To the Member and Managers  
ONESHARE INVESTMENTS, LLC

We have audited the statement of financial condition of OneShare Investments, LLC as of December 31, 2009 and the related statements of operations, changes in member's equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of OneShare Investments, LLC as of December 31, 2009 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplementary schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

### **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Nature of Business

OneShare Investments, LLC (the Company) is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and became a member of the Financial Industry Regulatory Authority (FINRA) on October 25, 2007. The Company is located in California. The Company was organized as a California limited liability company (LLC).

#### Basis of Presentation

The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services.

#### Income Taxes

The Company is a limited liability company for income tax reporting purposes, and as such, is not subject to income tax. Accordingly, no provision for income taxes is provided in the financial statements.

#### Estimates

The presentation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **2. NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2009, the Company had net capital of \$46,418, which was \$41,418 in excess of its required net capital of \$5,000.

**3. RELATED PARTY TRANSACTIONS**

The Company and the sole member have entered into a management expense sharing agreement (Agreement), whereby many of the expenses of the Company can be paid by the member individually or by a company under common control. Additionally, under the Agreement, the member will contribute additional capital to the Company in order for the Company to meet its regulatory requirements for maintaining net capital as defined in Rule 15c3-1 (see also Note 2). The agreement is intact, however, all of the Company's expenses were paid by the Company in 2009.

**4. COMPUTATION FOR DETERMINATION OF RESERVE RQUIREMENTS UNDER RULE 15C3-3 OF THE SECURITIES AND EXCHANGE COMMISSION**

The Company is exempt from the provisions of Rule 15c3-3 under the Security Exchange Act of 1934 pursuant to paragraph (k)(2)(i) of the rule.

**5. INFORMATION RELATING TO THE POSSESSION OR CONTROL REQUIREMENTS UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION**

<b>TOTAL MEMBER'S EQUITY QUALIFIED FOR NET CAPITAL</b>	<b>\$ 47,285</b>
<b>DEDUCTION - 15c3-1 (f) 2% of money market funds</b>	<b>(867)</b>

Excess net capital	<b>41,418</b>
Excess net capital at 1,000 percent	<b>40,418</b>

The only audit adjustments were to reduce a 2008 nonallowable asset and to increase the related 2009 expense. However, the adjustment provides for no difference reported in the net capital, above, and the Company's net capital, as reported in the Company's Part II (unaudited) FOCUS report as of December 31, 2009.

## REPORT ON INTERNAL CONTROL

REQUIRED BY

SECURITIES EXCHANGE COMMISSION (SEC) RULE 17A-5  
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM  
(SEC) RULE 15C3-3

To the Member and Managers  
ONESHARE INVESTMENTS, LLC

In planning and performing our audit of the financial statements and supplementary schedule of OneShare Investments, LLC (the "Company"), as of and for the year ended December 31, 2009 we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by Rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

See Independent Auditors' Report and  
Notes to Financial Statements.

WBOWDEN@VOLCPA.COM

Because of inherent limitations in any internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control, including control activities for safeguarding securities that we consider to be material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate as of December 31, 2009 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be used by anyone other than these specified parties.
