INDEPENDENT AUDITORS' REPORT

To the Members of
DeSilva & Phillips Corporate Finance LLC

We have audited the accompanying statement of financial condition of DeSilva & Phillips Corporate Finance LLC (the "Company") as of December 31, 2008. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of DeSilva & Phillips Corporate Finance LLC as of December 31, 2008, in conformity with accounting principles generally accepted in the United States of America.

The Company has elected to apply the deferral and will adopt the provisions of FIN 48 effective January 1, 2009. The Company's accounting policy for evaluating uncertain tax positions during financial statement periods subject to the deferral of FIN 48 is based on the recognition and disclosure criteria for loss contingencies under SFAS No. 5, "Accounting for Contingencies".

Accordingly, the individual members report their share of the Company's income or loss on their income tax returns.
