Dear Mark

Aggreko plc Objection to Issuance of Un-sponsored American Depository Receipts

I refer to our correspondence in November and understand that Bank of New York Mellon may be considering sponsoring a Level 1 American Depository Receipt ("ADR") program with respect to the stock of Aggreko plc. Please understand that we object to the establishment of any such program, that we do not agree to sponsor or be involved in the creation or maintenance of any such program, and that we do not wish our securities to trade in the United States. Moreover, we do not assume any responsibility to comply with any requirements for exemption from registration of any un-sponsored ADRs under Rule 12g3-2(b).

We therefore respectfully request that you cease efforts to establish an ADR program involving our securities. Please contact me with any questions about this communication.

Yours sincerely

Peter Kennerley
Director of Legal Affairs and Company Secretary
