-5, the cost-benefit relationship has been disregarded in determining weaknesses to be reported.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgement, carelessness, or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect either to the execution and recording of transactions or respect to the estimates and judgements required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions, and that the degree of compliance with the procedures may deteriorate.

A study and evaluation of the system of internal accounting control for the year ended March 31, 2008, which was made for the purposes set forth in the first paragraph above and would not necessarily disclose all weaknesses in the system which may have existed during the period under review, disclosed no weaknesses that I believe to be material.

REQUIREMENTS PURSUANT TO RULE 17a-5(e)4

Fiscal Year Ended March 31, 2008

In accordance with Rule 17a-5(e)4, of the Securities and Exchange Commission, I have performed the following procedures with respect to the accompanying schedule (Form SIPC-7) of Securities Investor Protection Corporation assessments and payments of Thomas P. Reynolds Securities, Ltd. for the year ended March 31, 2008. My procedures were performed solely to assist you in complying with Rule 17a-5(e)(4), and my report is not to be used for any other purpose. The procedures I performed are as follows:

1. Compared listed assessment payments with respective cash disbursements records entries;
2. Compared amounts reported on the audited Form X-17A-5 for the period April 1, 2007 to March 31, 2008, with the amounts reported in the General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an audit made in accordance with generally accepted auditing standards, I do not express an opinion on the schedule referred to above. In connection with the procedures referred to above, nothing came to my attention that caused me to believe that the amounts shown on Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to the schedule referred to above and does not extend to any financial statements of Thomas P. Reynolds Securities, Ltd. Taken as a whole.
