INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Wellington Securities Inc.
San Francisco, California

We have audited the accompanying statements of financial condition of Wellington Securities, Inc. as of December 31, 2009 and 2008 and the related statements of operations, changes in stockholder's equity, and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Wellington Securities, Inc. as of December 31, 2009 and 2008, and the results of its operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The 2009 information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In addition, we have applied agreed-upon procedures to the Entity's SIPC Assessments Reconciliation and have summarized our findings thereon (pages 12-15).

WELLINGTON SECURITIES, INC.
Notes to Financial Statements
December 31, 2009 and 2008

1. General Information and Significant Accounting Policies

Wellington Securities, Inc. (the "Company") was incorporated June 25, 1985 and began business in September 1985. The Company is registered as a broker and dealer in securities with the Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"). It transacts trades in equity securities through other brokers on a "fully-disclosed" basis and receives commissions therefrom. In addition, commissions are earned on sales of limited partnership interests, mutual funds and other interests. The Company is a wholly-owned subsidiary of San Francisco Rail, Inc.

Basis of accounting

The financial statements are prepared on the accrual basis of accounting wherein income is recognized as earned and expenses are recognized when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

The Company considers all highly liquid financial instruments purchased with an original maturity of three months or less to be cash equivalents.

At December 31, 2009, the Company maintains cash balances at one bank with FDIC insurance of up to \$250,000. At December 31, 2009, the cash balance did not exceed the FDIC limit. Additional deposits were maintained with a clearing broker, which is insured by SIPC.

Income taxes

The Company files consolidated income tax returns with its parent. Deferred income tax assets and liabilities are provided for differences between the tax basis of an asset or liability and its reported amount in the financial statements. Deferred tax balances are determined by using the tax rate expected to be in effect when the taxes will actually be paid or refunds received.

WELLINGTON SECURITIES, INC.
Notes to Financial Statements
December 31, 2009 and 2008

2. Net Capital Requirement

As a registered broker and dealer in Securities, the Company is subject to the Securities Exchange Commission Uniform Net Capital Rule (Rule 15c3-1).

The Company's ratio of aggregate indebtedness to net capital as defined in the Uniform Net Capital Rule was approximately 0.44 to 1 and 0.53 to 1 at December 31, 2009 and 2008, respectively. Aggregate indebtedness and net capital change from day to day. The Company is required to maintain a ratio of less than 15 to 1.

At December 31, 2009 and 2008, the Company had net capital as defined of \$74,277 and \$77,284, respectively, which exceeded the minimum requirement of \$5,000. However, it should be noted that in order to diminish the clerical effort of interim reporting, the Company must maintain a minimum net capital of 120% of the minimum required capital.

3. Exemption From Rule 15c3-3

The Company is exempt from certain provisions of Rule 15c3-3 since it places stock and bond transactions on a "fully-disclosed" basis with clearing broker-dealers, since it carries no margin accounts, except through the clearing brokers, and since it promptly transmits all customer funds, delivers all customer securities and does not otherwise hold funds or securities of customers.

4. Income Taxes

The Company files consolidated income tax returns with its parent. Income tax expenses are recognized on a separate company basis and remitted to the parent company. The following is the computation of income tax expense. The deferred tax benefit recognized is due to timing differences in the deduction of California Franchise tax:

INDEPENDENT AUDITORS' REPORT PURSUANT TO RULE 17A-5 OF THE SECURITIES EXCHANGE ACT OF 1934

To the Board of Directors
Wellington Securities, Inc.
San Francisco, California

In planning and performing our audits of the financial statements of Wellington Securities, Inc. (the "Company"), for the year ended December 31, 2009 and the supplemental schedules as of December 31, 2009, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute assurance, that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statement will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2009 to meet the SEC's objectives.

This report is intended solely for the use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority (FINRA) and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

To the Board of Directors
Wellington Securities, Inc.
San Francisco, California

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Transitional Assessment Reconciliation (Form SIPC-7T) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2009, which were agreed to by Wellington Securities, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Wellington Securities, Inc.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). Wellington Securities, Inc.'s management is responsible for Wellington Securities, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records entries noting no differences.
2. Compared the amounts reported on the audited Form X-17A-5 for the period April 1 through December 31, 2009, as applicable, with the amounts reported in Form SIPC-7T for that period noting no differences.
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers noting no differences.
5. Compared the amount of the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

5. Compared the amount of the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
