INDEPENDENT AUDITORS' REPORT

Board of Directors
Eagle Equities, Inc.

We have audited the accompanying statements of financial condition of Eagle Equities, Inc. as of May 31, 2009 and 2008 and the related statements of operations, stockholders' equity and other comprehensive income, cash flows, and changes in liabilities subordinated to claims of general creditors for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Eagle Equities, Inc. as of May 31, 2009 and 2008 and the results of their operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental information is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
MAY 31, 2009 AND 2008

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Company is a broker-dealer specializing in mutual funds, deferred investments, and related insurance products. The Company was incorporated in Maryland and started operations in July 1981. The Company is registered under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority (FINRA).

Generally accepted accounting principles require management to make estimates and assumptions that affect assets and liabilities, contingent assets and liabilities, and revenues and expenses. Actual results could differ from those estimates.

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Cash and Cash Equivalents - The Company considers investments in money market accounts and certificates of deposit purchased with maturities of three months or less to be cash equivalents.
2. Marketable Securities - Marketable securities are investments in mutual funds, which are considered available for sale and thus valued at fair market value.
3. Depreciation and Amortization - Depreciation is computed on a straight-line basis using the estimated useful service lives of the depreciable property for financial statements and accelerated methods for income tax reporting. Leasehold improvements are amortized on a straight-line basis over the estimated service lives of the improvements.
4. Revenue Recognition - Commissions and fees earned on initial investment contracts are recognized as the contracts are accepted and executed by the investment companies. Subsequent commissions and fees are recognized when notified by the investment companies. Earned commissions may subsequently be forfeited should a customer cancel their purchase of an annuity or life insurance product during the first year of the contract. Such charge backs are recognized when incurred. Commissions subsequently deemed uncollectible are written off using the direct write-off method.
5. Earnings per share - Earnings per share are calculated using the weighted average of shares of capital stock outstanding during each year. The income (loss) per share amounted to (\$154.35) and \$391.58 for the years ended May 31, 2009 and 2008, respectively.

MAY 31, 2009 AND 2008

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

6. Advertising costs – Advertising costs are expensed as incurred. Advertising expenses for the years ended May 31, 2009 and 2008 were \$5,347 and \$4,892, respectively.
7. Income taxes – The Company accounts for income taxes in using the asset and liability approach to financial accounting and reporting. The deferred tax liabilities are calculated on the difference between the financial statements (accrual basis) and tax returns (cash basis), using enacted tax rates in effect for the years in which the differences are expected to reverse. Current income taxes are based on the years' taxable income.
8. Comprehensive Income – The marketable securities are classified as available for sale, thus unrealized gains and losses are reported as other comprehensive income. In prior years, the Company had chosen to report these unrealized gains and losses in the Statements of Operations as Market Gain or Loss on Firm Investment Securities. The prior year amount as stated in the 2008 statements was \$2,139 and this deviation from Generally Accepted Accounting Principals was considered insignificant with no effect on Stockholders' Equity. The 2008 financial statements have been reformatted to be comparable to the 2009 presentation.
9. Fair value of financial instruments – SFAS No 107 "Disclosures about Fair Value of Financial Instruments" requires the Company to report the fair value of financial instruments, as defined. The Company's assets and liabilities are largely carried at fair value or contracted amounts which approximate fair value.

NOTE B - CONCENTRATIONS OF CREDIT RISK

The Company conducts its business primarily in the state of Maryland, and therefore could be materially affected by economic fluctuations in those geographic areas as well as changes in the investment choices of its customer base.

NOTE C - COMMISSIONS RECEIVABLE

Management believes that the Company's commissions receivable are collectible at May 31, 2009 and 2008, and accordingly, no allowance for doubtful receivables is required.

EAGLE EQUITIES, INC.
NOTES TO FINANCIAL STATEMENTS
MAY 31, 2009 AND 2008

NOTE D - MARKETABLE SECURITIES

The cost, carrying value and approximate market value of available for sale marketable securities as of May 31, 2009 and 2008 are as follows:

	<u>2009</u>	<u>2008</u>
Marketable securities, at cost	\$ 80,165	\$ 97,490
Valuation allowance	<u>(17,008)</u>	<u>2,139</u>
Market and carrying value	<u>\$ 63,157</u>	<u>\$ 99,629</u>

NOTE E - PROPERTY AND EQUIPMENT

Major classifications of property and equipment and the related accumulated depreciation are as follows:

	<u>2009</u>	<u>2008</u>
Furniture, Fixtures & equipment	\$ 94,420	\$ 93,156
Leasehold improvements	<u>24,866</u>	<u>24,866</u>
	119,286	118,022
Less: Accumulated depreciation	<u>94,038</u>	<u>83,019</u>
	<u>\$ 25,248</u>	<u>\$ 35,003</u>

Depreciation and amortization expense for the years ended May 31, 2009 and 2008 amounted to \$11,020 and \$ 5,783, respectively.

EAGLE EQUITIES, INC.
NOTES TO FINANCIAL STATEMENTS
MAY 31, 2009 AND 2008

NOTE F - INCOME TAXES

The Company's provision for income taxes for the years ended May 31, 2009 and 2008 consist of the following:

	<u>2009</u>	<u>2008</u>
Federal income taxes	\$ (3,991)	\$ 4,700
State income taxes	(2,149)	2,360
	<u>\$ (6,140)</u>	<u>\$ 7,060</u>
Currently payable	\$ 1,291	\$ 4,065
Deferred provision	(7,431)	2,995
	<u>\$ (6,140)</u>	<u>\$ 7,060</u>

The differences between the tax provision and the expected Federal Tax Rate of 15% and the expected state tax rate of 7% are caused by nondeductible officer's life insurance expense of \$ 7,676 and \$10,681, other nondeductible expenses of 2,400 and \$3,044, the 70% nontaxable dividend exclusion of \$2,325 and \$1,841 and non-taxable municipal interest of \$797 and \$810.00 in 2009 and 2008, and the utilization of a long term capital loss carry forward of \$26,285 in 2008 respectively.

Overall deferred taxes are provided for the cumulative difference between financial statement income and tax return income at an approximate rate of 22%. At May 31, 2009 and 2008, the primary cumulative sources of the differences are: tax depreciation and amortization in excess of book depreciation in the amounts of \$25,243 and \$35,266; tax revenue in excess of book revenue in the amounts of \$ 18,743 and (\$11,747).

NOTE G - SIMPLIFIED EMPLOYEE PENSION PLAN

The Company maintains a simplified employee pension (SEP) plan, which excludes officers of the Company. The Plan establishes individual retirement trust accounts for eligible employees into which the Company makes contributions. Annual contributions for the years ended May 31, 2009 and 2008 were \$3,600, each year.

NOTE H - SUBORDINATED LIABILITIES

The Company had no subordinated liabilities during the years ended May 31, 2009 and 2008.

EAGLE EQUITIES, INC.
NOTES TO FINANCIAL STATEMENTS
MAY 31, 2009 AND 2008

NOTE I - EXEMPTION FROM RULE 15c3-3

The Company is exempt from Rule 15c3-3 of the Securities Exchange Act of 1934 under sub-paragraph (k) because the Company's transactions are limited to the sale and redemption of redeemable securities of registered investment companies or interests or participations in an insurance company separate account and the Company promptly transmits all funds. Accordingly, the Company is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers" customarily referred to as the Reserve Bank Account.

NOTE J - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and a ratio of aggregate indebtedness to net capital, both as defined, which shall not exceed 15 to 1. The rule of the "applicable" exchange provides that equity capital may not be withdrawn for dividends if the resulting net capital ratio would exceed 10 to 1. At May 31, 2009 and 2008, the Company had net capital of \$81,464 and \$101,659, which were \$76,464 and \$96,659 in excess of its required net capital of \$5,000.

NOTE K - MANAGEMENT FEE AND OTHER TRANSACTIONS WITH AFFILIATES

The officers and shareholders of the Company are also principals in various other entities, exercising common control, which could affect the operating results or financial position of the Company. These related parties charge management fees to the Company for services rendered. The management fees were approximately 12.6% and 9.7% of the total revenues in 2009 and 2008, respectively.

The officers and shareholders of Eagle Equities, Inc. are 50% owners of the building, which is approximately 50% occupied by the Company. Rents were \$5,850 and \$5,400 during 2009 and 2008, respectively. There is no formal lease and the Company operates under a verbal month-to-month agreement. Property and equipment of the Company and the related parties are shared and no fees are charged.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL
ACCOUNTING CONTROL**

Board of Directors
Eagle Equities, Inc.

We have examined the financial statements of Eagle Equities, Inc. for the year ended May 31, 2009, and have issued our report thereon dated June 24, 2009. As part of our examination, we made a study and evaluation of the Company's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

Also, as required by rule 17a5 (g) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including tests of compliance with such practice and procedures) followed by Eagle Equities, Inc. that we considered relevant to objectives stated in rule 17a-5 (g), in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of rule 15c3-3.

The management of the Company is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of an internal accounting control system are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any internal accounting control procedures, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with them may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of Eagle Equities, Inc. taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, the State of Maryland and other states' securities regulators and should not be used for any other purpose.
