# RELIANCE Communications

# Dhirubhai H. Ambani

(28th December, 1932 – 6th July, 2002) Reliance Group – Founder and Visionary

# Profile

Reliance Communications Limited is the flagship Company of Reliance Anil Dhirubhai Ambani Group, India's third largest business house.

Will a start of the start of the

Reliance Communications is India's foremost and truly integrated telecommunications service provider. The Company, with a customer base of over 85 million including over 2.2 million individual overseas retail customers, ranks among the Top 5 Telecom companies in the world by number of customers in a single country. Reliance Communications corporate clientele includes 2,100 Indian and multinational corporations, and over 800 global, regional and domestic carriers.

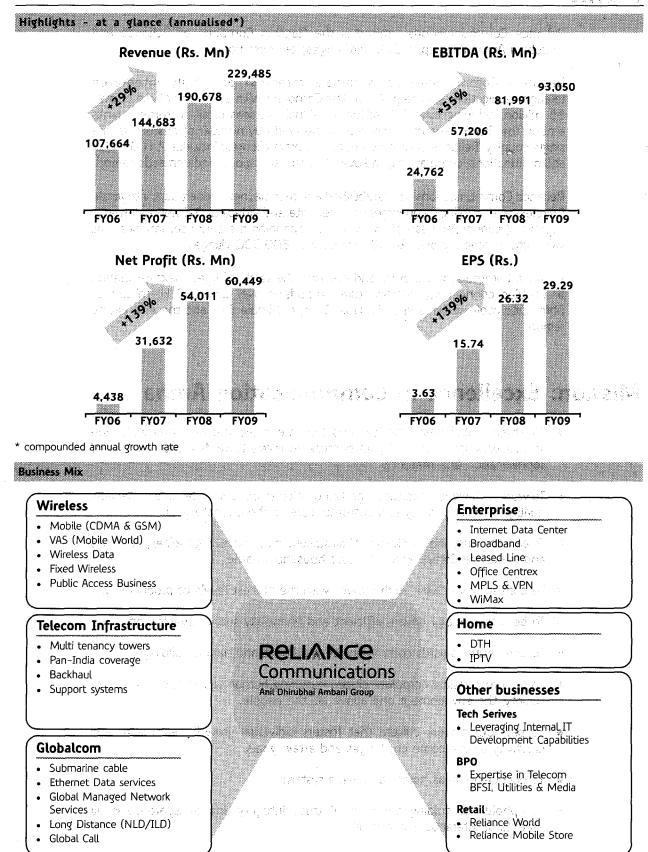

Reliance Communications has established a pan-India, next generation, integrated (wireless and wireline), convergent (voice, data and video) digital network that is capable of supporting best-of-class services spanning the entire communications value chain, covering over 24,000 towns and 600,000 villages.

Reliance Communications owns and operates the world's largest next generation IP enabled connectivity infrastructure, comprising over 277,000 kilometers of fibre optic cable systems in India, USA, Europe, Middle East and the Asia Pacific region.

# Mission: Excellence in Communication Arena

- To attain global best practices and become a world-class communication service provider guided by its purpose to move towards greater degree of sophistication and maturity.
- To work with vigour, dedication and innovation to achieve excellence in service, quality, reliability, safety and customer care as the ultimate goal.
- To earn the trust and confidence of all stakeholders, exceeding their expectations and make the Company a respected household name.
- To consistently achieve high growth with the highest levels of productivity.
- To be a technology driven, efficient and financially sound organisation.
- To contribute towards community development and nation building.
- To be a responsible corporate citizen nurturing human values and concern for society, the environment and above all, the people.
- To promote a work culture that fosters individual growth, team spirit and creativity to overcome challenges and attain goals.
- To encourage ideas, talent and value systems.
- To uphold the guiding principles of trust, integrity and transparency in all aspects of interactions and dealings.

### **Reliance** Communications Limited

1. Michaele M

#### Letter to Shareowners

"We are not just about scale and size we are also about the pursuit of excellence, the integrity of our values and the quality of our services."

– Anil D. Ambani

#### My dear fellow Shareowners,

Reliance Communications has had yet another year of remarkable performance despite the financial headwinds and the slowdown in the economy.

The global financial crisis had a significant impact on the economic environment across all industry sectors and markets. These conditions put pressure on the spending plans of corporate and individual customers and also impacted the availability of credit. Raising resources and maintaining high growth was thus a significant challenge to telecom companies.

It is therefore commendable that the year saw us making important strides forward in our mission to become one of the world's leading integrated service providers across the entire value chain of telecom businesses.

We maintained strong growth in our existing businesses. We also launched several initiatives, adding new and substantial lines of revenue. This helped us to drive leadership across the entire spectrum of our operations in India and around the world. In addition, as in the past few years, we have made a conscious and concerted effort to align our people, processes and technological initiatives more closely with our business strategy, thereby giving ourselves the best chance to capture emerging opportunities in the sector.

Reliance Communications is now one of the fastest growing telecom companies in the world and also one of India's most valuable and trusted service brands.

#### Performance review

You will be happy to note that our Company had posted encouraging financial results and operational performance during the year.

The key highlights on consolidated basis are:

- Total income of Rs. 22,948 crore (US\$ 4,525 million), as against Rs. 19,068 crore (US\$ 4,765 million) in the previous financial year, an increase of 20.34%.
- Cash Profit of Rs. 9,856 crore (US\$ 1,943 million), against Rs. 9,598 crore (US\$ 2,398 million) in the corresponding period last year.
- Net profit of Rs. 6,045 crore (US\$ 1,192 million), against Rs. 5,401 crore (US\$ 1,350 million) in the previous financial year.
- Cash Earnings Per Share (Cash EPS) of Rs. 47.75 (US\$ 0.94), against Rs. 46.77 (US\$ 1.17) in the previous year and Earnings Per Share (EPS) of Rs. 29.29 (basic) (US\$ 0.58), against Rs. 26.32 (basic) (US\$ 0.66) in the previous year.
- Net Worth of Rs. 37,059 crore (US\$7,306 million), keeping Reliance Communications amongst the top Indian private sector companies.

#### Growth platform

Reliance Communications operates across the full spectrum of wireless, wireline, and long distance services that carry voice, data, video and internet communication across the globe. This is supported by our extensive network infrastructure.

- Our customer base exceeds 85 million (including over 2.2 million overseas retail customers).
- We rank among the top five telecom companies in the world, by number of customers in a single country.
- We are the only Indian company to offer nationwide dual technology wireless services based on CDMA and Next Generation GSM platforms.
- We have the largest portfolio of multi-tenancy towers offering integrated solutions.
- We operate the world's largest submarine cable network with a presence in sixty countries.
- We are a one-stop-shop across the entire range of enterprise connectivity solutions.
- We are the only Indian DTH operator to provide services in 6,500 towns.

#### Restructuring of business

We, at Reliance Communications, are alive to the needs of changing industry trends and economic environment. Our vertical businesses are being restructured and realigned to make them meet the requirements of enterprise and individual customers. The demerger of the Optic Fiber Network to Reliance Infratel, the telecom infrastructure subsidiary of Reliance Communications, will enhance our value proposition in the telecom infrastructure segment and, at the same time, create a simple and transparent structure.

Each of the businesses operated by the Company, either by itself or through subsidiaries, affiliate companies or strategic investments in other companies, is poised at the cusp of significant opportunities for growth.

#### Wireless

Our wireless business constitutes both mobile and fixed wireless operations. We are among India's top two operators with over 79.6 million wireless subscribers across a most comprehensive portfolio of services, including mobile, PCO, fixed wireless and data card segments. During the year, we saw substantial minutes' growth on our network, which operates one of the highest Minutes of Usage in the industry at 830 million minutes a day.

We delivered the highest wireless subscriber acquisition in the world at 5 million in the first month of our GSM launch. Following the launch of our nationwide GSM network, we have captured more than 25% share of net additions in a market that already has seven to eight telecom operators on a network that extends seamless coverage to over 1 billion Indians across 24,000 towns and 600,000 villages.

Underlying this rapid subscriber acquisition is the strength of our brand and the trust our customers bestow on us. Reliance Mobile has been independently rated as India's most trusted service brand by India's leading financial daily, *The Economics Times*, in its annual Brand Equity survey, which we believe is a strong testament to our competitiveness and leadership.

#### Letter to Shareowners

In line with our stated objective of profitable growth, our margins in the Wireless business remained amongst the highest in the industry at 37%. This was despite the significant capital expenditure committed to the business over the last two years. With the unique advantages available to our business, we are now at the forefront of the next wave of growth in the Indian

mobile services market.

### Reliance Globalcom

Reliance Globalcom offers a diverse portfolio of global communication services focused on carrier, enterprise, and retail customers globally. Reliance Globalcom is positioned to participate in the substantial growth opportunities generated by the increased usage of telephony globally as distances shrink and people of the world collaborate closely for work and for pleasure.

We offer our services under four core business segments of Voice, Data, WiMax, and National Long Distance (NLD).

#### Voice

In the Global Voice segment, Reliance Global Call offers retail customers in the US, Canada, UK, Australia, New Zealand, Hong Kong and Malaysia, calling services to over 200 countries across the globe. Reliance Passport offers single–SIM-based services across 110 countries with free incoming calls in 57 countries.

We have a market share of 30% of the International Long Distance (ILD) wholesale inbound traffic, and over 2 million customers for our Reliance Global Call service. Usage of Reliance Global Call accounts for 40% of total retail market calls from the United States to India.

#### Data

Following the acquisitions of Yipes Holdings and VANCO Group, Reliance Globalcom has made a significant transition from being a bandwidth provider to being a managed services company offering the full range of solutions to global enterprises and telecom carriers. We have unmatched capabilities with a presence in over 60 countries, the world's largest IP optical network, a leadership in Global Ethernet and MPLS VPN, a diverse base of blue-chip customers including over 200 carriers, ISPs and content providers, and over 1,200 leading enterprises. We are already a top five global network services provider, and our vision is to create one of the top five global data communication enterprises in the world.

#### National Long Distance (NLD)

Réliance Communications is the most preferred private NLD carriage provider in India. We are the carrier of carriers. Leveraging the opportunity to monetize our nationwide NLD assets, we have also forayed into bandwidth and telecommunications infrastructure segments. We are targeting a substantial revenue share of this Rs. 5,000 crore market over the next two years driven by the launch of new wireless services and technologies.

#### Enterprise Broadband

We offer the most comprehensive range of office telephone solutions, data networking. Internet and IT infrastructure services to premier global and Indian companies, addressing their telecom, connectivity, and automation requirements. Over 900 of the top 1,000 companies in India are our customers.

We continue to increase our share of wallet from existing relationships and new acquisitions, leading to growing repeat business and a strong new order book position. We have more than 50% market share in highest growth data products like Centrex solutions and VPN. We have by far the largest Internet Data Center (IDC) capacity in India with more than 60% market share across six data centers.

#### **Telecom Infrastructure**

We have added 35,000 towers over the last two years to expand our portfolio to 48,000 towers. We expect the demand for passive telecom infrastructure to more than double in the next couple of years and are best-positioned to expand our customer base on the back of the largest supply base of plug-and-play telecom infrastructure for our internal network expansion as well as for other new operators who are launching their wireless services in the country.

Reliance Communications provides integrated solutions including towers, radio electronics, network connectivity, long distance transport, BPO services, data hosting and IT solutions to its customers, creating an additional and profitable revenue opportunity for us.

Recently, we have signed a long-term, infrastructure sharing agreement with new wireless operator Etisalat DB valued at over Rs. 10,000 crore.

#### Home

Our Home business currently comprises Direct to Home (DTH) services targeting one of the largest and fastest growing markets for pay television services in the world.

We launched our DTH services "Reliance BIG TV" in August 2008 and thereafter acquired 1 million subscribers within 90 days of launch, the fastest ramp-up ever achieved by any DTH operator in the world.

Reliance Big TV offers its 1.7 million customers DVD quality pictures across a bouquet of over 200 channels using the latest, state-of-the-art MPEG 4 technology. Our on-demand channels operate like a virtual mega multiplex, simultaneously bringing over 30 movies to viewers.

We are looking to expand our portfolio in this space, to soon offer high definition (HD) television content to customers apart from launching premium IPTV services in select cities.

#### Way Forward

Last year, we made several new beginings. We have created substantial new revenue opportunities by leveraging existing investments. These initiatives will provide a sustained, positive contribution to our business operations, financial performance and organisational strength over several years. As we expanded our operating base, we maintained profitability, and as we expand further, our key focus remains on 'Profitable Growth'.

#### **Corporate Governance**

Our Company is a proud member of the Reliance Anil Dhirubhai Ambani Group. As such, we have adopted the Group's Corporate Governance Practices and Code of Conduct. These guidelines prescribe a set of systems, processes, and principles that conform to the best global standards, and are aimed at promoting the interests of all our stakeholders.

#### Social Commitment

We have undertaken several important initiatives and measures in the area of education and healthcare, signifying our continued and long-standing commitment to social and community welfare.

#### Our Commitment

We continue to draw inspiration and guidance from the vision of our legendary founder, Shri Dhirubhai Ambani. It was one of Dhirubhai's great ambitions in life to see the creation of a world class convergent telecom company in India.

Reliance Communications is today realising that ambition by bringing the latest telecom technology within easy reach of millions of Indian and foreign consumers at a price that would have done Dhirubhai proud.

Anil D. Ambani Chairman

#### Notice

Notice is hereby given that the fifth Annual General Meeting of the Members of **Reliance Communications Limited** will be held on Tuesday, the 22nd day of September, 2009 at 11.00 a.m. at Birla Matushri Sabhagar, 19, Sir Vithaldas Thackersey Marg, Mumbai 400, 020, to transact the following business:

#### Ordinary Business:

- 1. To consider and adopt the audited Balance Sheet as at 31st March, 2009, Profit and Loss Account for the financial year ended on that date and the Reports of the Board of Directors and Auditors thereon.

#### Financial Performance

During the year under review, your Company has earned total income of Rs. 13,694.66 crore against Rs.13,426.65 crore in the previous year. The Company earned net profit of Rs. 4,802.67 crore compared to Rs. 2,586.45 crore in the previous year.

87 - 18<sup>1</sup> -

#### Dividend

Your Directors at their meeting held on 31st July, 2009 had declared an interim dividend of Re. 0.80 (16%) per equity share each of Rs. 5 for the financial year ended 31st March, 2009 [Previous year Re.0.75 per equity share (15%)] and paid to all eligible equity shareholders of the Company on 6th August, 2009. Your Directors have decided to treat the interim dividend as final dividend.

The dividend pay out is in accordance with the Company's policy to pay sustainable dividend linked to long term performance, keeping in view the capital needs for the Company's growth plans and the intent to optimal financing of such plans through internal accruals.

#### Management Discussion and Analysis

Management Discussion and Analysis Report for the year under review as stipulated under Clause 49 of the listing agreement with the Stock Exchanges in India is presented in a separate section forming part of the Annual Report.

The Company has entered into various contracts in the areas of telecom and value added service businesses. While benefits from such contracts will accrue in the future years, their progress is periodically reviewed.

### Directors' Report

#### **Business Operations**

The Company operates on a pan-India basis and offers the full value chain of wireless, wireline, national long distance, international, voice, data, video, Direct-To-Home (DTH) and internet based communications services under various business units organised into three strategic customer-facing business units; Wireless, Global and Broadband. These strategic business units are supported by passive infrastructure connected to nationwide backbone of Optic Fibre Network fully integrated network operation system and by the largest retail distribution and customer services facilities. The Company also owns through its subsidiaries, a global submarine cable network infrastructure, managed services and managed Ethernet and application delivery services.

During the year under review, the Company had launched GSM services in 14 service areas. The Company had received start-up spectrum to launch GSM services from Department of Telecommunications (DoT) under its existing Unified Access Service License (UASL) in 14 service areas. DoT had also made necessary amendments to UASL of Réliance Telecom Limited (RTL), a wholly owned subsidiary of the Company to enable RTL to offer CDMA services in Assam and North East Service Area in addition to existing GSM services and made allotment of start up spectrum to RTL for providing CDMA services in Assam and North East.

During the year under review, Reliance Big TV Limited, a wholly owned subsidiary of the Company launched fully Digital Home Entertainment Direct To Home (DTH) Service on the most advanced MPEG 4 DTH Platform. Reliance Big TV Limited currently has 1.7 million subscribers, about 12% of the DTH market in India within a short span of launch.

#### Schemes of Arrangement

(a) Scheme of Arrangement with Reliance Infratel Limited

In terms of the Scheme of Arrangement between the Company and Reliance Infratel Limited (RITL), a subsidiary of the Company and their respective shareholders and creditors, the demerger of Optic Fiber Undertaking of the Company in favour of RITL was sanctioned by the Hon'ble High Court of Judicature at Bombay vide order dated 18th July, 2009. The detailed order from the Hon'ble High Court of Judicature at Bombay is awaited. The appointed date was 1st April, 2008.

(b) Scheme of Amalgamation with Reliance Gateway Net Limited

Reliance Gateway Net Limited (RGNL), a wholly owned subsidiary of the Company amalgamated with the Company in terms of the Scheme of Amalgamation sanctioned by the Hon'ble High Court of Judicature at Bombay vide order dated 3rd July, 2009. RGNL stand amalgamated with the Company effective from 13th July, 2009. The appointed date was 31st March, 2009.

#### **Issue of Securities**

During the year under review, the Company had issued 3,000, 11.20%, Secured Redeemable Non-Convertible Debentures (NCDs) aggregating to Rs.3,000 crore on Private Placement basis to Life Insurance Corporation of India. The NCDs are redeemable

at the end of the 10th year from the date of allotment. The said NCDs are listed on the WDM Segment of the Bombay Stock Exchange Limited and the National Stock Exchange of India Limited.

The funds raised have been deployed for ongoing projects and the general corporate purposes of the Company and its subsidiaries.

#### Repurchase of Foreign Currency Convertible Bonds (FCCBs)

In terms of approval received from Reserve Bank of India, the Company had repurchased 350 Zero Coupon FCCBs each of US \$ 1,00,000 aggregating Rs.169.99 crore approx. (US \$ 35 Million) at a discount during the year under review. In the current financial year, the Company has also repurchased and cancelled 297 Zero Coupon FCCBs each of US \$ 1,00,000 at a discount.

The outstanding FCCBs issued by the Company, if converted into the Equity Shares of the Company, would result in increase to the paid up Equity Share Capital of the Company by 8.91 crore Equity Shares each of Rs.5/-.

#### **Subsidiary Companies**

During the year under review, Reliance Vanco Group Limited and its subsidiaries, Reliance WiMax World Limited and Gateway Net Trading Pte. Limited became the subsidiaries of the Company.

FLAG Telecom France Network SAS, FLAG Telecom France Services EURL, FLAG Telecom Korea Limited and FLAG Telecom Espana SA ceased to be subsidiaries of the Company, during the year.

In terms of the approval granted by the Central Government under Section 212(8) of the Companies Act, 1956, copies of the Balance Sheet, Profit and Loss Account, Report of the Board of Directors and Auditors of the subsidiaries have not been attached with the Balance Sheet of the Company. However, these documents will be made available upon request by any member of the Company. As directed by the Central Government, the financial data of the subsidiaries have been furnished under 'Financial Information of Subsidiary Companies', which forms part of the Annual Report. The annual accounts of the Company including that of subsidiaries will be kept for inspection by any member. Further, pursuant to Accounting Standard (AS-21) prescribed under Companies (Accounting Standards) Rules, 2006, Consolidated Financial Statements presented by the Company include financial information of subsidiaries.

#### Employee Stock Option Scheme

The ESOS Compensation Committee of the Board of Directors of the Company on 16th January, 2009 had approved grant of 1,32,17,975 Options, exercisable into equal number of fully paid up equity shares of the Company to the eligible employees of the Company, its subsidiaries and holding Company based on specified criteria under "Employees Stock Option Scheme" (ESOS) and the ESOS Plan 2009. In order to be eligible under the ESOS Plan 2009, employees were required to confirm the surrender of Options to which they were entitled to under the Employees Stock Options Plan 2008 (Plan 2008). Consequently, the aggregate number of Options under Plan 2008 and the Plan 2009 shall not exceed 1,32,17,975 Options.

Macro economics of both molente pulperculation and solution and

The Indian economy entered the financial year 2008–09 on a buoyant note. During the preceeding three years, India witnessed rapid economic growth with the Gross Domestic Product (GDP) growing on an average of around 9 per cent. However, the growth momentum was moderated in the year under review because of the global economic turmoil. Like all emerging economies, India too has been impacted by the crisis. As per the revised estimates for the year 2008–09, the GDP for the year grew at 6.7 per cent as against 9.1 per cent in the previous year.

There were some comforting factors — well-functioning financial markets, robust rural, demand, lower headline, inflation, and comfortable foreign exchange reserves — which buffered the economy from further adverse impact of the crisis. The fiscal stimulus packages of the Government and the monetary easing and regulatory action of the Reserve Bank have helped to arrest the moderation in growth and keep financial markets functioning normally.

#### **Overall review**

RCOM is India's foremost truly integrated and converged telecommunications service provider. We operate across the full spectrum of wireless, wireline, and long distance, voice, data, video and internet communication services. We also have an extensive international presence through the provision of long distance voice, data and Internet services and submarine cable network infrastructure globally. With a customer base of over 85 million (including over 2.2 million overseas retail customers) RCOM ranks among the Top 5 telecom companies in the world in terms of number of customers in a single country. Our corporate customers includes 2,100 Indian and multinational corporations, and over 800 global, regional and domestic carriers.

We are India's first and only telecom service provider offering nationwide CDMA and GSM mobile services. RCOM has established a pan-India, integrated (wireless and wireline) and convergent (voice, data and video) digital network that is capable of supporting the full range of best-of-class services spanning the entire communications value chain. It offers the widest network reach, covering over 24,000 towns and 600,000 villages.

Our nationwide enhanced next generation EDGE GSM network has digital voice clarity. Our mobile portal, R World, offers the widest range of mobile content spanning entertainment, music, news, cricket, Bollywood, maps, search, one-click set-up, access to email and social networking. In short, it provides the communication features of a PC, at the price and convenience of a handset.

RCOM owns and operates the world's largest next generation IP enabled connectivity infrastructure, comprising over 277,000 route kilometers of fibre optic cable systems in India, USA, Europe, Middle East and the Asia Pacific region. In India, we provide long distance business services including wholesale voice, bandwidth and infrastructure services. Globally, we provide carrier's carrier voice, carrier's carrier bandwidth, enterprise data and consumer voice services.

RCOM offers the most comprehensive portfolio of enterprise voice, data, video, internet and IT infrastructure services which include national and international private leased circuits, broadband internet access, audio and video conferencing, MPLS-VPN, remote access VPN, Centrex, toll-free services voice services for offices, voice VPN for corporate and managed international data centre ("IDC") services offering unique, value added products and services to large, medium and small enterprises for their communications, networking, and IT infrastructure needs across the country.

RCOM launched nationwide Direct to Home satellite TV services under its wholly owned subsidiary, Reliance Big TV Limited which uses state-of-the-art MPEG 4 technology to deliver over 200 channels including 32 exclusive movie channels to its subscribers. We will also deliver high definition content and Dolby digital voice quality to our viewers on this platform to create a highly personalised video experience.

# Strategic Initiatives

#### Fastest ever, pan-India network roll out

The Company commenced commercial operations of its nationwide GSM service on 30th December, 2008. GSM-based wireless mobile services were initially launched in 11,000 Indian towns, which were later extended to cover 24,000 towns in phased manner. We launched GSM services in a record time of 11 months from the date of allotment of spectrum. This is the fastest roll+out ever of such size and scale and was achieved leveraging our ~ existing nationwide technology-agnostic common infrastructure.

#### India's largest telecom tower infrastructure deal till date

RCOM, in a significant move, entered into a long term passive infrastructure sharing agreement with Etisalat DB Telecom. Etisalat

is one of the largest telecom operator in the Middle East. This strategic alliance will encompass end-to-end tower and transmission infrastructure for Etisalat DB Telecom's forthcoming roll-out of telecom services in 15 telecom circles in India. The deal is valued at about Rs. 10,000 crore for passive infrastructure sharing over the next 10 years.

#### Created Joint Venture (JV) with global major Alcatel-Lucent for outsourced network operations

RCOM, along with Alcatel Lucent, formed a joint venture company to provide Managed Services to the GSM and CDMA networks of the Company and RTL, its subsidiary covering 22 circles, 24,000 towns, 600,000 villages, and over 80 million customers. The joint venture company may provide similar Managed Services to other telecom companies across the globe. The JV is one of the largest multi-vendor Managed Services deals in the world and a first for multi-technology managed services in India (both GSM & CDMA). The JV also focuses on process improvements and business development opportunities in India and globally.

#### Launch of India's fastest wireless broadband services

RCOM recently rolled out its fastest Wireless Internet service, "Reliance Netconnect Broadband Plus", with a downlink speed of up to 3.1 Mbps. This makes Netconnect Broadband Plus best suited for video streaming, video surveillance, rich media content and superior Internet browsing. Netconnect Broadband Plus service is available in 35 major cities with seamless handover to high speed 1x service covering 24,000 towns and 600,000 villages as well as all major road and rail routes across the country covering 99% of India's Internet population.

#### Alliance with Kribhco to boost rural sales

RCOM, through its wholly owned subsidiary, Reliance Communications Infrastructure Limited, formed a joint venture with Krishak Bharati Cooperative Limited (Kribhco), a premier co-operative society with an unparalleled marketing network in rural India. This will catalyze tele-density growth and the provision of state-of-the-art products and services to the rural market in India. Kribhco Reliance Kisan Limited, the JV company, would create a first-of-its-kind distribution model covering 72 per cent of India's population through its network of over 25,000 cooperatives, 6,300 member co-operatives and 60 "Krishi Seva Kendras" spread across the length and breadth of the country. The unique distribution model would distribute a range of telecom and non-telecom products and services with the objective of bridging the urban-rural divide.

#### Focused acquisitions to boost global revenues

The acquisition of Vanco Group Limited in May 2008, has strengthened our position in the global enterprise data market, adding over 220 MNCs to Reliance Globalcom's customer base. The acquisition also gives us a significant advantage through access to Vanco's relationship with over 700 global, regional and domestic carriers capable of offering services in 230 countries. Vanco's experienced sales and channel organization structure will further enhance Reliance Globalcom's customer delivery capabilities in important geographies like US, UK, France, Germany, Benelux, Singapore and Australia.

In April 2008, we acquired controlling stake in Reliance WiMax World Limited (formerly eWave World Limited), a UK headquartered company focused on the rapidly developing market for wireless telephony services using the WiMAX technology standard.

#### Business realignment to improve operations

We continuously look at new opportunities aimed at convergence and strategic alignments. With this in mind, RCOM undertook further restructuring within its group entitles during the year under review. The Optic Fibre Undertaking was demerged from Reliance Communications Limited and vested with Reliance Infratel Limited, a subsidiary of the company. The treasury division of Reliance Communications Infrastructure Limited was demerged and vested with Reliance Telecom Limited, both wholly-owned subsidiaries of RCOM.

#### Alliance to continue dominance in mobile applications

We have tied up with Flytxt, a leading technology provider, for the implementation of an integrated carrier-class mobile marketing software platform called Neon on the RCOM Network. Flytxt enables mobile operators and service providers to unlock the huge potential of mobile as a customer engagement channel.

We have tied up with SAS for better business intelligence and analytics and AMDOCS for Customer Self Service systems.

We have tied up with Swanbaymtech, the U.K. based mobile video services company, to launch advertising funded videos on Reliance Mobile platform. Swanbaymtech will offer premium entertainment and sporting events content to subscribers and keep them connected to the Network.

#### Creation of centralized ITeS and related shared services

As a strategic initiative, all the Information Technology enabled services (ITeS) across RCOM Group were consolidated into the newly formed Reliance Tech Services Private Limited (RTech), an ITeS arm of RCOM. All ITeS of RCOM were outsourced to RTech for operational flexibility, scale and quick time-to-market reach for products and services. RTech provides application development and maintenance services, Business consulting, Telecom Network Products and solutions, ERP Implementation and Development services, Geographic Information services, Business Intelligence and Data Analytics, Network and Internet Security services, Managed Network and Infrastructure services, Unified Communication and Messaging services and nationwide IT support services.

#### Launch of DTH Satellite TV services

RCOM through its wholly owned subsidiary Reliance Big TV Limited (Big TV), launched its Direct to Home (DTH) Satellite TV services "Reliance BIG TV" on 19th August, 2008. BIG TV acquired 1 million subscribers within 90 days of launch, the fastest ramp up ever achieved by any DTH operator in the world. As on 31st March, 2009, BIG TV has over 1.5 mn customers. BIG TV would be tapping into the existing customer base of Reliance ADA Group companies to rapidly gain market share. The subscribers can enjoy 200 channels including 32 movie channels, which is highest in the industry. The product is available initially in 100,000 retail outlets across 6,500 towns.

#### Industry Structure and Regulatory Developments

#### Industry structure

#### Wireless

The total base of landline and wireless subscribers in India surged by a whopping 43 per cent during the year ended 31st March, 2009 to reach 429.7 million, according to the Telecom Regulatory Authority of India (TRAI). This growth was driven primarily by rural

expansion and the availability of cheaper devices.

- During the last two years 10 operators got licences to launch operations in various service areas. The 3G auction will throw up new challenges and open up further opportunities. It will also intensify the focus on Value-added Services and Data in the saturated urban markets.
- The all-India blended ARPU per month figure has shown a declining - trend, reflecting the continuing pressure on margins on account of fierce competition.

#### Internet & Broadband

Internet subscribers in India grew moderately to 13.5 million and broadband subscribers to 6.2 million as on 31st March, 2009.

#### **Telecom Infrastructure**

The demand for the telecom infrastructure services is driven by the robust growth of the mobile industry in 2G, migration to EDGE, 3G and a steady subscriber usage trends. The need for telecom infrastructure is necessitated by the focus on growth in the rural and new markets.

The number of players in the mobile industry is expected to increase significantly i.e. from 6 - 7 players today to 11 - 12 players, with the issue of over 120 licenses to the new operators. These new operators have been allotted spectrum in about 18 to 20 circles and some of them have now got joint venture tie-ups with the large global players thereby getting the necessary impetus to roll out their services. The roll-out of mobile services by these new players further increases the demand for telecom infrastructure.

#### **Regulatory developments**

#### 1. Dual technology petition quashed by TDSAT

TDSAT, on 31st March, 2009, dismissed the petition filed by the Cellular Operators Association of India (COAI) challenging the Government of India's decision allowing dual technology (CDMA and GSM) services to RCOM and other CDMA operators and upheld the decision to offer dual technology spectrum to companies like RCOM, Tata, Sistema etc. RCOM is providing unrestricted mobile services on GSM and CDMA platform through out the country in association with its subsidiary company RTL. TDSAT has also stated that GSM operators have no vested right to get the radio frequency beyond 6.2 MHz.

#### 2. IUC Regulation by TRAI

TRAI has amended the IUC (Interconnect and Usage Charges) regulation by an amendment dated 9th March, 2009. The revised IUC rates have become effective from 1st April, 2009. Termination charges have been revised to 20 paise per minute from 30 paise per minute earlier. However, termination charges for international incoming calls to India have been raised to 40 paise per minute from the earlier value of 30 paise per minute. NLD Carriage charges have been kept the same as earlier i.e. at a ceiling of 65 paise per minute. Carriage charges for calls with in LDCA (Long Distance Charging Area) have been reduced from 20 to 15 paise per minute. The transit charges have also been revised from less than 20 paise per minute to less than 14 paise per minute.

#### 3. Mobile Number Portability (MNP)

Based on the recommendations of Telecom Regulatory Authority of India (TRAI ) on MNP, dated 8th March, 2006, the Department of Telecommunications (DoT) issued guidelines for MNP implementation in the country on 1st August, 2008 in a phased manner, starting from 'Metros' and 'A' category service areas followed by 'B' and 'C' category service areas. Subsequently the DoT selected two companies as MNP Service providers each serving in a designated zone in the country.

DoT on 6th May, 2009, issued amendment in the licenses of Unified Access Service (UAS), Cellular Mobile Telephone Service (CMTS), National Long Distance (NLD), International Long Distance (ILD) and basic service licenses to facilitate timely implementation of mobile number portability service in the licensed service area as per the regulations/orders made or directions issued by TRAI under TRAI Act, 1997 or any instructions issued by the licensor from time to time.

TRAI indications are that porting fee and porting regulation will be finalised by August, 2009 end. Accordingly MNP will be delayed slightly.

#### 4. QoS regulation for wireline and Cellular Mobile Telecom services

TRAI has issued revised QoS (Quality of Service) regulation for CMTS and wirelineservices on 20th March, 2009. The existing benchmarks have been tightened and some of the parameters like Service access delay have been taken off. Some new parameters like – BTS accumulated Downtime, Worst affected BTSs due to downtime, worst affected cells having more than 3 per cent TCH drop – are the new parameters which have been added. The benchmark for Call drop ratio has been reduced to 2 from 3 per cent earlier. The revised regulation has come into effect from 1st July, 2009.

#### 5. Penalty on Subscriber verification

DoT has revised the penalty in case of non verification of subscribers by its circular dated 24th December, 2008. A slab based penalty system, which came into effect from 1st April, 2009, has replaced the earlier flat fine of Rs 1,000 per unverified subscriber.

#### 6. Roll out obligation

DoT has amended the Unified Access Service License on 10th February, 2009, with respect to the roll out norms. As per the amendment, the existing norms on in building coverage have been removed and the service providers have been given the advantage of the period lost in getting SACFA clearance. With this amendment, the obligations of the company on account of roll out has reduced drastically.

# 7. Auctioning of 3G and Broadband Wireless Access (BWA) spectrum

The auctioning of 3G and BWA spectrum which was originally planned in January 2009 was postponed by DoT and is now scheduled before the end of FY 2009–10. DoT has referred issues related to the amount of spectrum to be auctioned and its reserve price to the Group of Ministers. RCOM is the only existing national operator which has a 3G ready network nationwide, giving it a head start in offering 3G services in the country.

#### 8. Mobile Virtual Network Operator (MVNO)

In August 2008, TRAI issued recommendations in favour of the entry of MVNOs. It also prescribed the definition, terms

and conditions of MVNO license, license fee, entry fee etc. The DoT, after taking into account the industry's views on the recommendations, had referred some of the issues back to TRAI on 27th February, 2009. After considering the suggestions/ changes suggested by the DoT, TRAI has issued revised recommendations on 12th March, 2009. But DoT is yet to take a final decision in the matter.

#### 9. 48th Telecom Tariff order by TRAI

TRAI had issued a consultation paper on "Plethora of Tariff plans" in February 2008. After consulting the industry, the Authority issued the 48th Amendment to the Telecom Tariff Order, Under the new order, service providers cannot charge an administration fee of more than Rs 2 on a top up recharge. The maximum number of tariff plans in a circle has been capped at 25. The black out days i.e the days when no concessional voice rate/ SMS rate apply- cannot be more than 5 per calendar year. In case of a promotional plan - the start date and end date of the plan has to be indicated. For migration of prepaid to postpaid platform and vice versa- no migration fee can be levied by the service provider.

#### 10. Lock-in period of 3 years for promoter's equity

The DoT, vide its Circular dated 23rd July, 2009, inter alia provided for a lock-in-period for sale of equity of a person whose share capital is 10 per cent or more in the UAS licensee company on the effective date of UAS licence and whose net-worth has been taken into consideration for determining the eligibility for grant of UAS license, till completion of three years from the effective date of the UAS licence or till fulfilment of all the rollout obligations, whichever is earlier.

#### 11. Merger guidelines for Intra service area

DoT issued revised guidelines for intra service area merger on 22nd April, 2008. These guidelines have replaced the earlier guidelines issued on 21 st February, 2004. The threshold level for any merger to take place has been revised to 40 per cent of revenue market share and subscriber market share. For considering the number of subscribers, wireline and wireless subscribers will be considered separately. The merged entity has to justify the total amount of spectrum held by the merging entities with respect to spectrum allotment guidelines which are based on subscriber based criteria. A period of 3 months will be given to the merged entity to meet the subscriber number shortfall if any, for justifying the total spectrum held by it. Excess spectrum, if any, will have to be surrendered. Any permission for merger shall be given only after completion of 3 years from the effective date of license. The duration of license of merged entity in the respective areas will be equal to the remaining duration of the license of the two merging licenses, whichever is less on the date of the merger.

#### 12. Internet telephony

TRAI had issued recommendations on Internet telephony on 18th August, 2008. It recommended that ISPs with Internet telephony should be allowed to interconnect with Public Switched Telephone network, through NLD operator without payment of any additional entry fee. DoT had referred the recommendations back to TRAI on account of level playing issue with respect to Unified Access Service Licensees. However, TRAI has reaffirmed its earlier recommendations on 31st March, 2009. DoT has to take a final decision in this matter.

### 13. Acess Deficit Charge (ADC)

TRAI has completely phased out the ADC with effect from 1st October, 2008.

100 C

### 14. Provisioning of Internet Protocol Television Services (IPTV)

Ministry of Information & Broadcasting, on the basis of recommendation of TRAI, issued Guideline on 8th September, 2008 inter alia providing for provisioning of IPTV services by (a) Telecom Service Providers under Unified Access Services License (UASL) and Cellular Mobile Telephony Service (CMTS) License or (b) Internet Service Providers (ISP) with net worth more than Rs.100 Crore and having permission from DoT to provide IPTV or (c) Cable TV Operators registered under Cable Television Network (Regulation) Act, 1995 (Cable Act). Ministry of Information & Broadcasting also modified the guideline for down-linking of television channels to enable broadcasters to provide their content to IPTV service providers.

CENTRAL SPACE

#### Key Developments in the Company

#### Wireless business

**GSM Launch** 

RCOM's GSM launch has been the fastest network roll-out covering over 11,000 towns within 11 months, having received start-up GSM spectrum only in January 2008. The Company commenced commercial operations of its nationwide GSM service on 30th December, 2008 with a unique Customer Experience Program (CEP) that resulted in a record addition of 5 million new subscribers in January 2009, the highest ever monthly customer acquisition in the history of telecom any where in the world! Perhaps the most successful product launch of this scale.

Overall 11.3 million new subscribers were added in quarter January to March 2009 and achieved 113% growth in quarter-on-quarter subscriber additions.

RCOM's GSM network now covers over 24,000 towns and 600,000 villages. The fastest roll-out of this scale and size was achieved by leveraging the existing nationwide sharable technology agnostic common infrastructure.

#### Reliance Netconnect ~ Netconnect Broadband Plus

During the year under review, we rolled out CDMA wireless broadband service, Reliance Netconnect Broadband Plus, India's fastest Wireless Internet service. Netconnect Broadband Plus has a downlink speed of upto 3.1 Mbps. This makes Netconnect Broadband+ best suited for video streaming, video surveillance, rich media content & superior Internet browsing.

Netconnect Broadband+ service is available in 35 cities with seamless handover to high speed 1x service covering 24,000 towns and 600,000 villages as well as all major road and rail routes across the country covering 99% of India's Internet population. The company retails. Netconnect Broadband+ in 12,000 IT retail outlets across India as well as 2,300 exclusive Reliance Communication retail stores and nearly 240 Reliance World outlets.

Netconnect Broadband Plus is targeting about 6 million Road Warriors who need Internet access on the move with their laptop and about 8 million Home PC users who access entertainment and educational content.

#### Handsets

New models were introduced both as bundled and open market 3rd party handsets initiatives alongside the high-end models to give consumers adequate choice. We introduced high-end handsets (some with touch screen) to effectively tap into the upgrade and high end market.

We have also been aggressively forging partnerships with open market handset vendors to ensure high visibility and reach. With the launch of our GSM operations, we bundled our SIMs with other handset manufactures and this contributed to increasing the number of customers who have come onto our GSM network.

In September, 2008 we launched India's first prepaid service for BlackBerry on the prepaid platform. This 'pay as you use' pricing model with cost-effective options will give the consumer a flexibility and control over expenses.

**World Roaming:** To offer worldwide Voice and Data Roaming for our Blackberry and high-end customers, we tied up with leading operators across the world for dual network roaming. Today, Reliance offers International Roaming in 242 countries and 535 networks, with full-fledged Data Roaming Services across 182 countries and 380 networks.

**Range of unlimited usage plans:** We launched a range of unlimited usage plans following the creation of additional network capacity during the year. The first product — Unlimited local calls – was launched across Pre-paid mobile, Post-paid mobile and Fixed Wireless Phones. After acquiring over half a million customers in the unlimited product range, we have launched our unlimited STD product. These products offer complete "peace of mind" for high volume individual users, Corporate and SME segment etc and create a very strong Reliance Community of users.

#### **Global Business**

Reliance Globalcom's vendor and carrier agnostic, hybrid network provisioning approach has been enthusiastically received across the world. By offering a full portfolio of IP Multiprotocol Label Switching (MPLS), Ethernet and Managed Services, all through a single point of management utilizing best-in-breed partners across 230 countries and territories in the world, our customers have not only reduced total cost of ownership of their networks, but enhanced functionality.

Reliance Communications owns and operates the world's largest next generation IP enabled connectivity infrastructure, comprising over 277,000 kilometers of fibre optic cable systems in India, USA, Europe, Middle East and the Asia Pácific region.

#### **Global data services**

The Company continues to be a leading provider of international connectivity and data services to telecom operators, content providers, internet communities and enterprises around the globe.

Our International Data business is underpinned by our ownership of the largest private submarine cable system in the world, directly connecting 60 countries from the East coast of United States, to Europe, the Middle East, India. South and East Asia, through to Japan. The network seamlessly interconnects with our over 190,000 kilometers fibre optic cables. We are further expanding our global network with implementation of the Next Generation Network (NGN) cable system. Construction of NGN Mediterranean cable system between Egypt and France is underway. Upon completion of NGN Med, we will be the only service provider with multi-terabit owned cable on the busy traffic route between India, Middle East and Europe / U.S. Our acquisition of Yipes Holdings Inc and Reliance Vanco Group Limited has strengthened our position in the global enterprise data market. We are leading provider of connectivity to world's top exchanges in the U.S. and U.K. through our flagship Global Ethernet solution brand FinancialConnectl. We are leading global Managed Network Services provider serving over 60,000 sites in over 160 countries. We continue to win new business from large MNCs to rollout and manage complex MPLS VPN networks in stiff competition with global competitors.

We have over 1,500 large enterprise customers globally.

#### National Long Distance

We offer NLD carriage and termination to other carriers and, on an inter-segment basis, to other business units of Reliance Communications. With the entry of new telecom operators, there is growing opportunity in bandwidth and infrastructure sales. Leveraging the opportunity to monetize our nation-wide NLD assets, we have forayed into bandwidth and telecommunications infrastructure segment.

#### Voice

In Voice segment, we offer International Long Distance carriage and termination to other carriers as well as, on an inter segment basis, to other business units of Reliance Communications as part of the wholesale product offering. We entered the long distance market in India in mid-2003 and are one of the largest carriers of international voice minutes with a market share of 30% for International Long Distance wholesale inbound traffic.

As part of our retail offering in voice, we offer virtual international calling services to retail customers for calls to 200 international destinations including India under the brand Reliance Global Call. Our retail services are available to customers in several countries including the United States, Canada, the United Kingdom, Australia, New Zealand, Hong Kong and Malaysia. We have over 2 million customers for our Reliance Global Call service. Usage of Reliance Global Call accounts for 40 per cent of total retail market calls from the United States to India.

#### Enterprise Broadband

The number of our Internet subscribers increased by 0.28 million during the year, with the broadband subscriber base reaching 1.40 million.

**Network coverage:** With the increased focus on directly connecting buildings in the top 44 cities in India, our Broadband business now has almost 1 million buildings directly connected to our network, recording more than 18% growth in the network coverage during the year.

During the year, the Enterprise Broadband business augmented its building connectivity program with the deployment of WiMax 802.16d based last mile access technology. Our Broadband business currently serves top 10 cities in the country using this wireless technology also.

Our robust nationwide network backbone is continiously controlled and monitored at National Operating and Control Center (NOCC) located at Mumbai. This NOCC facility is replicated at Hyderabad to guard against any catastrophe as a redundancy measure.

#### Infrastructure

Our infrastructure subsidiary, Reliance Infratel Limited (RITL), signed a long term contract with Etisalat DB Telecom ("EDB"), for passive infrastructure and transmission connectivity for over 30,000 sites

to be taken in a phased manner over 18 months. This will get further enhanced with EDB's expansion plans for coverage and capacity. RITL will also explore other B2B services of Bandwidth, Carriage, NLD and ILD and co-location of field and core network. The EDB tenancy for passive services and connectivity of sites is likely to enhance RCOM's revenues by about Rs 10,000 crore over the next 10 years. Additionally, RCOM will also be signing contracts with other key operators.

- With this deal our total tenancy goes up to 2.2 tenants per tower.
- RITL now owns 190,000-Km optical fiber network, providing a more economical and better quality linking for tenants compared to microwave.
- RCOM's current utilization of tower slot assets is 40-50 per cent and this provides significant potential for 3rd party tenants. It complements the existing passive infrastructure and provides an integrated solution to tenants.
- As such, we offer our customers an extensive and diverse portfolio of well-positioned assets and we believe that our wide and expanding portfolio of tower sites positions us to be able to address the needs of national, regional, local and emerging wireless service providers in India.

#### Home / DTH

We launched, India's fully Digital Home Entertainment Service on world's most advanced MPEG4 Direct-To-Home (DTH) Platform. Reliance BIG TV DTH offers over 200 channels including 32 exclusive cinema channels with digital quality picture and sound. The feature-rich BIG TV DTH Service is available at over 100,000 outlets across 6,500 towns, making it by far the country's largest retail rollout of a Home Entertainment product and service.

Tracing the ethos and philosophy of Reliance ADA Group, BIG TV DTH at launch has a retail presence of 2–3 times more than any other DTH operator and offers services in more than double the number of cities than any other DTH operator.

#### Content and value added services

Our quest for enhancing content for our value added chain provides an easy access for our subscribers to the favorite content and applications — from wherever they are and on whatever device they're using giving multiple choices and delivering additional capabilities to the wireless devices.

We continue to pioneer new ways for providing content services and iconic devices to our subscribers.

Recently we have tied up the following:

- Exclusive mobile games based on world celebrities and Hollywood movies focusing on the star's glamorous side on Reliance's CDMA and GSM networks across WAP/Brew, Blackberry platforms;
- Advertising funded videos on its Reliance Mobile platform;
- Tie-up with "Oxigen" India's first and single point recharge service. This tie up will offer its customers the entire portfolio of Oxigen's easy recharge option;
- Alliance with BBC World Service to offer Live Audio service through Reliance's R-World VAS platform. This is the first such international offering to be launched by an Indian telecom company;

#### **Opportunities and Challenges**

#### Opportunities

**Convergence:** Our full fledged convergence model will hold a key to the overall success of the value chains built across the businesses, a process that is primarily driven by technology and demand. Convergence in Service, Network will drive the Telecom value chains through capacity, coverage, quality and Corporate Convergence will activate consolidations, mergers, acquisitions, or collaborations among the operators.

**Entry into GSM:** During the year under review, Reliance reached a historic landmark with launch of GSM services in 14 telecom circles in addition to operating in existing 8 circles.

**Dual Technology:** While offering dual technology CDMA and GSM services, Reliance will also benefit from the massive network execution already completed in CDMA. This will enable the Company to offer highly attractive tariffs and products, leveraging the available capacity and provide multiple choices to subscribers.

**Passive Infrastructure:** The expected technology rollouts in this year are driven by 2G, 3G and WiMAX needs of the new and existing mobile operators as well as for the ISP operators. This translate into the current demand of over 300,000 slots to more than double to 700,000 slots in the next couple of years for passive infrastructure as well as other telecom infrastructure range of services. Our next generation infrastructure is favorably positioned to capture this opportunity.

Unique Positions in India

- We currently have tower sites in each of India's 22 circles and 48,000 telecommunication towers as on 31st March, 2009.
- Current average age of our telecommunication towers is 2 years.
- All of our existing telecommunication towers have the capacities to host multiple wireless service providers as tenants, which is unique capability of our infrastructure sharing business model.
- Our multi-tenancy tower infrastructure has average capability to host 4 tenants on our towers. As on 31st March, 2009, we had the captive tenancy of 1.6, which puts us in unique position in the industry to offer more capacity/tenancy to the 3<sup>rd</sup> party operators (existing and new) in the B2B space.

**R World Content**: Our Reliance Mobile World (R World) is a virtual one-stop-shop for entertainment, communication, gaming and m-commerce. Thanks to the wide range of applications, it has endeared itself to users from all walks of life. Reliance Mobile World has over hundreds of useful applications and over 200,000 content titles which include Mobile TV, videos, cricket updates, music, ringtones, phonebook transfer and back-up service, mcommerce services like Mobile Banking, bill payments, mobile email and instant messenger, city and TV guides, booking gas cylinders, tracking Speed Post, Airlines and Railway reservations, examination results and much more.

**RTech:** RTech is poised to provide end-to-end ITes and management capabilities across the entire ICT value chain to the Group companies while continuing to provide services to various RCOM Business Units. RTech also offers fast track managed IT solutions for new telecom operators for market entry. The unique and competitive edge of RTech is the unique project management

capabilities, ability to infuse enormous domain and operational experience with technology and customer focus and operational transparency.

# Association with Bollywood and Cricket thereby attracting youth:

The association with ICC and other Cricket tournaments, and also with leading Bollywood events have made the Company and its brand much sought after by the youth segment. This will enable the Company to increase its business in this highly profitable and growing market segment.

#### Retail

The Company has one of the most extensive distribution and service networks amongst all telecom players in India, consisting of nearly 2,300 Reliance World and Reliance Mobile Stores throughout India equipped to sell wireless handsets and service packages, customer service centers with multilingual capabilities that have over 6,000 agents. In addition, nearly a million retail outlets sell recharges (of which approximately 90 per cent are electronic recharge enabled). The Company also has alliance with 14,000 ATMs for electronic recharge.

Our 24 x 7 arrangement for contact center facility provides full

customer care interface and redressal measures.

# Challenges

# Entry of many new competitors

The year 2008 – 09 saw the entry of several new players in the mobile industry. It is also possible that some of the players who have acquired license recently and have tie-ups with leading international service providers will enter the wireless market. These events will intensify competition and may lead to pressure on tariff. The Company is uniquely positioned to meet the situation with its superior and world class network roll-out and expansion plans.

# Entry of Mobile Virtual Network Operator (MVNO) / Brand franchisees

It is possible that the Government may progressively relax MVNO norms, and more players may access to Indian markets through this route. These operators may put pressure on tariffs.

en de andre de station

#### Risks and concerns

- Some of the licences are subject to regulatory compliance under the Terms and conditions of licences grant over different part of World. The rules and regulations, issued by the respective government and regulatory authorities, having jurisdiction over the Company's operations and licenses, schedules and obligations require it to meet specified conditions, network build-out requirements. However, the Company does not perceive any default on this account.
- Mobile Number Portability (MNP) mandated by DoT expects to implement number portability in a phased manner, starting with all the 'Metro' and 'A' category circles. This move is bound to be beneficial for congestion free new networks as they can use aggressive pricing strategies to lure existing subscribers.
- Rapid technological changes may increase competition and render the Company's technologies, products or services obsolete. We are at present using the latest technology and do not foresee obsolescence at present.
- The telecommunication services industry is capital intensive. Capital Expenditure (CAPEX) on adaptation to latest

technology may put pressures on deliverables. However, the Company is constantly assessing such changes in the technologies and taking immediate action through timely CAPEX programs.

- The Company may be adversely affected by changes in tariff structures for services subjected to government and regulator mandated regulations prevailing in the areas of services.
- 6. The Company faces significant and intense competition in its markets, which could aggravate with entry of new licensees that may result in decreases in current and potential customers, revenues and profitability.
- 7. We are subject to market risks primarily from changes in interest rates and foreign currency exchange rates. In managing exposure to these fluctuations, we may engage in various hedging transactions that have been authorized according to documented internal policies and procedures.

#### Financial Performance - Overview

#### **Results of operations**

The Audited Consolidated Financial Results are given for the Financial year ended on 31st March, 2009. This is the third reporting year of consolidated operations of the Company;

#### Revenues and operating expenses

The Company on consolidated basis earned total revenues of Rs 22,948.46 crore (US\$ 4,524.54 million) and the net profit after tax recorded by the Company was Rs 6,044.93 crore (US\$ 1,191.83 million). The Company incurred total operating expenses of Rs 13,643.52 crore (US\$ 2,689.97 million).

#### Operating profit before finance charges, depreciation and amortisation, exceptional items and provision against fixed assets (EBITDA).

The Company earned EBITDA of Rs. 9,304.94 crore (US\$ 1,834.57 million). The EBITDA margin for the year under review is 40.55%.

#### Depreciation and amortisation

Total of such charges was Rs 3,607.70 crore (US\$ 711.30 million).

#### Profit before tax

The profit before tax was Rs 6,196.72 crore (US\$ 1,221.75 million). The provision for taxes was a gain of Rs 51.79 crore (US\$ 10.21 million). The net profit after tax was Rs. 6,044.93 crore (US\$ 1,191.83 million).

#### **Balance sheet**

As at 31st March, 2009, the Company had total assets of Rs 102,207 crore (US\$ 20,151.22 million). Stakeholders equity was Rs 42,280.32 crore (US\$ 8,336.03 million), while net debt (excluding cash and cash equivalents) was Rs 22,578.25 crore (US\$ 4,451.55 million), giving a net debt to equity ratio of 0.53 times.

# Segment Wise Performance

1. Wireless Segment

#### Customer acquisition

During the year the Company added 26.88 million wireless customers (net additions). The customer base grew by 58.70% during the year under review. As at 31st March, 2009, the Company had 72.67 million wireless customers on its network. During the year under review, the Company

reached out aggressively to rural areas on the back of a major network expansion that contributed to the Company's strong customer acquisition.

#### **Revenues** and profit

Revenues for the financial year ended 31st March, 2009 were Rs. 17,367.63 crore (US\$ 3,424.22 million). EBITDA during the year was Rs. 6,673.95 crore (US\$ 1,315.84 million). Earning before Interest and Tax (EBIT) during the year was Rs. 4,279.21 crore (US\$ 843.69 million).

#### 2. Global Segment

#### Minutes of use ILD and NLD operations

Operations in ILD and NLD maintained consistent traffic growth rates, in-line with the growth of the overall market. ILD minutes of use annually were around 7.6 billion. NLD minutes of use annually were around 32 billion. The Company maintained its leadership position for ILD inbound India traffic with a market share of around 30%. During the year. Reliance Global Call maintained over 2.2 million international customers. Reliance India Call continued to be the largest retail service with over 40% market share in the U.S.A. for India Calling.

#### Revenues and profit

Revenues for the financial year ended 31st March, 2009 were Rs. 6,790.94 crore (US\$ 1,338.91 million). EBITDA during the year was Rs. 1,624.71 crore (US\$ 320.33 million). Earning before Interest and Tax (EBIT) during the year was Rs. 855.66 crore (US\$ 168.70 million).

#### 3: CEnterprise Broadband Segment

We maintained our position as premium integrated solutions provider for Top Corporate in the Broadband segment. Our Enterprise Broadband business maintained its leadership in Centrex, Virtual Private Network and International Data Centre products.

The Company's Enterprise Broadband segment continued to maintain its growth path and gained significantly during the year even in the midst of aggressive competition in the data and voice segments, and especially in the internet bandwidth segment, from many other telecom service providers. Of a

Current portfolio of more than 41 products, our Enterprise Broadband business has not only positioned larger number of products within the top corporate but also increased its share of wallet.

New products launched during the year included Reverse ITFS, Managed WAN, EWAN, Global MPLS, and Global Ethernet etc.

Broadband's innovative services assurance model of "TechCheck" continued to gain further impetus during the year 2008–09 in providing pro-active feedback to its subscribers on the service levels provided by the Company. Customers have rated Broadband Products and Services at a high customer satisfaction and delight rating. The CSAT (Customer Satisfaction) Score increased steadily, as Sample Customers were out called.

Broadband's Business IT Systems are ISO 27001:2005 Certified (an Information Security Management System Standard).

#### the second s

#### Wireline

Our Optical Fiber Cable network of 190,000+ route-km supports seamless last mile Broadband connectivity.

And the second second

Our Broadband Access network is one of the largest networks in the world, having approx. 33,000+ nodes currently and additional 17,000+ nodes will be added in 2009–2010.

#### **Customer Base**

Customer acquisition kept momentum with the increase in network coverage during the year. Net additions during the year grew by more than 34%. During the year, the Company has acquired close to 354,000 customers taking the total customer base to 1.4 million.

As the Company's Broadband business is currently serving mainly enterprises, the revenue per line reflects the total portfolio of services and solutions being delivered to its customers. Our revenue per line has remained well above industry averages, on account of our mainly enterprise customer base and our successful cross-sell of services to our customers.

#### Revenues and profit

Revenues for the financial year ended 31st March, 2009 were Rs 2,524.27 crore (US\$ 497.69 million). EBITDA during the year was Rs 1,157.51 crore (US\$ 228.22 million). Earning before Interest and Tax (EBIT) during the year was Rs 815 crore (US\$ 160.69 million).

#### Reliance Communications Infrastructure Limited (RCIL)

We provide Internet Data Centre (IDC) services (Reliance Data Centre) owned by RCIL, a wholly owned subsidiary, from our IDCs located in Mumbai and Bangalore. We currently have IDC capacity of 304,000 sq ft. We are market leaders within the space having an estimated market share of close to 60%.

The Infrastructure facilities of RCIL are interlaced and integrated with wireless network of the Company. With a view to gain synergy in the business operations, the Balance portion of Network Fibre undertaking together with construction machinery was transferred to the Company during the year.

The Treasury division of RCIL was demerged and vested into Reliance Telecom Limited in terms of Scheme of Arrangement between these companies vide Order dated 19th June, 2009 approved by Hon'ble High Court, Bombay, effective from 26th June, 2009.

#### Operations

#### **Revenues and operating expenses**

RCIL earned total revenues of Rs 4,096.03 crore (US\$ 807.58 million) during the year as compared to Rs 3,622.69 crore (US\$ 905,22 million) for the previous year. RCIL incurred total operating expenses of Rs 3,416.16 crore (US\$ 673.53 million) as compared to Rs 3,315.22 crore (US\$ 828.39 million).

#### Net Profit

The net profit after tax recorded by RCIL was Rs 266.18 crore (US\$ 52.48 million) as compared to profit of Rs 621.26 crore (US\$ 155.24 million) in the previous year.

#### **Balance Sheet**

Balance sheet as at 31st March, 2009, RCIL had total assets (net) of Rs 3,478.11 crore (US\$ 685.75 million). Shareholders' fund was Rs 2,949.25 crore (US\$ 581.48 million).

#### Reliance Telecom Limited (RTL)

-RTL is a wholly owned subsidiary of the Company. RTL operates in Madhya Pradesh, West Bengal, Himachal Pradesh, Orissa, Bihar, Assam, Kolkata and Northeast offering GSM services.

The Treasury division of RCIL was demerged and vested into RTL in terms of Scheme of Arrangement between these companies vide Order dated 19th June, 2009 approved by Hon'ble High Court, Bombay, effective from 26th June, 2009.

#### Operations

During the year under review, RTL completed a major network expansion increasing its coverage significantly in the eastern region. RTL revolutionized the Lifetime proposition by pricing it at Rs 222, which was a key driver in its acquisition strategy.

#### Revenues and operating expenses

RTL earned total revenues of Rs 2.050.83 crore (US\$ 404.34 million) during the year as compared to Rs. 1.361.95 crore (US\$ 340.32 million) in the previous year. The RTL incurred total operating expenses of Rs 1.507.67 crore (US\$ 297.25 million) as compared to Rs 1.079.46 crore (US\$ 269.73 million) in the previous year.

#### Net Loss

The net loss recorded by RTL was Rs 174.29 crore (US\$-34.36 million) as compared to net profit after tax of Rs 46.82 crore (US\$ 11.70 million) in the previous year.

n den der

uu a wexie i merañ wet det

Balance Sheets, the east wardful bette an Beautic contents of

As at 31st March, 2009, RTL had total assets (net) of Rs 10,270.40 crore (US\$ 2,024.92 million). Shareholders' fund was Rs 280 crore (US\$ 55.21 million).

#### Infrastructure

### Reliance Infratel Limited (RITL)

RITL's business is to build, own and operate telecommunication towers, optic fiber cable assets and related assets at designated sites and to provide these passive telecommunication infrastructure assets on a shared basis to wireless service providers and other communications service providers under long-term contracts. These customers use the space on our telecommunication towers to install their active communication-related equipment to operate their wireless communications networks. The customers can also use our optic fiber network to connect the sites to the core network and the connectivity between circles.

We have successfully carried out a huge project of commissioning over 30,000 towers in the last year and a half to build a portfolio of 48,000 multi-tenancy towers. In the last six months, we have used the towers for both our CDMA and GSM technology based services as a part of our strategy to provide dual services on a pan India basis. We have commissioned these towers with multi tenancy capabilities and they would have the capacity of over 200,000 slots, the most extensive compared to any other telecom infrastructure provider. We are capable of adding tenancy capability at marginal cost on demand.

#### Revenues and operating expenses

RITL earned total revenues of Rs 4,934 crore (US\$ 972.79 million) during the year as compared to Rs 1,457.62 crore (US\$ 364.22 million) for the previous year. The Company incurred total operating expenses of Rs 1,553.79 crore (US\$ 306.35 million) as compared to Rs 782.06 crore (US\$ 195.42 million) in the previous year.

#### Net Profit

The net profit after tax recorded by RITL was Rs 1,685.72 crore (US\$ 332.36 million) as compared to Rs 320.58 crore (US\$ 80.10 million) in the previous year.

#### **Balance Sheet**

As at 31st March, 2009, RITL had total assets (net) of Rs 19,198,08 crore (US\$ 3,785.11 million). Shareholders' fund was Rs 4,036.79 crore (US\$ 795.90 million).

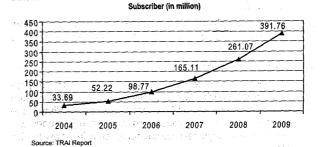

#### Outlook

#### Wireless Business

The tele density in rural India is less than 15% as on 31st March, 2009. Opportunities galore in rural sectors for us to tap this potential. Rural wireless subscriber base continued to register growth. In the quarter ended March 2009, rural subscriber base increased to 109.71 million, registering a growth of 17.7 percent over the previous Quarter. We have swiftly moved towards rural capacity expansion and coverage to tap this potential, leveraging our robust nationwide Network.

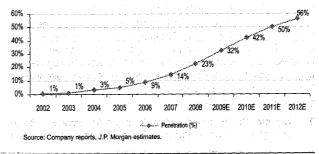

Indian telecom industry continues to maintain high growth trajectory. Overall tele-density for the quarter ended March 2009 reached 36.9 per cent. The subscriber base for wireless services has increased to 391.76 million as on 31st March, 2009.

The Telecom sector provides tremendous growth potential for us. The trend in subscriber base growth and the projections using the past trend shows an even bigger opportunity left behind for us to tap. The performance indicator data as on quarter ending March, 2009 as released by annual report published by TRAI are given below:

The penetration of mobile services in India continues to be one of the lowest in the world. The overall tele-density in India stood at 36.9 per cent at the end of March 2009, while the wireless penetration was at 33.7 per cent. This shows that there is tremendous potential for future growth, especially considering that most international developed markets have close to 100 per cent penetration and most comparable developing markets currently have penetration levels of 60 per cent – 70 per cent.

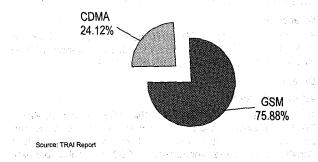

#### Wireless Penetration

# **Reliance Communications Limited**

#### Management Discussion and Analysis

We are the only nationwide operator in private sector to provide best of the two Technologies that is CDMA and GSM. The industry structure for telecom as released by TRAI for the quarter ended March, 2009 is shown below:

Tariffs in India are among the lowest in the world, with the main players operating on low margins, constantly manoeuvring products, pricing pressure to continue with the entry of new operators, however revenues are expected to get boosted due to strong monthly additions in subscriber base and increasing revenues from VAS.

#### **Industry Trends**

#### 1. Sustained High Growth

India has been the fastest growing telecom market in the world in the past year passing China in the total number of new subscriber additions. This explosive growth phase is expected to last for a few years before growth starts leveling off.

#### 2. 3G and WiMax Roll-out

With 3G and WiMax (BWA) spectrum auctions on the horizon, there is a great potential for the take-off of data access and broadband services.

#### 3. Enabling Competition

Competition has received a great thrust with a host of procompetition policies like the changes to the 2G spectrum allocation criteria and IUC reduction. This has facilitated the entry of many new networks, both from green field operators as well as from regional incumbents entering into new service areas.

#### 4. Infrastructure sharing

Greater potential for tower sharing / outsourcing model with the entry of new telecom players into India.

#### **Global Business**

We are proud to be one among the top Global IP Network carrier companies, in the private sector, having a portfolio of many Fortune 1,000 multinational corporations. We have richly invested in increasing Data Center capacities, which provide unmatched data rich applications and business solutions in real time.

We believe that our strategy to leverage our global terabit network together with leadership in Enterprise solutions is delivering a compelling value proposition to our global enterprise and carrier customers. Our customers are endorsing our strategy through repeat and new business wins. Going forward, we expect continued growth in every segment of Reliance Globalcom's business.

To specify a few initiatives:

 Expand global terabit network to provide connectivity to emerging economies including India. Middle East and China Our Next Generation cable named Hawk in the Mediterranean between Middle East and Europe is on track for completion. We will be only the only private service with a multi-terabit capacity from India to Europe at unmatched cost advantage to consortium-owned and other private systems.

 Win lucrative enterprise markets in the US and Europe looking for increased connectivity to emerging markets

We expect continued wins in the highly complex but extremely large and lucrative enterprise space in the U.S. and Europe which is over Rs 160,000 crores market for VPN and Ethernet solutions business.

3. Expand and leverage existing leadership in NLD network to capture strong demand for bandwidth and infrastructure

Our expansive network, almost twice as large as next largest private operator, makes us the most preferred private NLD carriage provider in India. There is strong demand for NLD bandwidth and infrastructure from most operators and we are well positioned to cater to this demand.

4. Expand Global Voice offerings We have been actively scanning to identify high-value addressable markets wherein we can launch products in Voice segment to take up leadership position. A major initiative in this direction is our foray into the global Audio Conferencing market. We expect to leverage our 1,500 enterprise customer base outside India and our global voice leadership to grab a fair share of this business.

#### Enterprise Broadband and Internet Data Centers (IDC)

Corporate broadband services demand is related to increasing ITled automation to improve productivity and operational excellence in all sectors of business and economy, particularly in the services sectors like Financial / Business Process Outsource /Knowledge Process Outsource services. These are remarkable growth sectors with stringent requirements on high Quality of Service and Service Level Agreements parameters. Our growth is expected to be multifaceted in all the three segments of the market: top corporate, Small Medium Business (SMB) as well consumer broadband. All the three are severely under served today.

Even in the SMB segment, the penetration levels are still relatively low today and there is a large scope of opportunity for offering broadband services. With the present low penetration of broadband in India, better growth is expected in near future. Yet another area of growth is the International Data Services like IPLC, Managed VPN services and IDC services.

The expansion of residential broadband will primarily be dependent on Network roll out and the expansion will be linear. With the present low penetration of broadband in India, large growth is expected.

One of the Enterprise product One Office Duo (OOD) offers unmatched benefits to the customers by giving them more convenience and higher efficiencies in managing their voice spend. The customers that till recently were not keen to churn their voice connectivity due to the pains of number change and other reasons are now more than keen to hear our OOD pitch. Through OOD, customers are able to reduce their Voice Spend by up to 15%-20%. Some of major customers in the Banking and White goods industry have even gone on record describing the value that we have added through OOD. Though OOD will continue to remain integral to Enterprise sales strategy, similar USPs around other product offerings are also being developed.

### **Reliance Communications Limited**

#### Management Discussion and Analysis

With new IDCs coming up the leadership will not only be maintained but the share of the IDC business will be substantially increased. This will also help to up selling other products and thus increasing the share of wallet of the Enterprise customers. The current economic conditions have forced our customers to defer some of their data center requirements temporarily but coming quarters are sure to see a uptrend in this business.

#### Telecom Infrastructure

We are leveraging our extensive capability to offer a wide range of services as an integrated service provider across the whole infrastructure value chain. Our aim is to provide a fast track solution to our clients, existing telecom operators as well as new companies for market entry and for ongoing expansion as per their rollout requirement.

We are well-positioned vis-à-vis other infrastructure providers with better quality tower infrastructure, carriage and transport infrastructure along with the unified approach as an integrated service provider.

RITL has passive infrastructure network in all 22 telecom service areas covering 24,000 towns and 600,000 villages, an effort that cannot be easily replicated.

RITL is best positioned to attract tenants for:

- High quality portfolio, capable of housing 4 tenants
- With marginal Capex, tower tenant capacity of 4 can be enhanced up to 7 tenants.

#### Home/DTH Business

Reliance Big TV's DTH Services with advanced MPEG4 technology platform and iNTERACTIVE applications offer a world of exclusive portfolio with rich features at the touch of a button on the remote.

ISTOCK is the latest in a bouquet of growing interactive applications under its iNTERACTIVE services which include sporting action ISPORTS, games application IGAMES, daily astro feature IASTRO, recipe-rich ICOOKING and INEWS with the latest news updates.

#### Years Ahead

The global financial & economic crisis which started in the second half of fiscal year 2009 also affected India to some extent is largely behind us. Our track record has demonstrated our ability to turn the adversity into opportunities.

We are very well positioned to capitalise on growth opportunities in the converged telecom market supported by our integrated telecom infrastructure and strong focus on quality of services.

We build our strength and leadership, which is supported by:

- Upgradation and expansion of network, unleashing its power of state-of-the-art, latest technology;
- Reaching out to tap rural markets;
- Our commitment to stay ahead of Customer requirements;
- International presence with owned submarine cable network and gateways;
- Introducing innovative products and services with unmatched multiple choices across cutting edge technologies;
- Track record of strong Growth and fast track execution;
- Optimisation of resources;

• Enriched human resources and strong focus on building human capital:

#### Adequacy of internal control

The Company has built adequate systems of internal controls towards achieving efficiency and effectiveness in operations, optimum utilisation of resources, and effective monitoring thereof as well as compliance with all applicable laws.

The internal control mechanism comprises a well-defined organisation structure, documented policy guidelines, predetermined authority levels and processes commensurate with the level of responsibility.

The Management Audit Team undertakes extensive checks and reviews through external firms of chartered accountants, who provide independent and professional observations. Audit Committee of the Board reviews major internal audit reports and periodically reviews the adequacy of internal controls.

#### **Risk Management Framework**

The Company has instituted self governed Risk Management framework comprising of identification of potential risk areas, evaluation of intensity, mitigation plans and procedures for the risk management and policies formulated both at the enterprise and at the operating levels.

The framework seeks to facilitate building a common understanding of the exposure to the various risks and uncertainties at an early stage, for timely response and their effective mitigation. Audit Committee of the Board reviews risk management framework periodically.

#### Human resource and employees relations

The year 2008-09 has been encouraging year for the employees. There have been several people initiatives which have been introduced for enhancing people productivity, morale and motivation.

The Organisation structure of the businesses was revisited for higher customer delivery, efficiency, productivity and improved cost. This facilitated the internal movement, development and growth for the employees. Performing employees with higher management bandwidth were considered for key management positions in the Organisation.

The Performance Management System was strengthened and fully automated; with the introduction of Quarterly Appraisal System. This was also linked with the Training and Development system and hence an integrated training and development calendar was rolled out. This has facilitated in competency and capability building with a large number of functional and behavioral programs.

The existing HR Policies were revisited with a view to make more employees friendly, transparent and objective and in line with the Industry standards. These Policies and the other HR processes have been automated for employee convenience and ease of administration.

In order to empower our Line Managers, HR Delegation Matrix around recruitment, retention, etc. was rolled out for higher accountability as well as speedier resolution of issues.

E People Solution – an employee portal was launched for redressing employee queries and grievances in a time bound manner with service level agreements.

During the year Company was successfully able to meet the manpower requirements emerging from our expanding business. The manpower as on 31st March, 2009 was 37,150 across all business.

#### Information technology

The Company's continued focus on Information Technology (IT) is demonstrated by our initiative to bring 'siloed' IT teams into a single profit centre with more than 13,400 person-years of rich experience across various domains. Almost 25% of our IT team has over ten years of experience.

During the year, we achieved a remarkable improvement in the key performance indicators measuring efficiency, responsiveness and innovation. We delivered significant reduction in costs and unmatched business flexibility and value through the use of common IT architecture and systems across various lines of business.

Our IT systems and processes converge across CDMA and GSM technologies providing a seamless customer experience. Everyday, we support more than five million transactions of over 12,000 of our field and contact center employees.

We have built on reusable and scalable components that can support over 100 million customers. Our delivery and operational processes are now certified and bench-marked against global standards of CMMI Level 3 and ISO 20000, a unique achievement for any telecom operator's insourced IT operations.

Reliance Technology Innovation Centre (RTIC), our technology arm, has replicated Reliance Communications' network on a reduced scale. Using this laboratory model, RTIC evaluates multiple vendor equipment, provides development support to vendors and to our internal teams, audits our systems to enable a smooth deployment of new equipment and certifies it prior to its commercial deployment.

Going forward, our information technology initiatives will focus on:

- Widespread implementation of 'green computing' principles to reduce energy consumption, optimize existing systems and evaluate environmental attributes of new IT equipment.
- Enhancing all back office (HR, supply chain, finance) and business continuity/risk management operations and processes.

Our initiatives to use information technology for enabling and enhancing business value have received extensive recognition, leading to several accolades including Information Week's Global CIO 50 Award, Network Computing EDGE Award, CIO 100 Award for the third year in a row, SAP ACE Award for Customer Excellence in Telecom for the second consecutive year, IDC Enterprise Innovation Award (APAC Region), PC Best IT Implementation Award (finalist), NASSCOM IT User Award (finalist), CMAI's National Telecom Awards, CIOL's Enterprise Connect Award, Polycom Intelligent Enterprise Awards (finalist). We are also the sole representative of the Indian telecom industry on the Boards of the Tele Management Forum and the Mobile Marketing Association.

#### Corporate social responsibility

The Reliance ADA Group strives for sustainability and maintains the eco-balance in the area of its operations. Taking forward this motto, in the year gone by, we had implemented and initiated several programs to attain this objective.

RCOM jointly with Reliance ADA Group initiated the following:

- E-learning internet literacy programs across varying age groups and communities, school children from underserved strata's of society from more than 200 government schools across 40 cities and towns.
- Awareness program on Voluntary Blood Donation campaign among RADAG employees came together to contribute more than 11,000 units of blood in the last one year.
- Socially relevant text messages were sent to over 100 million customers across the length and breadth of the country on issues covering "Save the girl child, Promoting voluntary blood donation, Women empowerment ".
- Collaboration with One Laptop Per Child Foundation for creating an eco-system, including leading edge technology and infrastructure, to help children discover the joy of learning and bringing the benefits of education to all.

en varien

Reliance Communications Limited has maintained the highest standards of corporate governance principles and best practices by adopting the "Reliance Anil Dhirubhai Ambani Group -Corporate Governance Policies and Code of Conduct" as is the norm for all constituent companies in the group. These Policies and Code prescribe a set of systems, processes and principles, which conform to the best international standards and are reviewed periodically to ensure their continuing relevance, effectiveness and responsiveness to the needs of investors both local and global and all other stakeholders,

The Company's philosophy on Corporate Governance envisages the attainment of the highest levels of transparency, accountability and equity, in all facets of its operations and in all interactions with its stakeholders, including shareholders, employees, the government, lenders and the society. The Company believes that all its operations and actions must serve the underlying goal of enhancing long-term shareholder value. In our commitment to practice sound governance principles, we are guided by the following core principles:

#### 1. Transparency

To maintain the highest standards of transparency in all aspects of our interactions and dealings.

#### 2. Disclosure

To ensure timely dissemination of all price sensitive information and matters of interest to our stakeholders.

#### 3. Empowerment and accountability

To demonstrate the highest levels of personal accountability and to ensure that employees consistently pursue excellence in everything they do.

#### 4. Compliance

To comply with all the laws, rules and regulations applicable to the Company.

#### 5. Ethical conduct

To conduct the affairs of the Company in an ethical manner.

#### 6. Stakeholders' interest

To promote the interests of all stakeholders including customers, shareholders, employees, lenders, vendors and the community.

#### Governance practices beyond regulatory requirements

Our governance practices go beyond the mere letter of statutory and regulatory requirements. With this in mind, we have formulated a number of policy documents and introduced the following set of governance practices:

#### A. Values and commitments

We have set out and adopted a policy document on 'values and commitments' of Reliance Communications. We believe that any business conduct can be ethical only when it rests on the nine core values of honesty, integrity, respect, fairness, purposefulness, trust, responsibility, citizenship and caring.

#### B. Code of ethics

Our policy document on 'code of ethics' demands that our employees conduct the business with impeccable integrity and by excluding any consideration of personal profit or advantage.

#### C. Business policy

Our "business policies" cover a comprehensive range of issues such as fair market practices, inside information, financial records and accounting integrity, external communication, work ethics, personal conduct, policy on prevention of sexual harassment, health, safety, environment and quality.

# D. Separation of the Board's supervisory role from the executive management

In line with the best global practices, we have adopted the policy of separating the Board's supervisory role from the executive management. We have also split the posts of Chairman and CEO.

#### E. Prohibition of insider trading policy

This document contains the policy on prohibiting trading in the equity shares of the Company, based on insider or privileged information.

#### F. Prevention of sexual harassment

Our policy on Prevention of sexual harassment aims at promoting a productive work environment and protects individual rights against sexual harassment.

#### G. Whistle blower policy

Our Whistle Blower policy encourages disclosure in good faith of any wrongful conduct on a matter of general concern and protects the whistle blower from any adverse personnel action.

#### H. Environment policy

The Company is committed to achieving excellence in environmental performance, preservation and promotion of clean environment are the fundamental concern in all our business activities.

#### I. Risk management

Our risk management procedures ensure that the management controls various business related risks through means of a properly defined framework.

#### J. Boardroom practices

#### i. Chairman

In line with the highest global standards of corporate governance, the Board has separated the Chairman's role from that of an executive in managing day-to-day business affairs.

#### ii. Board charter

The Board of Directors has adopted a comprehensive charter, which sets out clear and transparent guidelines on matters relating to the composition of the board, the scope and function of various board committees, etc.

#### iii. Board committees

The Board constituted Audit Committee, Nomination/ Remuneration Committee and Shareholders/ Investors Grievances Committee. The Board rotates the Chairman of these Committees once in two years.

#### iv. Tenure of independent directors

Tenure of independent directors on the board of the Company shall not exceed nine years, subject to their re-appointment on retirement by rotation as per statutory provisions.

#### v. Independent director's interaction with shareholders

Member(s) of the Shareholders' / Investors' Grievances Committee interact with shareholders on their suggestions and queries, if any, which are forwarded to the Company Secretary.

## Investor Information

Shareholders/Investors are requested to forward share transfer documents, dematerialisation requests (through their respective Depository Participant) and other related correspondence directly to M/s. Karvy Computershare Private Limited at the above address for speedy response.

## Dividend announcement

The Board of Directors of the Company has paid Interim dividend of Re. 0.80 per Equity Share of Rs.5 each i.e. 16% for the financial year ended 31st March, 2009. The Board has proposed to confirm said Interim Dividend as final dividend.

## Book closure dates for the purpose of AGM

The Register of Members and Share Transfer Books of the Company will remain closed from Friday, the 18th September, 2009 to Tuesday, 22nd September, 2009 (both days inclusive) for the purpose of AGM.

#### Dividend payment for the year 2008-09

The Company has paid interim dividend of Re.0.80 per equity share of Rs.5/- each on 6th August, 2009 and same is to be treated as final dividend.

## Unclaimed dividend

Dividend for the financial year ended 31st March, 2007 declared on 17th July, 2007, which remain unpaid or unclaimed for a period of 7 years (upto 16th August, 2014) and financial year ended 31st March, 2008 declared on 30th September, 2008, which remain unpaid or unclaimed for a period of 7 years (upto 29th October, 2015) will be transferred by the Company to Investor Education and Protection Fund (IEPF). Members who have not so far encashed dividend warrant for the aforesaid years are requested to seek issue of duplicate warrant by writing to the Company's Registrar and Transfer Agent, M/s. Karvy Computershare Private Limited, immediately. Members are requested to note that no claims shall lie against the Company or the IEPF in respect of any amounts which were unclaimed and unpaid for a period of seven years from the date that it first became due for payment and no payment shall be made in respect of any such claim.

## Direct deposit of dividend (electronic clearing service)

Members desirous of receiving dividend by direct electronic deposit to their bank account may authorise the Company with their mandate. For details, kindly write to the Registrar and Transfer Agent at the address mentioned above or you may visit the Investor Relations Section at our website: www.rcom.co.in.

#### Bank details for physical shareholdings

In order to provide protection against fraudulent encashment of dividend warrants, Members are requested to provide, if not provided earlier, their bank account numbers, bank account type, names and addresses of bank branches, quoting folio numbers, to the Registrar and Transfer Agent of the Company to enable them to incorporate the same on their dividend warrants. This is a mandatory requirement in terms of Securities and Exchange Board of India (SEBI) circular No. No.D&CC/FITTC/CIR-04/2001 dated 13th November, 2001.

#### Bank details for electronic shareholdings

While opening Accounts with Depository Participants (DPs), you may have given your Bank Accounts details, which will be used by the Company for printing on dividend warrants for remittance of dividend. SEBI vide its circular No. DCC/FITTCIR-3/2001 dated 15th October, 2001 has advised that all companies should mandatorily use Electronic Clearing Service (ECS) facility, wherever available. SEBI has also, vide its circular dated 13th November, 2001 referred to above, advised companies to mandatorily print the Bank Account details furnished by the Depositories, on the

dividend warrants. This ensures that the dividend warrants, even if lost or stolen, cannot be used for any purpose other than for depositing the monies in the Account specified on the dividend warrants and ensures safety for the investors. However, members who wish to receive dividend in an Account other than the one specified while opening the Depository Account, may notify their DPs about any change in Bank Account Details. Members are requested to furnish complete details of their Bank Accounts including MICR codes of their Banks to their DPs.

## Nomination facility

Individual shareholders holding physical shares can nominate any person/s for the shares held by them. This will save the nominee from going through the lengthy process of getting the shares later on transmitted to his/her name. For further details, shareholders may write to the Registrar and Share Transfer Agent of the Company or visit the Investor Relations section at our website : www.rcom.co.in.

#### Share transfer system

Shareholders / Investors are requested to send share transfer related documents directly to our Registrar and Transfer Agent whose address is given elsewhere in this report. The Board has delegated powers to the executives of the Company and RTA to approve transfers/transmission / dematerialisation / rematerialisation. If the transfer documents are in order, the transfer of shares is registered within 7 days of receipt of transfer documents by our RTA.

## Odd lot shares scheme for small shareholders

In view of the difficulty experienced by the shareholders of the Company in selling their odd lot shares in the stock market and to mitigate the hardships caused to them. Reliance Anil Dhirubhai Ambani Group has framed a scheme for the purchase and disposal of odd lot equity shares at the prevailing market price. The scheme has been launched and is available to the shareholders of Reliance Communications Limited, who hold upto 49 shares in physical form. The shareholders who wish to avail the above facility can contact the Registrar and Transfer Agent of the Company.

Auditors' Report on Abridged Accounts

#### То

the Members of Reliance Communications Limited

We have examined the attached abridged Balance Sheet of Reliance Communications Limited ('the Company'), as at 31\* March 2009 and also the abridged Profit and Loss account and abridged Cash flow statement for the year ended on that date annexed thereto, together with the significant accounting policies and notes thereon. These abridged financial statements have been prepared by the Company pursuant to Rule 7A of the Companies (Central Government's) General Rules and Forms, 1956 and are based on the audited accounts of the Company for the year ended 31\* March 2009 prepared in accordance with the provisions of

### Auditors' Report

#### То

## The Members of

## **Reliance Communications Limited**

1 We have audited the attached Balance Sheet of Reliance Communications Limited ('the Company') as at 31 March 2009 and also the Profit and Loss Account and the Cash flow statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

esveres ybs

Govarmess (p. en

- 2 We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides
- a reasonable basis for our opinion.
- 3 As required by the Companies (Auditor's Report) Order, 2003 ('the Order') issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956 ('the Act'), we enclose in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the said Order.

4 (a) Without qualifying our report, we draw attention to the fact that the Company has, pending filing of the Scheme of Arrangement ("the scheme") sanctioned by the Hon'ble High Court of Judicature at Mumbai, as required under section 394(3) of the Companies Act, 1956 with the Registrar of Companies (RoC), given effect to the scheme with its subsidiary Reliance Infratel Limited in the financial statement as detailed in note 5(ii) in schedule Q. The Company has represented that it is reasonably certain that the scheme, post completion of the procedural formality, will be filed with the RoC in

due course.

(b) Without qualifying our report, we draw attention to the fact that pursuant to the scheme of arrangement as approved by the Hon'ble High Court of Judicature at Mumbai, the Company has withdrawn from General Reserve III and credited to the Profit and Loss Account Rs 4,464.57 crores in respect of loss on account of

ాణ

Section 211 of the Companies Act, 1956 and covered by our report of even date to the members of the Company, which is attached hereto.

change in foreign exchange rate relating to loans/ liabilities. Refer note 5(ii) in schedule Q.

- 5. Further to our comments in the Annexure referred to in the paragraph 3 above, we report that:
  - (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - (c) the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) in our opinion, the Balance Sheet, Profit and Loss Account
- and Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956;
  - (e) on the basis of written representations received from the directors of the Company as at 31<sup>st</sup> March 2009 and taken on record by the Board of Directors, we report that none of the directors is disqualified as at 31 March 2009 from being appointed as a director of the Company under clause (g) of sub-section (1) of Section 274 of the Companies Act. 1956; and
  - (f) in our opinion, and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31 March 2009;
  - (ii) in the case of the Profit and Loss Account, of the profit of the Company for the year ended on that date; and
  - (iii) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

## Annexure to the Auditors' Report - 31 March 2009

With reference to the Annexure referred to in the Auditors' Report to the Members of Reliance Communications Limited ('the Company') on the financial statements for the year ended 31 March 2009, we report the following:

- (a) The Company is in the process of updating its fixed asset register for certain additions made during the year and to give effect to the assets transferred on demerger of the optical fibre undertaking to a subsidiary company.
  - (b) We are informed that the Company physically verifies its assets over a three year period, except for base transreceiver stations. We are informed that these assets are under continuous operational surveillance at National Network Operating Centre and are therefore not separately physically verified. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this policy, the Company has physically verified certain fixed assets during the year.

(c) Optical fibre cable network transferred to a subsidiary company during the year, as per the scheme sanctioned by the High Court, does not affect the going concern assumption.

- (a) The inventory has been physically verified by management during the current year. In our opinion, the frequency of such verification is reasonable.
  - (b) The procedures for the physical verification of inventories followed by management are reasonable and adequate in relation to the size of the Company and the nature of its business.
  - (c) The Company is maintaining proper records of inventory. Discrepancies identified on physical verification of inventories as compared to book records were not material.
- 3. The Company has neither granted nor taken any loans, secured or unsecured, to or from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly, paragraph 4(iii) of the
- Order is not applicable.
- 4. In our opinion, and according to the information and explanations given to us, and having regard to the explanation that purchases of certain items of inventories and fixed assets are for the Company's specialised requirements for which suitable alternative sources are not available to obtain comparable quotations, there is an adequate internal control system commensurate with the size of the Company and
  - nature of its business with regard to the purchase of inventories and fixed assets and with regard to the sale of services. In

our opinion, and according to the information and explanations given to us, there is no continuing failure to correct majorweaknesses in the internal control system.

and the second second second second

5. In our opinion, and according to the information and explanations given to us, there are no contracts and arrangements the particulars of which need to be entered into the register maintained under section 301 of the Companies Act, 1956.

6. The Company has not accepted any deposits from the public.

- 7. In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- 8. We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under section 209(1)(d) of the Companies Act, 1956 in respect of telecommunication activities and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
- 9. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Wealth Tax, Income Tax, Service Tax, Customs Duty, Sales Tax, Entry Tax, Employees' State Insurance and other material statutory dues have been generally regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of Excise Duty and Investor Education and Protection Fund. There were no dues on account of cess under Section 441A of the Companies Act, 1956 since the date from which the aforesaid section comes into force has not yet been notified by the Central Government. According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Wealth Tax, Income Tax, Service Tax, Customs Duty, Sales Tax, Entry Tax, Employees' State Insurance and other material statutory dues were in arrears as at 31st March 2009 for a period of more than six months from the date they became payable.
  - (b) According to the information and explanations given to us, there are no dues of Income Tax, Wealth Tax, Service Tax, Customs Duty, Employees' State Insurance which have not been deposited on account of any dispute. The dues of Excise Duty, Sales Tax and Entry Tax as disclosed below have not been deposited by the Company on account of disputes.

10. The Company does not have any accumulated losses at the end of the financial year and has not incurred cash losses in the current financial year and in the immediately preceding financial year.

- 11. In our opinion and according to the information and explanations given to us, the Company has not defaulted in
- repayment of dues to its bankers of debenture holders or to any financial institutions.
- 12. According to the information and explanations given to us, the Company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- 13. In our opinion and according to the information and explanations given to us, the Company is not a chit fund/ nidhi/ mutual benefit fund/ society.
- According to the information and explanations given to us, the Company is not dealing or trading in shares, securities, debentures and other investments.
- 15. In our opinion and according to the information and explanations given to us, the terms and conditions on which the Company has given guarantees for loans taken by wholly owned subsidiaries from banks or financial institutions are
- not prejudicial to the interest of the Company.

# Significant Accounting Policies to Abridged Balance Sheet as at 31\* March, 2009 and Abridged Profit and Loss Account for the year ended on that date

## 1 Basis of Preparation of Financial Statements

The Financial Statements are prepared under historical cost convention and fair valuation under a scheme approved by the High Court, in accordance with the generally accepted accounting principles in India and provisions of the Companies Act, 1956 read with the Companies (Accounting Standards) Rules, 2006 (Accounting Standard Rules) as well as applicable pronouncements of the Institute of Chartered Accountants of India (the ICAI).

## 2 Use of Estimates

The preparation and presentation of Financial Statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the Financial Statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates is recognised in the period in which the results are known / materialised.

## 3 Fixed Assets

- (i) Fixed Assets are stated at cost / fair value net of Modvat / Cenvat, Value Added Tax and include amount added in revaluation less accumulated depreciation, amortisation and impairment loss, if any.
- (ii) All costs including financing cost of qualifying assets till commencement of commercial operations, net charges of foreign exchange contracts and adjustments arising up to 31st March, 2007 from exchange rate variations, relating to borrowings attributable to fixed assets, are capitalised.
- (iii) Expenses incurred relating to project, prior to commencement of commercial operation, are considered as project development expenditure and shown under Capital Work-in-Progress.
- (iv) Telecom Licenses are stated at fair value less accumulated amortisation.
- (v) Indefeasible Rights of Connectivity (IRC) are stated at cost less accumulated amortisation.

### 4 Lease

In respect of Operating Leases, lease rentals are expensed on straight line basis with reference to lease terms and considerations except for lease rentals pertaining to the period up to the date of commencement of commercial operations, which are capitalised.

### 5 Depreciation / Amortisation

- (i) Depreciation on Fixed Assets is provided on Straight Line Method at the rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956 except in case of the following assets which are depreciated as given below.
  - (a) Telecom Electronic Equipments 10 years
  - (b) Furniture, Fixtures and Office Equipments 10 years
  - (c) Customer Premises Equipments 3 years
  - (d) Vehicles 5 years
  - (e) Ducts and Cables 18 years
  - (ii) Leasehold Land is depreciated over the period of the lease term.
  - (iii) Intangible assets, namely Telecom Licenses and Brand Licence are amortised equally over the balance period of Licenses. IRC and Software are amortised from the date of acquisition or commencement of commercial services, whichever is later. The life of amortisation of the intangible assets are as follows.
    - (a) Telecom Licenses 12.5 to 20 years
    - (b) Brand License 10 years
    - (c) Indefeasible Rights of Connectivity 15, 20 years
    - (d) Software 5 years
- (iv) Depreciation on additions is calculated pro rata from the following month of addition.

#### 6 Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is increased/ reversed where there has been change in the estimate of recoverable value. The recoverable value is the higher of the assets' net selling price and value in use.

#### 7 Investments

Current Investments are carried at lower of cost and market value computed Investment wise. Long Term Investments are stated at cost or fair value as required under order of the High Court. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of the management.

#### 8 Inventories of Stores and Spares

Inventories of stores and spares are accounted for at cost, determined on weighted average basis or net realisable value, whichever is less.

Significant Accounting Policies to Abridged Balance Sheet as at 31" March, 2009 and Abridged Profit and Loss Account for the year ended on that date Employee Benefits Jacobia Sector 10 Jack, etc. and an another to be associated when a bordet of the sector of the 9 Short term employee benefits ament sing All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. These benefits include compensated absences such as paid annual leave and sickness leave. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recogsized as an expense during the period. Long term employee benefits Devotori di ference barred dependence a constructione de la constructione de la devote de la devote de la defe (i) Defined contribution plan . An is an and the set of The Company's contribution towards Employees' Superannuation Plan is recognised as an expense during the period in which it accues. The set operation of the revenue of the revenue of the rest of the (ii) Defined benefit plans of production of the state of ම්ණ හා හ art: -Provident Fund contributions are made to a Trust administered by the Trustees. Interest payable to the Provident Fund 808 P.P. members, shall not be at a rate lower than the statutory rate. Liability is recognised for any shortfall in the income of the fund 76 Terro Vis-à-vis liability of the interest to the members as per statutory rates. Gratuity Plan The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and the fair value of any plan assets is deducted. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the ndw meProjected Unit Credit Methode automate A The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date. Actuarial gains and losses are recognised immediately in the Profit and Loss Account. (iii) Other Long term employment benefits Compensated absences, which are not expected to occur within twelve months after the end of the period in which the

employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the Balance Sheet date, determined based on actuarial valuation using Projected Unit Credit Method. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date.

#### 10 Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets up to the commencement of commercial operations. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as expense in the year in which they are incurred.

### 11 Issue Expenses and Premium on FCCBs

The premium payable on redemption of Foreign Currency Convertible Bonds (FCCBs) is charged to Securities Premium Account over the period of the issue. Issue expenses are debited to Securities Premium account at the time of the issue.

#### 12 Foreign Currency Transactions

(i) Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction.

- (ii) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of monetary items, which are covered by forward exchange contracts, the difference between the transaction rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.
- (iii) Non monetary foreign currency items are carried at cost.
- (iv) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss Account.
- (v) Any income or loss arising out of marking derivative contracts to market price is recognised in the Profit and Loss Account.

## 13 Revenue Recognition

(i) Revenue is recognised as and when the services are provided on the basis of actual usage of the Company's network. Revenue on upfront charges for services with lifetime validity and fixed validity periods of one year or more are recognised over the estimated useful life of subscribers and specified fixed validity period, as appropriate. The estimated useful life is consistent with estimated churn of the subscribers.

Significant Accounting Policies to Abridged Balance Sheet as at 31\* March, 2009 and Abridged Profit and Loss Account for the year ended on that date

(ii) Interest income on investment is recognised on time proportion basis. Dividend is considered when right to receive is established.

#### 14 Provision for Doubtful Debts and Loans and Advances

Provision is made in the accounts for doubtful debts, loans and advances in cases where the management considers the debts, loans and advances to be doubtful of recovery.

## 15 Miscellaneous Expenditure

Miscellaneous Expenditure is charged to the Profit and Loss Account as and when it is incurred.

## 16 Taxes on Income, Fringe Benefit Tax and Deferred Tax

Provision for Income Tax is made on the basis of taxable income for the year at current rates. Tax expense comprises of Current Tax, Fringe Benefit Tax and Deferred Tax at the applicable enacted or substantively enacted rates. Current Tax represents the amount of Income Tax payable / recoverable in respect of the taxable income / loss for the reporting period. Deferred Tax represents the effect of timing difference between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods. The Deferred Tax Asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, Deferred Tax Assets are recognised only if there is virtual certainty of realisation of assets.

### 17 Government Grants

Subsidies granted by the Government for providing telecom services in rural areas are recognised as Other Operating Income in accordance with the relevant terms and conditions of the scheme and agreement.

## 18 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognised nor disclosed in the Financial Statements.

#### 19 Earning per Share

In determining Earning per Share, the Company considers the net profit after tax and includes the post tax effect of any extraordinary / exceptional item. The number of shares used in computing Basic Earning per Share is the weighted average number of shares outstanding during the period. The number of shares used in computing Diluted Earning per Share comprises the weighted average shares considered for deriving Basic Earnings per Share and also the weighted average number of shares that could have been issued on the conversion of all dilutive potential Equity Shares unless the results would be anti – dilutive. Dilutive potential Equity Shares are deemed converted as of the begining of the period, unless issued at a later date.

## 20 Employee Stock Option Scheme

In respect of stock options granted pursuant to the Company's Employee Stock Option Scheme, the intrinsic value of the options (excess of market price of the share over the exercise price of the option) is treated as discount and accounted as employee compensation cost over the vesting period.

Notes on Accounts to Abridged Balance Sheet as at 31st March, 2009 and Abridged Profit & Loss Account for the year ended on that date

#### 1 Previous Year

Figures of the Previous year have been regrouped and reclassified, wherever required. Previous year's figures are not comparable with that of the current year on account of the effects of the Schemes.

#### 2 Foreign Currency Convertible Bonds (FCCBs)

(i) The Company issued FCCBs in two tranches; 5,00,000 FCCBs for 5 Years, 4.65%, US\$ 500 million issued on 9th May, 2006 and 10,000 FCCBs for 5 Years, 4.95%, US \$ 1000 million issued on 28th February, 2007. Pursuant to the exercise of an option by the FCCB Holders and in accordance with the terms and conditions thereof, the Company, during the previous year, allotted 1,87,44,801 fully paid Equity Shares of Rs. 5 each at a pre determined premium of Rs. 475.68 per Share against 2,03,051 FCCBs and 6,67,090 fully paid Equity Shares of Rs. 5 each at a pre determined premium of Rs. 656.23 per Share against 100 FCCBs respectively.

(ii) During the year, the Company has bought back and cancelled 350 nos. of 5 Year, 4.95%, FCCBs of the face value of USD 1,00,000 each, as per approval of the Reserve Bank of India, at a discount to the face value. This has resulted in a saving of Rs. 79.61 crore which has been reflected as part of Other Income. Consequent upon such buy back and cancellation, the Company's obligations to convert the said Bonds into Shares, if so claimed by the Bond Holders and/ or to redeem the same in foreign currency, has come to an end vis-à-vis the cancelled Bonds. Rs.7.68 crore (Previous year Rs. Nil) being premium on redemption has been reversed on buyback of FCCBs.

Out of total FCCBs issued, 2,96,949 FCCBs and 9,550 FCCBs were outstanding as on 31st March, 2009; 1997.

- (iii) In the event, these outstanding FCCBs are fully converted into Equity Shares, the Equity Share Capital of the Company would increase by approximately 9.11 crore Equity Shares of Rs. 5 each.
- (iv) In case of the above mentioned FCCBs, on and at anytime after 9th May, 2009 and 28th February, 2010 respectively, on and prior to the maturity date, the Company may, subject to certain terms and conditions as per the offering memorandum, redeem the FCCBs in whole and not in part at their Early Redemption amount, provided that no such redemption may be made unless the aggregate value (as defined in the terms and conditions) on each trading day during the period of not less than 30 consecutive trading days, ending not earlier than 14 days prior to the date upon which notice of such redemption is given, was at least 130 percent of the Early Redemption amount.
- (v) FCCBs amount includes Rs. 733.62 crore (Previous year Rs. 330.00 crore), being the premium on redemption of FCCBs computed on pro rata basis for the period up to 31st March, 2009 (31st March, 2008).

## 3 Foreign Exchange

On account of various factors including, in particular, an amendment to Schedule VI of the Companies Act, 1956 ("the Act") withdrawing the requirement to adjust changes in the amounts of liability relating to loans/liabilities in foreign currency attributable to Fixed Assets acquired by the Company in the cost of the said Fixed Assets, the Company has decided after the end of the financial year 2008 - 09 and after the approval of the Unaudited Financial Results for the quarter and the year ended on 31st March, 2009 that it would be more appropriate to account for the changes in the amounts of liabilities, consequent to changes in foreign exchange rates, as the profit or loss of the Company for the year in which the changes take place without adjusting the amount of the change in the cost of Fixed Assets.

The accounting policy is in line with the Accounting Standard ("AS") 11. "The Effect of Changes in Foreign Exchange Rates" as also in line with the accounting policy adopted by the Company in the previous year ended 31st March. 2008 and the accounting policy followed by the Company for similar changes relating to liabilities expressed in foreign exchange other than those relating to fixed assets.

Accordingly, in respect of the year ended on 31st March, 2009, Rs. 4,608.39 crore being the foreign exchange difference relating to such loans/ liabilities, which were earlier adjusted in the cost of fixed assets, have now been charged to the Profit and Loss Account and net foreign exchange gain of Rs.143.82 crore has been reversed. Net amount of Rs. 4,464.57 crore has been withdrawn from the General Reserve of the Company in accordance with the terms of the Scheme of Arrangement between the Company and Reliance Infratel Limited (RITL) approved by the Hon'ble High Court of Bombay on 18th July. 2009, as determined by the Board and as referred in Note 5 (ii) below. Consequently, there is no impact vis-à-vis profits of the year ended 31st March, 2009 of such charge except for consequential effects relating to depreciation etc. which have been appropriately dealt with.

Further to the above, during the year, loss of Rs. 139.03 crore (Previous year Rs. 468.73 crore) arising out of marking related Derivative Contracts to market has also been recognised in the Profit and Loss Account, in compliance with the announcement dated 29th March, 2008 by the ICAI regarding Accounting for Derivatives. The net gain of Rs. 119.57 crore (Previous year Rs. 400.37 crores) including gain on account of conversion of overseas bank balances amounting to Rs. 32.76 crore (Previous year loss of Rs. 77.70 crores) is reflected in "Financial Charges (net)" as the effect of foreign currency exchange fluctuation.

#### 4 Schemes of Amalgamation and Arrangement of earlier years

The Company, during the past years, undertook various Schemes including restructuring of ownership structure of telecom business so as to align the interest of the shareholders. Accordingly, pursuant to the Schemes of Amalgamation and Arrangement ("the Schemes") under Sections 391 to 394 of the Companies Act, 1956 approved by the Hon'ble High Court of respective judicature, the Company, during the respective years, recorded all necessary accounting effects, along with requisite disclosure in the notes to the accounts, in accordance with the provisions of the said Schemes. The cumulative effects of the Schemes in case

### Notes on Accounts to Abridged Balance Sheet as at 31st March, 2009 and Abridged Profit & Loss Account for the year ented on that date

of Equity Share Capital of the Company have been disclosed below the respective Schedule to the Accounts. Reserves; pursuant to the said Schemes, include;

- (i) Securities Premium Account of Rs. 9,497.42 crore, being part of the Securities Premium of erstwhile Reliance Infocomm Limited (RIC), the transferor company, representing the amount attributable to shares of RIC other than those being cancelled under the Schemes.
- (ii) General Reserve I of Rs. 5,538.00 crore representing the unadjusted balance being the excess of assets over liabilities relatable to Telecommunications Undertaking transferred and vested into the Company.
- (iii) General Reserve II of Rs. 2,785.21 crore representing the unadjusted balance of the excess of assets over liabilities received by the Company.
- (iv) Reserve for Business Restructuring of Rs. 1,287.10 crore representing the unadjusted balance of revaluation of investment in Reliance Communications Infrastructure Limited (RCIL), the holding company of Reliance Infratel Limited (RITL) after withdrawing an amount equivalent to writing off Passive Infrastructure assets, transferred to RITL, to the Profit and Loss Account. Balance in Reserve for Business Restructuring shall be available to meet the increased depreciation, costs, expenses, and losses including on account of impairment of or write down of assets etc.
- (v) Additional depreciation arising on fair value of the assets has been adjusted to Provision for Business Restructuring.

## 5 Schemes of Amalgamation and Arrangement

- (i) Pursuant to the Scheme of Amalgamation ("the Scheme") under Sections 391 to 394 of the Companies Act, 1956 sanctioned by the Hon'ble High Court of Bombay vide Order dated 3rd July, 2009 and filed with the Registrar of Companies (RoC) on 13th July, 2009, Reliance Gateway Net Limited ("RGNL"), a Wholly Owned Subsidiary of the Company, engaged in telecommunication allied activities and as a holding company for all the offshore Investments of the Company, has been amalgamated into the Company with effect from the Appointed Date as 31st March, 2009.
  - Upon the Scheme becoming effective:
  - (a) All the assets and liabilities as appearing in the books of RGNL as on the Appointed Date have been recorded at their respective fair values by the Company.
  - (b) Excess of Rs. 16,428.48 crore arising on such transfer of assets and liabilities, before making the adjustments, in accordance with the Scheme, for cancellation of investments of Rs. 2,096.43 crore (including Equity Shares of Rs. 977.00 crore acquired on conversion of loan) in RGNL and net effect on fair valuation of assets and liabilities of the Company identified by the Board as prescribed to be fair valued, based on market approach/ depreciated replacement cost basis by an independent valuer, for this purpose ("Identified Assets") of Rs. 12,698.81 crore has been credited to General Reserve, to be dealt with in accordance with the Scheme.

Had the Scheme not prescribed this treatment, Rs. 14,332.05 crore would have been credited to Capital Reserve as required by the Purchase Method prescribed by Accounting Standard ("AS") 14 on "Accounting for Amalgamation" and General Reserve would have been lower by Rs. 12,698.81 crore.

(ii) Pursuant to the Scheme of Arrangement ("the Scheme") under Sections 391 to 394 of the Companies Act, 1956, the Hon'ble High Court of Bombay pronounced an Order on 18th July 2009, the Optic Fore Undertaking, as defined in the Scheme, of the Company, shall be transferred and vested into Reliance Infratel Limited ("RITL"), a Subsidiary of the Company engaged in providing Telecom Infrastructue Services, with effect from the Appointed Date, 1st April, 2008.

As per the Scheme, RITL is required to record in its books all the assets and liabilities pertaining to Optic Fiber Undertaking as appearing in the books of the Company as on the Appointed Date at their respective fair values.

The Scheme shall become effective upon the Company filing the Order of the Hon'ble High Court sanctioning the Scheme with the RoC, as required by Section 394(3) of the Companies Act, 1956. Pending such filing, the Accounts have been compiled as if the Scheme has become effective and consequently, the following effects have been incorporated in the Accounts.

Notes on Accounts to Abridged Balance Sheet as at 31st March, 2009 and Abridged Profit & Loss Account for the year and on that date

## 10 Operating Lease (Note 15 - Schedule Q of Annual Accounts)

The Company's significant leasing arrangements are in respect of operating leases for premises and network sites. These lease agreements provide for cancellation by either parties thereto as per the terms and conditions of the agreements. In addition to the Scheme, referred to in Note 5 (ii), becoming effective, the Company will be the lessee in respect of Optical Fibres. In respect of this Lease, lease rent of Rs. 903.00 crore, including Rs. 893.00 crore not leviable for the year as per the lease agreement, has been recognised on a straight line basis as Network Expenses and corresponding amount is included in Sundry Creditors.

## 11 Particulars of Derivative Instruments (Note 16 - Schedule Q of Annual Accounts)

Particulars of Derivative Instruments	No. of Instruments	Value
acquired for hedging	•	(USD in crore) (Rs. in crore)
, Principal Only Swap	6 (10)	<b>6.00 304.32</b> (11.70) (469.55)

Options INR	2	15.00 760.80
	(12)	(61.00) (2,447.32)

No derivative instruments are acquired for speculation purpose.

In respect of Foreign Currency Swap and Interest Rate Swap transactions, which are linked with LIBOR rates and exchange rate during the period of contract, gains / losses are recognised on the settlement day or the reporting day, whichever is earlier, at the rate prevailing on respective day.

Foreign Currency exposures that are not hedged by derivative instruments or otherwise are USD 200.60 crore (Previous year USD 270.40 crore), equivalent to Rs.10,173.89 crore (Previous year Rs. 10,848.00 crore).

Above exposure status does not include the effects of accruals.

The unamortized premium of Buyers' Credit to be recognised is Rs. 14.71 crore (Previous year Rs.21.87 crore) for one or more subsequent accounting periods.

## 12 Segment Performance (Note 18 – Schedule Q of Annual Accounts)

Disclosure as per Accounting Standard ("AS") 17 "Segment Reporting" is reported in Consolidated Accounts of the Company. Therefore, the same has not been separately disclosed in line with the provision of AS.

#### 13 Employee Benefits (Note 19 – Schedule Q of Annual Accounts)

Gratuity : In accordance with the applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan (Gratuity Plan) for all employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on respective employee's last drawn salary and for the years of employment with the Company.

The following table sets out the status of the Gratuity Plan as required under Accounting Standard ("AS") 15 (Revised) "Employee Benefits" (Revised).

#### (i) Reconciliation of opening and closing balances of the present value of the defined benefit obligation

Loans and Advances to Subsidiaries are interest free loans, where there is no repayment schedule and are repayable on demand.

## 17 Employee Stock Option Scheme (Note 23 - Schedule Q of Annual Accounts)

The Company operates two Employee Stock Option Plans; ESOS Plan 2008 and ESOS Plan 2009, which cover eligible employees of the Company, the Holding Company and its Subsidiaries. ESOS Plans are administered through an ESOS Trust. The vesting of the options is on the expiry of one year from the date of grant as per Plan under the respective ESOS(s). In respect of Options granted, the accounting value of Options (based on market price of the share on the date of the grant of the option) is accounted as deferred employee compensation, which is amortised on a straight line basis over the vesting period. Each Option entitles the

# Notes on Accounts to Abridged Balance Sheet as at 31st March, 2009 and Abridged Profit & Loss Account for the year ended on that date

holder thereof to apply for and be allotted one Equity Share of the Company of Rs. 5 each upon payment of the exercise price during the exercise period. The maximum Exercise Period is 10 years from the date of grant of options.

The Company has established a Trust for the implementation and management of ESOS for the benefit of its present and future employees. Advance of Rs. 159.00 crore has been granted to the Trust. Rs. 154.91 crore has been utilised by the Trust for purchasing 92 lac Equity Shares during the period up to 31st March, 2009.

Amortization of compensation includes a further charge of Rs. 7.47 crore (Previous year Rs.16.17 crore) based on intrinsic value Options which have been vested under ESOS Plan 2008. Amount earlier charged in respect of surrendered Options under ESOS Plan 2008 have been reversed during the year. No amount is chargeable in respect of Options granted under ESOS Plan 2009.

			Employees Stock	Option Plans	t •
- Particulars	S	PLA	N 2008	PLAN 2	2009
		Number of Options	Weighted average	Number of Options	Weighted average
		APPEND DO	exercise price (Rs.)	a star a star	exercise price (Rs.)
No of Opt	ions outstanding at the beginning of the year	14,991,185	371.24	Nil	-
Number of	f Options granted	Nil		13,217,975	206.00
Total numi	ber of Options surrendered	13,217,975	369.10	Nil	-
Number of	f Options vested during the year	1,607,320	394,06	Nil	-
Total num	ber of Options exercised	Nil	-	Nil	-
Total num	ber of Options forfeited / lapsed	165,890	382.98	1,938,980	206.00
No of Opt	ions outstanding at the end of the year	1,607,320	394.06	11,278,995	206.00

If the entity would have estimated fair value computed on the basis of Black-Scholes pricing model, the compensation cost for the year ended 31st March, 2009 for ESOS Plan 2008 and ESOS Plan 2009 would have been higher by Rs. 6.64 crore and Rs.9.25 crore respectively. The key assumptions used to estimate the fair value of options are given below.

Particulars - Constraint - Cons	ESOS Plan 2008 ESOS Plan 2009
Risk-free interest rate	7.27% the area at 5.00%
Expected life	1 year 1 year
Expected volatility	37.58% and a 40% for a 1999 70.00%
Expected dividend yield	0.1386% 0.4301%
Price of the underlying share in market at the time of option grant	Rs. 541.15 Rs. 174.00
R Exceptional Items (Note 24 - Schedule O of Annual Accounts)	

#### 18 Exceptional Items (Note 24 - Schedule Q of Annual Accounts)

- (i) The Company holds foreign currency denominated Redeemable Preference Shares, of its Subsidiaries; Reliance Globalcom BV (RGBV) and Gateway Net Trading Pte. Limited (GNTPL). The said investments qualify as monetary assets under Accounting Standard ("AS") 11 "Effects of changes in foreign exchange rates". As required by the AS, the said monetary assets have been restated on the basis of closing rate of foreign currency as at 31st March, 2009. The total difference being financial charges of Rs. 704.16 crore out of which Rs. 404.03 crore relatable to the period ended upto 31st March, 2008 have been reflected under Exceptional Items.
- (ii) Amortization of compensation of Rs. 7.47 crore under ESQS Plan 2008 as mentioned in Note 17 above.
- (iii) Profit on transfer of OFC Undertaking of Rs. 3,063.27 crore as mentioned in Note 5 (ii), above,

## 19 Recovery of Expenses (Note 25 - Schedule Q of Annual Accounts)

Expenses under the heads Provision for Employees Cost and Other Expenses are net of recoveries for common cost from Reliance Communications Infrastructure Limited (RCIL), a Wholly Owned Subsidiary of the Company. Such amounts recovered for the year amount to Rs. 133.05 crore for Employee Cost and Rs. 500.28 crore for Sales and General Administration Expenses comprising of Rs. 87.50 crore for Advertising Expenses, Rs. 332.10 crore for Customer Acquisition and Customer Care, Rs. 80.68 crore for Selling and Marketing. Similarly, the Company has also collected interest, equivalent to its cost of funds, from RCIL and Reliance Telecom Limited (RTL) amounting to Rs. 116.72 crore and Rs. 445.17 crore respectively for the year ended 31st March, 2009.

## 20 License Fees (Note 26 - Schedule Q of Annual Accounts)

The Company accounts for its liabilities in respect of Licence Fees payable by way of Revenue Share to be computed on the Gross Revenue of the Company after taking into account the decision of the Telecom Disputes Settlement And Appellate Tribunal (the TDSAT) dated 30th August, 2007 specifying that revenues not related to UAS and Other Licences under which the Company operates are not to be included in the computation of Revenue Share. The TDSAT has, by its decision dated 26th March, 2009 applied the said decision dated 30th August, 2007 to the Company. The decision of the TDSAT is the subject matter of Appeal pending before the Supreme Court. No provision is considered necessary in this regard. Notes on Accounts to Abridged Balance Sheet as at 31st March, 2009 and Abridged Profit & Loss Account for the year ended on that date

## 21 Financial Statements of Subsidiary Companies (Note 27 - Schedule Q of Annual Accounts)

The Ministry of Corporate Affairs, Government of India vide its Order No.47/51/2009–CL-III dated 13th February, 2009 issued under Section 212 (8) of the Companies Act, 1956 has exempted the Company from attaching the Balance Sheets. Profit and Loss Accounts, Cash Flow Statements and other documents of its subsidiaries under Section 212(1) of the Companies Act, 1956. As per the order, key details of each subsidiary is attached.

22	Performance Ratios	For the Year Ended 31st March, 2009	For the Year Ended 31st March, 2008

### Auditors' Report on Consolidated Financial Statements

### То

### the Board of Directors of Reliance Communications Limited

We have audited the attached Consolidated Balance Sheet of Reliance Communications Limited ('the Company') and its subsidiaries, associates and joint ventures (collectively called 'the Group') as at 31<sup>st</sup> March 2009, the Consolidated Profit and Loss Account and the Consolidated Cash flow statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements and other financial information of certain subsidiaries. The financial statements of these subsidiaries for the year ended 31<sup>st</sup> March 2009 have been audited by other auditors whose reports have been furnished to us and our opinion, in so far as it relates to the amounts included in respect of subsidiaries, is based solely on these reports. The attached consolidated financial statements include assets of Rs 13,322.35 crores as at 31<sup>st</sup> March 2009, revenues of Rs 2,982.06 crores and cash outflows amounting to Rs 41.79 crores in respect of the aforementioned subsidiaries for the year then ended. 2 The financial statements of certain subsidiaries for the year ended 31<sup>st</sup>March 2009 have been audited by one of the joint auditors, Chaturvedi & Shah, Chartered Accountants. The attached consolidated financial statements include assets of Rs 41,375.22 as at 31<sup>st</sup>March 2009, revenues of Rs 6,612.34 crores and cash inflows amounting to Rs 463.38 crores in respect of the aforementioned subsidiaries for the year then ended.

We have relied on the unaudited financial statements of the subsidiaries and joint ventures whose financial statements reflect total assets of Rs 3,423.12 crores as at 31<sup>st</sup>March 2009, total revenue of Rs 1,386.39 crores and cash inflows amounting to Rs 40.65 crores for the year ending 31<sup>st</sup> March 2009. These unaudited financial statements as approved by the respective Board of Directors of these companies have been furnished to us by the management, and our report in so far as it relates to the amounts included in respect of the subsidiaries is based solely on such approved financial statements.

4 The consolidated financial statements have been prepared by the Company's management in accordance with the requirements of Accounting Standard 21 – Consolidated Financial Statements, Accounting Standard 23 – Accounting for Investment in Associates in Consolidated Financial Statements and Accounting Standard 27 – Financial Reporting of Interest in Joint Ventures, prescribed by the Companies (Accounting Standards) Rules, 2006.

5 Without qualifying our report, we state:

a) as more fully explained in note 6(iii) in schedule Q to the consolidated financial statements, the Company and

### Auditors' Report on Abridged Consolidated Financial Statements

its subsidiary Reliance Infratel Limited have, pending filing of the Scheme of Arrangement ("the scheme") pronounced on 18 July 2009 by the Hon'ble High Court of Judicature at Mumbai, as required under section 394(3) of the Companies Act, 1956 with the Registrar of Companies (RoC), given effect to the scheme in the financial statement. The Company and the subsidiary have represented that they are reasonably certain that the scheme, post completion of the procedural formality, will be filed with the RoC in due course;

4

- b) as more fully explained in the note 5 of Schedule Q, to the consolidated financial statements regarding the Scheme for the transfer of passive infrastructure by the Company to RITL, a subsidiary of the Company, RITL, based on a legal opinion, considers the general reserve created pursuant to the above Scheme, to be a free reserve and available for any purpose, has withdrawn and credited to the Profit and Loss Account an amount of Rs 191.07 crores in respect of fuel costs incurred during the year. Had the Company not made such withdrawal as per the Scheme, the profit before taxes for the year would have been lower by the said amount;
- c) as more fully explained in note 4 of Schedule Q to the consolidated financial statements, pursuant to the schemes of arrangement as approved by the Hon'ble High Court of Judicature at Mumbai, the Group has withdrawn from General Reserve and credited to Profit and Loss Account Rs 5,771.34 crores in respect of loss on account of change in foreign exchange rate relating to loans/ liabilities;

- d) as more fully explained in Note 5(viii) of Schedule Q to the consolidated financial statements, the Company has computed goodwill on consolidation by comparing the cost of investments with the equity of subsidiaries as on date on which investments were made by Reliance Industries Limited ('the transferor company') prior to demerger instead of considering the date of demerger as the date of investment.
- Based on our audit as aforesaid, and on consideration of reports of other auditors and accounts approved by the Board of Directors as explained in paragraphs 1, 2 and 3 above, and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (i) in the case of the consolidated balance sheet, of the state of affairs of the Group as at 31<sup>st</sup>March 2009;
  - (ii) in the case of the consolidated profit and loss account, of the profit of the Group for the year ended on that date; and
  - (iii) in the case of the consolidated cash flow statement, of the cash flows of the Group for the year ended on that date.

### Significant Accounting Policies to the Abridged Consolidated Balance sheet and Abridged Consolidated Profit and Loss Account

### 1 Principles of Consolidation

The Consolidated Financial Statements relate to Reliance Communications Limited ('the Company') and all of its subsidiary companies and the companies controlled, that is, the companies over which the Company exercises control/ joint control over ownership and voting power and the associates and joint venture (hereinafter collectively referred to as the "Group"). The Consolidated Financial Statements have been prepared on the following bases.

- (a) The Financial Statements of the Company and its subsidiaries are consolidated on a line-by-line basis, by adding together the book values of like items of assets, liabilities, incomes and expenses after fully eliminating intra group balances and intra group transactions resulting in unrealized profits or losses in accordance with the Accounting Standard ("AS") 21 "Consolidated Financial Statements" as referred to in the Companies (Accounting Standards) Rules, 2006 (Accounting Standard Rules).
- (b) In case of the foreign subsidiaries and companies controlled by the Company, revenue is consolidated at the average exchange rate prevailing during the year. All monetary assets and liabilities are converted at the exchange rate prevailing at the end of the year. While, non monetary assets and liabilities are recorded at the exchange rate prevailing on the date of the transaction or closing rate, as applicable. Any exchange difference arising on consolidation of integral foreign operation and non integral foreign operation is recognised in the Profit and Loss Account and Exchange Fluctuation Reserve respectively.
- (c) Investments in subsidiaries are eliminated and differences between the cost of investment over the net assets on the date of investment or on the date of the financial statements immediately preceeding the date of investment in subsidiaries are recognised as Goodwill or Capital Reserve, as the case may be.
- (d) The difference between the proceeds from disposal of investment in a subsidiary or in a company controlled by the Company and the proportionate carrying amount of its assets less liabilities as of the date of disposal, is recognised in the Consolidated Profit and Loss Account as the profit or loss on disposal of investment in subsidiaries.
- (e) Minority Interest's share of net profit or loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to the Equity Shareholders of the Company.
- (f) Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet as a separate item from liabilities and the Shareholders' Equity.
- (g) In case of associates, where the Company directly or indirectly through subsidiaries holds 20% or more of Equity Shares, investments in associates are accounted for using equity method in accordance with Accounting Standard ("AS") 23 "Accounting for Investments in Associates in Consolidated Financial Statements" as referred to in the Accounting Standard Rules. The Company accounts for its share in the change in the net assets of the associates, post acquisition, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Profit and Loss Account, to the extent such change is attributable to the associates and the share of net assets, at the time of acquisition of shares in the associates, is identified in the financial statements as Goodwill or Capital Reserve, as the case may be.
- (h) Interest in a jointly controlled entity is reported using proportionate consolidation.
- (i) As far as possible, the Consolidated Financial Statements are prepared using uniform Accounting Policies for like transactions and other events in similar circumstances and are presented in the same manner as the standalone financial statements of the Company.
- 2 Investments other than in subsidiaries, associates and joint ventures are accounted as per Accounting Standard ("AS") 13 "Accounting for Investments" as referred to in the Accounting Standard Rules.

### 3 Other Significant Accounting Policies

### (a) Basis of Preparation of Financial Statements

The Financial Statements are prepared under historical cost convention and/ fair valuation under a Scheme approved by the High Court, in accordance with the generally accepted accounting principles in India and provisions of the Companies Act, 1956 read with the Accounting Standard Rules as well as applicable pronouncements of the Institute of Chartered Accountants of India (the ICAI).

### (b) Use of Estimates

The preparation and presentation of Consolidated Financial Statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates is recognised in the period in which the results are known / materialised.

### (c) Fixed Assets

- (i) Fixed Assets are stated at cost/ fair value net of Modvat/ Cenvat, Value Added Tax and include amount added on revaluation less accumulated depreciation, amortisation and impairment loss, if any.
- (ii) All costs including financing cost of qualifying assets till commencement of commercial operations, net charges of foreign exchange contracts and adjustments arising upto 31st March, 2007 from exchange rate variations, relating to borrowings attributable to fixed assets, are capitalised.
- (iii) Expenses incurred relating to project, prior to commencement of commercial operation, are considered as project development expenditure and shown under Capital Work-in-Progress.
- (iv) Telecom Licenses are stated at fair value less accumulated amortisation.

Access and Control

### Significant Accounting Policies to the Abridged Consolidated Balance sheet and Abridged Consolidated Profit and Loss Account

### (j) Employee Benefits

### Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. These benefits include compensated absences such as paid annual leave and sickness leave. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period.

### Long term employee benefits

### (i) Defined contribution plan

The Company's contribution towards Employees' Superannuation Plan is recognised as an expense during the period in which it accrues.

r se G**rior** Al Colo Salito

### (ii) Defined benefit plans

### **Provident Fund**

Provident Fund contributions are made to a Trust administered by the Trustees. Interest payable to the Provident Fund members, shall not be at a rate lower than the statutory rate. Liability is recognised for any shortfall in the Income of the fund vis-à-vis liability of the Interest to the members as per statutory rates.

### Gratuity Plan

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date.

Actuarial gains and losses are recognised immediately in the Profit and Loss Account.

### (iii) Other Long term employment benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the Balance Sheet date, determined based on actuarial valuation using Projected Unit Credit Method. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date.

### (k) Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets, are capitalised as part of the cost of such assets up to the commencement of commercial operations. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as expense in the year in which they are incurred.

### (l) Issue Expenses and Premium on FCCBs

The premium payable on redemption of Foreign Currency Convertible Bonds (FCCBs) is charged to Securities Premium Account over the period of the issue. Issue expenses are debited to Security Premium account at the time of the issue.

### (m) Foreign Currency Transactions

- (i) Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction.
- (ii) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of monetary items which are covered by forward exchange contracts, the difference between the transaction rate and the rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.
- (iii) Non monetary foreign currency items are carried at cost.
  - (iv) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss Account.
  - (v) Any income or loss arising out of marking derivative contracts to market price is recognised in the Profit and Loss

### (n) Revenue Recognition

- (i) Revenue is recognised as and when the services are provided on the basis of actual usage of the Company's network. Revenue on upfront charges for services with lifetime validity and fixed validity periods of one year or more are recognised over the estimated useful life of subscribers and specified fixed validity period, as appropriate. The estimated useful life
- is consistent with estimated churn of the subscribers.
- (ii) Capacity contracts for Indefeasible Right of Use (IRUs) relate to specific assets and are accounted for as unearned revenue as legal title does not pass to the customer. Revenue (exclusive of Value Added Taxes) is recognised over the

### Significant Accounting Policies to the Abridged Consolidated Balance sheet and Abridged Consolidated Profit and Loss Account

term of the contract. Billing to customers are based on satisfaction of the relevant criteria for revenue recognition and are included in unearned revenue certain customers have committed to purchase capacity from the Company at a future date under signed capacity credit agreements. Amounts received under these agreements and the capacity credits granted to suppliers are recorded as unearned revenue until the date the credits are utilised, at which time the unearned revenue is recognised as earned. Amounts receivable under these capacity agreements are reflected within sundry debtors in the accompanying Balance Sheet. (iii) Standby maintenance charges are invoiced separately from capacity sales. Revenues relating to standby maintenance ag si ter di ta are recognised over the period in which the service is provided. Any amounts billed prior to providing of service are included in deferred revenue. (iv) Network revenues are revenues derived from the sale of managed bandwidth leases, Internet Protocol ("IP") services. Revenue associated with short term utilisation of capacity to customers is recognised as operating revenue. Restoration Ne tra conte revenues are derived for repairs and restoration of damaged network which are recovered from the customer on the agreed basis and are reflected in the Profit and Loss Account for the year. CONT(v) Sales on Handsets and accessories are recognised when goods are supplied and are recorded net of trade discounts, rebates, commissions to distributors and dealers and sales taxes. It does not include inter company transfers. (vi) Interest income on investment is recognised on time proportion basis. Dividend is considered when right to receive is established. The Group recognises income from the units in the Fixed Income Schemes of Mutual Funds where income accrued is held, till the declaration or payment thereof, for the benefit of the unit holders. (vii) Revenue is recognised net of taxes when the Base Transreceiver Station (BTS) Towers is Ready for Installation of customer equipment and as per the terms of the agreements. .0 (viii) Activation fees in resepct of DTH is recognised on upfront basis at the time of activation of services in customers' premises. Subscription revenue towards initial customers are recognised upfront as and when it is realised and the monthly subscription is recognised on accrual basis, net of service tax, entertainment tax and trade discount. (o) Provision for Doubtful Debts and Loans and Advances Provision is made in the Accounts for doubtful debts, loans and advances in cases where the management considers the debts, loans and advances, to be doubtful of recovery. in the ships of a (p) Miscellaneous Expenditure an an de de de de Miscellaneous Expenditure is charged to the Profit and Loss Account as and when it is incurred. (q) Taxes on Income, Fringe Benefit Tax and Deferred Tax Provision for Income Tax is made on the basis of taxable income for the year at current rates. Tax expense comprises of 900, b) Current Tax, Fringe Benefit Tax and Deferred Tax at the applicable enacted or substantively enacted rates. Current Tax represents 1000 the amount of Income Tax payable / recoverable in respect of the taxable income / loss for the reporting period. Deferred Tax represents the effect of timing difference between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods. The Deferred Tax Asset is recognised and carried forward only to the extent that there is a reasonable certainty that the asset will be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, Deferred Tax Assets are recognised only if there is virtual certainty of realisation of assets. MAT credit is recognised as an asset only if there is convincing evidence that the Company will pay normal Income Tax during the specified period. (r) Government Grants Subsidies granted by the Government for providing telecom services in rural areas are recognised as Other Operating Income in accordance with the relevant terms and conditions of the scheme and agreement. (s) Provisions and Contingent Liabilities and Contingent Assets Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognised nor disclosed in the financial statements.

### (t) Earning per Share

In determining Earning per Share, the Group considers the net profit after tax and includes the post tax effect of any extraordinary / exceptional item. The number of shares used in computing Basic Earnings per Share is the weighted average number of shares outstanding during the period. The number of shares used in computing Diluted Earnings per Share comprises the weighted average shares considered for deriving Basic Earnings per Share, and also the weighted average number of shares that could have been issued on the conversion of all dilutive potential Equity Shares unless the results would be anti – dilutive. Dilutive potential Equity Shares are deemed converted as of the beginning of the period, unless issued at a later date.

### (u) Employee Stock Option Scheme

In respect of stock options granted pursuant to the Company's Employee Stock Option Scheme, the intrinsic value of the options (excess of market price of the share over the exercise price of the option) is treated as discount and accounted as employee compensation cost over the vesting period.

### 3 Foreign Currency Convertible Bonds (FCCBs)

- \* (i) The Company issued FCCBs in two tranches; 5,00,000 FCCBs for 5 Year, 4,65%, US\$ 500 million issued on 9th May, 2006 and 10,000 FCCBs for 5 Year, 4,95%, US \$ 1000 million issued on 28th February, 2007. Pursuant to the exercise of an option by the FCCB Holders and in accordance with the terms and conditions thereof, the Company, during the previous year, allotted 1,87,44,801 fully paid Equity Shares of Rs. 5 each at a pre determined premium of Rs. 475.68 per Share against 2,03,051 FCCBs and 6,67,090 fully paid Equity Shares of Rs. 5 each at a pre determined premium of Rs. 656.23 per Share against 100 FCCBs respectively.
  - (ii) During the year, the Company has bought back and cancelled 350 nos. of 5 Year, 4.95%, FCCBs of the face value of USD 1,00,000 each, as per approval of the Reserve Bank of India, at a discount to the face value. This has resulted in a saving of Rs. 79.61 crore which has been reflected as part of Other Income. Consequent upon such buy back and cancellation, the Company's obligations to convert the said Bonds into Shares, if so claimed by the Bond Holders and/ or to redeem the same in foreign currency, has come to an end vis-à-vis the cancelled Bonds. Rs. 7.68 crore (Previous year Rs. Nil) being premium on redemption has been reversed on buyback of FCCBs.
  - Out of total FCCBs issued, 2,96,949 FCCBs and 9,550 FCCBs were outstanding as on 31st March, 2009.
  - (iii) In the event, these outstanding FCCBs are fully converted into Equity Shares, the Equity Share Capital of the Company would increase by approximately 9.11 crore Equity Shares of Bs. 5 each.
- (iv) In case of the above mentioned FCCBs, on and at anytime after 9th May, 2009 and 28th February, 2010 respectively, on and prior to the maturity date, the Company may, subject to certain terms and conditions as per the offering memorandum, redeem the FCCBs in whole and not in part at their Early Redemption amount, provided that no such redemption may be made unless the aggregate value (as defined in the terms and conditions) on each trading day during the period of not less than 30 consecutive trading days, ending not earlier than 14 days prior to the date upon which notice of such redemption is given, was at least 130 percent of the Early Redemption amount.
  - (v) FCCBs amount includes Rs. 733.62 crore (Previous period Rs. 330.00 crore), being the premium on redemption of FCCBs computed on pro rata basis for the period up to 31st March, 2009 (31st March, 2008).

### 4 Foreign Exchange

- On account of various factors including, in particular, an amendment to Schedule VI of the Companies Act, 1956 ("the Act") withdrawing the requirement to adjust changes in the amounts of liability relating to loans / liabilities in foreign currency attributable to Fixed Assets acquired by the Company in the cost of the said Fixed Assets, the Group has decided after the end of the Financial Year 2008 09 and after the approval of the Unaudited Financial Results for the quarter and the year ended on 31st March, 2009 that it would be more appropriate to account for the changes in the amounts of liabilities, consequent to changes in foreign
- exchange rates, as profit or loss of the Company for the year in which the changes take place without adjusting the amount of the change in the cost of fixed assets. The accounting policy is in line with the Accounting Standard ("AS") 11, "The Effect of Changes in Foreign Exchange Rates" as
- also in line with the accounting policy adopted by the Company in the Previous year ended 31st March, 2008 and the accounting policy followed by the Company for similar changes relating to liabilities expressed in foreign exchange other than those relating to fixed assets.
- Accordingly, in respect of the year ended on 31st March, 2009, Rs. 5,998.56 crore being the foreign exchange difference relating to such loans/ liabilities, which were earlier adjusted in the cost of fixed assets, have now been charged to the Profit and Loss Account and net foreign exchange gain of Rs. 227.22 crore has been reversed. Net amount of Rs. 5,771.34 crore has been withdrawn from the General Reserve of the Company in accordance with the terms of the Schemes of Arrangement, as determined by the Board and as referred in Note 6 (ii) and (iii) below. Consequently, there is no impact vis-à-vis profits of the year ended 31st March, 2009 of such charge except for consequential effects relating to depreciation etc. which have been appropriately dealt with.
- Further to the above, during the year, loss of Rs. 163.05 crore (Previous year Rs. 468.73 crore) arising out of marking related Derivative Contracts to market has also been recognised in the Profit and Loss Account, in compliance with the announcement dated 29th March, 2008 by the ICAI regarding Accounting for Derivatives. The net gain of Rs. 187.40 crore (Previous year Rs. 422.30 crore) including gain on account of conversion of overseas bank balances amounting to Rs. 36.71 crore (Previous year Rs. 67.53 crore) is reflected in "Financial Charges (net)" as the effect of Foreign Currency Exchange Fluctuation.

### 5 Schemes of Amalgamation and Arrangement of earlier years

The Company, during the past years, undertook various Schemes including restructuring of ownership structure of telecom business so as to align the interest of the shareholders. Accordingly, pursuant to the Schemes of Amalgamation and Arrangement ("the Schemes") under Sections 391 to 394 of the Companies Act, 1956 approved by Hon'ble High Court of respective judicature, the Company, during the respective years, recorded all necessary accounting effects, along with requisite disclosure in the notes to the accounts, in accordance with the provisions of the said Schemes. The cumulative effects of the Schemes in case of Equity Share Capital of the Company have been disclosed below the respective Schedule to the Accounts. Reserves, pursuant to the said Schemes, include;

- (i) Rs. 9,497.42 crore credited to Securities Premium Account, being part of the Securities Premium of erstwhile Reliance Infocomm Limited (RIC), the transferor company, representing the amount attributable to shares of RIC other than those being cancelled under the Schemes.
- (ii) Rs. 4,829.88 crore credited to General Reserve pursuant to fair valuation of Passive Infrastructure by Reliance Infratel Limited (RITL) and revaluation of remaining Fixed Assets by Reliance Telecom Limited (RTL) after adjusting by an amount equal to write off of Passive Infrastructure by RTL consequent upon transfer thereof to RITL, difference between the written down value of Passive Infrastructure Assets arrived on SLM and WDV method of depreciation upon transfer thereof by RTL to RITL. The Scheme permits the Company to utilise General Reserve created, at its own discretion, including in particular for additional depreciation.
- (iii) Rs. 66.49 crore credited to General Reserve pursuant to the Schemes of Amalgamation of Reliance Infoinvestments Limited (RIL) and Synergy Enterprenure Solutions Private Limited (SESPL) into Reliance Communications Infrastructure Limited (RCL).
- (iv) Rs. 4,487.84 crore credited to Reserve for Business Restructuring pursuant to revaluation of Company's investment in RCIL consequent to RCIL recognizing in accordance with the Scheme of Arrangement the additional value debited to Reliance Infratel Limited (RITL) upon transfer to RITL of the Passive Infrastructure Division of the Company and of RTL. After withdrawing therefrom Rs. 3,200.74 crore being an amount equivalent to writing off Passive Infrastructure assets, transferred to Reliance Infratel Limited (RITL), to the Profit and Loss Account, balance of Rs. 1,287.10 crore shall be available to meet the increased depreciation, costs, expenses, and losses including on account of impairment of or write down of assets etc.
- (v) Additional depreciation arising on fair value of the assets has been adjusted to Provision for Business Restructuring.
- (vi) As prescribed under the Scheme for transfer of Passive Infrastructure. Reliance Infratel Limited (RITL) has, during the year, withdrawn fuel expenses of Rs. 191.07 crore from General Reserve.
- (vii) Additional depreciation of subsidiaries consequent upon revluation of assets carried out has been adjusted to General Reserve.
- (viii) Pursuant to the demerger, the Company computed goodwill of Rs. 2,658.75 crore arising on consolidation using the step up method based on date of original investment by Reliance Industries Limited (RIL) prior to demerger instead of considering the date of demerger as the date of investment in absence of specific guidance in AS 21 in a demerged scenario.

### 6 Schemes of Amalgamation and Arrangement

(i) Pursuant to the Scheme of Amalgamation ("the Scheme") under Sections 391 to 394 of the Companies Act, 1956 sanctioned by the Hon'ble High Court of Bombay vide Order dated 3rd July, 2009 and filed with the Registrar of Companies (RoC) on 13th July, 2009, Reliance Gateway Net Limited ("RGNL"), a Wholly Owned Subsidiary of the Company, engaged in telecommunication allied activities and as a holding company for all the offshore investments of the Company, has been amalgamated into the Company with effect from the Appointed Date as 31st March, 2009.

Upon the Scheme becoming effective;

- (a) All the assets and liabilities as appearing in the books of RGNL as on the Appointed Date have been recorded at their respective fair values by the Company.
- (b) In accordance with the Scheme, the net effect, on fair valuation of assets and liabilities of the Company identified by the Board as prescribed to be fair valued based on market approach / depreciated replacement cost basis by an independent valuer, for this purpose ("Identified Assets"), of Rs. 12,344.80 crore has been transferred to General Reserve in Consolidated Accounts, to be dealt with in accordance with the Scheme.

Had the Scheme not prescribed this treatment in the Consolidated Accounts, General Reserve would have been lower by Rs. 12,344.80 crore.

(ii) Pursuant to the Scheme of Arrangement ("the Scheme") under Sections 391 to 394 of the Companies Act, 1956 sanctioned by the Hon'ble High Court of Bombay vide Order dated 19th June, 2009, the Treasury Activities, as defined in the Scheme, of Reliance Communications Infrastructure Limited (RCIL), a Subsidiary of the Company have been transferred and vested into Reliance Telecom Limited (RTL), a Subsidiary of the Company with effect from the Appointed Date as 1<sup>st</sup> April, 2008. Since the Scheme between two wholly owned subsidiaries of the Company does not involve any movement of assets or liabilities to any company outside the group controlled by the Company, RTL is not required to issue any shares or pay any consideration to either RCIL or to its shareholders.

Upon the Scheme becoming effective, all assets and liabilities pertaining to the Treasury Activities as appearing in the books of RCIL as on the Appointed Date have been recorded at their fair values by RTL. In Consolidated Accounts, the effects of the transactions between the subsidiaries have been reversed.

(iii) Pursuant to the Scheme of Arrangement ("the Scheme") under Sections 391 to 394 of the Companies Act, 1956 the Hon'ble High Court of Bornbay pronounced an Order on 18th July 2009, the Optic Fibre Undertaking, as defined in the

Scheme of the Company, shall be transferred and vested into Reliance Infratel Limited ("RITL"); a Subsidiary of the Company engaged in providing Telecom Infrastructure Services, with effect from the Appointed Date, 1st April, 2008.

÷, × As per the Scheme, RITL is required to record in its books all the assets and liabilities pertaining to Optic Fiber Undertaking as appearing in the books of the Company as on the Appointed Date at their respective fair values.

The Scheme shall become effective upon the Company filing the Order of the Hon'ble High Court sanctioning the Scheme with the RoC, as required by Section 394(3) of the Companies Act, 1956. Pending such filing, the Accounts have been compiled as if the Scheme has become effective and consequently, Rs. 5,771.34 crore has been withdrawn from General Reserve in the Consolidated Accounts.

### 8 Provisions

10

7

þ,

(i), Provisions include, provision for disputed claims and others of Rs. 1,844.80 crore (Previous year Rs.1,905.20 crore), provision for Commission to Non Executive Directors of Rs. 0.60 crore (Previous year Rs. 35.00 crore) and provisions for Asset Retirement Obligation (ARO) made by the Company's subsidiary in respect of undersea cables and equipments Rs. 277.22 crore (Previous year Rs. 219.28 crore).

Provision for disputed claims and others consist of disputed claims of Rs. 1,835.76 crore (Previous year Rs. 1,896.16 crore) and for verification of customers Rs. 9.04 crore (Previous year Rs. 9.04 crore).

(ii) During the year, an amount of Rs. Nil (Previous year Rs. 49.52 crore) relating to Access Deficit Charge (ADC), Rs. 4,40 crore relating to commission to Non Executive Directors (Previous year Rs. 15.01 crore) have been reversed. An amount of Rs. Nil (Previous year Rs. 106.39 crore) has been provided towards disputed interconnect usage charges, an amount of Rs. 31.18 crore (Previous year Rs. Nil) has been reversed out of disputed interconnect usage charges and Rs. Nil (Previous year Rs. 25:77 crore) has been provided towards disputed spectrum charges. An amount of Rs. NIL (Previous year Rs. 14.87 crore)

has been utilised towards address verification of prepaid subscribers, an amount of Rs. 29.22 crore (Previous year Rs. Nil crore) paid towards disputed liabilities and an amount of Rs. 30.60 crore (Previous year Rs. 30:33 crore) paid towards commission to Non Executive Directors.

(iii) The Board of Directors has approved the payment of commission to Non Executive Directors of Rs. 0.60 crore at its meeting held on 8th August, 2009, which will be paid during the year 2009-10.

(iv) Also refer Note 3(v) above.

The aforesaid provisions shall be utilised on settlement of the claims, if any, thereagainst.

### 10 Deferred Tax Assets and Liabilities

The Company and its certain subsidiaries being in the business of Telecommunication Services, Broadband Network and Internet Services, are eligible for deduction under Section 80IA (Tax Holiday) of the Income tax Act, 1961. Since the Deferred Tax Liability in respect of timing difference is expected to reverse during the Tax Holiday Period, the same is not recognised in books of accounts as at 31st March, 2009 as per the Accounting Standard ("AS") 22 of "Accounting for Taxes on Income" as referred to in Accounting Standard Rules.

·~ .

The Deferred Tax Liabilities relating to other subsidiaries of the Company comprises of the following.

		31st Ma	As at rch, 2009	(I 31st Ma	Rs. in crore) As at Irch, 2008
() ( <b>()</b> 1011 - 9 1101 - 9	Deferred Tax Liabilities Related to timing difference on depreciation on fixed assets Related to timing difference on revenue recognition	14.25 25.95	40.20	232.56	232.56
(ii)	Deferred Tax Asset Related to carried forward loss Disallowances, if any, under the Income Tax Act, 1961	11.32 0.78	12.10	129.19 0.61	129.80
	Net Deferred Tax Liabilities		28.10		102.76

### 11 Leases

### (a) Finance Lease; as a lessee

(i) The details of gross investments and minimum lease rentals outstanding as at 31st March, 2009 in respect of fixed assets acquired on or after 1st April, 2001.

Notes on Accounts to the Abridged Consolidated Balance Sheet and Abridged Consolidated Profit and Loss Account

### 15 Fixed Income Schemes

During the year, under the head "Income from Investments", the Group has accounted an amount of Rs. 57.59 crore (Previous year Rs. 464.58 crore), being its share of accrued interest and realised gains on the units held by it in the Fixed Income Schemes, in the year in which such income accrues instead of the year in which such income is declared or paid as the trustees are obliged in terms of the trust deed to hold the income for the benefit of the unit holders.

### 16 Exceptional Items

Amortisation of compensation includes a further charge of Rs. 7.47 crore (Previous year Rs.16.17 crore) based on intrinsic value Options which have been vested under ESOS Plan 2008 and reflected as Exceptional Item in Profit and Loss Account. During the Previous year, Exceptional Items included Rs. 1.282.78 crore being the net gain realized on sale of 5% of the Equity Shares of Reliance Infratel Limited (RITL), a Subsidiary company by Reliance Telecom Infrastructure (Cyprus) Holdings Limited (RTIHL), a subsidiary of Reliance Globalcom BV (formerly Reliance Infocom BV) by virtue of its control of the Board of Directors and owned by a Trust for benefit of the Company and / or its Shareholders.

### 17 Restructuring of Share Capital of certain subsidiaries

- (i) FLAG Telecom Group Services Limited, ("FTGSL" or "Buyer's Group"), being the acquirer has executed an Agreement for Sale of Shares dated 25th May, 2008 with Vanco Plc. ("Seller") to purchase the Shares of the "Subsidiary Companies" (Refer Note no. 2 (d), Sr. no. 1 to 33 above) at a cash consideration of about Rs. 281.26 crore. Consequent to the said Agreement, the Buyer's Group and thereby Reliance Globalcom Limited (RGCL) (formerly Flag Telecom Group Limited), a Bermuda Company, which is the Holding Company of the Buyer's Group, has indirectly acquired control over the said Subsidiary Companies.
- (ii) Pursuant to the above, RGCL, during the period upto 31st December, 2008, extended loan of Rs. 369.70 crore to Reliance Vanco Group Limited (RVGL) and to certain of its subsidiaries. The said loan alongwith the right to receive repayment or other satisfaction of the said loan have been assigned to FTGSL, wholly owned subsidiary, with effect from 19th March, 2009. Consequently, RVGL has, against the said loan, issued 51,000 new shares of GBP 0.001 each at a premium of GBP 1,000 per Share to FTGSL.

### 18 General Reserve

During the year, the Company has, in Consolidated Accounts, combined the balances of General Reserve I, II, III and IV and disclosed as General Reserve. General Reserve I and II had been created pursuant to the Schemes of Demerger of 'Telecommunication Undertaking' of Reliance Industries Limited into the Company and the Scheme of Amalgamation and Arrangement of Group Companies respectively in earlier years. General Reserve IV has been created pursuant to the Scheme of Amalgamation with RGNL (Refer Note 6 (i) above).

### 19 Goodwill

Consequent upon the acquisition of subsidiaries during the year (Refer Note 2 (d) above), the Company has accounted for Rs. 1,383.44 crore as Goodwill on consolidation.

### 20 Income from Investments

Income by way of distribution received from Reliance Communications Shareholders Trust (the Trust) consists of distribution by the Trust to a Subsidiary of the Company of amounts received by the Trust by way of dividends from Reliance Telecom Infrastructure (Cyprus) Holdings Limited (RTIHL), a Board Controlled Subsidiary of the Company. RTIHL had declared the dividend in the year ended on 31st March, 2008 out of gains realised from sale of shares of Reliance Infratel Limited (RITL), a Subsidiary of the Company, held by it. As the Trust is the sole shareholder of RTIHL, the profits of RTIHL consisting primarily of gains from the sale of the said shares of RITL were in that year excluded from the profits of the Company as representing profits attributable to the Trust.

### 21 Related Parties

As per the Accounting Standard ("AS") 18 of "Related Party Disclosures" as referred to in Accounting Standard Rules, the disclosure of transactions with the related parties as defined therein are given below.

### 22 Employee Stock Option Scheme

The Company operates two Employee Stock Option Plans; ESOS Plan 2008 and ESOS Plan 2009, which cover eligible employees of the Company, the Holding Company and its Subsidiaries. ESOS Plans are administered through an ESOS Trust. The vesting of the options is on the expiry of one year from the date of grant as per Plan under the respective ESOS(s). In respect of Options granted, the accounting value of Options (based on market price of the share on the date of the grant of the option) is accounted as deferred employee compensation, which is amortised on a straight line basis over the vesting period. Each Option entitles the holder thereof to apply for and be allotted one Equity Share of the Company of Rs. 5 each upon payment of the exercise price during the exercise period. The maximum exercise period is 10 years from the date of grant of Options.

The Company has established a Trust for the implementation and management of ESOS for the benefit of its present and future employees. Advance of Rs. 159.00 crore has been granted to the Trust. Rs. 154.91 crore has been utilised by the Trust for purchasing 92 lac Equity Shares during the period upto 31st March, 2009.

Amortization of compensation includes a further charge of Rs. 7.47 crore (Previous year Rs.16.17 crore) based on intrinsic value Options which have been vested under ESOS Plan 2008 and reflected as Exceptional Item in Profit and Loss Account. Amounts earlier charged in respect of surrendered Options under ESOS Plan 2008 have been reversed during the year. No amount is chargeable in respect of Options granted under ESOS Plan 2009.

		<b>Employees St</b>	ock Option Plans	
Particulars	PLAN	1 2008	. PLAN 2	009
	Number of Options	Weighted average exercise price (Rs.)	Number of Options	Weighted average exercise price (Rs.)
No of options Outstanding at the beginning of the year	14,991,185	371.24	Nit	-
Number of Options granted	Nil	-	13,217,975	206.00
Total number of Options surrendered	13,217,975	369.10	Nil	-
Number of Options vested during the year	1,607,320	394.06	Nil	_
Total number of Options exercised	Nil	-	Nit	-
Total number of Options forfeited / lapsed	165,890	382.98	1,938,980	206.00
No of Options outstanding at the end of the year	1,607,320	394.06	11,278,995	206.00

If the entity would have estimated fair value computed on the basis of Black-Scholes pricing model, the compensation cost for the year ended 31st March, 2009 for ESOS Plan 2008 and ESOS Plan 2009 would have been Rs. 6.64 crore and Rs.9.25 crore respectively. The key assumptions used to estimate the fair value of options are given below.

Particulars		ESOS Plan 2008	r Alexandra de Services	ESOS Plan 2009
Risk-free interest rate		7.27%		5.00%
Expected life		1 year	1.1.1 1.1.1	1 year
Expected volatility	$\mathcal{L}_{i,j}^{\infty} \delta \mathbf{x}_{i} = i$	37.58%		70.00%
Expected dividend yield		0.1386%	and the	0.4301%
Price of the underlying sha	re in market at the time of option grant	Rs. 541.15		Rs. 174.00

### 23 License Fees

The Company accounts for its liabilities in respect of Licence Fees payable by way of Revenue Share to be computed on the Gross Revenue of the Company after taking into account the decision of Telecom Disputes Settlement And Appellate Tribunal (TDSAT) dated 30th August, 2007 specifying that revenues not related to UAS and Other Licences under which the Company operates are not to be included in the computation of Revenue Share. The TDSAT has, by its decision dated 26th March, 2009 applied the said decision dated 30th August, 2007 to the Company. The decision of the TDSAT is the subject matter of Appeal pending before the Supreme Court. No provision is considered necessary in this regard.

### 24 Joint Venture

Reliance Communications Infrastructure Limited (RCIL), a Subsidiary of the Company has intered into argoint venture (JV) with 33% interest. The detail of the said JV are as under.

	Name of the Joint Venture Name of the Other Venturer	:	Alcatel-Lucent Managed Solutions Alcatel- Lucent India Limited	India Private Limited
	Percentage of Interest of RCIL	:	33%

t i skali	Interest rate	7%	9%	7%	9%
	Estimated return on plan assets	7%	9%	7%	9%
	Salary Growth rate	6%	8%	6%	

The estimates of future salary increases, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market.

Provident Fund : The guidance on Implementing ("AS") 15 "Employee Benefits" (revised 2005) issued by the ICAI states that the benefits involving employer established Provident Fund, which require interest shortfalls to be recompensed are to be considered defined benefit plans. The actuary of the Company has expressed his inability to reliably measure provident fund liabilities, pending the issuance of the guidance note from the Actuarial Society of India. Accordingly, the Company is unable to provide the related information.

The Employee Benefits as disclosed above pertain to the Company and its significant subsidiaries like Reliance Communications Infrastructure Limited, Reliance Telecom Limited, Reliance Webstore Limited, Reliance Tech Services Limited, Reliance Infrastructure and Investment Private Limited and Reliance Wimax Limited (formerly Gateway Systems (India) Limited).

### 27 Consolidated Segment Information:

The Company has identified five reportable segments viz. Wireless, Broadband, Global, Investment and Others. The segments have been identified and reported taking into account the nature of services provided, the differing risks and returns and the internal business reporting systems. The accounting policies adopted for segment reporting are in line with the accounting policy of the Company with following additional policies for segment reporting.

- (a) Revenue and expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Unallocable".
- (b) Segment assets and liabilities represent the assets and liabilities in respective segments. Tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Unallocable".
- (i) Primary Segment Information

# **Review Report**

1.

2.

3.

4.

5.

# To the Board of Directors of Reliance Communications Limited

- We have reviewed the accompanying statement of un-audited financial results of Reliance Communications Limited ('the Company') for the quarter ended 30 June 2009. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
- We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly we do not express an audit opinion.
- Without qualifying our report, we draw attention to the fact that the Company has, pending filing of the Scheme of Arrangement ("the scheme") sanctioned by the Hon'ble High Court of Judicature at Mumbai, as required under section 394(3) of the Companies Act, 1956 with the Registrar of Companies (RoC), given effect to the scheme with its subsidiary Reliance Infratel Limited in the financial statement as detailed in note 2 and 4(ii) of the unaudited financial results. The Company has represented that it is reasonably certain that the scheme, post completion of the procedural formality, will be filed with the RoC in due course.
  - We have not reviewed the unaudited financial results for the year ended 31 March 2009 included in the statement and its corresponding effect on the opening balance as at 1 April 2009 impacting the financial results for the quarter ended 30 June 2009.
- Based on our review conducted as above, nothing has come to our attention that causes us to believe that, the accompanying statement of unaudited financial results prepared in accordance with accounting standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

1.

2.

Figures of the previous periods have been reworked, regrouped, rearranged and reclassified, wherever required.

On account of various factors including, in particular, an amendment to Schedule VI of the Companies Act, 1956 ("the Act") withdrawing the requirement to adjust changes in the amounts of liability relating to Loans and Liabilities in foreign currency attributable to Fixed Assets acquired by the Company in the cost of the said Fixed Assets, the Company has decided after the end of the Financial Year 2008 - 09 and after the approval of the Unaudited Financial Results for the Year ending on 31st March, 2009 that it would be more appropriate to account for the changes in the amounts of liabilities, consequent to changes in foreign exchange rates, as part of the profit or loss of the Company for the year in which the changes take place without adjusting the amount of the change in the cost of fixed assets. The accounting policy now adopted by the Company is in line with the Accounting Standard ("AS") 11. "The Effect of Changes in Foreign Exchange Rates" as also in line with the accounting policy adopted by the Company in the Previous Year ending 31st March, 2008 and the accounting policy followed by the Company for similar changes relating to liabilities expressed in foreign exchange other than those relating to fixed assets.

Accordingly, in respect of the Year ending on 31st March, 2009, Rs. 460,839 lakh being the foreign exchange difference relating to such loans/ liabilities, which were earlier adjusted in the cost of fixed assets, have now been charged to the Profit and Loss Account. Rs. 446,457 lakh has been withdrawn from the General Reserve of the Company in accordance with the terms of the Scheme of Arrangement between the Company and Rellance Infratel Limited approved by the Mumbal High Court on 18th July, 2009 and consequently, there is no impact vis-a-vis profits of the year ended 31st March, 2009 of such charge except for consequential effects relating to Depreciation, etc. which have been appropriately dealt with. However, aforesaid adjustment by withdrawing from the General Reserve shall be reversed in case, for any reason, the Order does not become effective.

The revised accounting policy is continued in respect of the Current Year and the financial results for the Quarter ended on 30th June, 2009 have been arrived at on the basis of the revised accounting policy.

The accounting treatment in relation to changes in amount of liabilities consequent to changes in foreign exchange rates was the subject matter of reference in the Review Report of the Auditors for the previous Quarter ending on March 31, 2009.

З.

During the quarter, the Company has repurchased and cancelled 297 Foreign Currency Convertible Bonds (FCCBs) of USD 1,00,000 each, at a discount. This has resulted in a saving of Rs. 2,449 lakh which has been reflected as part of Other Income. Consequent upon such repurchase and cancellation, the Company's obligations to convert the said FCCBs into Shares, if so claimed by the FCCB Holders and/ or to redeem the same in foreign currency, have come to an end vis-à-vis the cancelled FCCBs.

4.(i) I

. Kenada Mi AMb, Cartal **De**rod.

Constant in an Angle Constant Constant Constant Constant Constant Constant

Pursuant to the Scheme of Amalgamation under Section 391 to 394 of the Companies Act, 1956 sanctioned by the Honourable High Court of Bombay vide Order dated 3rd July, 2009, Rellance Gateway Net Limited ("RGNL"), a Wholly Owned Subsidiary of the Company has been amalgamated into the Company with effect from the Appointed Date as 31st March, 2009. As required by the Scheme, the Company has considered the accounting effects of the Scheme into unaudited accounts for the year ended as at 31st March, 2009. All the assets and liabilities as appearing in the books of the RGNL as on the Appointed Date have been recorded at their respective fair values by the Transferee Company. Excess of Rs. 1,433,205 lakh arising on such transfer of assets and liabilities, in proportion to its Shareholding in Reliance Globalcom Limited, Bermuda, after making the adjustment, in accordance with the Scheme, for cancellation of investments of Rs. 2,09,643 lakh in RGNL and net effect on revaluation of assets and ilabilities of the Company selected by the Board as required to be revalued for this purpose ("Identified Assets") of Rs. 1,269,881 lakh has been credited to General Reserve, to be dealt with in accordance with the Scheme.

Further to the above, during the current quarter, additional depreciation of Rs. 28,934 lakh arising on account of fair valuation of Identified Assets, have been adjusted by drawing an equivalent amount from General Reserve, leaving no impact on Profit and Loss Account of the Company.

Pursuant to the Scheme of Arrangement ("the Scheme") under Section 391 to 394 of the Companies Act, 1956 sanctioned by the Honourable High Court of Bombay on 18th July, 2009, the Optic Fiber Undertaking, as defined in the Scheme, of the Company has been transferred and vested into Reliance Infratel Limited ("RITL"), a subsidiary of the Company with effect from the Appointed Date as 1st April, 2008.

However, the detailed Order of the Court is yet to be received. Also, the said Order has not become effective as the Company is still to file the said Order with the Registrar of Companies. In the interest of providing relevant information, the Company has decided that, notwithstanding the aforesaid position, the Company would reflect the transactions forming part of the Scheme sanctioned by the said Order in compiling the accounts both for the Year ended 31st March, 2009 and for the Quarter ended 30th June, 2009.

If, for any reason, the Order does not become effective, the financial results for the Year ended on 31st March, 2009 and the Quarter ended on 30th June, 2009 would have to be adjusted by reversal of the following:

- In respect of the Year ended 31st March, 2009:
- a) Profit arising from the transfer of the Optic Fibre Division- Rs. 306,327 lakh
- b) Amounts payable to RITL as the Owner of the Optic Fibre Division including amounts charged in accordance with the applicable accounting standards, even though the same are not payable, (Rs. 90,300 lakh) less amounts receivable and savings by way of Depreciation, etc. – Net effect, Rs. 76,512 lakh.
- B. In respect of the Quarter ending 30th June, 2009:

Net effect of amounts payable to RITL as the Owner of the Optic Fibre Division including amounts charged in accordance with the applicable accounting standards, even though the same are not payable (Rs. 22,575 lakh), less savings by way of Depreciation, etc. – Net effect, Rs. 18,722 lakh.

C All transactions for the year ending 31st March, 2009 and for the current quarter ending 30th June, 2009 relating to the said Undertaking and recorded as transactions carried out by RITL, the Subsidiary of the Company, may be considered to be transactions carried out by the Company and/ or to the extent they relate to transactions with the Company reversed, as not having taken place.

(ii)

A.

Consequently, the pending Regulatory approvals which were the subject matter of reference by the Auditors in their Review Report on the Financial Results for the year ended 31<sup>st</sup> March, 2009 have been received and the effect thereof has been incorporated in arriving at the results for the Quarter ended on 30th June, 2009 and in the restated numbers for the year ended on 31<sup>st</sup> March, 2009.

As a consequence of the above, Profit after tax for the year ended as at 31st March, 2009 stands restated to Rs. 480,275 lakh (unaudited) as against Rs. 235,293 lakh (unaudited) disclosed earlier before giving effects of the Schemes. Reserve for the accounting year ended as at 31st March, 2009 shall be available on finalisation of audit. The amount of Reserves, excluding Revaluation Reserves as per the last audited Balance Sheet as on 31st March, 2008 is Rs. 2,380,797 lakh.

The Company has provided for Current Tax based on Minimum Alternate Tax (MAT) rate of 15% with applicable surcharge and education cess and discontinued provision of Fringe Benefit Tax (FBT), in view of the proposals contained in the Finance Bill (No.2) 2009.

The Board of Directors have declared Interim dividend of Re. 0.80 per equity share of Rs. 5 each i.e. 16% for the financial year 2008 - 09. The interim dividend will be paid on or after 6th August, 2009.

The Company is operating with Wireless, Broadband, Global, Investments and Others / Unallocated segments. Accordingly, segment-wise information has been given. This is in line with the requirement of AS 17 "Segment Reporting".

No complaint from Investors was pending for redressal at the beginning and end of the quarter. During the quarter, 119 complaints were received and all the complaints were resolved.

After review by the Audit Committee, the Board of Directors of the Company has approved the above results at their meeting held on 31st July, 2009, and the same have been subjected to Limited Review by the Statutory Auditors of the Company.
