The accompanying notes are an integral part of this statement.

B & B SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JULY 31, 2008

Note 1 - Nature of Business

B & B Securities, Inc. (The "Company") is a New York State corporation formed for the purpose of conducting business as a broker on the floor of the New York Stock Exchange. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC"). Operations include the execution of transactions for non-member organizations by means of a direct phone access system.

Note 2 - Summary of Significant Accounting Policies

a) Revenue Recognition

Securities transactions (and the recognition of related income and expenses) are recorded on a trade date basis. Commission income and related expense are recorded on a settlement date basis. There is no material difference between settlement date and trade date.

b) Income Taxes

Deferred tax liabilities or assets reflect temporary differences between amounts of assets and liabilities for financial and tax reporting. Such amounts are adjusted, as appropriate, to reflect changes in tax rates expected to be in effect when the temporary differences reverse. A valuation allowance is established for any deferred tax asset for which realization is not likely.

c) Cash and Cash Equivalents

The Company considers demand deposited money market funds to be cash equivalents. The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

d) Equipment

Equipment is carried at cost and is depreciated over a useful life of 5-7 years using accelerated methods.

e) Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

Note 3- Income Taxes

Taxes on income consist of:

Current:

United States	\$ 10,503
New York State	5,801
New York City (Alternative tax)	<u>24,740</u>
	<u>\$41,044</u>

B & B SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JULY 31, 2008

Note 3- Income Taxes (continued)

Deferred:	
United States	19,000
New York State	12,000
New York City (Alternative tax)	<u>4,000</u>
	<u>\$35,000</u>
	<u>\$76,044</u>

Note 4 - Commitments

The Company leases office space under a lease expiring June 30, 2009. Future approximate minimum annual rental expense for the fiscal year ended July 31, 2008 is 36,077.

Note 5 - Financial Instruments with Off-Balance Sheet Credit Risk

As a securities broker, the Company is engaged in buying and selling securities for a diverse group of institutional and individual investors. The Company introduces these transactions for clearance to another broker-dealer on a fully disclosed basis.

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair the customer's ability to satisfy their obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers. The Company seeks to control the aforementioned risks by requiring customers to maintain margin collateral in compliance with various regulatory requirements and the clearing broker's internal guidelines. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, and requiring customers to deposit additional collateral, or reduce positions, when necessary

Note 6 - Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At July 31, 2008, the Company had net capital of \$279,398, which was \$264,478 in excess of its required net capital of \$14,920. The Company's net capital ratio was 80.10%.

A copy of the Firm's Statement of Financial Condition as of July 31, 2008, pursuant to SEC Rule 17a-5, is available for examination at the Firm's office and at the regional office of the SEC.

INDEPENDENT AUDITORS' REPORT

To the Officers and Directors of
B & B Securities, Inc.
c/o Gettenberg Consulting
40 Wall Street – 34th Floor
New York, NY 10005

We have audited the accompanying statement of financial condition of B & B Securities, Inc. as of July 31, 2008. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards required that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of B & B Securities, Inc. as of July 31, 2008, in conformity with accounting principles generally accepted in the United States of America.
