INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
American Heritage Securities, Inc.
Akron, Ohio

I have audited the accompanying Statement of Financial Condition of American Heritage Securities, Inc., (the Company) (an Ohio Corporation) as of December 31, 2008, and the related Statements of Income, Changes in Stockholder's Equity and of Cash Flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Heritage Securities, Inc. as of December 31, 2008, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

AMERICAN HERITAGE SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2008

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

American Heritage Securities, Inc. (the Company) was incorporated in 1991 for the purpose of operating as a broker-dealer in securities. The Company operates as an introducing broker, whose services are limited to accepting customer orders. The Company has a business relationship with an independent clearing broker who is responsible for processing and settling customer transactions. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulation Authority (FINRA).

Accounting Basis

The accompanying financial statements have been prepared, in all material respects, in accordance with accounting principles generally accepted in the United States of America, as prescribed in the American Institute of Certified Public Accountants' Audit and Accounting Guide, *Brokers and Dealers in Securities*. The following information summarizes the accounting basis:

Receivables from Clearing Organizations

Receivables from clearing organizations are considered to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Property and Equipment

Property and equipment are stated at cost. Renewals and betterments are capitalized. The costs of maintenance and repairs are charged to expense as incurred. Depreciation is computed using various accelerated methods over the following estimated useful lives:

Furniture and fixtures	3-5 years
Office equipment	3-5 years
Vehicles	5 years

Depreciation expense has been included in other expense in the accompanying Statement of Income.

Investments in Marketable Securities

The Company determines the appropriate classification of its investments in marketable securities at the time of purchase, in accordance with FAS 115; and reevaluates such determinations at each balance sheet date. As of December 31, 2008, all investments in securities were classified as held primarily for sale during the Company's normal operating cycle and have been reported at fair value, with unrealized gains and losses recognized in earnings. The fair value of substantially all securities is determined by quoted market prices. For purposes of determining realized gains and losses, the cost of securities sold is based on specific identification.

Restricted Escrow Deposits

Restricted escrow deposits consist of government bonds. These deposits are restricted in accordance with the Company's agreement with its independent clearing broker, who is responsible for processing and settling customer transactions.

AMERICAN HERITAGE SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2008

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Income Taxes

For Federal income tax purposes, the Company is classified as a taxable corporation. Provisions for federal and state and local income taxes totaling \$1,316 and \$2,800, respectively, have been included in the accompanying Statement of Income. These provisions are net of overpayment credits of \$2,442 for Federal income taxes and \$171 for city taxes. The Company has made estimated tax payments for the year ended December 31, 2008 totaling \$13,979. Because there are no material differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes, the entire tax provision is considered current.

Statement of Cash Flows

The Statement of Cash Flows is presented in accordance with Statement of Financial Accounting Standards No. 95. Cash payments for income taxes totaled \$14,434 for the year ended December, 2008. There were no cash payments for interest.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect the amounts of assets, liabilities, revenues and expenses reported in the financial statements. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Due to the short-term nature of these items, the fair value of current assets and liabilities approximates carrying value.

NOTE 2 – NOTE RECEIVABLE FROM STOCKHOLDER

As of December 31, 2008, the Company had a note receivable from its sole stockholder totaling \$122,254. This note bears interest at a rate of 5% per annum and is to be repaid to the Company in monthly installments of \$2,068, including interest, through August, 2014. This note is secured by certain real property which the Company is leasing as office space. Future maturities of this note receivable are as follows:

<u>Year Ended December 31,</u>	<u>Amount</u>
2009	\$19,141
2010	20,121
2011	21,150
2012	22,232
2013	23,370
Thereafter	16,240

AMERICAN HERITAGE SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2008

NOTE 3 – RETIREMENT PLAN

The Company adopted a defined contribution retirement plan during the year ended December 31, 2000. This Plan meets the requirements of a “Savings Incentive Match Plan for Employees” (SIMPLE), as defined by the Internal Revenue Service. Company contributions to the Plan totaled \$1,658 for the year ended December 31, 2008.

NOTE 4 – MARKETABLE SECURITIES

Investments, as of December 31, 2008, consist of equities and fixed income securities. Original cost, fair market value, unrealized changes in market value and investment income, at December 31, 2008, is summarized below:

	<u>Original Cost</u>	<u>Fair Value</u>	<u>Unrealized Apprec./.(Dep.)</u>	<u>Interest/Div. Income</u>
Fixed income securities (Maturing in July, 2012)	\$31,500	\$36,321	\$4,911	\$760
Equities	<u>57,695</u>	<u>47,888</u>	<u>(9,807)</u>	<u>1,725</u>
	<u>\$89,195</u>	<u>\$84,209</u>	<u>\$(4,896)</u>	<u>\$2,485</u>

There were no sales of securities during the year ended December 31, 2008.

NOTE 5 – RELATED PARTY TRANSACTIONS

The Company shares office space and personnel with EGI Financial, Inc. (EGI). EGI is a related entity owned by the Company’s sole stockholder. As compensation for this arrangement, the Company receives a management fee equal to 60 - 90% of EGI’s operating revenue. During the year ended December 31, 2008, management fees from EGI totaled \$137,639 and have been included in “net sales and revenues” in the accompanying Statement of Income.

The Company leases office space from its sole stockholder. Rent expenses for the year ended December 31, 2008 totaled \$31,900 and have been included in “occupancy and related expenses” in the accompanying Statement of Income.

NOTE 6 – INDEMNIFICATIONS

In the normal course of its business, the Company indemnifies and guarantees certain service providers, such as clearing and custody agents, trustees and administrators, against specified potential losses in connection with their acting as an agent of, or providing services to, the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will be required to make significant payments under these arrangements and, therefore, no contingent liability has been recorded in the accompanying financial statements.

AMERICAN HERITAGE SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2008

NOTE 7 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn, or cash dividends paid, if the resulting net capital ratio would exceed 10 to 1). At December 31, 2008, the Company had net capital of \$179,344, which was \$174,344 in excess of its required net capital of \$5,000.

I have audited the accompanying financial statements of American Heritage Securities, Inc., as of and for the year ended December 31, 2008, and have issued my report thereon dated February 17, 2009. My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information included in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

LAURA J. MACDONALD

CPA, INC.

135 North Broadway - Medina, Ohio 44256

330.722.1944 - Fax 330.241.5090

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SECURITIES AND EXCHANGE COMMISSION RULE 17a-5(g)(1) FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM RULE 15c3-3

To the Board of Directors
American Heritage Securities, Inc.
Akron, Ohio

In planning and performing my audit of the financial statements of American Heritage Securities, Inc. (the Company), as of and for the year ended December 31, 2008, in accordance with auditing standards generally accepted in the United States of America, I considered the Company's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that I considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment of securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and for the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies that adversely affects the entity's ability to initiate, authorize, record, process or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

My consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. I did not identify any deficiencies in internal control and control activities for safeguarding securities that I consider to be material weaknesses, as defined previously.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2008, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
