Independent Auditor's Report

To the Board of Directors of
Ridgeway & Conger, Inc.
New Woodstock, NY

I have audited the accompanying statement of financial condition of Ridgeway & Conger, Inc. (the Company) as of March 31, 2009 and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ridgeway & Conger, Inc. as of March 31, 2009, and the results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, and IV, is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

RIDGEWAY & CONGER, INC.

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2009

NOTE 1- SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

The Company was incorporated in New York on February 1, 2001. It serves as a broker/dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

Fixed Assets

Furniture, equipment and leasehold improvements are recorded at cost. Repairs and maintenance charges are expensed as incurred. Depreciation is computed using accelerated methods for financial reporting and income tax purposes over their estimated useful lives ranging from 5 to 39 years. Depreciation expense for 2009 is \$13,503.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Securities Transactions

Marketable securities are valued at market value, and securities not readily marketable are valued at fair value as determined by management. These securities include investment securities (a) for which there is not a market on a securities exchange or no independent publicly quoted market, (b) that cannot be publicly offered or sold unless registration has been effected under the Securities Act of 1933, or (c) that cannot be offered or sold because of other arrangements, restrictions, or conditions applicable to the securities or to the Company.

Allowance for Bad Debts

The Company considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Compensated Absences

Employees of the Company are entitled to paid vacation, sick and personal days depending on job classification, length of service, and other factors. Future compensation is prorated based upon employment for the upcoming year. It is impractical to estimate the amount of compensation for future absences, and accordingly, no liability has been recorded in the accompanying financial statements. The Company's policy is to recognize the costs of compensated absences when actually paid to employees.

RIDGEWAY & CONGER, INC.

NOTES TO FINANCIAL STATEMENTS (Continued)

MARCH 31, 2009

Clearing Agreements

All company customer transactions are cleared on a fully disclosed basis through independent broker/dealers. The clients pay these broker/dealers various charges and fees for the clearing services provided. All customer related balances are carried on the books of the clearing agents.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all money markets and highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

NOTE 2- NET CAPITAL

As a broker dealer, the Company is subject to the Securities and Exchange Commission's regulations and operating guidelines, which require the Company to maintain a specified amount of net capital as defined, and a ratio of aggregate indebtedness to net capital as derived, not exceeding 15 to 1. The Company's net capital as computed under 15c3-1, was \$622,277 at March 31, 2009, which exceeded required net capital of \$100,000 by \$522,277. The ratio of aggregate indebtedness to net capital at March 31, 2009 was 55.5%.

NOTE 3- TAXES ON INCOME

Taxes on income consist of the following:

	Federal	State	Total
Current	\$ 87,373	\$ 23,216	\$ 110,589
Deferred	<u>0</u>	<u>0</u>	<u>0</u>
	<u>\$ 87,373</u>	<u>\$ 23,216</u>	<u>\$110,589</u>

Deferred income taxes arise from temporary differences resulting from income and expense items reported for financial accounting and tax purposes in different periods. Deferred tax assets are recorded to reflect deductible temporary differences and operating loss carryforwards while deferred tax liabilities are recorded to reflect taxable temporary differences.

NOTE 4- CONCENTRATION OF CREDIT RISK

The Company is engaged in various trading and brokerage activities with counterparties. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit worthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

RIDGEWAY & CONGER, INC.

NOTES TO FINANCIAL STATEMENTS (Continued)

MARCH 31, 2009

The Company's customer securities activities are transacted on either a cash or margin basis. In margin transactions, Legent Clearing Corporation (Legent), the clearing broker/dealer, extends credit to the customer subject to various regulatory and internal margin requirements, collateralized by cash and securities in the customer's account. The Company is responsible for the failure of a customer to comply with the terms of its margin agreement with Legent. The Company is also responsible for monitoring required margin levels and collecting additional margin deposits when necessary to comply with regulatory and Legent's internal margin requirements.

NOTE 5- RELATED PARTY TRANSACTIONS

The Company leases office facilities from its owner on a month-to-month basis at \$2,400 per month. Rent expense was \$39,683 for the year ended March 31, 2009.

NOTE 6- CASH DEPOSITED WITH CLEARING ORGANIZATION

The Company is required by Legent to maintain an escrow account in the amount of \$25,000. If the agreement between the Company and Legent is terminated for any reason, Legent may deduct from the escrow account any amounts the Company owes Legent due to failure to meet any of its obligations under the agreement.

NOTE 7- BANK LOANS PAYABLE

The Company has line of credit open with its bank. The balance as of March 31, 2009 was \$10,000 with an interest rate of 6.75%.

The Company has a cash reserve account to cover any overdrafts in its checking account. There was no balance due as of March 31, 2009.

Independent Auditor's Report on Internal Control Structure Required by SEC Rule 17a-5

Board of Directors
Ridgeway & Conger, Inc.

In planning and performing my audit of the financial statements and supplemental schedules of Ridgeway & Conger, Inc., (the Company), for the year ended March 31, 2009, I considered its internal control, including control activities for safeguarding securities, in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that I considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

My consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving internal control, including control activities for safeguarding securities that I consider to be material weakness as defined above.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures were adequate at March 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
