ASSESSMENT RECONCILIATION**

Board of Directors  
Mischler Financial Group, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Transitional Assessment Reconciliation (Form SIPC-7T) to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2009, which were agreed to by Mischler Financial Group, Inc. (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records entries and copies of cancelled checks, noting no differences;
2. Compared the total revenues reported in Part III of the Annual Audit Report on Form X-17A-5 for the year ended December 31, 2009 and reconciled it to the total revenue reported in each of the four quarterly FOCUS reports (line 9, code 4030) filed for the year ended December 31, 2009, noting no differences; compared the total revenue reported in the last three quarterly FOCUS reports (line 9, code 4030) filed for the year ended December 31, 2009 to total revenue reported in Form SIPC-7T for the period from April 1, 2009 through December 31, 2009, noting no differences;
3. Compared adjustments reported in Form SIPC-7T with supporting schedules and working papers (detail of annuity contracts revenue and general ledger transaction detail of other income accounts), noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers (revenue listing of annuities contracts and general ledger transaction detail by account) supporting the adjustments, noting no differences; and

5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
