**Report of Independent Public Accountants**

To the Member  
Foreside Fund Services, LLC

We have audited the accompanying statement of financial condition of Foreside Fund Services, LLC (a wholly-owned subsidiary of Foreside Financial Group, LLC and a limited liability company) as of December 31, 2009 that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Foreside Fund Services, LLC as of December 31, 2009, in conformity with accounting principles generally accepted in the United States of America.

**FORESIDE FUND SERVICES, LLC**  
**(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)**

**NOTES TO STATEMENT OF FINANCIAL CONDITION**

**Note 1 - Organization:**

Foreside Fund Services, LLC, (the "Company") is registered with the Securities and Exchange Commission ("SEC") as a broker-dealer and is a member of both the Financial Industry Regulatory Authority ("FINRA") and Securities Investor Protection Corporation ("SIPC").

The Company is a limited liability company and is a wholly-owned subsidiary of Foreside Financial Group, LLC (the "Parent" or "FFG"). Two other wholly owned subsidiaries of the Parent, Foreside Compliance Services, LLC ("FCS") and Foreside Management Services ("FMS"), both of which provide investment company compliance services, share occupancy costs with the Company.

The limited liability company agreement provides for the Company to exist in perpetuity.

The Company is engaged in the business of providing statutory underwriting and distribution, active distribution, placement agent services, and registered representative "only" registration services.

The accompanying statement of financial condition has been prepared from the separate records maintained by the Company and, due to certain transactions and agreements with affiliated entities, may not necessarily be indicative of the financial condition that would have existed had the Company operated as an unaffiliated entity.

**Note 2 - Summary of significant accounting policies:**

**Cash:**

The Company maintains cash deposits in a bank which, from time to time, exceed the amount of deposit insurance available. Management periodically assesses the financial condition of the bank and believes that any potential credit loss is minimal. At December 31, 2009, the Company had cash in excess of insured limits of approximately \$489,000.

**Revenue and expense recognition:**

Currently, the Company derives its revenue from distribution of mutual funds, exchange traded funds (collectively, the "Funds"), private placements and registered representative compliance services. The Company receives fees for the performance of such services, which are recorded in accordance with the terms of the contractual agreements. These contractual agreements are based either on a fixed base fee or a percentage of the mutual funds' net assets, or some variation thereof. Related expenses are recorded in the period that the revenues are recorded.

**FORESIDE FUND SERVICES, LLC**  
**(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)**

**NOTES TO STATEMENT OF FINANCIAL CONDITION**

**Note 2 - Summary of significant accounting policies (continued):**

**Revenue and expense recognition (concluded):**

Management and administrative fees consist primarily of fees invoiced to the Funds' advisors for the provision of distribution services to the Funds. These fees are billed and earned monthly. The fees are either a fixed monthly fee plus a variable portion or variable based on a percentage of assets.

Licenses and fees rebill represent payments made by the Funds' advisors to compensate the Company for certain expenses incurred. The expenses include FINRA licensing and advertising review fees.

Wholesaling personnel services fees (compensation rebill) are payments made by a subsidiary of a Fund's investment advisor, an unaffiliated third party, in accordance with the Service Level Agreement. The fees compensate the Company for wholesaling activities performed on behalf of the Fund. The wholesale payroll allocation expense consists of the personnel expenditures made by the Company in performing the service.

**Receivables:**

On a periodic basis, the Company evaluates its receivables and establishes an allowance for doubtful accounts, based on a history of past write-offs and collections and current considerations. At December 31, 2009, no allowance for doubtful accounts was deemed necessary.

**Income taxes:**

The Company is a limited liability company and is considered a disregarded entity for Federal income tax purposes. Any income or loss generated is passed through to the member.

The Company adopted the new accounting for uncertainty in income taxes guidance on January 1, 2009. The adoption of that guidance did not result in the recognition of any unrecognized tax benefits and the Company has no unrecognized tax benefits at December 31, 2009. The Company's income tax returns prior to fiscal year 2006 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

**FORESIDE FUND SERVICES, LLC**  
**(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)**

**NOTES TO STATEMENT OF FINANCIAL CONDITION**

**Note 2 - Summary of significant accounting policies (concluded):**

**Use of estimates:**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those amounts.

**Subsequent events:**

The Company has evaluated events and transactions for potential recognition or disclosure through February 22, 2010, which is the date the statement of financial condition was available to be issued.

**Note 3 - Related party transactions:**

The Company participates in a variety of financial and administrative transactions with affiliates.

During the year ended December 31, 2009, pursuant to formal management agreements dated August 1, 2008 and August 1, 2009, FFG provided to the Company administrative overhead services including corporate administration and legal costs. FFG charged the Company an administrative service fee for these services designed to cover the costs of providing such services. At December 31, 2009, amounts due to FFG for these services amounted to \$112,930. The administrative service fee would not necessarily be the same if an unrelated party provided these services to the Company. At December 31, 2009, due to related parties includes \$18,826 which results from revenue collected on behalf of the related parties.

In addition, the Company shares occupancy costs with FCS and FMS.

**Note 4 - Net capital requirement:**

As a registered broker-dealer engaged in the sale of redeemable shares of registered investment companies and certain other share accounts, the Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and the ratio of aggregate indebtedness to net capital not to exceed 15 to 1. The rule also provides that equity capital may not be withdrawn or cash distributions paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2009, the Company had net capital of \$332,507, which was \$290,850 in excess of its minimum required net capital of \$41,657. The Company's ratio of aggregate indebtedness to net capital at December 31, 2009 was 1.88 to 1.

**FORESIDE FUND SERVICES, LLC**  
**(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)**

**NOTES TO STATEMENT OF FINANCIAL CONDITION**

**Note 5 - Regulatory compliance:**

The Company claims exemption under the exemptive provisions of Rule 15c3-3 under subparagraph (k)(1) - all customer transactions are limited to the sale and redemption of redeemable securities of registered investment companies and the Company does not maintain customer accounts or handle customer funds.

**Note 6 - Contracts:**

The Company has Distribution Agreements (the "Agreements") with the Funds under which it acts as the distributor of the shares of beneficial interest of the Funds. The Agreements are for initial one or two year terms. Thereafter, if not terminated, the Agreements shall continue with respect to the Funds for successive one-year terms, provided such continuation is approved at least annually (a) by the vote of a majority of those members of the respective Fund's Board of Trustees who are not parties to this agreement or interested persons of any such party and (b) by the vote of the respective Fund's Board of Trustees, or by the vote of a majority of the outstanding voting securities of such Fund. The Agreements are terminable without penalty with 60 days' prior written notice, by the respective Fund's Board of Trustees, by a vote of a majority of the outstanding voting securities of the Funds, or by the Company. The Company has also entered into Distribution Services Agreements with the investment advisors to certain of the Funds (the "Services Agreement") which continue in effect through the term of the Distribution Agreements. The Company receives commissions on sales of certain new Funds' shares and any distribution and services (12b-1) fees paid by the Funds for shares sold which are still outstanding.

The Company enters into Dealer and Selling Group Member Agreements with various intermediaries (including third party broker-dealers, banks and third party administrators) related to the sale of the shares of the Funds and the servicing of the Funds' shareholders. The Company may pay these intermediaries distribution and shareholder servicing fees (12b-1 fees or commissions) as outlined in their respective Dealer and Selling Group Member Agreements provided that the Company first receives such payments from the Funds.

**FORESIDE FUND SERVICES, LLC**  
**(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)**

**NOTES TO STATEMENT OF FINANCIAL CONDITION**

**Note 6 - Contracts (concluded):**

The Company is entitled to receive the compensation and reimbursement of the expenses set forth in the Distribution Agreements or the Services Agreements, based on the services selected. The Agreements contain a fixed annual fee plus a variable portion if additional services are provided. Pursuant to the Services Agreement, if the Funds are not authorized to compensate and reimburse the Company in full in accordance with the Agreement, the investment advisor shall compensate and reimburse the Company to the extent that the Funds are not so authorized. The revenue is realized as base distribution fees.

**Note 7 - Indemnifications:**

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the statement of financial condition for these indemnifications.
