STEPHEN M. FERRETTI, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2008

Note 1 -

Nature of Business

Stephen M. Ferretti, Inc. (The "Company") is a New York State corporation formed in June 2000, for the purpose of conducting business as a broker on the floor of the New York Stock Exchange. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC").

The Company operates under the provisions of Paragraph (k) (2) (ii) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k) (2) (ii) provide that the Company clears all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmits all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

Note 2 -

Summary of Significant Accounting Policies

a) *Revenue Recognition*

Securities transactions (and the recognition of related income and expenses) are recorded on trade date basis. Commission income and related expense are recorded on a settlement date basis. There is no material difference between settlement date and trade date.

b) *Income Taxes*

The Company has elected to be treated as an "S" Corporation under the provisions of the Internal Revenue Code and New York State tax regulations. Under the provisions, the Company does not pay federal or state corporate income taxes on its taxable income. Instead, the stockholder is liable for individual income taxes on his respective share of the Company's taxable income. The Company continues to pay New York City general corporation taxes.

c) *Cash and Cash Equivalents*

The Company considers demand deposited money market funds to be cash equivalents.

The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

d) *Use of Estimates*

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

STEPHEN M. FERRETTI, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2008

Note 3- Marketable Securities Owned.

Marketable securities consist of securities at quoted market values, as illustrated below

	<u>Owned</u>
Government Bonds	<u>\$87,999</u>
	<u>\$87,999</u>

Note 4- Profit Sharing Plan

The Company is a sponsor of a defined contribution profit sharing plan for its eligible employees.

Contributions to the plan if any are determined by the employer and come out of its current accumulated profits. The employer's contribution for any fiscal year shall not exceed the maximum allowable as a deduction to the employer under the provisions of the IRS Code Section 404, as amended, or replaced from time to time. The Company's liability to the plan for the year ended December 31, 2008, was \$253,120.

Note 5 - Commitments

Office Space

The Company leases office space pursuant to an operating lease expiring in March, 2012. The future minimum rental commitment through termination is

<u>Year</u>	<u>Amount</u>
2009	\$46,550
2010	\$47,947
2011	\$49,385
2012	\$12,437

The Company shares the office space with an entity whose majority stockholders are the majority stockholders of the Company. In 2008, substantially all the rent was paid by the entity.

In 2008, the Company recognized \$936,043 of commission income from this entity of which it was owed \$105,376 at December 31, 2008

The Company received a loan of \$80,000 from this entity in December 2008, all of which was repaid in January 2009

Note 6 - Financial Instruments with Off-Balance Sheet Credit Risk

As a securities broker, the Company is engaged in buying and selling securities for a diverse group of institutional and individual investors. The Company introduces these transactions for clearance to another broker-dealer on a fully disclosed basis.

STEPHEN M. FERRETTI, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2008

Note 6 - Financial Instruments with Off-Balance Sheet Credit Risk (continued)

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair customers' ability to satisfy their obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount.

The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers.

The Company seeks to control the aforementioned risks by requiring customers to maintain margin collateral in compliance with various regulatory requirements and the clearing broker's internal guidelines. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, and requiring customers to deposit additional collateral, or reduce positions, when necessary.

Note 7 - Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At December 31, 2008, the Company had net capital of \$502,156 which was \$471,736 in excess of its required net capital of \$30,420. The Company's net capital ratio was 90.86%.

INDEPENDENT AUDITORS' REPORT

To the Officers and Directors of
Stephen M. Ferretti, Inc.
c/o Gettenberg Consulting
40 Wall Street, 34th Floor
New York, NY 10005

We have audited the accompanying statement of financial condition of Stephen M. Ferretti, Inc. as of December 31, 2008. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Stephen M. Ferretti, Inc. as of December 31, 2008, in conformity with accounting principles generally accepted in the United States of America.

STEPHEN M. FERRETTI, INC.
INDEPENDENT AUDITORS' REPORT

FOR THE YEAR ENDED DECEMBER 31, 2008

LERNER & SIPKIN
CERTIFIED PUBLIC ACCOUNTANTS LLP

132 Nassau Street, New York, NY 10038 Tel 212.571.0064 / Fax 212.571.0074

E-mail: LS@lernerpsipkin.com

To the Officers and Directors of
Stephen M. Ferretti, Inc.
c/o Gettenberg Consulting
40 Wall Street, 34th Floor
New York, NY 10005

Gentlemen:

In planning and performing our audit of the financial statements of Stephen M. Ferretti, Inc. as of and for the year ended December 31, 2008, in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion of the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5 (g) (1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5 (g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3 (a) (11); and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons, and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2008, to meet the SEC's objectives.

Further, that no material differences existed between our computations of your net capital, or determination of the reserve requirements, and your corresponding Focus Report Part IIA filing.

This report recognizes that it is not practicable in an organization the size of this Company to achieve all the divisions of duties and cross checks generally included in a system of internal accounting control and that alternatively greater reliance must be placed on surveillance by management.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies, that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
