We have audited the accompanying statements of net assets available for benefits of the *Spartan Stores, Inc. Savings Plus Plan for Union Associates* as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the *Spartan Stores, Inc. Savings Plus Plan for Union Associates* as of December 31, 2007 and 2006, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The December 31, 2007 supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic 2007 financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic 2007 financial statements taken as a whole.

## NOTES TO FINANCIAL STATEMENTS

### 1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the *Spartan Stores, Inc. Savings Plus Plan* (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### Description of the Plan

##### *General*

The Plan is a defined contribution plan covering all non-union employees of Spartan Stores, Inc. (the "Plan Sponsor" or "Company"). Employees are eligible to participate in the Plan upon attaining age 21 and having 6 consecutive months of employment with 500 service hours, or 500 service hours in 12 consecutive months since the date of hire, or 500 hours in any Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### *Contributions*

Participants may contribute up to 75% of annual compensation as tax-deferred contributions, up to maximum allowed by the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. During 2007 and 2006, former employees of entities acquired by the Plan sponsor were hired by the Plan Sponsor and were granted the option to rollover their account balances from their previous plans. The Company may, at the discretion of its Board of Directors, make a matching contribution to the Plan on behalf of each participant. The 2007 and 2006 matching amount contributed to each participant was 50% of the first 6% of compensation deferred by the participant. Participants direct the investment of contributions into various investment options offered by the Plan. As of December 31, 2007, the Plan offered 21 mutual funds and the common stock of the Plan Sponsor as investment options for participants. Contributions are subject to certain limitations.

##### *Participant Accounts*

Each participant's account is credited with the participant's contribution, and an allocation of (a) the Company's matching contribution, (b) Plan earnings and (c) forfeitures of terminated participant's nonvested accounts, and charged with an allocation of administrative expenses. Plan allocations are based on the ratio of each participant's account balance to the total account balance. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance.

##### *Vesting*

If a participant's initial date of employment was on or before December 31, 2003, all amounts credited to the participant's accounts are fully vested and nonforfeitable. If a participant's initial date of employment is on or after January 1, 2004, all amounts credited to the participant's accounts other than their matching contribution account are fully vested and nonforfeitable. If a participant has a termination of employment before normal retirement age for a reason other than total disability or death, the vested percentage of the participant in their matching contribution accounts is based upon years of vested service. A participant is 100% vested after six years of credited service.

## NOTES TO FINANCIAL STATEMENTS

---

### *Participant Loans*

Participants may borrow from their accounts a minimum of \$500 up to a maximum of 50% of the participant's account balance. Additionally, to be non-taxable, the loan cannot exceed \$50,000, reduced by the participant's highest outstanding loan balance during the 12-month period immediately preceding the loan date. Loan terms generally range from one to five years, or up to ten years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at annual rates ranging from 5.0% to 11.99%, which are commensurate with local prevailing rates as determined by the Plan administrator at the time the loan was made. Principal and interest is reimbursed ratably through payroll deductions.

### *Payment of Benefits*

On termination of service due to death, disability, or retirement, a participant, or his or her beneficiary, receives a lump sum amount equal to the value of the participant's account or installment payment as defined by the Plan agreement. All accounts less than \$5,000 in value as of the last date of employment require a lump-sum distribution; all participants with vested accounts equal to or greater than \$5,000 have the option for distribution or maintaining their accounts in the Plan.

### *Forfeitures*

Forfeited nonvested accounts may be used to reduce future Company cash contributions. At December 31, 2007 and 2006, forfeited nonvested accounts totaled \$537,281 and \$528,312, respectively. There were no forfeiture amounts used in 2007 or 2006.

### *Administrative Expenses*

The Plan's administrative expenses, including salaries, accounting, and legal fees, are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Fees for participant record keeping services are paid by the Plan.

## **Summary of Significant Accounting Policies**

### *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual method of accounting.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

# SPARTAN STORES, INC. SAVINGS PLUS PLAN

## NOTES TO FINANCIAL STATEMENTS

---

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Except for participant loans, fair value is determined by quoted market prices. Participant loans are valued at their outstanding balance, which approximates fair value.

Unrealized appreciation or depreciation in the aggregate fair value of investments represents the change in the difference between aggregate fair value and the cost of investments, including reinvestment of earnings. The realized gain or loss on sale of investments is the difference between the proceeds received and the average cost of investments sold.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in the fair market value of investments for such investments.

### *Payment of benefits*

Benefits are deducted from Plan assets when paid.

### *Reclassification*

Certain amounts as reported in the 2006 financial statements have been reclassified to conform with the 2007 presentation.

## 2. INVESTMENTS

The Plan's investments, except for participant loans, consist of an interest in the Spartan Stores, Inc. Savings Plus Master Trust (the "Master Trust"), a trust established by the Plan Sponsor and administered by Fidelity Investments Institutional Services Company, Inc. ("Fidelity"). Prior to April 3, 2006, the Master Trust was administered by Mercer HR Outsourcing ("Mercer"). The Master Trust permits commingling of the trust assets of the Plan and the Spartan Stores, Inc. Savings Plus Plan for Union Associates for investment and administrative purposes. Fidelity (previously Mercer) maintains supporting records for the purpose of allocating investments at fair value and the net gain or loss of the investment account to the participating plans. The following is a summary of information regarding the trust that was prepared from information supplied by the trustee and furnished to the Plan administrator for each plan in the Master Trust.

### 3. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Substantially all professional fees for the administration and audit of the Plan are paid by the Company. Other professional fees related to the trustee and custodial services for the Plan's assets were paid by the Plan to Fidelity and Mercer. The fees paid by the Plan for these services amounted to \$69,715 and \$23,026 for 2007 and 2006, respectively.

Certain investments held by the Plan are managed by Fidelity, the custodian and trustee of the Plan. Such investments fall within the investment guidelines of the Plan and are considered related party transactions. The participating plans in the Master Trust together held \$95,456,246 in such investments as of December 31, 2007 and \$82,818,224 as of December 31, 2006, respectively.

The Plan's investment in Spartan Stores, Inc. common stock as of December 31, 2007 and 2006, represent a party-in-interest transaction. The 335,205 and 318,624 shares of Spartan Stores, Inc. common stock held by the Plan as of December 31, 2007 and 2006, respectively, represent approximately 1.5% of the Company's outstanding shares as of each of those dates.

### 4. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated February 6, 2003, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

### 5. PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account.

### 6. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds with underlying assets consisting of stocks and bonds in various entities and common stock of the Plan sponsor. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
