**Independent Auditors' Report**

Member  
Benefit Finance Securities, LLC  
St. Louis, Missouri

We have audited the accompanying statement of financial condition of Benefit Finance Securities, LLC as of December 31, 2008, and the related statements of income, changes in member's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Benefit Finance Securities, LLC as of December 31, 2008, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules 1 and 2 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Benefit Finance Securities, LLC  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2008

**A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization**

Benefit Finance Securities, LLC (the Company), a wholly-owned subsidiary of Bancorp Services, LLC (Bancorp), was organized as a limited liability company on December 4, 1997 and commenced operations in December 1998. The Company is registered with the Securities and Exchange Commission (the SEC) as a broker-dealer selling variable life insurance annuities and private placements in Missouri. Also, the Company provides plan administration services for these variable life insurance contracts. The Company is a member of the Financial Industry Regulatory Authority, Inc. (FINRA) and operates under the exemptive provisions of SEC Rule 15c3-3(k)(1). The latest date upon which the Company is to dissolve is December 31, 2050.

**Cash and Cash Equivalents**

Cash and cash equivalents include all cash balances and highly liquid investments with an initial maturity of three months or less. The Company places its temporary cash investments with two financial institutions. Deposits at these banks are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Accordingly, the Company's practice is to maintain all bank balances below the current FDIC limit.

**Revenue Recognition**

Plan administration fees are derived and earned over the term of the contract from policy administration pursuant to the sale by a retail broker-dealer of a variable insurance related contract.

The Company also receives commissions from the sale of certain corporate life insurance products. Revenue from commissions is earned at the point the premiums are paid.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

**Income Taxes**

The Company is formed as a limited liability company and has elected to be taxed as a partnership under the Internal Revenue Code. Therefore earnings of the Company are taxed at the member level. Accordingly, no provision for income taxes has been reflected in the financial statements.

Benefit Finance Securities, LLC  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2008

**Recent Accounting Pronouncement**

The Financial Accounting Standards Board ("FASB") has issued FASB Interpretation No. 48 ("FIN 48"), *Accounting for Uncertainty in Income Taxes - an interpretation of FASB Statement No. 109*. FIN 48 provides detailed guidance for the financial statement recognition, measurement and disclosure of uncertain tax positions recognized in an enterprise's financial statements in accordance with FASB Statement No. 109, *Accounting for Income Taxes*. FIN 48 prescribes a recognition threshold and measurement standard for the financial statement recognition and measurement of an income tax position taken or expected to be taken in a tax return.

FASB is in the process of developing guidance on the implementation of FIN 48 by pass-through entities, and the Company has therefore elected to defer the application of FIN 48 in accordance with FASB Staff Position ("FSP") FIN 48-3. This FSP defers the effective date of FIN 48 for nonpublic enterprises included within its scope to the annual financial statements for fiscal years beginning after December 15, 2008. The Company will be required to adopt FIN 48 in its 2009 annual financial statements. Tax positions must meet the more-likely-than-not recognition threshold to be recognized.

The cumulative effect of applying the provisions of FIN 48, if any, will be reported as an adjustment to the opening balance of retained earnings for the fiscal year of adoption. The Company does not expect the adoption of FIN 48 to have a material effect on its financial position, results of operations or cash flows.

**B. REGULATORY NET CAPITAL REQUIREMENTS**

The Company is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum regulatory net capital and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed 15 to 1. At December 31, 2008, the Company had regulatory net capital of \$209,342 and minimum net capital requirements of \$5,000. The Company's ratio of aggregate indebtedness to net capital at December 31, 2008 was .191 to 1.

**C. RELATED PARTY TRANSACTIONS**

During 2008, the Company received \$1,285,495 in commissions from BFP Securities, LLC (BFPS), a wholly-owned subsidiary of Benefit Finance Partners, LLC (BFP), which is 50% owned by Bancorp.

Commissions and plan administration fees may be due to and receivable from BFP and BFPS, respectively. The Company owed \$40,000 to BFP at December 31, 2008.

The Company has an Expense Agreement with Bancorp to pay a monthly fee of \$7,500 for office space, and support in administration, finance, equipment, technology, sales, and marketing. Expenses under the agreement totaled \$90,000 in 2008.

Benefit Finance Securities, LLC  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2008

**D. COMMITMENTS AND CONTINGENCIES**

Changes to the Internal Revenue Code and other factors may affect the demand for variable insurance contracts. At present, it is not possible to determine the probability or extent of any such changes.

**SUPPLEMENTARY INFORMATION  
REQUIRED BY  
THE SECURITIES AND EXCHANGE COMMISSION**

Benefit Finance Securities, LLC  
**COMPUTATION OF NET CAPITAL, AGGREGATE INDEBTEDNESS, AND RATIO OF  
 AGGREGATE INDEBTEDNESS TO NET CAPITAL UNDER RULE 15c3-1**

Schedule 1  
 December 31, 2008

Member's Equity	<u>\$ 228,414</u>
Less non-allowable assets:	
Accounts receivable	17,000
Due from member	<u>590</u>
Total non-allowable assets	<u>17,590</u>
Net Capital Before Haircuts	<u>\$ 210,824</u>
Less: haircuts on securities	<u>\$ 1,482</u>
Net Capital	<u><u>\$ 209,342</u></u>
Aggregate Indebtedness	<u><u>\$ 40,000</u></u>
Computation of Basic Net Capital Requirement	
Minimum net capital required (6 2/3% of aggregate indebtedness)	<u>\$ 2,667</u>
Minimum dollar net capital requirement	<u>\$ 5,000</u>
Minimum capital requirement (greater of above)	<u>\$ 5,000</u>
Excess net capital	<u>\$ 204,342</u>
Excess net capital at 1000%	<u>\$ 205,342</u>
Ratio of aggregate indebtedness to net capital	<u><u>.191 to 1</u></u>

There are no differences between the audited Computation of Net Capital above and the Company's corresponding computation in the unaudited Part II A Focus Report.

Benefit Finance Securities, LLC  
**EXEMPTIVE PROVISION UNDER RULE 15c3-3**  
Schedule 2  
December 31, 2008

An exemption from Rule 15c3-3 is claimed as the broker-dealer does not hold customer funds or securities. All accounts are on a fully disclosed basis.

Therefore the schedules of "Computation for Determination of Reserve Requirements Under Rule 15c3-3" and "Information Relating to Possession or Control Requirements Under Rule 15c3-3" are not applicable.

**Independent Auditors' Supplementary  
Report on Internal Control**

Member  
Benefit Finance Securities, LLC  
St. Louis, Missouri

In planning and performing our audit of the financial statements of Benefit Finance Securities, LLC as of and for the year ended December 31, 2008 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1) Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
- 2) Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2008, to meet the SEC's objectives.

This report is intended solely for the information and use of the Sole Member, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
