INDEPENDENT AUDITOR'S REPORT

**To the Board of Directors
Securities Capital Corporation
Birmingham, Alabama**

I have audited the accompanying balance sheet of Securities Capital Corporation (an S Corporation) as of December 31, 2009 and the related statements of income (loss) and retained earnings, statement of changes in stockholder's equity, statement of changes in liabilities subordinated to claims of general creditors and statement of cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. I believe my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Securities Capital Corporation as of December 31, 2009, and the results of its operations and its cash flows for the period stated in conformity with generally accepted accounting principles.

My audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and in my opinion, is fairly stated, in all material respects, in relation to the basic financial statement as a whole.

**SECURITIES CAPITAL CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009**

NOTE - 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Organization

Securities Capital Corporation is registered as a broker and dealer in securities under the Securities Exchange Act of 1934. The Company, incorporated in July 1989, has been organized to act as an investment banking and securities firm.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Income Taxes

No provision for income tax is included in these financial statements because the stockholder has elected to report income or loss in accordance with provisions of the S Corporation section of the Internal Revenue Service Code.

Property and Equipment

Non-current assets are reported at cost. The straight-line method of depreciation based upon the estimated useful lives of the assets is used to calculate and record depreciation expense. Major repairs and/or improvements are capitalized and depreciated over the estimated useful lives of the assets and other repairs are expensed as incurred.

<u>Class of Property</u>	<u>Cost</u>	<u>Accumulated Depreciation</u>
Furniture and Fixtures	<u>\$ 27,525</u>	<u>\$ 10,829</u>
TOTAL	<u>\$ 27,525</u>	<u>\$ 10,829</u>

Securities Owned

Securities owned consist of corporate common stock owned at December 31, 2009.

NOTE - 2 NET CAPITAL REQUIREMENTS:

The Company is subject to the Securities Exchange Commission Uniform Net Capital Rule (Rule 15c-3) which requires the ratio of aggregate indebtedness to net capital, both defined, shall not exceed 15 to 1. At December 31, 2009 the Company had net capital of \$153,688 of which \$53,688 was in excess of the required net.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

To the Board of Directors
Securities Capital Corporation
Birmingham, Alabama

In planning and performing my audit of the financial statements of Securities Capital Corporation for the year ended December 31, 2009, I considered its internal control structure in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g) (1) of the Securities and Exchange Commission, I have made a study of the practices and procedures (including test of compliance with such practices and procedures) followed by Securities Capital Corporation that I considered relevant to the objectives stated in Rule 17(a)-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3 (a) 11 and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3 of the Securities and Exchange Commission. I did not review the practices and procedures followed by the Company in making quarterly securities examinations, counts, verifications and comparisons and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and the practices and procedures referred to in the preceding paragraph and to assess whether those practice and procedures can be expected to achieve the Commission's above-mentioned objectives. Two objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) list additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL (CONT'D)

My consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a significant deficiency, or combination of significant deficiencies, that result in more than remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Organization's internal control. However, I noted no matters involving the accounting system and control procedures that I consider to be material weaknesses as defined above.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe the Company's practices and procedures were adequate at December 31, 2009, to meet the Commission's objectives.

This report is intended solely for the information and use of the Board of Directors, Management, Securities and Exchange Commission, National Association of Securities Dealers, Inc. and other regulatory agencies which rely on Rule 17a-5(g) under the Securities and Exchange Act of 1934 and should not be used for any other purpose.
