INDEPENDENT AUDITORS' REPORT

Board of Directors
Northbridge Financial Services
f/k/a Hans, Christian, Anderson, Inc.
Ann Arbor, Michigan

We have audited the accompanying statement of financial condition of Northbridge Financial Services f/k/a Hans, Christian, Anderson, Inc., (an S Corporation) as of December 31, 2009, and the related statements of operations, changes in shareholder's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northbridge Financial Services f/k/a Hans, Christian, Anderson, Inc. as of December 31, 2009, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the schedule of computation of net capital and computation of aggregate indebtedness is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Summary of Significant Accounting Policies

Organization - Northbridge Financial Services f/k/a Hans, Christian, Anderson, Inc. was incorporated February 2, 1990 for the purpose of doing business as a broker-dealer. The Company is a member of the National Association of Securities Dealers and monitored by Financial Industries Regulatory Authority (FINRA). The Company is a securities broker-dealer that introduces transactions and accounts on a fully disclosed basis and does not carry customer accounts or holds customers securities.

Use of estimates in the preparation of financial statements - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue and expenses recognition - During 2009, revenues consisted generally of fees for account supervision, investment advisory and administrative services recorded as they are earned. Expenses are recorded as they accrue.

Computation of customer reserve - The Company is exempt from customer reserve requirements and providing information relating to possession or control of securities pursuant to Rule 15c3-3 of the Securities and Exchange Act of 1934. The Company meets the exempting provisions of Paragraph (k)(2)(ii).

Income taxes - The Company and its shareholder has elected under Subchapter S of the Internal Revenue Code to have the Company's taxable income or loss reported by the shareholder. Because of this election, Federal income taxes are not provided for in the accompanying financial statements.

Cash and cash equivalents - The Company considers any investment with a maturity of three months or less at date of purchase to be cash or cash equivalent. At December 31, 2009, cash consists of cash in a bank account.

Marketable securities and fair value measurements - Marketable securities are considered as trading securities and are carried at market value.

The Company has established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs use quoted prices in active markets for identical assets or liabilities that the Company has the ability to access.

**NOTES TO FINANCIAL STATEMENTS
(CONTINUED)**

NOTE 3 - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission "Uniform Net Capital Rule" (Rule 15c3-1), which requires the maintenance of minimum net capital at an amount equal to the greater of \$5,000 or 6 2/3 % of aggregate indebtedness, and requires that the ratio of aggregate indebtedness to net capital not exceed 15 to 1.

In accordance with the "Uniform Net Capital Rule" investments held at broker dealers are considered as non-allowable assets unless the broker dealer provides a letter allowing the Company to use the investments as part of net capital (PAIB accounts). At December 31, 2009, the Company has permission to include equities held at E Trade Financial with a market value of \$4,357 (net of haircut) as available for net capital purposes.

At December 31, 2009, the Company had net capital of \$10,773 which was \$5,773 in excess of the required capital of \$5,000.

NOTE 4 - Related Party Transactions

The Company has a service agreement with a third-party administrator of a 401(k) plan for fees for administrative services. The Company earned such fees of \$81,870 in 2009 for services to an employee benefit trust 401(k) plan of the sponsoring organization where the stockholder/owner of Northbridge is an officer, but not a trustee of the plan. Also the Company incurred management fee expense of \$38,500 paid to a management company related to the stockholder/owner.

**NORTHBRIDGE FINANCIAL SERVICES

Board of Directors
Northbridge Financial Services
f/k/a Hans, Christian, Anderson, Inc.
Ann Arbor, Michigan

In planning and performing our audit of the financial statements of Northbridge Financial Services f/k/a Hans, Christian, Anderson, Inc. (the Company), as of and for the year ended December 31, 2009 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operations may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employee, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
