Independent Auditor's Report

To the Board of Directors
Creative Investor Services, Inc
4 Burritts Landing
Westport, CT 06880

I have audited the accompanying balance sheet of Creative Investor Services, Inc (an S Corporation) as of December 31, 2008, and the related statements of income and retained earnings and cash flows for the year then ended. These financial statements are the responsibility of the company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Creative Investor Services, Inc at December 31, 2008, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

The company, with the consent of its shareholders, has elected under the Internal Revenue Code to be an S Corporation. In lieu of corporation income taxes, the shareholders of an S Corporation are taxed on their share of the company's taxable income. Therefore, no provision or liability for Federal Income Taxes has been included in these financial statements.

My audit was made for the purpose of forming an opinion on the financial statements of the company taken as a whole. The accompanying Focus Report-PartIIA-Form X-17A-5 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.
