INDEPENDENT PUBLIC ACCOUNTANT'S REPORT

We have audited the accompanying statement of financial condition of CHAUNER SECURITIES, INC., an Illinois corporation, as of June 30, 2009, and the related statements of income and retained earnings and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards required that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of CHAUNER SECURITIES, INC., at June 30, 2009, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In connection with our examination of the financial statements of CHAUNER SECURITIES, INC., for the year ended June 30, 2009, we have also examined the accompanying statements and schedules:

**Statement of Changes in Shareholder's Equity
Computation of Net Capital
Reconciliation Pursuant to Rule 17a-5 (d)(4)
Computation of Aggregated Indebtedness**

The supplementary information, although not considered necessary for generally accepted accounting principles, however, in our opinion, such schedules present fairly the information required to be set forth therein, in conformity with the rules of the Securities and Exchange Commission.

CHAUNER SECURITIES, INC.

Notes to the Financial Statements
June 30, 2009

NOTE A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business – CHAUNER SECURITIES, INC. is a registered security broker dealer.

Method of Accounting - The Company utilizes the accrual method of accounting for all financial purposes.

Cash Equivalents - The Company recognizes that cash and cash accounts with maturity dates of three months or less as cash equivalents in the financial statements. Cash includes all cash balances deposited with local and national financial institutions.

Securities Transactions - Securities transactions and related commission income and expense are recorded on the dates of the trade.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

NOTE B: INCOME TAXES

The company is a corporation for federal and state income tax purposes.

NOTE C: NET CAPITAL REQUIREMENTS

The company is a broker/dealer subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1). Under this rule, the company is required to maintain a "net capital" equivalent to \$5,000 effective as of July 19, 1998 or 6 2/3% of "aggregated indebtedness", whichever is greater, as these terms are defined.

Net capital and aggregated indebtedness change from day to day, but at June 30, 2009 the company had net capital of \$87,684 and net capital requirements of approximately \$5,000 respectively. The net capital rule may effectively restrict the payment of cash dividends.

CHAUNER SECURITIES, INC.

Notes to the Financial Statements
June 30, 2009

NOTE D: RELATED PARTY TRANSACTIONS

The company has entered into an agreement with a related entity to share office space and administrative services. Rent, office services and other overhead amounts are to be allocated based upon the agreement between the respective parties.

The company incurred a total of \$195,675 for expenses during the fiscal year.

NOTE E: CUSTOMER POSSESSION AND CONTROL

The company is exempt from the full requirement of SEC Rule 15c3-3 as no customer's funds or securities are held or under the control of the broker dealer.

See Accountant's Report

**To the Shareholder and
Board of Directors**

**CHAUNER SECURITIES, INC.
Northbrook, Illinois 60062**

We have examined the financial statements of CHAUNER SECURITIES, INC., an Illinois corporation, for the year ended June 30, 2009 and have issued our report thereon dated July 23, 2009. As part of our examination, we made a study and evaluation of the Company's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards and Rule 17a-5 of the Securities and Exchange Commission.

The purpose of our study and evaluation, which included an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

This study and evaluation included the accounting system, the procedures for safeguarding securities, and practices and procedures followed by the Company:

- a) in making the periodic computations of aggregated indebtedness and net capital under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3(e);**
- b) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.**

- c) **We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications, comparisons, and the recordation of differences required by Rule 17a-13; or in complying with the requirements for prompt payment for securities of Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the company does not carry security accounts for customers or perform custodial functions relating to customers' securities.**

Rule 17a-5 states that the scope of the study and evaluation should be sufficient to provide reasonable assurance that any material weakness existing at the date of our examination would be disclosed. Under generally accepted auditing standards and Rule 17a-5, the purpose of such study and evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures necessary for expressing an opinion on the financial statements and to provide a basis for reporting material weaknesses in internal accounting control. Our study and evaluation was more limited that would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of CHAUNER SECURITIES, INC., is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of both control procedures and the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. The objectives of a system and the related practices and procedures are to provide management with reasonable, but not absolute, assurance that the assets for which the Company has responsibility are safeguarded against loss from the unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and are recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-6(g) lists additional objectives of the practices and procedures listed in the preceding paragraphs above.

Because of the inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also projections of any evaluation of the system to future periods are subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purposes described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly we do not express an opinion on the system of internal control of Chauner Securities, Inc. taken as a whole. However, our study and evaluation disclosed no condition that we believe to be a material weakness.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the commission to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2009 to meet the commission's objectives.

This report is intended solely for the use of management and the Securities and Exchange Commission and should not be used for any other purpose.

Bernstein & Brown, P.C.
