INDEPENDENT AUDITORS' REPORT

Board of Governors
Advanced Advisor Group, LLC
Cambridge, Minnesota

We have audited the accompanying statements of financial condition of Advanced Advisor Group, LLC (a limited liability company) as of December 31, 2008 and 2007, and the related statements of operations, member's equity and cash flows for the years then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Advanced Advisor Group, LLC as of December 31, 2008 and 2007, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information on page 9 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

ADVANCED ADVISOR GROUP, LLC
(A Limited Liability Company)

NOTES TO FINANCIAL STATEMENTS
December 31, 2008 and 2007

NOTE 1 - Summary of Significant Accounting Policies

Nature of Business

Advanced Advisor Group, LLC (the Company), is a Minnesota-based LLC with an infinite life that conducts business using a K(1) exemption as a securities broker-dealer and is a member firm of the Financial Industry Regulatory Authority (FINRA). The Company received permission to operate as a member firm with restrictions as outlined in its membership agreement in October 2006. The Company does not and may not acquire, hold or trade securities inventory. It acts solely as a broker of mainly variable annuities, mutual funds and 529 accounts.

Cash and Cash Equivalents

The Company defines cash and cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less. The Company maintains its cash in high quality financial institutions and money market mutual funds. The balances, at times, may exceed federally insured limits.

Marketable Securities

Marketable securities consist of index funds. The index funds are reported at fair value with all unrealized gains (losses) included in other income (expense) on the statements of operations. The securities were purchased by the Company during 2008.

	Aggregate fair value	Cost	Gross unrealized losses
Marketable securities	\$ 4,948	\$ 10,000	\$ (5,052)

Commissions Receivable

Commissions receivable are unsecured and no allowance for doubtful accounts is considered necessary at December 31, 2008 and 2007.

Depreciation and Amortization

Property and equipment are recorded at cost. Depreciation is provided for using the straight-line method over estimated useful lives of five years. Maintenance, repairs and minor renewals are expensed when incurred. Depreciation expense was \$1,073 and \$333 for the years ended December 31, 2008 and 2007.

Revenue Recognition and Related Expenses

Commission income and expenses are recorded on a trade-date basis.

Income Taxes

The Company has elected to be taxed as a partnership under provisions of the Internal Revenue Code and comparable Minnesota income tax law. Under these provisions, the Company's results of operations are reported on the individual tax returns of the Company's sole member. Therefore, no provision or liability for income taxes is reflected in the Company's financial statements.

ADVANCED ADVISOR GROUP, LLC
(A Limited Liability Company)

NOTES TO FINANCIAL STATEMENTS
December 31, 2008 and 2007

NOTE 1 - Summary of Significant Accounting Policies (cont.)

Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - Net Capital Requirements

The Company is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed fifteen to one. Net capital and the related net capital ratio fluctuate on a daily basis. As of December 31, 2008 and 2007, the net capital ratio was 1.08 and 1.1 to 1.0 and net capital was \$128,395 and \$127,282, which was \$119,113 and \$117,810 in excess of its minimum requirement of \$9,282 and \$9,472.

No material differences exist between the net capital calculated above and the net capital computed and reported in the Company's December 31, 2008 FOCUS filing. Per Rule 15c3-3 of the SEC Uniform Net Capital Rule, the Company is exempt under the K(1) exemption.

NOTE 3 - Related Parties

The Company has an agreement with Educators Financial Services (EFS), which is not a registered company, to pay a percentage of shared expenses. EFS is related by common ownership. Shared expenses include office rent, office supplies and a percentage of salaries. Shared expenses incurred by the Company were \$168,370 and \$146,796 for the years ended December 31, 2008 and 2007. Shared expenses due to EFS were \$261 and \$6,231 at December 31, 2008 and 2007 and are included in related party payables. The Company has an agreement to pay commissions to EFS based on commissions earned. Commissions paid to EFS for the years ended December 31, 2008 and 2007 were \$824,539 and \$951,987. Commissions due to EFS were \$43,168 and \$57,340 at December 31, 2008 and 2007 and are included in related party payables.

The Company has an agreement to pay commissions to Financial Resources (FR), a company related by common ownership, based on commissions earned. Commissions paid to FR for the years ended December 31, 2008 and 2007 were \$100,106 and \$130,228. Commissions due to FR were \$5,241 and \$7,844 at December 31, 2008 and 2007 and are included in related party payables.

NOTE 4 - Fair Value of Financial Instruments

Effective January 1, 2008, the FASB issued Statement of Financial Accounting Standards No. 157, "Fair Value Measurements" ("SFAS No. 157"), which provides a framework for measuring, reporting and disclosing fair value under generally accepted accounting principles. SFAS No. 157 applies to all assets and liabilities that are measured, reported and/or disclosed on a fair value basis.

ADVANCED ADVISOR GROUP, LLC
(A Limited Liability Company)

NOTES TO FINANCIAL STATEMENTS
December 31, 2008 and 2007

NOTE 4 - Fair Value of Financial Instruments (cont.)

As defined in SFAS No. 157, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company values and records all investment securities transactions on a trade date basis. Securities listed on a national or regional securities exchange are valued at their last reported sales price on the last business day of the period. Securities which are not traded on a major exchange or for which no sale was reported on that date are valued at the average of their last quoted "bid" price and "asked" price. Short positions are valued at the last quoted "asked" price. Inputs used in the valuation methods can be either readily observable, market corroborated, or generally unobservable inputs. Whenever possible the Company attempts to utilize valuation methods that maximize the use of observable inputs and minimizes the use of unobservable inputs. Based on the observability of the inputs used in the valuation methods the Partnership determines fair value based on quoted market prices in active markets for identical assets and liabilities.

Net audit adjustments	<u>-</u>
Net capital per above	<u>\$ 128,395</u>

INDEPENDENT AUDITORS' SUPPLEMENTARY REPORT ON INTERNAL ACCOUNTING CONTROL

Board of Governors
Advanced Advisor Group, LLC
Cambridge, Minnesota

In planning and performing our audit of the financial statements and supplemental schedule of Advanced Advisor Group, LLC (the Company) for the year ended December 31, 2008, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Due to the small size of the Company's accounting department, the Company has a lack of segregation of duties. We consider this item to be a material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2008, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Governors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
