INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Member
Pinnacle Investments, LLC
East Syracuse, New York

We have audited the accompanying statement of financial condition of Pinnacle Investments, LLC (the Company) as of December 31, 2008. This combined financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the accompanying statement of financial condition presents fairly, in all material respects, the financial position of Pinnacle Investments, LLC as of December 31, 2008, in conformity with U.S. generally accepted accounting principles.
