**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON
PROCEDURES**

To The Board of Directors
Lamon & Stern, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Transitional Assessment Reconciliation (Form SIPC-7T) to the Securities Investor Protection Corporation (SIPC) for the three month period ended June 30, 2009, which were agreed to by Lamon & Stern, Inc. (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payment of \$150 on January 14, 2009 in Form SIPC-7T (attached) with respective cash disbursement records noting no differences;
2. Compared the amounts reported on the Fourth Quarter FOCUS Form X-17A-5 for the three month period ended June 30, 2009, with the amounts reported in Form SIPC-7T for the three month period ended June 30, 2009 noting no differences. We noted that the Company's audited financial statements included a \$36,773 adjustment related to increased revenue and accounts receivable identified during the Company's financial statement audit as of and for the year ending June 30, 2009. This adjustment was not reflected in the Fourth Quarter FOCUS Form X-17A-5.
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers. There were no adjustments reported in Form SIPC-7T; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
