Board of Governors
LarsonAllen Financial, LLC
Minneapolis, Minnesota

We have audited the accompanying balance sheets of LarsonAllen Financial, LLC as of October 31, 2009 and 2008, and the related statements of net income, member's equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of LarsonAllen Financial, LLC as of October 31, 2009 and 2008, and the results of its operations and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the schedule of net capital as of October 31, 2009, is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business

LarsonAllen Financial, LLC (the Company), a Minnesota limited liability company, was organized on February 15, 1995 for the purpose of registering with the Securities and Exchange Commission (SEC) and joining the Financial Industry Regulatory Authority, Inc. (FINRA), formerly National Association of Securities Dealers (NASD) as a broker/dealer. The Company is wholly owned by LarsonAllen LLP. The Company is engaged in investment advisory, financial and estate planning, and other financial services primarily in the Midwest.

Effective October 27, 1995, the Company registered with FINRA as a broker/dealer.

Revenue Recognition

Revenues from consulting and asset management services are recognized in the period the service is provided. Work in process represents unbilled amounts for services performed. Deferred revenue represents amounts collected in excess of services performed to date.

Cash and Cash Equivalents

Cash and cash equivalents consist principally of money market instruments having an original maturity of three months or less and bank accounts. At times such deposits may exceed federally insured limits.

Accounts Receivable

Accounts receivable from customers relate to services provided. In accordance with industry practice, accounts receivable include amounts that were unbilled (work in process) at the balance sheet date. The Company does not customarily require collateral for providing such services. Trade accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to valuation allowance based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable. Changes in the valuation allowance have not been material to the financial statements. The allowance for doubtful accounts and work in process at October 31, 2009 and 2008 was \$7,000 and \$9,000, respectively.

Depreciation

Property and equipment are depreciated over their estimated useful lives by use of the straight-line method.

Description of Useful Lives

The estimated useful lives of the property and equipment are as follows:

Equipment	3-10 Years
Software	3 Years

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

A single-member limited liability company is not a taxpaying entity for federal and state income tax purposes, thus no income tax expense has been recorded in the accompanying financial statements. Income from the company is taxed at the member level. In July 2006, FASB ASC 740, Uncertainty of Income Taxes, was issued. Subsequent to its original issuance, the effective date of its implementation for nonpublic enterprises has been deferred, and is currently deferred for nonpublic entities until years beginning after December 15, 2008. The Company has elected to defer application of FASB ASC 740 as allowable. The Company undergoes an annual analysis of its various tax positions, assessing the likelihood of those positions being held upon examination with relevant tax authorities, as defined by FASB ASC 740.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through December 17, 2009, the date the financial statements were available to be issued.

NOTE 2 PROFIT SHARING PLAN

The company participates in the LarsonAllen LLP Profit Sharing Plan and Trust. The plan is a defined contribution profit sharing plan established to provide retirement benefits to employees and principals who have met certain participation requirements. Each year the Company may, at the discretion of the Board of Directors, contribute to the plan a basic contribution and an integrated contribution. Participants may elect to make contributions through earnings reduction up to the annual deferral limit allowed under the Internal Revenue Code. For the fiscal year ended October 31, 2008, the Board of Directors approved a 3%-5% contribution; the Company used an estimate of 5% and recorded a contribution in the amount of \$120,410. The Board of Directors approved a 3% contribution in the amount of \$72,243 at their February 5, 2009 meeting. The difference of \$48,167 was taken as a credit against expense in the fiscal year ended October 31, 2009. The Board of Directors met on December 5, 2009 and approved a 4% contribution in the amount of \$81,566 for the fiscal year ended October 31, 2009, which with the credit from 2008, resulted in an expense of \$33,399 for 2009.

For the years ended October 31, 2009 and 2008, charges for these services and operating expenses (net of service income of \$70,584 and \$83,191 for 2009 and 2008, respectively) were \$764,523 and \$752,178, respectively. In addition, the Company had an outstanding receivable of \$70,850 from its sole member as of October 31, 2009 and an outstanding payable of \$6,239 to its sole member as of October 31, 2008.

NOTE 4 NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c 3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At October 31, 2009, the Company had net capital of \$721,519 as defined by Rule 15c3-1, which was \$648,609 in excess of its required net capital of \$72,910. **INDEPENDENT AUDITOR'S
REPORT ON INTERNAL CONTROLS**

Board of Governors
LarsonAllen Financial, LLC
Minneapolis, Minnesota

In planning and performing our audit of the financial statements of LarsonAllen Financial, LLC (the Company) as of and for the year ended October 31, 2009 in accordance with auditing standards generally accepted in the United States of America, we considered LarsonAllen Financial, LLC's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of LarsonAllen Financial, LLC's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control over financial reporting.

As required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by LarsonAllen Financial, LLC that we considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of the internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of the inherent limitations in any internal control structure or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at October 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Board of Governors
LarsonAllen Financial, LLC
Minneapolis, Minnesota

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7T)] to the Securities Investor Protection Corporation (SIPC) for the period from April 1, 2009 to October 31, 2009, which were agreed to by LarsonAllen Financial, LLC. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC and other designated examining authorities, solely to assist you and the other specified parties in evaluating LarsonAllen Financial, LLC.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. 2. Compared the Total Revenue amounts of the audited Form X-17A-5 for the year ended October 31, 2009 less revenues reported on the FOCUS reports for the period from November 01, 2008 to March 31, 2009, with the amounts reported in Form SIPC-7T for the period from April 1, 2009 to October 31, 2009, noting no differences;
3. There were no adjustments that need to be reported in form SIPC-7T;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
