## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Foresters Equity Services, Inc. and Subsidiary

We have audited the accompanying consolidated statements of financial condition of Foresters Equity Services, Inc. and subsidiary (a wholly-owned subsidiary of The Independent Order of Foresters) as of December 31, 2009 and 2008, and the related consolidated statements of operations, changes in stockholder's equity, and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Foresters Equity Services, Inc. and subsidiary at December 31, 2009 and 2008, and the results of their operations and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

# FORESTERS EQUITY SERVICES, INC. AND SUBSIDIARY

(A Wholly-owned Subsidiary of The Independent Order of Foresters)

## Notes to Consolidated Financial Statements

### 1. THE COMPANY AND ITS SIGNIFICANT ACCOUNTING POLICIES

**Principles of Consolidation.** The consolidated financial statements include the accounts of Foresters Equity Services, Inc. and its wholly owned subsidiary Sylvan Agency, Inc. (the "Company"). Foresters Equity Services, Inc. is a wholly-owned subsidiary of The Independent Order of Foresters ("Foresters"). All significant intercompany transactions have been eliminated.

**The Business.** Foresters Equity Services, Inc. ("FESCO") is a registered broker-dealer and a registered investment advisor licensed by the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority. FESCO provides broker-dealer services involving primarily mutual funds and variable products. Sylvan Agency, Inc. provides insurance services on an agency basis.

**Accounting Estimates.** The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

**Revenue Recognition.** Security transactions and the related commission revenue are recorded on a trade date basis. Other revenues are generally recognized as services are rendered.

**Fixed Assets.** Fixed assets are stated at cost less accumulated depreciation. Maintenance and repairs which do not extend asset lives are expensed as incurred. Depreciation is provided on the straight-line method over the estimated useful lives of the assets, five years.

**Cash and Cash Equivalents.** Cash and cash equivalents consist of cash, investment in mutual funds, and deposits with clearing organizations which may be withdrawn on demand without penalty. Investments in mutual funds are valued at market value with the resulting differences between cost and market included in income.

**Concentration of Credit Risk.** The Company maintains cash in bank accounts which exceed federally insured limits and invests excess cash in mutual fund accounts. No credit losses have been experienced on these accounts. Management believes that any potential credit losses would be minimal and, accordingly, no reserve for such losses has been established.

**Financial Instruments.** The carrying values reflected in the statement of financial condition at December 31, 2009 and 2008 reasonably approximate the fair values for financial instruments. In making such assessment, the Company has utilized discounted cash flow analyses, estimates, and quoted market prices as appropriate. No allowance for potential credit losses was considered necessary at December 31, 2009 and 2008.

(A Wholly-owned Subsidiary of The Independent Order of Foresters)

## Notes to Consolidated Financial Statements

### 2. RELATED PARTY TRANSACTIONS

*Due to Foresters.* The Company reimburses Foresters for compensation and other costs that Foresters pays on behalf of the Company. These costs amounted to approximately \$1,234,000 in 2009 and \$1,305,000 in 2008. As of December 31, 2009 and 2008, the balance owed to Foresters was \$1,131,622 and \$1,146,074, respectively.

### 3. FIXED ASSETS

	2009	2008
Computer equipment and software	\$425,459	\$425,459
Other equipment	35,636	35,636
Leasehold improvements	14,785	14,785
Furniture and fixtures	<u>59,220</u>	<u>59,220</u>
	535,100	535,100
Less accumulated depreciation	<u>(527,557)</u>	<u>(521,557)</u>
	<u>\$ 7,543</u>	<u>\$ 13,543</u>

### 4. INCOME TAXES

The Company does not file consolidated income tax returns. The Company uses the liability method of accounting for income taxes whereby deferred tax asset and liability account balances are calculated at the balance sheet date using the current tax laws and rates in effect. Because temporary differences are insignificant and the future utilization of operating loss carryforwards is uncertain, the Company has not recognized in the financial statements any deferred tax assets or liabilities.

At December 31, 2009, the Company has net operating loss carryforwards for financial statement purposes of approximately \$3,925,000 which expire in various years through 2024.

The effective income tax rate varies from the statutory federal income tax rate of 34% for the following reasons:

	2009	2008
"Expected" federal income tax benefit (expense)	\$ 183,917	\$ 254,886
State income tax	(15,155)	(17,066)
Change in valuation allowance	<u>(183,917)</u>	<u>(254,886)</u>
Income tax expense	<u>\$ (15,155)</u>	<u>\$ (17,066)</u>

## **Notes to Consolidated Financial Statements**

### **5. LIABILITIES SUBORDINATED TO CLAIMS OF GENERAL CREDITORS**

The Company had no borrowings under subordination agreements at December 31, 2009 and 2008.

### **6. NET CAPITAL REQUIREMENTS**

Under Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital (as defined) and a ratio of aggregate indebtedness to net capital (as defined) not exceeding 15 to 1.

The Company's ratio at December 31, 2009 was 9.34 to 1. The basic concept of the Rule is liquidity, its object being to require a broker-dealer in securities to have at all times sufficient liquid assets to cover its current indebtedness. At December 31, 2009, the Company had net capital of \$145,478 which was \$54,884 in excess of the amount required by the SEC.

### **7. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS AND INFORMATION RELATING TO THE POSSESSION AND CONTROL REQUIREMENTS UNDER RULE 15c3-3**

The Company relies on Section K(2)(ii) of the Securities Exchange Rule 15c3-3 to exempt them from the provisions of these rules.

**Computation for Determination of Reserve Requirements  
Pursuant to Rule 15c3-3**

**December 31, 2009**

The Company is exempt from Rule 15c3-3 under the exemptive provisions of section (k)(2)(ii) and, accordingly, has no reserve requirements. Consequently, a reserve requirement was not calculated in Part II of Form X-17A-5 of this Company's FOCUS report as of December 31, 2009; and a reconciliation to that calculation is not included herein.

**Annual Opinion of Counsel Regarding the Use of Consolidated Financials

**December 31, 2009**

Because the consolidation of the Company's subsidiary does not result in the increase of the Company's net capital and/or the decrease of its minimum net capital requirement under Rule 15c3-1, the Company is not required to obtain an opinion of counsel described in Appendix C of Rule 15c3-1.

**INDEPENDENT AUDITOR'S SUPPLEMENTARY  
REPORT ON INTERNAL CONTROL STRUCTURE**

Board of Directors  
Foresters Equity Services, Inc. and Subsidiary:

In planning and performing our audit of the financial statements and supplementary schedules of Foresters Equity Services, Inc. and Subsidiary (the "Company") for the year ended December 31, 2009, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control. Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them

to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the control environment and accounting system and their operation that we consider to be a material weakness as defined above.

We understand that the practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority, and other regulatory agencies which rely on rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used by anyone other than these specified parties.

## SIPC SUPPLEMENTAL REPORT

Board of Directors  
Foresters Equity Services, Inc. and Subsidiary:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Transitional Assessment Reconciliation (Form SIPC-7T) to the Securities Investor Protection Corporation (SIPC) for the period from April 1, 2009 to December 31, 2009, which were agreed to by Foresters Equity Services, Inc. and Subsidiary (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported for the fiscal period beginning April 1, 2009 and ending December 31, 2009, with the amounts reported in Form SIPC-7T for the period ended December 31, 2009 noting no differences;
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
